8. NARRATIVE:

Regarding this offense, proceeded to the University area and tried to obtain a high powered rifle. Obtained two rifles on two different occasions and obtained three boxes of 30.06 ammunition and one box of 30.30 ammunition from EVERETT HARDWARE COMPANY 2820 Guadalupe. This hardware company has not been reimbursed for the ammunition. After attempting to shoot the subject from several locations, ascertained that I was too shaky to do any good and gave the weapons back to their owners.

On hearing from the radio dispatcher that officers were needed at the University of Police Security Office, to go up in the University Tower, proceeded to that location where I was met by Sgt. Barr of the U.T. Police. While at the security office, saw Officers Moe, Conner, Shoquist and Shepard drive up and told them to follow Sgt. Barr in a U.T. Unit.

MR. WILLIAM M. WILCOX, 3109 Beverly, escorted these officers through tunnels into the U. T. Tower where MR. FRANK HOLDEN 6917 Langston took these officers up on the elevator to the 27th floor where Officer Jerry Day and MR. W. A. COWAN of DPS, told these officers that Officer M. Martinez and a MR. ALLAN CRUMP of the University CoOp, were up inside the room which is surrounded by the Tower observatory, where the sniper was.

Officer J. Day and this officer proceeded up the stairs to where Officer Martinex and CRUMP were while the other officers removed two wounded and two dead civilians subjects at the bottom of the stairs.

After entering the room, this officer followed Officer Martinez out of the room onto the observatory walk around, going through a door on the south side. Officer Martinez with this officer following, crawled on the south part of the walk around to the south east corner and started crawling northward on the east part of the walk around. MR. ALLAN CRUMP and Officer J. Day guarded the south part of the walk around to make certain the sniper did not come behind this officer and Officer Martinez.

At the northeast corner, this officer saw Officer Martinex level his 38 special and commence firing. This officer heard a shot come from the area where he later saw the sniper. This officer stepped around

the corner and commenced firing this 12 guage shotgun, APD #19, firing off two rounds, both of which are believed to have hit the sniper in the head. The sniper was first observed in a sitting position with a Carbine rifle pointing in the direction of this officer and Officer Martinex. The weapon seemed to be falling and the subject seemed to be sliding into a laying, on his back position. After this officer had fired two rounds, Officer Martinez grabbed this officer's shotgun and fired one round at the subject.

Proceeded to the subject and ascertained that he was dead, whereupon Officer Martinex waved a light green towel that was laying nearby the subject, so as to notify police and vicilians to cease firing at the Tower.

Officer Martinex then proceeded to find a telephone or radio to notify the APD to notify radio stations to announce for everyone to cease fire.

This officer stayed by the sniper's body until CID help arrived.
