#### **Brief Synopsis of Offense:**

On 10-21-13, at approximately 0716 hours, Dispatch advised that they were receiving numerous phone calls reporting gunshots being fired at Sparks Middle School. I responded to the area and began searching the building and surrounding area for any victims or suspect. I made my way to the basketball court on the backside of the school, where I saw a juvenile male lying with a wound to his head and an adult male lying approximately 30 to 40 feet away from him. I helped secure the area round these two bodies while other personnel arrived on scene to assist in the investigation.

#### **Details of Offense:**

On 10-21-13 I was inside the Sparks Police Department working on paperwork from a SWAT callout I had earlier in the morning. As I sat in the report writing room I heard the alert tones come over the radio. Dispatch advised that there were reports of gunshots being fired at Sparks Middle School and that there were numerous calls about this incident. As I ran out of the building I saw Officer HOPKINS in front of me. We made our way out to the patrol cars. Officer HOPKINS got into the driver's side of a patrol sedan. I got into the passenger side of the same sedan. Officer HOPKINS turned on his overhead lights and siren and we traveled toward Sparks Middle School. On our way I took the shotgun out of the rack of the patrol car and prepared it for deployment. I checked all of the rounds in the shotgun to make sure they were there and ready to go. I also made sure that they were rounds used to breach locked doors.

**PAGE:** 3 of 4

Officer HOPKINS and I arrived on scene. We parked on 18<sup>th</sup> Street just south of the south driveway of the school. While we were en route I was listening to the updates Dispatch was giving. Dispatch advised that there was a victim on the ground in the basketball court area outside the school. They also advised that the shooter was last seen in the cafeteria. They also gave a description of the suspect shooter. The description of the clothing matched the description of the school uniform worn by students at this school.

As we were arriving I could hear an officer on the radio state that he had checked the cafeteria and that everybody inside that area was safe. I ran into the front doors of the school carrying the breaching shotgun, which was slung around my right shoulder, and my pistol. When I entered the front door of the school I could see that there was an intersection with three possible routes to take in order to clear the building. There were already some officers inside who were looking left, right, and straight ahead. There was a tactical SWAT medic who was also on scene and when he saw me he approached me and told me that he would like to get to the victim that was reported to be in the basketball court. I did not hear any gunshots going off and did not know which direction the shooter may have went, so I decided to take the group of people who were looking straight ahead and move toward the basketball court in order to assist any victims.

I, along with a group of other officers and the tactical medic, walked toward the gymnasium. The doors were locked but a school police officer had the keys and unlocked the doors. We proceeded into the gymnasium searching for any suspect. As we moved toward an exterior door the school police officer I was with pointed to a set of doors and told the group that they led to the outside into the basketball court. I walked through the exterior doors and made my way around the north corner of the gymnasium building, where I saw a juvenile male lying on the ground in his school uniform wearing a black and orange backpack. He had a wound to his head and blood around him. Approximately 30 to 40 feet west of him was an adult male lying on the ground motionless. Sgt. WALSH was approaching the adult male from the west as the group of officers and I approached the juvenile male. The juvenile male was lying on his back and his mouth was opening and closing. I also noticed that his stomach was moving up and down. I advised the medic that I was going to step in front of the juvenile and cover him so the medic could assess the situation in safety. As I stepped past the juvenile male I noticed that there was a handgun lying on the ground approximately 2 feet from the suspect's legs. As the medic attended to the juvenile and adult male in the basketball court I advised over the radio that the possible suspect was down on the basketball court. I stayed in my position securing the area as other personnel arrived to continue to clear the school of any threats or victims. The medic on scene advised me that both of the subjects on the basketball court were deceased.

In order to gain a better tactical position I moved to the southern corner of the gymnasium building and cleared the small courtyard visually. I could see that there was a gun magazine lying on the sidewalk in the courtyard. I had a yellow index card with me which I used to mark where the magazine was in order to help with the investigation. After I put the index card down next to the gun magazine I returned back to my position at the corner of the gymnasium and stood by until the scene was under control and detectives advised that I could secure.

On 10-21-13, at approximately 7:15 a.m., I was advised by Sparks Police Dispatch of a possible shooting that had occurred at Sparks Middle School located at 2275 18<sup>th</sup> St.

I deployed the Armored Personnel Vehicle (APV), which I drove to the area of Sparks Middle School in the event that it was needed. As I entered the area I saw several officers who were already on scene and their vehicles were blocking the roadway. Due to the fact that the APV was not needed I secured it and assisted in helping the students, staff, and parents who were fleeing from the school. As the crowds of people left the school I advised and directed them to the area of Agnes Risley Elementary School for safety purposes. I was on 18<sup>th</sup> St. just north of Byrd.

After the majority of the people were evacuated I began to place crime scene tape on the east side o0f 18<sup>th</sup> St. parallel to the east perimeter of the school. I then maintained the perimeter until I was relieved by Washoe County personnel.

Nothing further.

#### **Details of Supplement:**

On 10-21-13 at about 0716 hours Sparks Police Dispatch advised of a possible school shooting at Sparks Middle School at 2275 18<sup>th</sup> Street with multiple 911 calls coming in to the call center.

I was covering Officer HALE-BYRON on a stolen vehicle when the alert tones came from Dispatch and I drove my patrol car in code 3 model (lights and sirens) to the area of Sullivan and Byrd where I was flagged down by several juveniles running from the area. The juveniles advised that there was possibly one victim in the cafeteria. I asked them if there was a person still walking around the school shooting and they stated no however he was possibly still in the area.

I advised Sparks Police Dispatch of this information and arrived at the front of the school on the east side in the parking lot near the north end of the building where I met with Officer RAKER who had just arrived on scene. Officer RAKER obtained his AR-15 patrol rifle from his vehicle and I went inside with him, displaying my department issued sidearm.

Myself and Officer RAKER entered the east side of the building into a large room filled with students and a few adults. I met with an adult with a radio who was in contact with another person in the area of the school and I was advised that there were students that were hunkered down in the alcove area on the west side of the school where the shooting had occurred. I asked the adult male if there were any victims in the cafeteria and he stated no.

Myself and Officer RAKER then entered the main hallway which runs north and south. We began to clear the rooms as we went by them and then made our way to the alcove and discovered numerous juveniles hiding in a corner. We opened the side door and allowed the children and one adult into the hallway where they locked themselves into room E1 on the eastside of the hall. I advised Dispatch that we had secured several more students and the location where they were locked down and myself and Officer RAKER continued our search.

PAGE: 2 of 2

Once we reached the south end of the hallway, we found Officer SHEFFIELD and a Remsa SWAT Medic walking in the south hall towards the west end of the building. Myself and Officer. RAKER held this area until other units arrived on scene.

After numerous other units arrived on scene, my assignment was to keep watch at the south end of the hall until each room could be cleared by responding Reno and Washoe County Officers and Deputies along with the Nevada Highway Patrol.

After the rooms were cleared, my assignment was to stay on the northeast corner of the building in the parking lot with my patrol car until I was assigned another position.

After several hours, I was then directed to block off the south end of the parking lot on 18<sup>th</sup> Street and only allowed residents to leave with their vehicles however not drive back in as there were numerous police cars still parked on the street. While at this post I directed numerous news media personnel to the north end of the incident and also to the Sparks Police Department where another news briefing was to be held at 1600 hours.

#### **Details of Supplement:**

On 10-21-13 at approximately 0716 hours I responded from the Sparks Police Department with Officer LAKE for a report of shots being fired at Sparks Middle School.

Upon our arrival, along with Officer GINCHEREAU and Officer K. FYE, we responded to the front entrance of the school. As we made entry into the school, we were receiving reports that there was a subject with a firearm and that there had been reports of victims beings down.

As we moved into the gym of the school, we began separating to check multiple locations. I observed Officer GINCHEREAU stepping outside of the school. I then heard somebody broadcast that there was a subject down outside of the school on the basketball courts.

When I moved out to the basketball courts I saw a small male subject, appeared to be a juvenile, with an injury that looked consistent with a gunshot wound to the head and at his feet was a semi-automatic handgun. There was another subject down who appeared to be an adult male; however I did not see his injury.

After we saw the two subjects down near the basketball courts outside of the school, we saw a male adult subject in the north side of the school building. Myself and another officer from a different agency began approaching and I indicated to him that we needed to see his hands and he then raised his hands and informed us that he was a teacher at the school. He then informed us that he had a student in the north side of the building with a gunshot wound and we began coordinating medical treatment for that student.

Myself and several other officers from various agencies then began clearing the north side of the building. We evacuated several students from various classrooms out of the main entrance of the school.

I responded lights and sirens to the area and upon my arrival, I deployed my AR-15 rifle and received information that the teacher may be in the cafeteria.

Myself and Officer FLOWERS contacted a staff member in front of the school asking where the cafeteria was and were directed to the nearest entrance to the cafeteria. Myself and Officer FLOWERS entered the school and into the cafeteria to find that it was full of students and that the teacher nor the suspected gunman were in the cafeteria and we continued to move further into the school, entering into the north hallway.

Upon entering the north hallway I found that it was mostly deserted with few remaining staff members. We were advised by a staff member that there was a group of children that were outside and that they were bent down in an alcove and were hiding behind an air conditioner type unit.

Myself and Officer FLOWERS located the children and provided cover for them to enter the school where they were able to contact a teacher and make it safely into a locked classroom.

As myself and Officer FLOWERS continued to into the school, beginning to link up with other officers who were arriving on scene and we began moving room-to-room in an attempt to locate the suspect as well as the victim or victims. While moving along the north hallway, we were advised by radio that a victim had been located with a gunshot wound but was able to move under his own power and was being escorted through the north hall to the front of the building.

PAGE: 2 of 2

As we continued checking room-to-room and at approximately this time, by radio, I was made aware that the victim as well as a possible shooter were located outside of the school, to the rear of the school, on the west side near the basketball court and that there was a firearm located near the juvenile, who was down on the basketball court.

Myself as well as multiple officers from multiple agencies then doubled back and began a slower systematic search of the north hallways, clearing room by room, and keeping doors open as we cleared to indicate that we had been through the room as well as to provide visibility into the rooms so that officers were aware of other officers inside of rooms. We further searched the custodial area, going through the teacher's lounge and through the area for the ventilation to the building. After completing that, then we went and searched the administrative office area and myself and Officer HOPKINS then entered an attic access and cleared it and then exited the building.

We made contact with Lt. HAWKINS who advised myself, Officer JOHNSON, and Officer FLOWERS to take position on perimeter and help with keeping the area secure.

No further information at this time.

#### **Details of Supplement:**

On 10-21-13 at approximately 0716 hours I responded to the report of a shooting which had taken place at Sparks Middle School located at 2275 18<sup>th</sup> Street.

While en route, Sparks Police Dispatch advised that there was possibly a teacher down near the basketball courts. I arrived and parked in the northeast parking lot of Sparks Middle School and deployed my assault rifle and made my way to the front main entrance of Sparks Middle School and linked up with other officers, who were already on scene, and began checking the south hallways of the schools.

Information continued being provided that the suspect was possibly outside on the west side of the school on the playground and basketball courts. I made my way through the school and out onto the west asphalt playground area, linked up with other officers and we began clearing the area. I observed a white male subject lying on the asphalt in the middle of the basketball courts and another subject lying on the ground, just east of his location.

Other officers were checking on those two subjects and I continued to clear northbound to the north hallway of the school.

At that time Sgt. TRACY advised myself and several other officers to begin a room-to-room search through the school in an attempt to locate any suspects, victims, and any students that had been locked down inside the school.

I obtained a master key to the school from one of the Assistant Principals. Myself and numerous other officers began a room-to-room search in the north hallway. We evacuated numerous students and teachers from the north hallway and cleared each room.

**OFFICER:** JOHNSON #068

PAGE: 2 of 2

Sgt. TRACY then advised myself and the other officers to do a secondary search to be sure there were no other students and teachers hiding in any of the rooms.

Myself, Officer RAKER, and Officer HOPKINS began a methodical search of the north hallway of Sparks Middle School. After clearing the north hallway along with the east main hallway we made contact with Reno and Washoe County Tactical Teams, who were arriving on scene to again, lock down and secure the school. The Reno and Washoe County SWAT Tactical Teams relieved myself, Officer HOPKINS, and Officer RAKER of our duties inside the school.

At that time I made contact with Lt. HAWKINS at the Command Post and was given the order to take up a perimeter position on the northeast corner of the school parking lot. After several hours Sgt. WALSH advised to condense the perimeter with a northern boundary of York at which time I moved my patrol car to 18<sup>th</sup> and York to block any access southbound on 18<sup>th</sup> Street.

Sgt. TRACY later advised that we were turning the school back over to School Police and being relieved of all duties on scene. I did not make contact with any witnesses and have no further information at this time.

There is no further.

Lt. Hawkins

Date: 10-23-13

#### **Details of Supplement:**

On 10-21-13, at approximately 0716 hours, I was down in the report room preparing to leave for the day when I heard tones come over radio reporting a shooting at Sparks Middle School. I responded out into the parking lot where I got into a patrol car with Officer K. FYE and together we responded to the scene Code 3. We approached Sparks Middle School from the area of Vance. As we pulled onto 18th Street we could see several vehicles still pulling into the front of the school parking lot to drop their children off. We pulled across 18<sup>th</sup> Street to block off traffic from entering the school parking lot to prevent any further kids from being dropped off.

Upon our arrival, Officer HOPKINS and Officer LAKE also pulled up behind us. All four of us ran to the front entrance to the school. Upon entering the first set of doors we encounter two Washoe County Deputies, who were posted in-between the double set of doors. We moved forward into the lobby area of the school. We received information that the shooter was in the basketball court area. Not knowing if it was the basketball courts inside of the gymnasium or outside, we pushed forward towards the gymnasium. On hitting the gymnasium doors, we discovered that they were locked. We were joined by a School Police Officer, who was able to produce keys and unlock the gymnasium. Myself and the other officers all entered the gymnasium and began clearing it when Sgt. WALSH came over the radio and stated that she had a visual on a subject down at the basketball courts outside of the gymnasium. The School Police Officer informed us of the doors that led outside to the basketball court area. We pushed through to those doors and exited on to the west side of the school playground area.

Upon exiting, I observed two male subjects down and unresponsive on the ground. One appeared to be a juvenile subject with khakis pants, a gray sweatshirt with green stenciling across the chest and a bright orange backpack. Lying next to his feet, in close proximity to him, was a single handgun. The subject was bleeding from the head and there was obvious brain matter present.

OFFICER: GINCHEREAU #049 CASE: 13-9953

PAGE: 2 of 2

The other male subject appeared to be an adult and was laying approximately 20 ft. from the juvenile and appeared to have a single gunshot wound to his chest.

I informed Dispatch of the findings and the possibility that the shooter had been located and was deceased.

While securing the basketball area, other officers made contact with additional subjects, who at the time were not known if they were facility or additional shooters. Those subjects were located inside the doors from the north side of the school in the basketball courts. The subjects were given verbal commands; at which time it was determined that they were facility members and they were indicating that there was another student in the building with an injury to his shoulder. Several officers broke off to clear that section of the school and locate the injured child. I remained outside of the basketball court area, along with a School Police Officer and Officer LAKE. The School Police Officer maintained control of the handgun by standing over it.

At that time, I asked if the juvenile lying next to the gun had been identified and I was told he had not been. I asked if anybody had searched him for possible identification and was also informed that no one had done so. I then attempted to locate identification on the juvenile without manipulating his body. I checked his pant pockets and did not find anything and then opened a side compartment to his backpack, at which time I found a single piece of paper which had all of his identifying information. I handed that piece of paper off to the School Police Officer who then called it into his Dispatch.

During the course of the investigation, Detective CURTIS later arrived on scene with a printout/photograph which matched the deceased juvenile.

After removing that piece of paper and handing it to the School Police Officer, he gave it back to me and I placed it back inside of the backpack and zipped the backpack up in the manner in which I had found it. I did move or manipulate the body or the backpack in order to conduct the search. I only opened the zipper on the backpack.

After completing this task, I then went around and placed markers over visible casings in the immediate vicinity. I located a single casing near the juvenile's bodies and another casing near the adult male body. I remained in the basketball court area during the remainder of the investigation. During that time, I located another live round of ammunition in-between the south building in the gymnasium, which I also marked.

Myself and Officer LAKE also located what appeared to be two bullet holes in windows at the end of the alcove between the gymnasium and south wing of the school. Those were later pointed out to detectives on scene. Officer LAKE also informed me that he had located an empty pistol magazine near the south building in the alcove area. I attempted to find additional casings without success. I remained at the basketball court area with Officer LAKE until relieved at approximately 1030 hours. Upon being relieved, I returned to the station.

No further information.

#### **Details of Offense:**

On 10-21-13 I was at the police station when Sparks Police Dispatch advised that they had begun receiving multiple calls of shots fired at Sparks Middle School and that the shooting was occurring in the back basketball courts. Myself and several officers left from the station and responded to the school Code 3.

I responded to the west side of the school up Sullivan and could see on the back playground area of the school that there were no people in the back area except for one girl who was walking from Sullivan towards the school with a backpack. It appeared that she was going to school to start her day. I yelled at her and told her to come back and that she needed to leave the area. I also informed who I believed to be her father that they needed to leave the area. I retrieved my AR15 from my patrol vehicle and charged the weapon and I also put on our issued tact vest. I started moving my way east through the grassy area of Oppio Park towards Sparks Middle School. I could hear Reno traffic indicating that many of the students had gone into the cafeteria area of the school and that there was a team that had entered the school from the 18<sup>th</sup> Street side. The team that entered indicated that they were not able to locate any victims at this time.

As I was moving my way east through the grassy area I could see a white male adult down on the basketball court area. I could also see another person who was down just east of the first individual that I saw. The adult's head was facing south and his feet were facing in a northerly direction. The other individual had his head facing east with his feet facing in a westerly direction. As I began to approach I could see that the tactical team that had entered from the front of the school had now exited the school and was walking towards me. They came upon the second subject that I had seen with his head facing east and started checking his status. I went to the white male adult that was with is head facing south and started checking his condition. It appeared to me that the subject was deceased, as he was not moving and his eyes were open but not moving.

**OFFICER:** Sgt. WALSH #137

PAGE: 2 of 2

I could not see where on his body that he might have been shot and I started to look more closely to see if I could see an entry or exit wound.

As I was looking at him more closely a tactical medic who had been with the first entry team came over and cut open the subject's shirt, which revealed a gunshot wound to the upper left chest area. The tactical medic tried to find a pulse on that subject and stated to me that he felt that subject was deceased. While I was trying to assess the subject that I had made contact with, who was later identified as a teacher at the school, I heard the units behind me say that the subject that they were looking at was probably the shooter, as there was a handgun located close to his body and that his wound appeared to be a self-inflicted gunshot wound to the head.

Our attention was then drawn to the north, where there was either a teacher or an administrator looking at us through a set of double doors. We started moving in his direction and he notified us that there was a victim of a gunshot inside of the hallway. Officers entered that hallway and were able to find that individual and direct him towards medical attention at the front of the school. at this point myself and several other officers, including Officer LAKE, Officer GINCHEREAU, and School Police Officer Roger MARKESEN held the crime scene to the rear of the school as other units started to search the school for any other victims or suspects. We maintained that crime scene area until the school was cleared and then as other officers arrived they were given assignments for containment and crime scene preservation security.

For the rest of the involvement at the school I tried to assist with evidence location and personnel relief and safety of the folks that were protecting the perimeter and doing traffic control.

I have no further information in regards to the case.

On 10-21-13, at 0716 hours, I was in the Detective Division of the Sparks Police Department on another unrelated investigation when I heard the radio alert tones and a dispatcher state that they had received multiple 9-1-1 calls reporting shots fired at Sparks Middle School. I got into my patrol vehicle, activated my lights and sirens, and responded to 2275 18th Street, at the school.

When I arrived I drove north on Sullivan, turned east on Byrd, and again north on 18th Street and stopped my vehicle near the south entrance to the school. I arrived to the scene at 0720 hours. I began to prepare for entry into the school and I was instructed by Sgt. DYER to stay outside and escort the children who were being evacuated from the school to a safe area. I escorted approximately 75 children to the parking lot of 2220 18th Street and held them there with an unidentified school employee. I was then instructed to escort the children to Agnes Risley, where they were going to be held in the school cafeteria. I did so and helped facilitate the organization of the children in the school by their grade and attempt to account for all of them. Approximately fifteen minutes later I was advised that all of the children would be moved to Sparks High School for parent reunification. I assisted Reno Police Officer Travis WARREN and Sparks Police Officer Damon O'CONNELL with identifying students who were witness to the shooting before they were escorted to the busses to be taken to Sparks High School. All the children who were identified as eyewitnesses were kept at Agnes Risley for interview with detectives. As the children were held in one of the other classrooms at Agnes Risley I told all of them that they needed to not talk about the shooting incident and to keep it to themselves until they were formally interviewed by a detective or another officer. Students were then escorted by an unknown Washoe County School District police officer to another area of Agnes Risley, where they were going to be interviewed by detectives.

On 10-21-13, at approximately 8:00, I received a phone call from Sgt. GAZES with Washoe County, who he is the Commander for the Bomb Squad, as I was call, and he advised me that there had been an active shooter situation at Sparks Middle School and that command staffing was requesting that the Bomb Squad respond to check for possible improvised explosive devices.

At that point, I responded to the Sparks Police Department to pick up some equipment and then responded to the location.

Upon my arrival at Sparks Middle School, I met with Sgt. GAZES and Officer CARTER, from Reno Police Department, who is also on-call with me on the Bomb Squad. Also present on scene were Officer Brandon RANDALL from the Airport Police Department and Officer Vince GIRON from the Airport Police Department, as well as Sgt. KEAST. All three of those officers are Explosive Detection K-9 Handlers and at that time myself, Officer CARTER and Officer RANDALL were advised that there was a suspicious backpack at the northwest corner of the playground and were sent to investigate.

Myself, Officer CARTER and Officer RANDALL located a blue backpack near the baseball field and Officer RANDALL used his explosive detection K-9 to check the bag. His dog did not alert on the bag and at that time I did a hand entry into the bag not locating any explosive devices. The bag was then picked up and taken back to the basketball court area of the middle school with a number of other backpacks.

While dropping the backpack off there, Officer RANDALL had his explosive detection K-9 check the rest of the bags and none of them were suspected of containing any explosive devices.

I was then advised that there was an additional backpack near a scooter on the southwest side of the building and we proceeded to check that bag also.

Officer RANDALL's explosive detecting K-9 did not alert on that bag, so I physically checked the interior of the bag also and did not observe any explosive devices in that bag. After that, we proceeded to be on standby type situation for any other possible suspicious packages.

Approximately 12:00 we were released from our duty at that location. There were no suspicious packages or explosive devices located.

I had no further involvement at the crime scene.

On 10-21-13, at 0716 hours, Sparks Police Dispatch notified that there were shots fired at 2275 18th Street at Sparks Middle School. The information given stated that there was a student with a gun and a teacher was down. I went en route to Sparks Middle with lights and siren and arrived at the main entrance at 0721 hours. I arrived at the same time as a Washoe County School District Police Officer.

As I arrived, Officer FLOWERS in Unit #241 stated that he was with the victim in the cafeteria. I entered the main entrance with the School Police Officer and began to clear the lobby area. As we entered, a faculty employee ran to us frantically and was pointing to the south saying, "He went over there. He went over there." I notified Sparks Police Dispatch that myself and the school police officer were moving to the south side of the building and that we were beginning to clear the south classrooms.

While the school police officer and I were moving to the south end of the building, we were able to see out the west side windows and we observed multiple children huddled in a corridor to take cover from the shooter. I also observed multiple bullet holes in the windows of the building. As the school police officer and I moved to the south end of the building, we would take turns holding security on the hallway while any unlocked classroom door was cleared individually by either myself or the school police officer. Any locked door was bypassed.

We encountered many unsuspecting teachers in the classrooms and instructed them to lock the doors and take cover in the corner.

The school police officer and I continued to clear the southwest side. As we finished clearing the southwest side of the building, other officers joined us. We continued to clear the southeast side of the building and once we had done so, we allowed other officers to enter through the southeast doors.

Once the south sector of the building was clear, I began to move out to the west exterior side of the building. As I was exiting the building, officers notified us that there were two male subjects down on the basketball courts, one adult male and one juvenile male. They stated that the juvenile male appeared to have a gun and had a gunshot wound to the head. According to the victims and witnesses, there was only one shooter and officers informed us that the shooter was probably down.

I rendezvoused with Sgt. TRACY and he requested that we move to the north side of the building and begin to clear and evacuate any faculty and students. I received a key from a Washoe County School Police Officer and assisted in clearing the north side of the building. Sgt. TRACY evacuated any faculty and students out of the classrooms to the eastside of the school.

Once we had cleared the north side of the school and all faculty and students were evacuated, I went back out to the basketball court and helped hold a perimeter on the scene.

Shortly after assisting in the perimeter, Sgt. WALSH relieved myself and Officer K. FYE and instructed us to go back out and work patrol on the street.

#### Initial Notification:

On 10/21/13 at approx. 07:55 hrs. I received a telephone call from RPD ROP Sgt. PAUL SEVCSIK. He informed me that there had been a shooting at Sparks Middle School this morning, and he directed me to respond to the school and meet him in front for further instructions.

I arrived in the area at approx. 08:20 hrs. While driving northbound on Sullivan Lane from Oddie Blvd. I saw that marked police vehicles had Byrd St. blocked off at Sullivan Lane. Due to the amount of people and traffic in the area, I proceeded to drive through a nearby apartment complex, located at 1800 Sullivan Lane. I exited the apartment complex on to Byrd St. and continued to drive eastbound toward 18<sup>th</sup> St.

Initially, I parked my vehicle on Byrd St. just west of 18<sup>th</sup> St. where I made contact with RPD ROP Detectives RON FIELD and SEAN JONES. I observed a Hispanic male adult standing near the rear of Detective JONES' vehicle. The Hispanic male subject appeared to be upset and was crying.

I made brief contact with Detective JONES, who informed me that the Hispanic subject was the father of the child who was the shooter during the incident. Detective JONES said that he and Detective FIELD were assigned to take the parents of the shooting suspect to the Sparks Police Department.

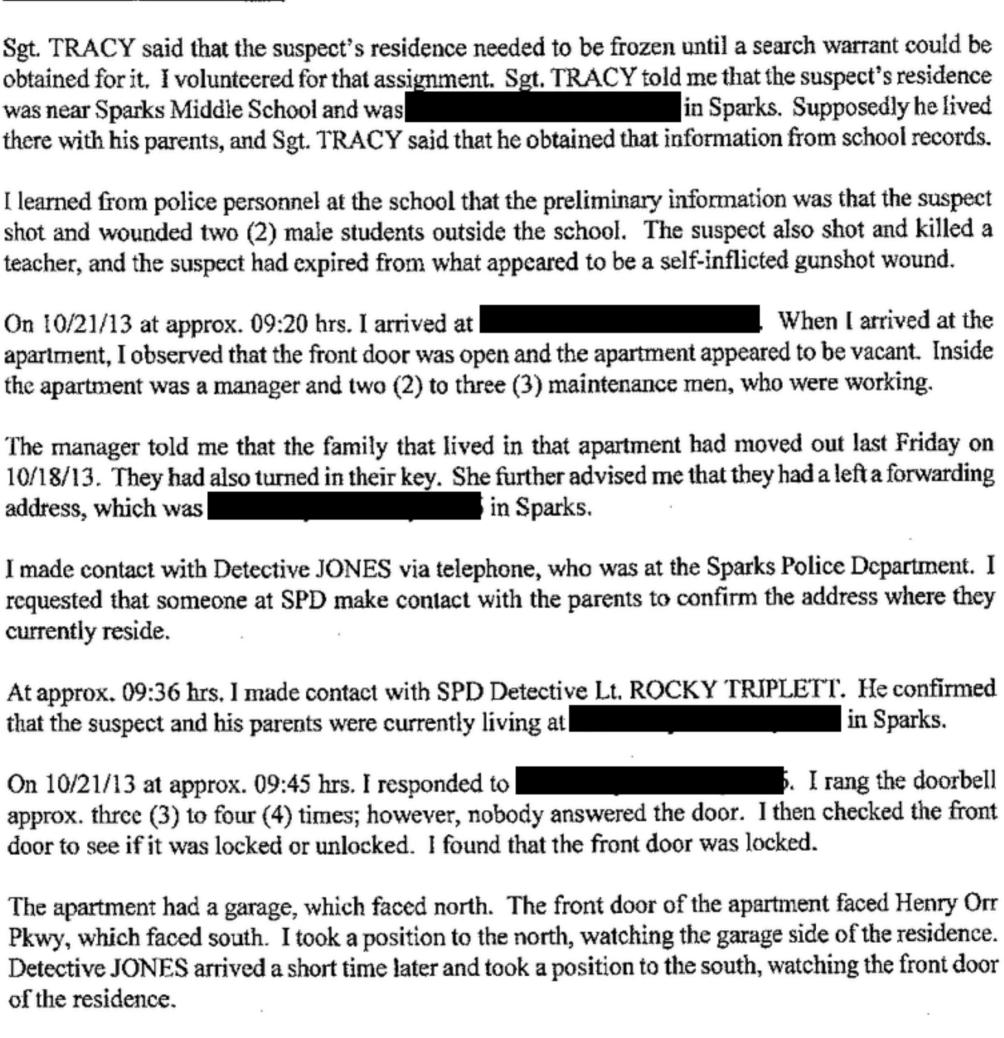

#### Assignment:

I then broke contact with Detective JONES and responded to the front of Sparks Middle School, located at 2275 18<sup>th</sup> St. SPD CSU Sgt. SCOTT TRACY was on scene, and he began giving out assignments to police personnel at the scene.

On October 21<sup>st</sup>, 2013 at approximately 09:00 hours, I was requested to respond to Agnes Risley Elementary School to assist with interviews of possible witnesses of a shooting which had occurred at Sparks Middle School 2275 18th Street.

Upon my arrival I interviewed five Sparks Middle School Students, while numerous other Detectives were also interviewing students.

The following is a summary of the interviews I conducted and not a transcript or verbatim.

#### Interviews conducted with

#### RAMOS, Johnathan

RAMOS stated he was on the basketball court near the north hall when he heard a pop sound and witnessed students running. RAMOS was approximately 20' away when he observed a kid holding a black semi auto pistol (possibly a 9MM) to Mr. LANDSBERRY, who was on the basketball court and witnessed Mr. LANDSBERRY get shot in the chest while his hands were raised. RAMOS further stated the shooter was approximately 3' away from Mr. LANDSBERRY while Mr. LANDSBERRY was telling the kid to put the gun down. RAMOS stated he had heard from other students that the shooter was looking for the kid who was bullying him. RAMOS could not provide names of the students who had provided him this information and had not witnesses bullying.

#### PEREZ, Elena

PEREZ stated she was on the basketball court with other students when she heard gunshots and observed a male student in a gray shirt, holding and shooting a gray or silver pistol at which time she ran with her friends to a ditch and used a friends phone to call 911. PEREZ was not sure which friend's phone she used. PEREZ did not witness anyone get shot. PEREZ estimated 6 or 7 shots being fired from the area of the basketball courts.

GIPSON stated he was with friends on the basketball court when he heard a gunshot and witnessed Jose RAYES holding a silver/shining semi auto pistol which he was attempting to "cock" (work the slide) witnessed RAYES walk towards Mr. LANDSBERRY and Mr. LANDSBERRY walk towards RAYES. Mr. LANDSBERRY attempted to reach for the gun when Mr. LANDSBERRY was shot once. When Mr. LANDSBERRY fell to the ground GIPSON ran with his friends towards the west across the grass field and jumped the fence at Sullivan Lane and continued running to the area of Ponderosa Drive where they located a Sparks High School Teacher who was leaving his residence of protection. GIPSON estimated hearing 5 to 7 gunshots while he was running from the scene. GIPSON was asked to write a statement and list the other students who were with him during the shooting while he was waiting for police to pick him up from Mr. GIPSON lists Neil PENROD, Jacob LAX, Dean AVERY, Ralph ANDRADE, Mario PINA and Trace TURNER as the students who were with him during the shooting. I collected the hand written letter which was later booked into the Sparks Police Department Evidence.

## SILVIA, Andrew

SILVIA stated he was in the quad when he heard a gunshot and witnessed numerous students running into the quad when he observed Jose REYES who was 7' to 8' away from him waving and pointing a gun at students. SILVIA also witnessed REYES attempting to "cock" (work the slide) of the pistol. SILVIA only heard one shot. SILVIA informed me he had heard from friends that REYES had been being bullied SILVIA was unable to remember the friend's names who had provided him this information.

## VILLALOBOS, Gerardo

VILLALOBOS stated he was on the basketball court when he heard a gunshot and observed a student trying to "cock" (work the slide) of a semi auto pistol. VILLALOBOS witnessed Mr. LANDSBERRY telling the student to calm down when the student shot Mr. LANDSBERRY and Mr. LANDSBERRY fell to the ground. The shooter then walked into the quad and was trying doors and started shooting windows. When another student came around the corner and asked where Erwin was? The shooter then turned and shot this student in the stomach and pointed the gun at a group of students and said "they think I'm adopted". The shooter then walked out of the quad towards the other side of the school and a single gunshot is heard. VILLALOBOS thinks the shooters name is Jose and believes the semi auto pistol is possibly a "P99".

Case: 13-9953

Attempted Homicide

Date of Report: 10-21-13

Officer: D. SNOW, 124

Victim: LANDSBERRY, Michael

Location: 2275 18th St.

KAMERER, Mason GUERRERO, Kaelin

Date/Time of Supplement: 10-28-13 @ 1625 hours

Approving Supervisor:

Date: 10.29.13

#### **Details of Supplement:**

On 10-21-13 at approximately 0716 hours Officers were dispatched to 2275 18th St. the Sparks Middle School reference shots fired. As Officers were proceeding to the area, we were told that a teacher had possibly been shot and there still is a student outstanding with a gun near the basketball court. As Officers arrived on scene they began moving through the school trying to locate the individual with the gun.

As I arrived on scene I was advised by other Officers that they located a teacher that had a gunshot wound to the chest, a Hispanic male juvenile with a gunshot wound to the head, these two were laying out in the basketball courts; two other students with gunshots to the abdomen and one to the chest were escorted out to the front where they were loaded up in REMSA. Officers locked down the school and began to search rooms looking for the possible gunman. Several other Officers were escorting kids to a nearby elementary school, Agnes Risley, which were taken into that cafeteria.

I arrived on scene and began to coordinate with Officers at Agnes Risley on how to evacuate the students to a safer place. We were advised that the kids who saw the shooting were to be escorted to an adjacent room to meet with Detectives. Other students were escorted out to buses which were awaiting on Sullivan; these students were loaded up on the buses by law enforcement and escorted to Sparks High School where they could be re-united with their parent.

After those kids were sent on their way and escorted with NHP, Washoe County Sheriff's Office, and other law enforcement, I proceeded back into the cafeteria area and was advised that kids that were being interviewed were going to be calling their parents to have them be picked up in the front of Agnes Risley. As kids began to finish with their interviews they filled out paperwork to where the parents could sign their paperwork and we could return the juvenile to the parent. I proceeded to gather this paperwork as kids came in, I went outside called their names off.

CASE: 13-9953

OFFICER: SNOW, 124

PAGE: 2 of 2

Ones that were on scene I had them sign paperwork from the school to release their child to them and returned the paperwork back to school authorities.

As all kids were released and accounted for, and the paperwork all collected, I then proceeded back to the site of Sparks Middle School to help with traffic control in the area of York and 18<sup>th</sup> St.

At approximately 1420 hours I was relieved of my duties and the street was opened to allow traffic to proceed. The scene was left for Detectives in their control.

### SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide

Case: 13-9953

Attempted Homicide

Date of Report: 10-21-13

Officer: O'CONNELL, 099

Victim: LANDSBERRY, Michael

Location: 2275 18th St.

KAMERER, Mason GUERRERO, Kaelin

Date/Time of Supplement: 10-23-13 @ 0630 hours

#### **Details of Supplement:**

On 10-21-13 at 0720 hours I responded to 2275 18th St. Sparks Middle School on a report of a shooting with one down. As I arrived I took a position on the south side of the school on Byrd St. to maintain a perimeter and wait for the students at Sparks Middle School to be escorted to Agnes Risley. As the kids began walking down 18th St. to Byrd I assisted the students into Agnes Risley Elementary School in a safe manner. I maintained that position until it was determined that buses would arrive at Agnes Risley and transport the Sparks Middle School kids to Sparks High School for parent pick up.

I was asked by Sgt. LEARY to briefly interview each child as they left the cafeteria en route to the bus to determine whether or not they were possible witnesses. As the kids exited the school, I asked them specific questions, reference the details of the case, and if they had any information or saw anything reference the shooting I was to send them into a classroom where Officer BADER was supervising.

After getting all the students out of the cafeteria and either onto the bus or into the classroom, I assisted the school with parent pick up at Agnes Risley. After that assignment was completed, I was released from the call by Sgt. TRACY.

I have no further information available at this time.

#### **Details of Supplement:**

On 10-21-13, at about 0900 hours I was assigned to assist with interviews at Agnes Risley Elementary school in regards to the shooting that took place at Sparks Middle School (SMS) early in the morning. I was briefed about the known facts by Sgt. LEARY.

#### Interviews:

The following is a brief synopsis of the interviews and are not meant as transcripts. The interviews were audio recorded for evidence. For further refer to the CD discs placed into evidence under tag PM1 and PM2.

OLIVA, Daisy: 10-21-13, from 0951 hours to 1003 hours.

OLIVA said she arrived at SMS around 0653 hours and went to the back of the school near the northwest side of the north building. OLIVA observed six or seven kids standing in a group in the courtyard. OLIVA said she saw a subject she later believed was Jose (REYES) with a gun and REYES pointed the gun at the group of students. OLIVA said REYES pointed the gun at several people in the group. OLIVA said she was several feet from the group when she saw this. OLIVA said the gun looked like a pistol and was black. OLIVA said she heard a gunshot and about 30 seconds went by she heard several more gunshots. OLIVA said after the first gunshot she ran with other students into a classroom.

PICAZO, Jeimi: 10-21-13, from 1007 hours to 1017 hours.

PICAZO said she arrived at school by bus and was standing on the northwest side of the north building. PICAZO heard a gunshot and stood there in shock at first and then many people started running. PICAZO said she saw the shooter walking toward the basketball court toward Mr. LANDSBERRY. PICAZO said she was too far away to hear anything, but observed Mr. LANDSBERRY moving his hand up and down in a motion to try and calm REYES down.

#### PICAZO, Jeimi (cont.):

PICAZO said she believed the kid with the gun was named Jose (REYES) and he was shaking his head side to side indicating, no, while walking towards Mr. LANDSBERRY. PICAZO said REYES shot Mr. LANSBERRY in the chest. PICAZO said she thought Mr. TUCKER was near Mr. LANDSBERRY. PICAZO said Mr. LANDSBERRY is normally outside watching the kids. PICAZO said after the shooting started she ran into Mr. LENCHYN's room.

PICAZO said she only heard about REYES being bullied after the shooting, and did not have prior knowledge about it. PICAZO said she heard REYES was targeting kids who had bullied him, but had no specifics about who REYES was targeting.

PEREZ, Cesar: 10-21-13, from 1027 hours to 1040 hours.

PEREZ said he arrived at school and ate breakfast and then went outside into the courtyard area. PEREZ said he saw Mr. LANDSBERRY get shot and fall flat down. PEREZ said the gunshot was very loud and it seemed like he was right next to it. PEREZ said he was close to the cafeteria. PEREZ said he ran into the cafeteria. PEREZ said he thought the shooter stood over Mr. LANDSBERRY and shot him again. PEREZ said he didn't hear anything that was said by the shooter or Mr. LANDSBERRY.

PEREZ said his friend KJ was shot and he saw that KJ was in pain and was holding his hand over his heart or chest area. PEREZ said he believed this was in the hallway.

PEREZ described himself as having a memory problem and would sometimes remember things that did not actually happen and also tell stories that were not true.

I asked PEREZ about the shooter. PEREZ said he believed the shooter's name was Jose, but only heard this after the shooting had started. PEREZ said he thought he was friends with REYES, but really did not hang out with him much. PEREZ said he heard after the shooting that REYES didn't think he had friends, but PEREZ said REYES should have known that he did have friends. PEREZ did not have any specific knowledge about REYES being bullied or who his friends were.

COSTELLO, Andrew: 10-21-13, from 1150 hours to 1156 hours.

COSTELLO said he arrived at school and was in the back near the basketball courts when he heard the gunshots. COSTELLO said someone said run it's a school shooting. COSTELLO said he ran all the way home and did not see anything that happened, but heard maybe four to six gunshots.

**KELLY, Alexis:** 10-22-13, from 1200 hours to 1217 hours.

KELLY said she had already been interviewed by a WCSO Detective; therefore, I questioned KELLY about her knowledge of her prior boyfriend KJ bullying the shooter REYES. KELLY said she never saw anything firsthand, but heard KJ had bullied REYES. KELLY said she heard they teased REYES before last week's Fall break. KELLY said KJ did bully other people and had made fun of REYES. KELLY said KJ and REYES never got along and did not talk.

KELLY said she helped REYES in math class. KELLY said REYES would ask others to help him, but they wouldn't help him. KELLY said she asked Ms. WILSON if she could help REYES and was allowed to. KELLY said REYES would get frustrated and yell at himself under his breath when he was doing his math work.

KELLY said KJ's friends were Seth SLOAN, Brandon SOUDERS, James ENGLAND, and Cesar PEREZ. KELLY said she did witness SOUDERS being mean to REYES by telling him he had no friends and was just mean to REYES. KELLY said SOUDERS did this all the time. KELLY said on one occasion she told Ms. WILSON on SOUDERS, and SOUDERS got sent to the Office. KELLY said she never witnessed anything physically done to REYES.

KELLY also described personal incidents she had with SLOAN were she got hit by SLOAN and then beat SLOAN up with two other girls. KELLY said she was suspended and had to attend a bullying class at Pine Middle School called a victim impact class. KELLY said she had to show the Assistant Principle Ms. ALLEN that she had attended the classes. KELLY did not know if SLOAN had to attend the same classes.

**NEWTON, Amaya:** 10-23-13, from 1147 hours to 1157 hours.

NEWTON said she was at SMS at time of the shooting near the cafeteria outside. NEWTON said she only heard the gunshot and ran into the cafeteria. NEWTON said she knew REYES and spoke with him sometimes. NEWTON said REYES seemed happy most of the time. NEWTON said she did not know about REYES being bullied, but saw him get tripped in the hallway once, but did not know who had tripped him. NEWTON said REYES would tell her about his parents owning a restaurant and how he liked working there. NEWTON said a girl she believed was REYES's cousin said he had Autism. NEWTON said REYES seemed happy to her on the Friday before the Fall break.

#### **Medical Examination:**

On 10/21/13, at approximately 1430 hours, I attended LANDSBERRY and REYES' autopsies. The autopsy was conducted at the Washoe County Coroner's Office by Dr.CLARK. Washoe County FIS technician ARMSTRONG took photographs and collected clothing during the procedure.

Dr. CLARK indicated the cause of death for REYES was a close range gunshot wound to the head, and the cause of death for LANDSBERRY was a gunshot wound to his upper chest. For further details refer to Dr. CLARK's reports that will be added to this case at a later date.

During the examination several personal items were removed from LANDSBERRY and given to me by ARMSTRONG. They included a wallet, credit cards, several identifications, \$3, wedding ring, keys, and a cell phone. I spoke with LANDSBERRY's wife Sharon LANDSBERRY and arranged to return the items to her.

# SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide/Attempted Homicide

Case:

13-9953

Date/Time of Supplement: 10/28/2013 7:42 AM

Detective: M. Brown 016

Approving Supervisor

Date:

#### **Details of Supplement:**

On October 21, 2013, at approximately 7:20 am, I was in the Detective Section of the Sparks Police Department and heard dispatch advise that there had been a shooting at Sparks Middle School at 2275 18<sup>th</sup> St. They also advised that a teacher was down. Sgt. LEARY and I responded to the school together.

Upon arrival, I heard over the radio that the building had been cleared and the shooter was down to the rear of the school. A large number of students were being held in a small parking lot across from the school. It was later determined that the school would be evacuated and the students would be moved to Agnes Risley Elementary School which was nearby.

I assisted with the evacuation and moved several law enforcement vehicles from the street to facilitate the entry and exit of ambulances that had arrived to treat the injured.

After the evacuation was completed, I went to Risley to begin interviews of witness students and teachers. Students who had stated that they had seen all or part of the shootings were placed into classrooms at the school and were monitored so the talk about the incident could be minimized prior to interviews. Several other detectives also responded to the school for the same assignment. I completed several interviews of teachers, administrators, and students. The following are summaries of the completed interviews. I began the interviews at approximately 8:00 am. All of the students and teachers were questioned regarding their actions and observations regarding the shooting and also about their knowledge of the student/suspect. The suspect was identified to me as Jose REYES as I began the interviews.

### Interview with Anthony CASTANEDA 8th Grade:

CASTANEDA stated that he had arrived at school after he was dropped off by his father. He said he walked to the back of the building with a friend he named as JJ. CASTANEDA said he heard a loud boom that he believed was a 9mm gunshot.

CASTANEDA said he then turned and saw a student with a gun approaching a teacher he identified as Mr. LANDSBERRY. CASTANEDA said the student shot LANDSBERRY. He said the student

Detective: M. Brown

followed a group of students that ran toward South Hall at the school. He said he lost sight of the student but heard two more gunshots.

CASTANEDA said he attempted to help LANDSBERRY up with some other students. He said as he was trying to lift him he was told to get inside the school by another teacher. He said he and others then ran into the school and were put into a classroom until they were evacuated.

I asked CASTANEDA if he knew the student with the gun and he said he did not know him. He said he was wearing a school sweatshirt and khaki pants and had an orange backpack. CASTANEDA could not describe the gun the shooter was carrying.

ARIAS-CRUZ said she then ran toward the South Hall and hid by one of the doors. She said the student approached the group she was in and said "You ruined my life so now I'm gonna ruin yours" while he was pointing the gun at them. She said the student then moved toward another group of kids by another set of doors. She said that a teacher let the group into the school at that time.

ARIAS-CRUZ said she had never seen the student with the gun before and did not know his name or what grade he was in at the time.

### Interview of Jennifer ALCARAZ 8th Grade:

ALCARAZ said she arrived at the school on the bus and walked with friends to the rear of the school. She said she heard a single shot and began running toward what she called the south cube. ALCARAZ said she hid near one of the entry doors with a group of students.

She said that a student approached them with a gun and was saying that he was going to shoot them. ALCARAZ described the student as having a Mohawk and wearing a Sparks Middle School uniform, ALCARAZ could not recall if the student said anything to them. She said he walked away from them when they told him they did not see anything. ALCARAZ said the group was then let into the school and were taken into a computer room. She said she looked outside and saw a teacher on the ground who she thought was Mr. LANDSBERRY.

TUCKER said that as they approached, he noticed a student wearing a grey Sparks Middle School sweatshirt walking toward them. TUCKER stated he did not recognize the student. TUCKER said LANDSBERRY was about 5-10 feet in front of him at the time. He said the student raised a weapon toward LANDSBERRY and said something to the effect of "Don't make me do this". TUCKER remembered LANDSBERRY saying something in reply but he could not hear what was said.

Detective: M. Brown

TUCKER said the student stopped walking and fired a single shot into Mr. LANDSBERRY'S chest causing him to drop to the ground. TUCKER said he then turned and ran into the school gymnasium where he opened the door to let some students inside.

Detective: M. Brown

### Interview of Anthony BALTAZAR 8th Grade:

BALTAZAR said he arrived at school on the bus and walked to the back of the school. He said he was hanging out by the snack bar when he heard loud pops. BALTAZAR said he and his friends started running and saw a male student shoot another student. He said the armed student then approached Mr. LANDSBERRY and appeared to be asking for someone. He said the student then shot Mr. LANDSBERRY.

BALTAZAR said he continued running toward South Hall and hid near an A/C vent in the area. He said the armed student approach and shot windows near where he was hiding. He said the student pointed the gun at him and others. BALTAZAR remembered that the student was reloading the gun at that time.

BALTAZAR said the armed student then walked around the corner and he heard two more gunshots. BALTAZAR said a police officer then told them to go inside the building. He said he went into a classroom until he was evacuated from the school.

BALTAZAR said he did not know the armed student.

#### Interview of Stacey COOPER Sparks Middle School Principal:

COOPER said she arrived at school at approximately 7:00 am and completed the morning duty roster. She said she then toured the South Hall with a new teacher. She noted that there were kids in the cafeteria at the time who were eating breakfast and assigned duty teachers were outside of the school.

COOPER said that the only areas where students are allowed before school are the cafeteria and the rear playground of the school. She said the first bell normally rings at 7:23 and school starts at 7:25.

COOPER noticed at around 7:15 am a large number of kids running in North Hall yelling that someone was shooting. COOPER used her radio to announce CODE RED and she said that teachers ran to the doors to let kids inside. COOPER then ran to the main office where she called 911 and School Police. She then attempted to announce CODE RED over the intercom but stated it was not working at the time. COOPER said that it was the first day back to school from Fall Break and it was not uncommon for the intercom system to be non-functional after school was out for some time.

COOPER said she heard Jerry ENDRES, the Vice Principal, say over the radio that the shooter was named Jose and that he was inside of the school. COOPER said she saw teacher Eric PEREZ in East Hall getting on the ground in what she believed was a response to gunshots.

Detective: M. Brown

COOPER said she then went to the front doors of the school to let kids inside of the building. She then heard ENDRES saying that the shooter was chasing him over the radio. COOPER said she put the school into full lockdown at that time.

COOPER said she was able to access a law enforcement channel with her radio and communicated the situation at the school to the dispatch center.

COOPER said that she was not aware at that time that Mr. LANDSBERRY had been shot but learned that he was deceased a short time later. She also learned that the student who was shooting was Jose REYES and he was also deceased.

COOPER said there were no known threats of violence or rumors of a shooting by anyone at school at the time of this incident.

I asked COOPER what she knew about REYES history at the school. She said she was familiar with him only because he had a prior history of angry outbursts when he attended Agnes Risley Elementary School. She had a prior conversation with Amy WILSON at Risley who told her REYES was prone to outbursts at school when he was frustrated or things weren't going his way. COOPER said there had been no reports made about REYES being bullied, using any prescribed antidepressant medications, or other discipline problems. She remembered she had confiscated REYES' scooter earlier in the year because he was using it on school property.

COOPER said she did not know of any reported threats toward Mr. LANDSBERRY or any incidents involving LANDSBERRY. She said LANDSBERRY was a well-respected teacher and was loved by the students at the school.

#### Interview of Jerry ENDRES Sparks Middle School Vice Principal:

ENDRES said he arrived at school just before 7:00 am and completed the duty roster for the day. ENDRES said he usually assigns himself to the front of the school and then goes to the back playground around 7:15 am.

ENDRES said he noticed hundreds of kids running down the north side of the building as he was walking to the back. He remembered the kids were saying that Jose was shooting. ENDRES continued to the back of the school while getting kids inside the school. As he reached the back of the school he noticed four boys attempting to help an adult who was down. ENDRES said he yelled at the boys to get inside the building and they did as they were told. ENDRES said he then went to the victim and saw it was Mike LANDSBERRY. He saw that LANDSBERRY was deceased and he then heard another gunshot from the south.

Detective: M. Brown

ENDRES looked toward the south and saw another student who was claiming to be shot. He then saw a student with a gun moving toward him while pointing the gun at him. He believed the armed student to be about 60-70 feet away from him at the time. ENDRES turned to flee as he believed the student was chasing him. He said that he tried to get into the building but fell as he was running and dropped his keys and eyeglasses. ENDRES dropped down and hid behind a concrete planter. He then saw that the armed student was no longer in sight.

ENDRES said he retrieved his keys and was able to get inside of the building. He said he ran to East Hall and called CODE RED over the radio. He also attempted to announce the same over the intercom but stated it was not working.

ENDRES said he went into Mr. PEREZ' room and looked outside. He noticed several students hiding outside near an A/C vent. He said School Police had arrived at that time and brought the students inside. ENDRES said he then went to the cafeteria where several students were located. ENDRES began stacking garbage cans in front of the outside exit doors so no one could see inside the room from outside. He also told all of the students to move away from the doors. ENDRES said he remained in the cafeteria until the students were evacuated from the school.

ENDRES told me that he was not aware of any pending incident at the school and had not heard any rumors regarding this incident. ENDRES also said he was not aware of any threats or rumors of violence toward any teacher or staff member at the school. He had no knowledge of any disciplinary history regarding Jose REYES but stated Patty ALLYN was the Assistant Principal of Discipline and may know more about the student.

#### Interview of John and Myrna DUNN:

Det. PETERSON had learned from the REYES family that the gun used in the incident had been received from John and Myrna DUNN. I was assigned to contact them for an interview regarding the firearm. I contacted the DUNNS and they agreed to come to the station for an interview on October 22.

The DUNNS arrived at the station at approximately 10:00 am. I placed them into interview room 203 and advised them the interview would be recorded. I told them the purpose of the interview and John DUNN stated he would answer questions regarding the firearm in question.

DUNN stated that he had known Jose REYES Sr. for approximately 16 years. He said he first became acquainted with him when REYES worked for Jacks Coffee Shop and they had become close over the years. Dunn said REYES currently owned the Sparks Coffee Shop on Oddie Blvd. in Sparks and he ate at the restaurant at least once a week since it opened.

Detective: M. Brown

DUNN recalled having conversations with REYES regarding firearms and said REYES was very interested in guns but stated he could not afford them. DUNN said he had a later conversation with his wife and they decided to give him a firearm as a gift.

My initial interview with DUNN was regarding the Ruger 9mm pistol which was used in this incident. DUNN stated he gave this particular firearm to REYES as a gift. He remembered that it was about 6 months before this incident.

DUNN said he purchased the gun from a person named Joe PISARZ who had obtained the gun when his father in law passed away. DUNN said he had the Ruger for about 1 ½ months before giving it to REYES. DUNN remembered that PISARZ was introduced to him by his neighbor Jeff BACLET.

This interview was concluded at that time. The DVD of the interview was placed into evidence as item #MB1.

I later learned that another firearm had been given to REYES by DUNN. This firearm was identified to me as a Smith & Wesson .357 revolver. I made contact with DUNN on October 29, 2013 via telephone and inquired about the revolver.

DUNN told me that he had given the revolver to REYES several months before he gave him the Ruger. He said it was also a gift to REYES. DUNN said that REYES had never asked him for a gun and had never expressed a need for a gun other than having a general interest. He said REYES never expressed a need for a gun for protection.

DUNN said he purchased the revolver at an auction in California about one year before he gave it to REYES.

#### ATF trace of the Ruger SR9 Serial Number 332-04142:

The above serial number was provided to the Bureau of Alcohol, Tobacco, Firearms and Explosives for a trace to the original seller and purchaser. I was able to speak with Agent Scott HESTER in Virginia who told me the following information about the firearm.

HESTER said the firearm was originally purchased on June 29, 2010 at Mark, Fore and Strike Sporting Goods in Reno, Nevada. The purchaser was identified as Harry YODER at 5215 Lupin Dr. in Sun Valley, NV.

I was able to confirm via public records that YODER passed away in 2011 and that PISARZ was a relative of YODER. I have not been able to contact PISARZ to confirm the transfer to DUNN.

Detective: M. Brown

### Search of Jose REYES' backpack at Washoe County Evidence:

On October 22, 2013, I was assigned to search REYES backpack at the Washoe County Evidence bay. Det. MCNEELY and I went to the Crime Lab and met with Sgt. LYFORD and Marci MARGRITIER. MARGRITIER had not yet booked the backpack and it was provided to me to search. The backpack was soaked with blood and was placed on butcher paper during the search.

I used latex gloves to conduct the search. The pockets of the backpack were opened individually and MARGRITIER photographed the contents as they were revealed. There were several papers that appeared to be schoolwork inside in notebooks along with other items that appeared to have been used for school purposes.

The black plastic case for the Ruger 9mm was inside the main compartment of the backpack. ! MARGRITIER photographed it and the serial number on the side sticker matched the collected firearm from the crime scene. It was retained at the Crime Lab.

I then located an Angry Birds spiral bound notebook. As I opened it, I immediately noticed that began with "Dear Mom and Dad" and "Dear Teachers and Students". I read the notes and had MARGRITIER photograph them. MARGRITIER also copied the notes and the front cover of the notebook. The notebook remained in the custody of the Washoe County Crime Lab.

The first note had an apologetic tone and it was indicated at the bottom that it was from Jose H REYES-URTIZ. The second note had an angry tone and listed reasons for REYES bringing a gun to school to shoot teachers and students. The copies of the notes are included with this report.

A small tin of BB's and two USB drives were also located in the backpack. Det. MCNEELY collected both of the drives. They were brought back to the Sparks Police Department for examination. Both of the drives appeared to be blank with the exception of their native operating software. Det. MCNEELY retained the drives and placed them into SPD evidence.

No other items of evidence were located in the backpack.

# Interview of Nainoia WASHINGTON 7th Grade:

On October 28, 2013, I interviewed WASHINGTON after he was identified as a friend of Jose REYES. WASHINGTON was brought to Jerry ENDRES office for the interview.

I asked WASHINGTON to tell me about REYES. WASHINGTON said he had a math class with REYES and would sit with him at lunch. He said REYES would get mad when he was offered help on math problems.

Detective: M. Brown

He then said REYES would accept help if it was offered when no one else was around.

WASHINGTON said REYES would get frustrated easily by his schoolwork.

I asked WASHINGTON if he knew of REYES having a Facebook page or any other social media page. WASHINGTON said he did not believe that REYES had a Facebook page. WASHINGTON said he did not know about any kind of social media belonging to REYES.

WASHINGTON said he never hung out with REYES outside of school and had never been to his house.

End of Report.

Case: 13-9953

# **Details of Supplement:**

On October 21, 2013 at approximately 0716 hours I heard radio traffic describing shots being fired at Sparks Middle School, 2275 18<sup>th</sup> St. Sparks. The radio traffic indicated the shooting was on going so I responded to the school to assist.

While traveling to the school I heard officers indicate they made entry into the school and were searching for the suspect. Several minutes later there was radio traffic indicating the suspect in the shooting was likely down.

I broadcast that students already moved should be directed to Agnes Risley Elementary School, and students found safely in the school with a teacher should be left in place.

I went to Agnes Risley elementary school and began working with the evacuated students. Agnes Risley was not in session at the time so there were no elementary school students in the school. The cafeteria was opened and students were placed in that room along with multiple teachers who escorted the students from the middle school.

I coordinated with school police, Victoria Campbell, Sgt. Leary and several officers from various jurisdictions to track who was at the school and begin a plan for reunification with parents. Some parents began arriving at Agnes Risley. After creating lists of students we began releasing students, who were not witnesses, to their waiting parents. After a period of time it was determined the rest of the students would be transported via school buses to Sparks High School to continue reunification. This was necessary because the cafeteria was too small to hold all the students. The room was becoming overheated and difficult to stay in for any period of time.

Numerous school buses arrived and lined Sullivan lane adjacent to the school. As students left the cafeteria for the bus they were polled by officers to determine if they were witnesses. Students who were found to be witnesses were kept at Agnes Risley while the rest boarded the buses and left for Sparks High School. Numerous students were found to be witnesses to varying degrees.

Sgt. Leary and I began coordinating investigators to respond and conduct interviews with witnesses. Many investigators from various jurisdictions responded to the school to assist with witness

interviews. Multiple classrooms were unlocked at Agnes Risley and were used for interview rooms. Witnesses were kept in groups. As an investigator came available they were individually escorted to a vacant classroom for their interview. Before and after the interview the students were encouraged to contact their parents via cell phone or a phone provided in the room. The parents were asked to come to the school for reunification. This process was repeated until all interviews were completed. This process took several hours and consisted of 30-40 interviews.

During these interviews I met with Sgt. Leary, and we discussed notifying the family of teacher Michael Landsberry who was murdered at the school. We determined due to the scale of the incident it was important to notify his family in a timely manner.

I met with school police and obtained emergency contact information related to Michael Landsberry. I met with victim advocate Jennifer Olsen, and we made arrangements to meet with Sharon Landsberry who is the wife of Michael.

We met with Sharon Landsberry at a business in south Reno located at 180 W Huffaker, Suite 304. She was with friends and family members. Sharon Landsberry indicated she had already been notified of Michael's passing by RPD Sgt. Marcia Lopez due to their connection with the National Guard, and she was appreciative of Sgt. Lopez making the notification. We shared some of the details with Sharon Landsberry and provided her with resource information.

Upon completion of our contact I went back to Agnes Risley elementary school where witness interviews were concluding. I went to the Sparks Police Department and worked on administrative and media related issues for this case.

No further.

Type of Report: Homicide Case: 13-9953

Date/Time of Supplement: 10/21/13 @ 1655 Detective: Sgt. S. TRACY

Approving Supervisor TRALETT 004 Date: 16.4.17

# **Details of Supplement:**

On 10/21/13 @ approximately 0716 hours I overheard a call from SPD Dispatch advising of an active shooter situation at Sparks Middle School. SPD Dispatch advised that a teacher "was down" and had been shot.

I responded from the station with emergency lights and sirens activated. Upon arrival at the school, I noticed several SPD Officers and Detectives making entry into the school. I then moved to the south hall doors that face east and entered the school. I observed Sgt. DYER holding the doors open due to the fact that they would lock if allowed to close. I also saw Detective VAUGHT inside the south hall of the school.

I began directing responding Officers and Detectives to start searching the school for the suspect. Many of the school doors were locked and we were unaware how many of the rooms had school children and staff still inside. As I was helping clear the south hall, Sgt. WALSH advised that she believed one of the victims and possibly the shooter had been located in the rear of the school at the basketball court area.

I responded to the basketball area and found Sgt. WALSH as well as other Officers standing over a Hispanic male juvenile with what appeared to be a gunshot wound to the head. The was also a white male adult lying on the basketball court with what appeared to be a gunshot wound to the center of his chest.

Sgt. WALSH maintained custody of that scene while I met with Detective THELIN and we began to move to the north hall of the school. Upon entering the north hall of the school Detective THELIN and I located another Hispanic male juvenile lying on the floor against some lockers. This juvenile had a gunshot wound to the upper left shoulder, chest area and appeared to be going into shock. The juvenile was being attended to by two school staff members. Detective THELIN and I made contact with the juvenile and were assisted by REMSA Paramedic Matt DIXON who had entered the crime scene behind us. He made an immediate assessment of the juvenile and asked him if he could walk. The juvenile nodded that he could walk and we picked him up and began escorting him toward the east side of the school near 18<sup>th</sup> ST. Other Officers on scene took the juvenile from us and we continued to clear the school.

Case #13-9953 Detective Sgt. S. TRACY #130 (HOMICIDE)

A short time later, there were numerous Officers and Detectives from several jurisdictions inside the school. I began to instruct Officers and Detectives to start a thorough search of each room one at a time. When students were found sheltered in place, they were escorted by armed Officers out of the school. Officers and Detectives began to clear the north hall first. Once all of the rooms were cleared, I left several Officers on scene there and moved the other Officers to the south hall to begin evacuating those rooms.

In the south hall several more students and staff members were located in locked rooms. All of the rooms were cleared by uniformed Officers and Detectives. All of the students and staff were removed to the 18<sup>th</sup> ST. side of the school and later moved to Agnes Risley Elementary School.

A short time later, I was advised that RPD SWAT was in the area and would be clearing the entire school. I went out of the school and met with other Detective supervisors to discuss assignments. Lt. TRIPLETT asked me to run the crime scene with Detectives from WCSO. I met with Sgt. CALDWELL and Lt. BALDRIDGE to make assignments. WCSO FIS later responded to begin processing the crime scene. Detective THELIN advised me that he had been contacted by Washoe County School District Personnel stating that there was possible video of the incident from cameras mounted in the school. I directed Detective THELIN to collect the video. See his supplement for further information.

Utilizing several Detectives and Federal Agents from various agencies, a grid search was conducted in an effort to locate evidence from the shooting. Several shell casings were located scattered throughout the school yard area along with several live rounds. See the final WCSO FIS report for details. NHP Troopers arrived and assisted with a mapping and scanning program that creates a GPS 3-D map of the crime scene.

All of the evidence recovered was processed and collected by WCSO FIS. Upon completion of the exterior of the school yard, I asked SFD to respond and assist in cleaning the bio hazard blood spill from the incident. Once WCSO FIS and SFD were done, the scene was returned to custody and control of Washoe County School Police.

I returned to the SPD station and participated in a debrief of the case. No further information is available at this time.

# Details of Supplement:

On October 21, 2013 at approximately 0715 I responded to Sparks Middle School on the report of a shooting with a teacher down. I arrived on scene and responded to the rear of the school where Sergeant WALSH was located and advising she had two individuals down. I met with WALSH and provided cover for her as well as the two individuals on the ground. I was told one of the individuals who had been shot and on the ground next to us was the shooter. It was not clear if there were any other shooters at that time.

A short time after I arrived on scene a tactical medic arrived and checked for signs of life on both subjects. The first subject the tactical medic attended to was the teacher, later found out to be Michael Landsberry. Landsberry had a gunshot wound to his upper left side of his chest and was not responsive.

The tactical medic then attended to the other subject, who was later found out to be the shooter Jose REYES. REYES had an obvious gunshot wound to his head and had lost a substantial amount of blood. It was determined by the tactical medic that both LANDSBERRY and REYES were deceased and no further life saving measures would help revive either subject.

It had been determined that there were no other shooters and the school had been cleared by law enforcement. I was told two other injured students that had been transported by Remsa to Renown. I held the crime scene to the rear of Sparks Middle School until Washoe County FIS could process it.

While waiting for FIS I observed LANDSBERRY was wearing a black Under Armor tee shirt, black hoody, gray pants, and a pair of brown Keen shoes. Lying next to LANDSBERRY was a black coffee mug and an expended 9mm casing.

REYES was wearing a gray Sparks Middle School hoody, khaki color pants, white tennis shoes, and an orange backpack. I observed laying near REYES feet a Ruger 9mm handgun.

Prior to FIS arriving on scene at approximately 0906 hours I allowed Washoe County Deputy DIAZ, MACHEN, and DURBIN into the crime scene to set up a privacy security screen next to LANDSBERRY. I continued to hold the scene until FIS arrived on scene and began to process it.

Case #13-9953
Detective Congdon #028
Homicide/ Attempted Homicide.

At approximately 1200 I was relieved from the scene by Sergeant TRACY. This concluded my involvement on scene for October 21, 2013.

I had been assigned to interview and follow up with a teacher at Sparks Middle School by the name of Gary LENSHYN to find out what his involvement was on the day of the shooting. On Thursday October 24, 2013 I spoke to LENSHYN over the phone and asked him what he saw the day of the school shooting. LENSHYN said he heard all the kids screaming and running and noticed one kid was injured coming down the north hall way. LENSHYN said he assisted this kid until he passed him off to another teacher who was in the hall, so he could get his students locked down in his class room. I asked LEYNSHYN if he had made a list of students in his classroom. LEYNSHYN said he didn't. LEYNSHYN said he never saw the shooting or the shooter.

No Further.

On 10-21-13 at approx. 0800 hours, I heard that a Murder and Attempted Murder had just occurred at Sparks Middle school. I responded to Agnes Risley Elementary school where witness interviews were being conducted. I met with Sergeant Aaron LEARY, and I was assigned to conduct witness interviews. I conducted eight witness interviews and departed upon completion.

# Josiah PEREZ interview:

On 10-21-13 at 0845 hours, I conducted an audiotaped interview with Josiah PEREZ in a classroom at Agnes Risley Elementary school. PEREZ stated the following to me in summary:

I attend Sparks Middle school. I rode the bus to school this morning with my friends, and we arrived to Sparks Middle school at about 0700 hrs. My friends and I were outside near South Hall. I was standing near the kickball field when I heard the first gunshot. My friends; Brian MARTINEZ, Alex MARTINEZ, Janet, Angela Cynthia and Jorge were standing there with me when that first gunshot went off. Jorge and I ran to the corner of the building to see if everyone was okay. I saw the suspect, a kid pointing a handgun at Mr. LANDSBERRY's head, and I saw the suspect shoot Mr. LANDSBERRY. I heard people yell, "Oh my God, Mr. TUCKER" when I heard the second gunshot. I yelled for everyone to run. We ran, and I heard more gunshots. The suspect was following people while pointing the gun at them and the suspect fired a couple of more times. I was scared we were going to get shot in the back. I ran toward some nearby apartments with my friends. I called 911 and reported the shooting. I heard people saying the shooter was, "Jose". My friend Seth HINCHBERGER, who was right next to Mr. LANDSBERRY, saw everything too. NFI

# Julius STANKEVICIUS interview:

On 10-21-13 at 0915 hours, I conducted an audiotaped interview with Julius STANKEVICIUS in a classroom at Agnes Risley Elementary school. STANKEVICIUS stated the following to me in summary:

I attend Sparks Middle School, and I rode the school bus to school this morning. Upon arrival, I walked to the farthest basketball court. I was playing catch with some friends; Dean AVERY, Kyle NEWCOM, Carlos FLORES, Trevor TURNER, Anthony and "Nickanor".

I heard a gunshot, and I thought it was an airsoft gun. I looked over and saw the suspect with a "9mm" handgun. The suspect had short hair, wearing a Sparks sweatshirt and pants. I Saw Mr. LANDSBERRY walking with his hands up saying something to the suspect like, "Put the gun down". The suspect was running towards Mr. LANDSBERRY and shot him. I ran away, but I came back to see if Mr. LANDSBERRY was still alive. "Anthony" and I along with 3 other people tried to carry Mr. LANDSBERRY inside. Mr. ENDRES said you have to get inside, and we ran. NFI (No Further Information).

# Daizy CORNEJO interview:

On 10-21-13 at 0930 hours, I conducted an audiotaped interview with Daizy CORNEJO in a classroom at Agnes Risley Elementary school. CORNEJO stated the following to me in summary:

I attend Sparks Middle school, and I rode the bus to school this morning. When I got to school, I met up with some friends outside (near the basketball courts). I heard what sounded like two fireworks going off, and I saw everyone running. I saw the suspect with a gun. The suspect came over to me and a group of other kids. My friend Alisa REMPEL and I were standing together and the other kids were against the doors. The suspect pointed the gun at us saying, "You ruined my life, now I'm going to ruin your lives." The suspect walked over to the other group trying to open the door. Mr. "GRADILLAS", Mr. PAZAR and Ms. BARKER opened the door for us. We went inside to the computer lab and hid under desks. Ms. BARKER wrote down on paper what each of us saw and heard, and Ms. BARKER later gave the paper to Mr. MIERAS (Chief of School Police). NFI

### **Lisseth GUZMAN interview:**

On 10-21-13 at 1000 hours, I conducted an audiotaped interview with Lisseth GUZMAN in a classroom at Agnes Risley Elementary school. GUZMAN stated the following to me in summary:

I attend Sparks Middle School, and I walked to school this morning since I live close by. I was outside (of the school) when I heard what sounded like a shotgun, but I thought it was a firecracker. When I heard the second shot, I saw the suspect shooting. I could not actually see the gun, but the suspect was shooting and everyone was running.

Case# 13-9953
Detective Gallop #047
Murder/Attempted Murder

I saw the teacher down on the ground. We all ran. I called my grandmother to lock the doors of our nearby house because my brother and sister were home. My friend, "Valerie" knows the suspect. NFI.

# Luis ARENAS interview:

On 10-21-13 at 1005 hours, I conducted an audiotaped interview with Luis ARENAS in a classroom at Agnes Risley Elementary school. ARENAS stated the following to me in summary:

I attend Sparks Middle school, and I rode the bus to school this morning. I went outside near the building where the school sells snacks when I heard a loud pop. I saw Mr. LANDSBERRY walking towards the suspect. The suspect said something like, "If you don't back away right now, I'm going to shoot you". The suspect then shot Mr. LANDSBERRY. I ran with the other students to get away. We put the girls behind us, and the suspect was pointing the gun at us. The suspect then tried to shoot a teacher through the window. The suspect was looking for "this kid" but I don't remember the name. The suspect walked back towards the area where he shot the teacher, and the suspect shot a student. The student asked the suspect, "What did I do to you? I never did nothing to you." I called 911 and went into a classroom with other students. NFI.

# Phillip DEES interview:

On 10-21-13 at 1030 hours, I conducted an audiotaped interview with Phillip DEES in a classroom at Agnes Risley Elementary school. DEES stated the following to me in summary:

I attend Sparks Middle school, and I rode the bus to school this morning. I went to the playground to find my friends. I heard a gunshot, but I thought someone brought firecrackers to school. I saw a bunch of students running away, so I remained where I was because I thought a teacher caught the person with firecrackers. I then saw the suspect with a gun and "bang" he shot the teacher. I then ran away. The suspect is Jose (unknown last name). NFI.

### Kelsey FAJARDO interview:

On 10-21-13 at 1045 hours, I conducted an audiotaped interview with Kelsey FAJARDO in a classroom at Agnes Risley Elementary school. FAJARDO stated the following to me in summary:

I attend Sparks Middle school, and I walked to school this morning with my friends. My friends (Sarah & Corinne) and I were outside near the North Hall. I heard a gunshot, and I thought it was fake. I thought the school was preparing us for a real school shooting. I then saw the suspect shooting people. The teacher approached the suspect, and the suspect shot the teacher. My friends and I ran towards the cafeteria pounding on the doors for someone to let us in. I saw the suspect go towards South Hall shooting more people. My friends and I got inside where we stayed until the police arrived. The suspect is named Jose according to what I heard. NFI.

I was standing there with my friends Omar, Jerardo and Andrew. I heard a loud pop and students started running. I thought it was a firework. I then saw the suspect 20 feet away from me with a gun. The suspect walked up to Mr. LANDSBERRY and shot him in the chest. I was thinking this might be fake, but I decided to run in case it was real. I heard another gunshot. I got into a classroom. The suspect was wearing a "Sparks" school shirt and a backpack with orange straps. Several students told me the suspect's name is Jose. NFI.

### INTERVIEW SUPPLEMENT

Name: Orozco, Pedro

**DOB:** 05/20/00

Date of Interview: 10/21/13 Time Started: 0932hrs Time Finished: 0941hrs

The following is a summary of the interview. It is not meant to be verbatim and not meant to be a transcript. For specific details of the interview please see the interview transcript and/or DVD recordings of the interview.

### **Details of Interview:**

At the start of the interview OROZCO informed me that he was at Sparks Middle School during the time of a shooting, which occurred on 10/21/2013. OROZCO told me that he lives in Sun Valley, Nevada. OROZCO took the bus to school and arrived at the north hall of the school, at approximately 0700hrs. OROZCO was standing near the entrance door of the north hall, when he heard a loud noise. OROZCO told me that he began to look around. OROZCO thought the noise was another kid playing around, because kids in the school will commonly make loud noise to scare others. OROZCO described the sound echoing, due to being surrounded by walls.

As OROZCO turned toward the loud noise, he observed a juvenile male only known to him by the nickname of "KJ" grabbing his left arm. KJ then fell to the ground and leaned against a wall. OROZCO observed a juvenile holding a gray and black firearm. OROZCO told me he doesn't know types of guns, but believed it looked like the type of guns police officers carry. OROZCO told me that he didn't know the juveniles name, which was holding the gun, but he has seen him a lunch at the school, hereinafter referred to as SUSPECT-1.

OROZCO then observed SUSPECT-1 point the firearm at another unknown juvenile male, which was standing next to 'KJ" and attempted to shoot the juvenile male. OROZCO told me that the gun didn't fire and SUSPECT-1 had to reload the firearm. I asked OROZCO to explain to me how SUSPECT-1 reloaded the firearm. OROZCO used his hands to demonstrate the reloading processes. OROZCO put his right hand up in front of himself and simulated pointing the firearm at me. The

Case #13-09953
Detective Orr
Murder/Attempted Murder
way OROZCO's

hand was situated from my training and experience, his right hand was in the pistol grip of the firearm. OROZCO then took his left hand and placed it on the top of the simulated firearm and pulled backward, as if was charging the firearm. I asked OROZCO if SUSPECT-1 removed the magazine and replaced it with a new one, which is one of the reloading procedures for a semi auto handgun. OROZCO told me that SUSPECT-1 didn't replace the magazine in the handgun.

Investigators Notes: I believe through my training and experience with firearms. SUSPECT-1 was not reloading the firearm, but had a malfunction with the firearm. SUSPECT-1 had to use the charging handle of the firearm to clear the malfunction and place the firearm back into battery.

OROZCO then heard a teacher yelling at SUSPECT-1. OROZCO explained by the time SUSPECT-1 fixed the malfunction of the firearm "KJ" and the other juvenile had moved approximately 20 feet away from the suspect. OROZCO describes the distance to me as half the size of the class room the interview was taking place. OROZCO then observed SUSPECT-1 turn toward the teacher, who was on the other side of the gym area from SUSPECT-1.

OROZCO described the teacher and the suspect walking towards each other. OROZCO didn't know the teachers name, but heard after the shooting from other classmates that the teacher name was MR. Landsberry. OROZCO could hear the teacher saying something to SUSPECT-1, but was unable to make out the conversation. OROZCO observed SUSPECT-1 and the teacher approach each other. OROZCO believed they were approximately five feet from each other when SUSPECT-1 shot the teacher in the chest. OROZCO explained the distance to me as the table distance, which were using for the interview. OROZCO told me the teacher fell backward and at the same time OROZCO grabbed his chest with both hands and fell backward in his chair, which he was sitting in during the time of the interview.

OROZCO then told me that SUSPECT-1 began to chase other teachers and student towards the south hall of the school. OROZCO then ran toward an open door into the school and hide in a classroom. OROZCO had no further information reference the shooting or SUSPECT-1.

No additional details.

## SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide/Attempted Homicide Case: 13-9953

Date/Time of Supplement: 10-24-13 @ 0800 Detective: Edmonson 039

Approving Supervisor Males 009 Date: 11.5.13

#### **Details of Supplement:**

On 10-21-13 at about 0900 hours I responded to Agnes Risley Elementary School, 1900 Sullivan Ln., to assist with interviewing students. Upon my arrival I met with Sgt. LEARY in the parking lot of the school. Sgt. LEARY told me a number of students from Sparks Middle School had been evacuated to Agnes Risley and were waiting to be interviewed prior to being released to parents. I interviewed four students at the school. The following is a summary of those interviews.

#### Interview with Hailee LACLAIRE:

LACLAIRE told me she arrived at Sparks Middle School by school bus at about 0700 hours. She said she came around the corner of the north hall and saw Mr. Landsberry waving his arms when Jose shot him. She said after Jose Shot Mr. Landsberry she ran into the lunchroom. LACLAIRE described Jose as a quiet, nice kid.

#### **Interview with Mario PINA:**

PINA told me he arrived at school at about 0700 hours and walked around the north hall when he heard a loud noise. He told me he initially thought the loud noise was someone popping a paper bag. He came around the corner and heard another pop and saw a teacher fall down. He and some other friends ran across the baseball field, over a fence and across Sullivan Ln. He ran down Ponderosa Dr. and encountered a man who was backing out of his driveway. He and his friends were taken into 2225 Ponderosa Dr., the man's house, and eventually escorted to Agnes Risley by police. PINA gave me a written statement he completed while at the residence on Ponderosa Dr. This statement was booked into Sparks Police Department Evidence.

#### **Interview with Neil PENROD:**

PENROD told me he and some friends walked the north hall at about 0710 hours and were standing on the basketball courts when he heard the first shot. He heard kids screaming and running in all directions. He saw Jose holding a silver and black handgun walking towards a male teacher. He saw Jose shoot the teacher and he fell straight to the ground.

He and several friends ran across the baseball field, towards Sullivan Ln. They jumped over the fence and ended up at a house on Ponderosa Dr., where they took shelter for about an hour before police escorted them to Agnes Risley. PENROD told me he had not heard any rumors of potential violence at the school. PENROD gave me a written statement he completed while at the residence on Ponderosa Dr. This statement was booked into Sparks Police Department Evidence.

#### Interview with Cluryce FULLER:

FULLER said she arrived at school at about 0705 hours and met with several friends near the basketball courts. She heard the first shot, which she said sounded like it came from inside the building due to an echo. She was about 10-15 feet from Jose when she saw him shoot Mr. Landsberry. She saw Jose holding a silver hand gun and walk towards the south hall. She ran south across the grass and went into the apartments at 1800 Sullivan Ln. She heard 7 shots in total from beginning to end. FULLER described Jose as a quiet kid and an "A" student.

#### Consent search of vehicle:

On 10-21-13 at about 1600 I was assigned to conduct a search of a vehicle related to this case. Sgt. LEARY informed me there was a silver Lincoln Navigator in the south parking lot of the police department that Jose's mother drove him to school in that morning. Sgt. LEARY told me we had been given consent to search the vehicle by the owner. At about 1602 hours Evidence Technician Linda BROWN and I began to process the vehicle. The vehicle is described as a silver 2006 Lincoln Navigator, bearing NV. UNR14005, license plates. BROWN took exterior and interior photographs of the vehicle.

I began my search of the vehicle at the driver's door. I located the vehicle registration in the center console, which indicated the vehicle was registered to REYES-MANDUJANO, Jose Horacio at 4255 Wedekind Rd. #715 Sparks, NV. Inside a cup holder, in the center console, I located a hand written receipt. The receipt was numbered 029089 and dated 10-18-13 received from "Joseph Reyes" indicating an amount paid of \$334.00. The receipt indicated "Dr. M" on the amount line and was signed by "P Moch." BROWN took several photographs of this receipt.

The back seat of the vehicle contained DVD movies and children's sticker/coloring books. I also found a purple Nintendo 3D DS game system in the seat pocket of the right front passenger seat. I found a plastic accordion file, which was empty, on the rear floor board as well.

The third row of seating was empty. I did not remove any items from the vehicle.

#### Follow up interviews on 10-22-13:

On 10-22-13 I was assigned to conduct two more follow up interviews with students who witnessed the shooting at Sparks Middle School. At about 1200 hours I spoke with Josh MALAFU at his home, 5385 Woods Dr. Sun Valley, NV. At about 1350 hours I interviewed Ian TOLLER at the Boys & Girls Club located at 2680 E. 9<sup>th</sup> St. Reno, NV. The following is a summary of those interviews.

#### **Interview with Josh MALAFU:**

MALAFU told me he met Jose at the beginning of the school year. He said Jose was very nice and quiet and enjoyed playing basketball at school. He said Jose enjoyed playing video games; "Grand Theft Auto 5" was his favorite. He said he never knew of anyone at the school who bullied Jose but said he only hung out with him occasionally. MALAFU told me on the day of the shooting he was standing near the baseball field at the north end of the school with friends. He heard the first shot and saw kids running all directions.

He saw Jose walk towards Mr. Landsberry and shoot him. He saw Jose run to the south courtyard and point the gun at several girls in a doorway. He then ran to the north hall and helped "KJ" into the building and eventually was secured in a classroom by a teacher. MALAFU told me he had not heard of any rumors of violence going around the school. He was very surprised that Jose would do something like this.

#### Interview with Ian TOLLER:

TOLLER told me he was standing near the north hall with several friends, including "KJ" at about 0710 hours. He said Jose walked up to the group and he said hi to Jose, but he didn't respond. He said Jose looked angry and began to growl at the group. Jose then pulled the gun from the left side of his body and shot "KJ." TOLLER said he stayed with "KJ" and watched Jose run towards Mr. Landsberry and shoot him once. He stayed with "KJ" until and teacher opened a nearby door and took all of the students in his group into a classroom.

TOLLER described Jose as a nice kid who was generally quiet but would hit himself on the head with his fist when he got mad.

He said if Jose would make a mistake on his homework he would clinch his fist and hit himself on the side of his head several times. He said his interactions with Jose were limited to small talk about random subjects such as video games.

He did say Jose's favorite video game was "Grand Theft Auto 5." TOLLER said he thought Jose may have been bullied by "KJ" but had never witnessed it first-hand. He said he had not heard of any rumors of possible violence going around the school. He had never seen Jose get in a fight or be involved in any sort of incident at school.

#### Follow up interviews on 10-23-13:

On 10-23-13 I was assigned to conduct two more follow up interviews with students who witnessed the shooting at Sparks Middle School. At about 1000 hours I spoke with Brandon SOUDERS at his home, 5866 Foggy Ct. Sun Valley, NV. At about 1540 hours I spoke with Valerie SERNA at her home, 2271 Helga Ct. Sparks, NV. At about 1630 hours I interviewed Nicole VEIL, who is a leasing agent at The Village at Wild Creek Apartments, 4255 Wedekind Dr. The following is a summary of those interviews.

#### **Interview with Brandon SOUDERS:**

SOUDERS told me he rides the bus to school and arrived at about 0650 hours. He said he lives close to "KJ" and rides the same bus with him every day to school. He got off the bus and walked around the north hall and sat on some bleachers between the north and south halls with friends. He said he normally hangs out along the south facing wall of the north hall with "KJ" and other friends. The day of the shooting, when they were getting off the bus, "KJ" told him not to hang out near him because something bad was going to happen that day. SOUDERS had no idea what "KJ" was talking about nor did he elaborate.

From the bleachers he saw Jose walk up to "KJ" and shoot him once. He said kids started to run all different directions and then Jose walked towards south hall. He heard another shot and saw Mr. Landsberry fall to the ground. He saw several kids try to help Mr. Landsberry as Jose ran towards the south hall. He saw Jose run around the south side of the south hall and lost sight of him. He never saw Jose again after that.

SOUDERS described Jose as a nice kid who worked hard in school and got good grades. He said Jose stuttered and had a hard time pronouncing big words. He said kids would often make fun of Jose because of the way he spoke. He said he had seen "KJ" tease Jose about the way he talked but could not remember when the last time he saw it first-hand. He told me Jose was into video games and liked to play soccer. He thought he was on a non-school affiliated soccer team, but could not be certain. Jose would talk to him about video games such as "Grand Theft Auto 5."

He said Jose also talked to him about going hunting with his dad on the weekends. SOUDERS told me he did not know anything about hunting so he didn't understand much of what Jose was talking about. He said he was generally quiet and never saw Jose get in trouble in class or during breaks. He said he had two classes with Jose, first period math and fourth period English. He said he was very surprised that Jose would do something like this.

#### **Interview with Valerie SERNA:**

SERNA walked around the corner of the south hall of the school at about 0700 hours and met with a few friends on the basketball courts. Moments later she heard a loud pop and wasn't sure what it was, possibly someone popping a paper bag. She turned and saw Jose walking towards Mr. Landsberry, cocking a gun, and then he shot him. She saw Mr. Landsberry fall down and she ran around the south side of the school across 18<sup>th</sup> St. to some apartments. She and others hid behind the back of an apartment building and she called her mom to tell her there was a kid at the school with a gun. She said she heard three to five more shots, after seeing Mr. Landsberry go down, as she ran away from the school. She last saw Jose running around the south side of the south hall.

SERNA said Jose was a friend of hers and described him as a good student who usually got all "A's." She met Jose at the beginning of school while they were in the same fourth period English class. She said Jose had a "squeaky" voice and an odd pattern of speech and kids would tease him because of it. Kids would walk by him and call him "retarded" or "stupid" in the halls. She couldn't give names of specific kids who she saw tease him though. She said Jose would become very quiet when he was upset or angry. She never saw him act out or become violent with kids who teased him.

She said he often spent time by himself on lunch break and before school started. She said he always had a book with him and rarely hung out with groups of kids. She described Jose as always wanting to help people and was willing to help kids who were struggling in class. She could not believe that Jose could do something like this.

#### Interview with Nicole VEIL:

A Department of Motor Vehicles check indicated that the Reyes family had recently lived at The Village at Wild Creek Apartments, 4255 Wedekind Rd. Apt. 1017. I contacted leasing agent Nicole Veil who provided me with copies of their leasing agreements dating back to 01-01-08. The family lived in apartment 715 between 01-01-08 and 12-31-10. According to their records the family moved into apartment 1017 on 01-01-11 and lived in that apartment until 10-18-13. I also discovered the family had two garages rented to them, A-5 & J-7, until 10-31-13. Nothing further at this time.

Date/Time of Supplement: 11/1/2013 14:15 hrs. Detective: L. Brown #015

Approving Supervisor Date: 11/2/13

#### **Details of Supplement:**

During the afternoon of 10/21/2013, I was requested to document the consent to search the family vehicle of Jose REYES-URTIZ. The juvenile subject had died earlier on this date from an apparent self- inflicted gunshot wound after involvement in a shooting at Sparks Middle School. I was told that the juvenile had been transported to the school in this vehicle.

I met with Detective EDMONSON in the secured parking lot of the Police Department at approximately 3 p.m. The vehicle was a silver colored four door 2006 Lincoln Navigator sport utility. The license plate was recorded as UNR14005. The VIN is recorded as 5LMFU28596LJ10104. The vehicle is registered to Jose Horacio REYES-MANDUJANO. He is the father of José REYES-URTIZ.

I obtained general overall exterior and interior views of the vehicle. Specific views were taken of the VIN, State of Nevada vehicle registration, mail in the names of Horacio, Liliana, or Jose REYES, mail in the name of Liliana REYES from The Department of State National Visa Center, and a general receipt #029089 in the name of Joseph REYES, Dr. M, dated 10/18/13 for \$334.00 paid. Detective EDMONSON conducted the search of the vehicle. We concluded at approximately 3:20 p.m.

## SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide, Attempted Homicide

Case: 13-9953

Date/Time of Supplement: 11/01/13 @, 1200hrs

Detective: Bellamy #008

Approving Supervisor\_

#### **Details of Supplement:**

On 10/21/13, at approximately 0720hrs, I was at the Sparks Police Department conducting an interview on an unrelated case. I overheard radio traffic about a shooting that had just taken place at Sparks Middle School located at 2275 18<sup>th</sup> Street.

When I arrived on scene, I was informed that there were multiple victims, and the shooter appeared to have died from a self-inflicted gunshot wound. For additional details on the names of the victims, and their individual injuries refer to the original case. Additional information revealed that several students witnessed the shooting and they were currently staged at Agnes Risley Elementary school waiting to be interviewed.

I responded to Agnes Risley and met with several detectives from Sparks PD and other surrounding agencies. It was determined that all witnesses needed to be interviewed prior to leaving the school for the remainder of the day.

#### **Berenice ESTRADA Interview:**

ESTRADA was interviewed on 10/21/13 at approximately 0951hrs. ESTRADA attends Sparks Middle School, and she is currently in the 8<sup>th</sup> grade. She rode the school bus to school on the day of the incident and exited the bus near the south hall of the school. Once she was off the bus she began to walk toward the north hall of the school.

As she reached the north hall she heard a loud sound that she originally thought was a firecracker. She heard a second loud sound several seconds later just as she saw a student with a gun in his hand. That same student was walking toward a teacher as the teacher said "calm down, drop the gun." ESTRADA saw the student shoot the teacher, and watched as the teacher fell to the ground.

ESTRADA ran away from the scene to avoid being shot by the subject. She was unable to identify the subject because he was facing away from her during the incident.

#### Alex MAGDALENO Interview:

MAGDALENO was interviewed on 10/21/13 at approximately 1010hrs. MAGDALENO attends Sparks Middle School, and he is currently in the 7<sup>th</sup> grade. MAGDALENO arrived at school at approximately 0701hrs on the morning of the incident. He was standing outside of the school doors waiting for them to open when he heard a loud sound that he compared to a firecracker. Immediately after hearing the loud sound, he saw a large group of school kids running toward him saying "run, run, go!"

As the kids ran past him he observed a student pointing a gun at a teacher near the basketball court. MAGDALENO turned and began to run away from the armed student. As he was running away he said he heard at least two more gunshots. MAGDALENO observed another student running in the same direction, and noticed that the student appeared to be bleeding. MAGDALENO identified the injured student as "KJ"

Near the conclusion of the interview, MAGDALENO identified Jose REYES as the student he had observed with the gun. MAGDALENO and REYES were in the same gym class, which began at the start of the school year. MAGDALENO said that REYES had been bullied by other students, but he was unable to cite any specific incidents. I asked MAGDALENO if REYES had ever talked about being bullied, and he said no.

#### Michelle HERNANDEZ Interview:

HERNANDEZ was interviewed on 10/21/13 at approximately 1033hrs. HERNANDEZ attends Sparks Middle School, and she is currently in the 8<sup>th</sup> grade. She rode the school bus to school on the day of the incident and exited the bus near the south hall of the school. Shortly after exiting the school bus she heard a loud bang and saw students running away from the noise.

One of her friends told her that someone had a gun and that same person was shooting at people. Upon receipt of that information, HERNANDEZ ran toward the gymnasium doors and hid in a corner with 15-20 other students. A few seconds later the armed subject appeared and began pointing the gun at HERNANDEZ and the other students.

The subject yelled "you guys think this is funny?" "making fun of me is funny?" "I'm done with everybody!" After making the statements, the subject pointed the gun toward the air and fired three times. After shooting the gun, the subject left the area and did not return. A police officer arrived several minutes later and escorted the students into the building.

Case #13-9953 Bellamy #008 Homicide, Attempted Homicide

HERNANDEZ said that the shooter was wearing the typical Sparks High School uniform, but she had not seen him prior to the incident.

No additional details.

## SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide	Case: 13-9953
Date/Time of Supplement: November 5, 2013	Detective: Sgt. A. Leary 078
Approving Supervisor	Date:

#### **Details of Supplement:**

The following report details my involvement in the Sparks Middle School Homicide investigation to the current date of November 5, 2013.

#### **Initial Response:**

On October 21, 2013, I was in the office when I was advised of a shooting that just occurred at Sparks Middle School, 2275 18<sup>th</sup> street. I responded with Detective Mike BROWN. While driving to the school I heard several updates over the police radio. I learned that responding patrol officers believed that the suspected shooter self-inflicted a fatal gunshot wound to his head.

When I arrived at the school there were already numerous officers on scene from the Sparks Police Department, Reno Police Department, Washoe County Sheriff's Office, and Washoe County School Police. There were several search teams in the building and numerous officers on the perimeter. It appeared that dozens of students had already been evacuated from the school and were standing in a nearby apartment complex (2280 18<sup>th</sup>) across the street of the school.

I heard radio traffic that the suspected shooter, later identified as Jose Reyes-URTIZ, was found on the outside basketball court on the west side of the school. I heard that a second male victim who was believed to be a teacher was also located on the basketball court and appeared to be mortally wounded.

I walked around the school to the basketball courts. I saw a juvenile male (URTIZ) with a gunshot wound to his head. He was wearing an orange back pack, khaki pants, and a grey Sparks Middle School sweatshirt. There was a gun near his body. Directly west, I saw an adult male lying flat on his back. There was a tactical paramedic on scene who had already determined that both individuals were deceased.

I directed Detective Shawn CONGDON to secure the crime scene. Washoe County School Police Sergeant RAPISORA was also on scene. I requested his assistance in securing the crime scene. I asked RAPISORA and CONGDON to secure the scene from the north side of the school to the south side of the school and around the entire basketball court area to the lawn west of the courts.

Homicide

I went to the front of the school to assist with the students who had been evacuated and determine how many of them witnessed the incident.

When I walked around to the front of the school I was informed that another student had been shot and was being escorted from inside the school to the parking lot. I met with the student, Kaelin "KJ" GUERRERO in an ambulance. I was advised by paramedics that GUERRERO appeared to have been shot in the shoulder. I tried to ask GUERRERO some questions, but he was unable to answer any of them.

More students started to be evacuated and they started to congregate across the street. I directed Detective BROWN to facilitate escorts for these students and to have them escorted to Agnes Risley Elementary School.

I asked Reno Police Department Lieutenant Bill RULLA to maintain command of the on-going tactical situation involving the clearing of the school as many Reno Police Department SWAT members had begun to arrive.

I responded to Agnes Risley with Sparks Police Department Commander Brian MILLER.

When I arrived at Agnes Risley I was informed that a second student (Mason KAMERER) had been shot in the stomach and was transported to Renown Medical Center. KAMERER walked across Sparks Middle School grounds to Byrd drive just east of Agnes Risley. A security officer summoned help for KAMERER. There was blood on the sidewalk next to the street. Washoe County Sheriff's Office Detention Deputies had secured the scene with crime scene tape and were posted for scene security.

#### Initial Assignments:

Commander MILLER worked with School Police and separated students who witnessed the shooting from students who did not witness the shooting. The student witnesses were placed into class rooms at Agnes Risley. School Police Officer PLATZMIR and a Sparks Middle School faculty member admonished the students not to discuss the incident until an investigator could speak with them. Each student was originally processed through class room C-5. Some adult Sparks Middle School faculty was also interviewed during this process. Detective SCHREIBER was assigned to log each witness who was processed for interview. I gathered investigators from numerous agencies to assist with interviews due to the number of students that witnessed the event. The students were interviewed immediately to avoid their statements being tainted. The following is a list of investigators assigned to student interviews:

## SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide

Case: 13-9953

Date/Time of Supplement: 11-05-13-@ 1600 Hours

Detective: Schreiber #119

Approving Supervisor

Date: 1/7/13

#### **Details of Supplement:**

On 10-21-13 at approximately 0715 hours, I received a phone call from Sgt. TRACY advising that there was a shooting at Sparks Middle School. I responded to Sparks Middle School and was advised to go to Agnes Risley Elementary School and meet with Sgt. LEARY.

I met with Sgt. LEARY who told me that the kids from the middle school who had witnessed the incident would be arriving here. Sgt. LEARY told me that he wanted a list made of the kid's names and dates of birth so the list could be provided to school officials who could then notify the parents of their kid's location. Sgt. LEARY said that the kids arriving here were to be interviewed and that there are a lot of them.

Over the next few hours, I compiled a list of 96 names of kids to be interviewed. As the list was made, it was provided to school officials to photocopy and bring to the reunification location (Sparks High) to be posted.

Once the kids had been interviewed and reunited with parents, I was instructed to attended a staffing / debriefing at the Sparks Police Department.

At 1430 hours, Det. BURNS and I were tasked with relieving other Detectives at 950 Henry Orr #306. This is the residence of the deceased suspect in the shooting. At 1830 hours, Sgt. LEARY, Det. GALLOP, Det. BURNS and I along with Washoe County FIS served a Search Warrant at the above listed address.

While searching the residence, I located sheet of paper in the hall linen closet. The paper appeared to be a list of goals that was filled out by the suspect for a school related project. One of the goals listed by the suspect was to "make new friends this school year". I can't remember if the paper listed the school or the year it was filled out.

In the suspect's bedroom, I located a backpack with numerous magazines in it. The magazines were all dealing with war related topics. Also located in the bedroom was a large black duffel bag that contained numerous video games.

The search warrant was finished at 1920 hours. The items that were taken during the search warrant were booked into evidence by Det. Burns.

On 10-22-13 at approximately 1000 hours, I contacted REMSA Paramedic Matt DIXON. DIXON was one of the first responders on scene at the middle school and contacted most of the victims involved. DIXON came to the police department and filled out a statement about his involvement in the incident.

DIXON wrote in his statement that he and his partner were dispatched to the Sparks Middle School for an active shooting. When they got the call they were in the area of U.S. 395 near Mill. They responded Code 3 to the scene. DIXON is a TEMS Medic with special training with the local tactical teams. They arrived in the area of the school and DIXON deployed with his tactical vest on and medical equipment and told his partner to wait in a safe area for further radio traffic. DIXON entered into the schools main doors with an unknown Deputy. Once inside, DIXON teamed up with Officer LAKE of Sparks. They moved through the gym and out the doors to the Basketball court. DIXON observed 1 adult and 1 teenager down on the ground. DIXON moved to the adult and checked for a pulse and breathing. DIXON cut open the adults shirt and observed a single gunshot wound to the center of chest. DIXON observed no signs of life and declared the adult dead. DIXON then moved to the teenager. DIXON observed a semi- automatic pistol near his feet and major trauma to the teen's head with visible brain matter and significant bleeding. DIXON says the teen has "obvious signs of death". DIXON then moved to the north hallway and located a victim with a gunshot wound to the shoulder. He speaks with the victim and then assists him to the front of the school and to a waiting ambulance. DIXON then goes back into the school to look for more victims and fines none. Please see his statement for further.

I then contacted Aaron ABBOTT at REMSA. I asked ABBOTT if I could get copies of all telephone and radio traffic related to the school shooting. ABBOTT advised that he was already working on that and requested a Subpoena. I completed a Subpoena Duces Tecum as requested and faxed it to ABBOTT.

At approximately 1300 hours, Det. BURNS and I met with Detectives Bruce HOBBS and Beau LORENTZEN from the Washoe County School Police and Vice Principal Jerry ANDRES from Sparks Middle School at the School Police Department. We were tasked with watching the surveillance video from the school and with the assistance of Mr. ANDRES, trying to identify the students and staff in the video.

After watching the video numerous times in real time and slow motion, it was hard for Mr. ANDRES to positively identify any of the students due to video quality and the fact that most of the students were new to the school this year and have only been attending Sparks Middle for 6 or 7 weeks.

Mr. ANDRES was able to identify three teachers in the north hallway video. The teachers were Sheila McDANIEL, Russell HUNTER and Gary LENSHYN. A forth teacher in the video wearing a

Case # 13- 9953 Detective Schreiber # 119

purple colored top was a substitute teacher that was later identified as Karoline HERSCH.

On 10-22-13 at approximately 1730 hours, Det. BURNS and I served a search warrant on the locker belonging to the suspect. Locker # 812 was opened with the combination provided by the school police. The locker was empty, and a copy or the warrant was left inside the locker indicating nothing was removed from it.

On 10-23-13, I completed paperwork and booked property into evidence. On 10-24-13, I met with Washoe County School Police Detective LORENTZEN. LORENTZEN told me that one of the school police officers had collected the coffee mug belonging to Mr. LANDSBERRY off of the playground after the crime scene had been taken down. LANDSBERRY was holding the mug when he was shot. I collected the mug and booked it into evidence at the Sparks Police Department. I also met with Vice Principal ANDRES and Chief Mike MIERAS of School Police. I informed them that I would like to interview Sheila McDANIEL, Russell HUNTER and Katherine BERRY, who were some of the teachers present in the North Hallway during the shooting.

I was asked to wait on the interviews with the teachers due to a memorial for Mr. LANDSBERRY that was going to take place at 1400 hours. I agreed, and provided my business cards to be handed out to teachers so they could contact me when they were ready.

On 10-24-13 at approximately 1500 hours, I was contacted by Shelia McDANIEL. She advised that she was ready to do an interview and agreed to meet with me at Sparks Middle School.

The following are interview supplements with various teachers from Sparks Middle School. The supplements are not verbatim and are not meant to be transcripts. The interviews were audio recorded and a copy of each has been booked into evidence. For further details, please refer to the copies.

### Interview with Shelia McDANIEL on 10-24-13.

I asked Shelia McDANIEL what she teaches and how long she has been a teacher. McDANIEL told me that she has been a math teacher for her entire career of 13 years, and all for 7<sup>th</sup> and 8<sup>th</sup> grade.

I asked McDANIEL to tell me about the events that occurred on Monday the 21st of October. She told me the following.

McDANIEL was in the north hallway work room making copies and she had her I-Pod ear phones in her ears. She heard kids running in the hallway and thought that she was running late and that they had let the kids into the building for school. McDANIEL opened the work room door and was told by another teacher to lock the door because "there is shooter". McDANIEL looked out the window and saw a body on the basketball court. She then called 911 a few times but miss dialed. She eventually got through and requested paramedics. McDANIEL told me that K.J. walked into the

Case # 13-9953 Detective Schreiber # 119

hallway saying he was shot.

K.J. was being comforted by a substitute teacher and they pulled K.J.'s jacket aside and saw a small entrance hole. McDANIEL told me that the 911 operator asked what the person on the basketball court was wearing and she told them he was dressed in all black. McDANIEL told me that she did not see the suspect or hear any shots being fired.

I asked McDANIEL is she had ever had any dealings with the suspect. She told me that she never had any dealings with the suspect personally, but he always had a smile on his face. She never had him in any class and never heard anything bad about him till that day. McDANIEL told me that prior to going to the elementary school, someone pulled the suspect up on the computer in the office and no one could believe it was the "quiet, special ed kid".

#### Interview with Katherine BERRY on 10-28-13.

I met with Katherine BERRY at Sparks Middle School on 10-28-13 at 1330 hours for an interview. I asked BERRY to tell me about her teaching experience. She told me that she has been teaching for ten years. She told me that she was a substitute that day for science and was in room N1.

I asked BERRY to tell me about what she remembers from Oct. 21<sup>st</sup>. She told me that she was unlocking her door when she heard a "pop". She said she did not realize that it was a gun shot. BERRY then heard "Code Red" and 8 or 9 students and the band teacher known to her as "Mr. C" went into her room. I asked if they had made a list of the students in her class during the code red and BERRY thought that Mr. C might have. BERRY explained that she never saw any of the victims but heard from one of the students in her class that someone was shot. BERRY told me that they were in the class for 15 or 20 minutes before the police came and took them to the cafeteria. She told me that some of the students left with their parents at that time. BERRY told me that this was her first day at Sparks Middle and she had no information about the suspect or any problems about "bullying". BERRY told me that she thinks she heard 3 or 4 pops total and did not realize what it was.

#### Interview with Russell HUNTER on 10-28-13.

I met with Russell HUNTER at Sparks Middle School on 10-28-13 at approximately 1430 hours. I asked HUNTER to briefly tell me about his teaching career. HUNTER told me that he teaches U.S. History at the 8<sup>th</sup> grade level and had been teaching for 7 years and with the school district for 10 years total.

I asked Mr. HUNTER to tell me about the events that occurred on Oct. 21<sup>st</sup>. HUNTER told me that he arrived at school at approximately 0713 hours and entered in the northeast doors with his son. HUNTER put his backpack down and heard a commotion in the hallway, and realized it was a "code

Case # 13-9953 Detective Schreiber # 119

red" situation. HUNTER noticed a student in the hallway having "difficulty" and moved to him and realized it was K.J. K.J. told HUNTER that he was shot and HUNTER saw blood on his shoulder. I asked HUNTER if K.J. told him who shot him and HUNTER told me that he did not mention any names to him. HUNTER did say that K.J. said he did not want to be moved. HUNTER told me that he did not make a list of students that ran to his class room because he was busy with K.J.

HUNTER told me that K.J. was not a student of his and that the other victim "Mason" was a friend of his son's. HUNTER told me that he has not heard of any "bullying" problems with the students involved in the incident.

HUNTER said he assisted a teacher to Risley who was in a wheelchair and then rode a bus to Sparks High.

End of Interview.

# SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide, Attempted Homicide Case: 13-9953

Date/Time of Supplement: 11/6/13 @0805 Hours Detective: J. Vaught #134

Approving Supervisor Date: 11-1-13

#### **Details of Supplement:**

On 10/21/13 at approximately 7:16am Sgt. DYER and I responded to Sparks Middle School located at 2275 18<sup>th</sup> St. for a report of a shooting at the school.

Upon arrival there were several other officers already on scene. Sgt. DYER parked on the south east side of the school. I entered a southeast door to the school. The door was locked and I was let in by another officer. I was informed the open doors in the south hall had already been searched and several doors were locked and not searched. I assisted another officer in searching an open bathroom in the south hallway as for it could not be determined at the time if it had already been searched. I met up with several other officers that were located in the middle of the hallway next to the office and gym area.

There were several facility staff members who were located in the front office area. I was informed by the staff the shooter's name might be "TJ" who is a student at the school. I do not know how they obtained this information. Several of the facility staff members were attempting to locate who the student might be by looking on the computer.

I was informed by officers they were escorting several students out who were located inside the school. These students came toward my location and out the front main door of the school. These students were directed to other officers who were standing outside of the front of the school.

I then observed two officers escorting a wounded student from the north side of the school hallway out the front door.

I heard officers over the radio a couple of times say they thought the shooter was down. A short time later a large group of students were allowed out of the building and again directed out the front doors. While the students were exiting the building I was asking if any of students knew who the shooter was. Three male students said they saw the shooting and I pulled them aside. One of the students named Josh said the shooter was Jose Reyes. I asked Officer STALLCOP with the Reno Police Department to take down their names as I did not have any paperwork with me.

I informed one of the facility staff members the shooter might be Jose REYES. The facility staff member then pulled up a photo of Jose REYES on the computer. I had Josh step in the office and look at the

photograph and he confirmed REYES was the shooter. The facility staff member printed a picture of REYES which was given to Det. CURTIS to confirm if the subject found deceased outside the school by the basketball court was indeed REYES.

I continued to assist students outside the front of the school who were being directed to my location. I then met with another facility staff member and obtained a key to open the locked classroom doors. I then met up with several other officers from different agencies. We began searching the south side of the school and entered all the locked doors with the key, searching for teachers and students.

After I assisted in searching the south side of the school the Reno SWAT team also completed another search of the south side school hallways.

There were enough officers on scene, I left the school and returned to the station. Commander TRIPLETT requested I assist with the interview of Jose REYES parents. REYES parents were identified as Jose Horacio REYES-MANDUJANO and Liliana URTIZ. I was present with Det. PETERSON when she notified the parents of REYES that he was deceased.

At approximately 10:12am I interviewed REYES-MANDUJANO at the Sparks Police Department. REYES-MANDUJANO identified his son's full name as Jose Horcio REYES-URTIZ JR.

REYES-MANDUJANO informed me his family just recently moved to 950 Henry Orr Pkwy #306. REYES-URTIZ JR. was his 12 year old son and was born on 7/2/01. REYES-URTIZ JR. attended Sparks Middle School and was a seventh grader. This was REYES-URTIZ JR.'S first year at Sparks Middle School.

REYES-URTIZ JR. had autism and had a problem with his speech. REYES-MANDUJANO said when REYES-URTIZ JR. first started Sparks Middle School he told REYES-URTIZ JR. if he got bullied to tell a teacher, him or his wife. REYES-MANDUJANO said REYES- URTIZ JR.'s first six years of school was fine, but thinks middle school was different. REYES-MANDUJANO said the kids "messed" with REYES-URTIZ JR. and were rude to him. REYES-MANDUJANO said Reyes-URTIZ JR. had been getting more normal through the years, was being more social and getting closer to his friends.

On 10/18/13 REYES-MANDUJANO and URTIZ took REYES-URTIZ JR. to an Adolescent/Child Psychologist. They wanted to find help to assist REYES-URTIZ JR. to grow up as a more normal person. REYES-MANDUJANO provided me with a business card from No Child Left Behind Behavioral HealthCare Services located at 895 Roberta Lane #101 with a Dr. Mirzaian listed on the card. REYES-MANDUJANO said REYES-URTIZ JR. had been nervous about the appointment. REYES-URTIZ JR.'s next appointment was supposed to be on 10/24/13 for a group therapy and on 11/1/13 REYES-URTIZ JR. was supposed to meet with the psychiatrist again.

Case #13-9953

Detective: J. Vaught #134

(Homicide)

REYES-MANDUJANO was unaware if REYES-URTIZ JR. was having any other issues at school besides recently finding out during the psychiatrist appointment a student had called him gay and he had been teased by another kid who said REYES-URTIZ pees his pants. REYES-URTIZ JR. had explained he was drinking water and spilled it on his pants, but the kid teased him and said he pees his pants. REYES-URTIZ JR. would tell his dad everything was fine when his dad would ask him how things were going at school. REYES-URTIZ JR. had been crying at his psychiatrist appointment when he talked about being called gay. REYES-MANDUJANO said Reyes-URTIZ. Jr. would always have autism but thought it was something a person could live with. REYES-MANDUJANO went to the psychiatrist not because he knew his son was being messed with but because he wanted a better future for his son. REYES-MANDUJANO wanted help so that REYES-URTIZ JR. would have a normal future.

REYES-URTIZ JR. did not have any other health conditions or mental health conditions. I asked how much the Autism affected REYES-URTIZ JR.'s grades. REYES-MANDUJANO said REYES-URTIZ JR. never had to repeat any grades in school and took regular classes in school. To his knowledge REYES-URTIZ JR.'s teachers did not have any issues with REYES-URTIZ JR. following orders or being rude in school.

I asked REYES-MANDUJANO if he knew of any specific kids his son had problems with or teachers. REYES-MANDUJANO did not know how often the kids were messing with his son and did not believe he had any issues with his teachers.

I asked REYES-MANDUJANO if he kept any weapons in his house. REYES-MANDUJANO said he had a .357 revolver and a 9mm handgun. The guns were hidden in the kitchen area located on one of the top shelves above the refrigerator. REYES-MANDUJANO has two daughters ages seven and eight. REYES-MANDUJANO did not believe his kids knew where the guns were located, but later said REYES-URTIZ JR. would stay at home alone and might have found them. The guns were located in the same area where the cereal boxes are kept. The guns were kept in gun cases and the ammunition was also stored in the gun cases. The 9mm handgun had two magazines that were loaded with ammunition but not loaded in the gun. The .357 revolver also had ammunition. REYES-MANDUJANO said he never bought ammunition for the guns. The guns came with the ammunition he got from his friends John and Myrna. REYES-MANDUJANO did not know his friends last name but said they lived in Reno and gave me their phone number which is 775-742-4470. REYES-MANDUJANO said John and Myrna have known him for a long time and that he was born in Mexico but came to the United States when he was fifteen years old.

REYES-MANDUJANO said REYES-URTIZ JR. was almost as tall as him and would be able to access the area where the cereal boxes were stored. REYES-MANDUJANO said since the family just moved, this was the location the guns had been stored. REYES-MANDUJANO said he didn't think REYES-URTIZ JR. saw the guns stored on the shelf and was unaware if REYES-URTIZ JR. knew where the guns were stored at the old house which was located on a high self. There are no other guns or ammunition in the house. REYES-

URTIZ JR. had never shot a gun before. When John gave REYES-MANDUJANO the gun he showed him how to carry and use the gun. REYES-URTIZ JR. was not around when this was done. REYES-MANDUJANO said he never thought this was how the gun was going to be used and has had possession of the guns for over two years.

REYES-URTIZ JR. had a school counselor, but no other therapists outside of school, besides the psychiatrist he had just seen on 10/18/13.

REYES-MANDUJANO did not believe REYES-URTIZ JR. was in a gang or associated to gang and does not know how many times REYES-URTIZ JR. was teased. REYES-URTIZ JR. was recently given a cell phone 775-354-9657 that was obtained from a Mobile Booth. REYES-URTIZ JR. has access to a computer but does not use MySpace, Twitter or Facebook. Reyes-URTIZ JR. usually watches cartoon's and play's video games.

REYES-URTIZ JR, had two close friends who went to the same school and took the same classes. REYES-MANDUJANO did not remember the student's name.

REYES-URTIZ JR. is close to his Aunt Rosalina. REYES-MANDUJANO said his son has had no problems at home. REYES-MANDUJANO said REYES-URTIZ JR. would rarely get upset and if he did get upset he would just go to his room then later come out and tell mom and dad that he loved them.

On 10/19/13 REYES-URTIZ JR. went to work with his parents who own a coffee shop. REYES-MANDUJANO wanted to teach REYES-URTIZ JR. how to make money and that if you want something in life you have to earn it. On 10/20/13 REYES-URTIZ JR. stayed home with his parents and sisters and watched a movie. Later in the day REYES-URTIZ JR. went to the store with his mother. REYES-MANDUJANO did not see anything different in his son over the weekend.

REYES-MANDUJANO said his regular routine is that he gets up around 5:00am to 5:30am and then gives REYES-URTIZ JR. a kiss goodbye who is still usually sleeping. On 10/21/13 it was different as for his son was already up and in the shower. REYES-MANDUJANO thinks REYES-URTIZ JR. was just being a responsible kid since school starts early. REYES-MANDUJANO told REYES-URTIZ JR. goodbye and that he loved him. REYES-URTIZ JR. said the same thing back to REYES-MANDUJANO who then left for the day. REYES-MANDUJANO said REYES-URTIZ JR. doesn't like his mom to fix his hair but that morning he had his mom fix his hair.

URTIZ drove REYES-URTIZ JR. to school every day which starts at 7:30am. On the way to school URTIZ called REYES-MANDUJANO and told him that REYES-URTIZ JR. tried to take a BB gun rifle to school, saying it was for a science class. No toy guns are allowed at school so URTIZ did not allow REYES-URTIZ JR. to take the BB gun with him and dropped him off at school. URTIZ's sister in law had called URTIZ and told

Case #13-9953 Detective: J. Vaught #134 (Homicide)

her something was wrong at the school. REYES-MANDUJANO got a call from URTIZ telling him to go to the school, because there was an issue. REYES-MANDUJANO went to the school and got another call from URTIZ who told him one of the guns was missing from their house, which was the 9mm handgun. REYES-MANDUJANO said he saw kids walking by but did not see his son. REYES-MANDUJANO said he didn't want to believe it but told a Deputy Sheriff REYES-URTIZ JR. might be involved because one of their guns was missing. REYES-MANDUJANO said he thought things like this happen on TV or other states and didn't think this would happen to him. REYES-MANDUJANO said he did not know why REYES-URTIZ JR. would take a gun to school.

During the interview REYES-MANDUJANO stated he would consent to have his residence and vehicle searched that was parked at the Sparks Police Department. Officer ZENDEJAS met with REYES-MANDUJANO and explained to him in Spanish the consent forms. REYES-MANDUJANO signed the forms.

This was the end of my interview with REYES-MANDUJANO. Later I was informed REYES-MANDUJANO told Det. PETERSON that he did not want to answer any more questions without his lawyer present. REYES-MANDUJANO's attorney, Mike SULLIVAN, arrived at the Sparks Police Department. I escorted SULLIVAN up to the detectives section to meet with REYES-MANDUJANO and URTIZ.

At approximately 5:30pm Sgt. LEARY, Det. GALLOP and I met with DA investigator Roy STRALLA. During this time we procured a telephonic search warrant for REYES-MANDUJANO's residence.

Location: 2275 18th Street

Date/Time of Supplement: 11-02-13 @ 0710 Hours

#### **Details of Supplement:**

On 10-21-13, at approximately 0910 hours, I responded to a report of an active shooter at Sparks Middle School located at 2275 18<sup>th</sup> St. While I was en route to Sparks Middle School information was still developing about an active shooter possibly located inside of Sparks Middle School.

When I arrived I entered through the front doors of the middle school. At this time it had been determined that there were two victims located in the west side of the school but it was unknown whether or not there was a shooter inside of the building. I began searching the south side of the school with other officers. We went from each classroom attempting to locate a possible active shooter. We searched every room on the south side of the building and did not locate any active shooters. We then proceeded to the north side of the building. I went with other officers and cleared each classroom and room on the north side of the school. While clearing the classrooms we evacuated the students and faculty from the rooms. The students and faculty were escorted out by other officers and I continued to search the rooms. After all the rooms were cleared and evacuated on the north side I then proceeded through the rooms and classrooms for a second check. On the second check myself and other officers looked into small spaces, including cabinets and closets, to ensure that there were no other students or possible suspects hiding in any of these locations. We cleared all the rooms on the north side of the school and ensured that there were no other persons located in this part of the school.

I then proceeded to the west side of the school, where two victims were lying and appeared to be deceased. I helped clear a small U shaped outdoor part of the school with other officers to ensure that there were no other persons located in this area. This area was located between the north and south hallways of the school and is located outside.

# SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide, Attempted Homicide Case: SPD 13-9953

**RPD** case 13-20774 WCSPD 13-1887

Date/Time of Supplement: 10-23-13 @ 1400hrs Detective: Dach, K. #034

Approving Supervisor Date: 11/19/19

# **Details of Supplement:**

#### Initial Call and Search of Sparks Middle School:

On 10/21/13, at approximately 0720hrs, I was enroute to the Sparks Police Department from Spanish Springs when I heard Sparks Police Dispatch say there was a shooting at the Sparks Middle School located at 2275 18<sup>th</sup> Street. I activated my lights and sirens and drove to Sparks Middle School and parked on the east side of the school. I deployed my AR-15 and put on a tactical vest with clearly marked Police emblems.

I could see one victim being assisted to the parking lot by Detective THELIN. This person appeared to be a juvenile and was wearing a white shirt and tan pants. I entered Sparks Middle School through the main doors on the east side with UNR Police Officer McGuire. A Washoe County Deputy, a Reno Police Officer and I went into the gymnasium and began a systematic search because we did not hear any signs of violence. There was no one in the gymnasium or the locker rooms attached to it. We went outside into the south courtyard. Officer LAKE told me he was securing the basketball court area and asked if we would take Remsa Tactical Medic Matt Dixon to search the remainder of the school for injured people.

We tried to access the south hall of the school but the doors were locked. We walked around both sides of the south hall. In the courtyard we could see a black handgun magazine on the ground in the south courtyard. We saw two holes in class room windows in the east hall. These windows could be seen from the south courtyard. We did not locate any injured people during our search. The search concluded at the east side of the south hall.

# Condition of the Victims at the Renown Hospital:

On 10/21/13, at approximately 0800hrs, I was assigned to go to the Renown Hospital located at 1155 Mill Street to check the status of the victims. I met with RPD Detective Michael GUIDER who had collected the information on the victims. GUIDER told me victim, Mason KAMERER was shot twice in the lower abdomen and once in the upper abdomen. This information would later change after KAMERER was examined in surgery. Dr. HANSEN told me the bullet entered the body below

Case #13-9953

Detective: Dach, K. #034

Homicide, Attempted Homicide

the belly button. The bullet exited and re-entered the stomach because of a leaning position. The bullet exited the right buttock. KAMERER was staying in Pediatrics ICU room 426 and was assigned nurse Cristy ANDREWS and Dr. James HARRIS.

The next victim, being Kaelin GUERRERO, had a gunshot wound to his left shoulder and the bullet was lodged near the heart. This information would later change and per Dr. BAIN the bullet was touching the spine near Thoracic 5. Dr. BAIN told me he did not know if they were going to remove the bullet and the decision would be made at a later time. Kaelin GUERRERO was in Pediatrics ICU room 429 and was assigned nurse Kristen CEBALLOS and doctors BAIN and BRAZIUNAS.

Reno Police and a social worker in the hospital were attempting to contact KAMERER'S parents. The parents were given a location to meet at Renown Medical Center. I met with the parents of both victims and advised them of the situation and provided them with my contact information. KAMERER'S parents were Jason KAMERER and Jennifer DAVIS. GUERRERO'S parents were Donald and Melissa KERSEY.

#### **Preliminary interview with Mason KAMERER:**

On 10/21/13, at approximately 1041hrs, I spoke to Mason KAMERER. He had recently come out of surgery and was having trouble keeping his eyes open due to being medicated. KAMERER told me he was standing near the south hall entrance doors. The way he described it, he was at the southwest corner of the school. He heard a loud noise which sounded like a vehicle backfire. KAMERER looked towards the basketball courts and saw a teacher lying on the ground. KAMERER went to the teacher and saw his eyes twitching and he could tell the teacher was having trouble breathing. KAMERER did not know the teachers name. KAMERER was told by Vice Principle ENDRES to go inside so he ran back towards the south hall. As he was going to the doors of the school he saw Jose REYES outside and tried to get him to come into the school. KAMERER did not know REYES was the shooter. REYES pointed a handgun, which he described as a black S&W 40cal or 9mm Caliber handgun at KAMERER. KAMERER said he knew about guns from shooting with his uncle. REYES shot one time hitting KAMERER in the stomach. KAMERER left the area and hid near the south hallway wall. KAMERER heard approximately 4 shots during this incident. KAMERER left his Gray "Dak" two tone backpack, silver scooter, and Shawn White skateboard with an ostrich label on it near the south hall. KAMERER ran towards Agnes Risley School and met with Police in the parking lot on Byrd St. An audio interview of this interview was put on a CD and booked into Sparks Police Evidence as KLD-2. KAMERER'S mother Jennifer DAVIS signed a Medical Release to allow Sparks Police to access Mason KAMERER'S medical records.

I could not complete a preliminary interview with Kaelin GUERRERO because he was still sedated. GUERRERO'S mother Melissa KERSEY signed a Medical Release to allow Sparks Police access to

Detective: Dach, K. #034 Homicide, Attempted Homicide

the medical records. School Police Officer TAPIA stayed with GUERRERO until he regained consciousness and he conducted a preliminary interview. Please see his supplement.

# Assist Detective PETERSON with interview of Jaquelin AMBRIZ:

On 10/21/13, at approximately 1230hrs, we conducted a meeting with outside Law Enforcement agencies to discuss what had been completed. This meeting was followed up by a meeting with Sparks Detectives to determine what assignments need to be completed.

On 10/21/13, at approximately 1658hrs, I assisted Detective PETERSON with an interview with Jaquelin AMBRIZ. AMBRIZ is Jose REYES'S cousin and a student at Sparks Middle School. AMBRIZ said about Jose would get frustrated when corrected by teachers. She gave examples of bullying with generalities of people making fun of him. AMBRIZ showed text messages between AMBRIZ and her friends regarding the shooting. I sent a preservation letter to AT&T Cingular Wireless for AMBRIZ'S phone records and text messages for phone number 775-420-9579. Please see Detective PETERSON'S supplement for further details. The audio recording of the interview was put on a CD and given to Detective PETERSON.

#### **Interview with Kaelin GUERRERO:**

On 10/22/13, at approximately 1237hrs, I conducted an audio interview with Kaelin GUERRERO at Renown Medical room 429. GUERRERO'S mother, Melissa KERSEY was present for the interview. GUERRERO told me he arrived at school on the school bus at approximately 0705hrs and walked to the back (or west side) of the school. He met up with his two friends Ian (unknown last name) and Seth SLOAN and they talked near the north hall entrance doors. This is located on the west side of the school near the park bench. GUERRERO saw Jose walking towards their group and then away. It was similar to someone pacing. GUERRERO knew Jose from two classes they had together being Physical Education (PE) and Orchestra.

GUERRERO drew a diagram of where he was standing compared to Jose during the incident. This diagram was booked into Sparks Police Evidence as KLD-6. GUERRERO watched as Jose removed a handgun from his backpack. Jose did not say anything. He pointed the gun at "Ian" first but shot GUERRERO in the shoulder. GUERRERO said "I didn't really have a chance" to do anything. GUERRERO did not think Jose focused on any one person and described Jose as "spacing", "not all there", and "didn't know what he was doing". GUERRERO saw Jose run the opposite direction towards the basketball courts and he heard another shot but did not see Jose shoot anyone else. GUERRERO walked into the north hall and was assisted by a teacher. He was later assisted to the ambulance by SPD Detective THELIN.

Detective: Dach, K. #034

Homicide, Attempted Homicide

I asked GUERRERO if Jose had been teasing people or if he had been teased by other kids. GUERRERO originally told me no, but later said there was an incident in the PE locker room where the kids were having a water fight and Jose got water on his pants. GUERRERO said Seth SLOAN teased Jose about "peeing his pants" and Jose began to get upset and acted as if he was going to cry. GUERRERO said everyone in PE was laughing about the incident. This incident possibly occurred during the 2<sup>nd</sup> week of school.

GUERRERO does not have a cell phone or computer, but has been allowed to use his mother's tablet lately. The tablet had a pink cover on it and GUERRERO'S mother allowed me to look through it. There was no evidence relating to this crime on the tablet. I returned it to his mother. The interview was concluded at approximately 1330hrs. The audio interview was placed on a CD and was booked into Sparks Police Evidence as KLD-3.

#### **Interview with Seth SLOAN:**

On 10/22/13, at approximately 1330hrs, I conducted an audio interview with Seth SLOAN in a conference room at Renown Medical. SLOAN'S parents were both present for the interview. SLOAN appeared to be mentally delayed and I had to repeat and explain questions. His mother stated he was somewhat delayed and he is in programs at school to help him. SLOAN rides the same school bus as GUERRERO and they are friends at school. SLOAN was at the hospital visiting GUERRERO. SLOAN gives similar details about the shooting. He said he was standing with Ian TOLLER, Kaelin GUERRERO, Angle (unknown last name), and another unknown person when Jose shot GUERRERO. SLOAN is dyslexic and said Jose removed the gun from his left pocket and held it in his left hand. Jose pulled the slide back after he shot Kaelin GUERRERO. I asked SLOAN to demonstrate this for me and he showed me the gun in his right hand and used his left hand to pull the slide of the gun back.

SLOAN did not remember any specific incidents of Jose teasing anyone or being teased. When I asked about an incident in the locker room during PE, SLOAN remembered the water fight and Jose getting water on his pants. SLOAN told me GUERRERO was the one who teased Jose saying he went pee in his pants. SLOAN said Jose was very upset about this incident. SLOAN did not hesitate when telling this story. When he was forced to think during the interview, he would be delayed in answering questions. SLOAN said two other kids teased Jose. Their names were Brandon SOUDERS and Alexis (unknown last name). The interview was concluded at approximately 1348hrs. The CD containing the audio interview was booked into Sparks Police Evidence as KLD-4

#### Follow-up interview with Mason KAMERER:

On 10/22/13, at approximately 1445hrs, I conducted a follow up interview with Mason KAMERER

Detective: Dach, K. #034

Homicide, Attempted Homicide

in Renown Medical room 426. KAMERER'S parents were both present during the interview. KAMERER gave a very similar interview to the first time. He said he arrived at school at approximately 0645hrs. He hung out near the south hall entrance. This is located on the west side of the school. KAMERER went into the cafeteria to have breakfast with Brian (unknown last name). When he left the cafeteria he walked around the north side of the school back to the south hall. He walked this route with Braydon and Joey. When he arrived at the south hall he talked to Sadie, Clarissa, and Faith. He did not know any of their last names. KAMERER heard a shot and saw one of the teachers, identified as Mr. LANDSBERRY lying on the basketball courts. He tried to help carry Mr. LANDSBERRY off the basketball court with the assistance of three other people. One of the people was an eighth grader who the kids call JJ. JJ was later identified as Julius STANKEVICIUS. He was said to have been talking on the phone to 911 at the same time they were trying to move Mr. LANDSBERRY. KAMERER did not know the other children. Mr. ENDRES arrived and told the children to go inside. KAMERER ran to the south because that is where he had left his belonging. He saw Jose and did not realize he was the person shooting. KAMERER tried to get Jose to come inside with him and Jose shot him in the stomach. Jose did not say anything. Jose appeared to be working on the gun after he shot KAMERER. KAMERER ran to the south hall entrance doors, but they were locked. He continued to run south to Agnes Risley's parking lot and met with Police and Remsa.

KAMERER describes Jose as "kind of his friend" and they have Orchestra together. Jose is a "little mentally retarded" and "argumentative". KAMERER said he did not see anyone tease Jose, because if he did, he would stand up for him. The interview was concluded at approximately 1510hrs. The CD containing the interview was booked into Sparks Police Evidence as KLD-2.

# **Interview with Danielle CATES:**

On 10/22/13, at approximately 1523hrs, I conducted an audio interview with Orchestra teacher, Danielle CATES in a vacant room at Renown Medical Center. CATES told me she is the 3 period Orchestra teacher for the three children involved. She was referring to KAMERER, GURRERRO and REYES. CATES was at school early on 10/21/13 and allowed kids to come in the north hall entrance to drop off their instruments or to warm up. She could see the north doors from her class room. She began to see kids running by her classroom window and opened the north hall doors. She allowed the kids in the building and was told there was a person with a gun outside the school. CATES called for a code red and assisted kids into classrooms. She heard 5-6 shots. CATES shut off the lights and locked her classroom door with the students inside. CATES said there were only girls in her classroom and she allowed them to call home.

CATES has known Mason KAMERER the longest and describes him a social and friendly with everyone. She said KAMERER would help set up her class room to help her out. She describes

Detective: Dach, K. #034

Homicide, Attempted Homicide

KAMERER as having ADHD and has trouble following directions. KAMERER usually hangs out with the girls more than the boys.

CATES met GUERRERO this summer when he decided to play the cello. GUERRERO was starting a year later than most kids but picked up the Cello quickly and passed the rest of the class within the first week. CATES describes GUERRERO as quiet and respectful in class, but said he likes to be the tough guy.

CATES met Jose REYES last year in band, but this was his first year using the violin. CATES describes REYES as a person who gets frustrated easily and she gave an example: REYES was playing the wrong part from the sheet of music. CATES was going to correct him, but when she said "Jose" he interrupted and said "I know, I know, I'll fix it!" CATES had him come in during lunch and explained the problem to him. Jose was very receptive to the feedback in a one on one situation. CATES determined Jose did not like to be corrected in front of groups of people. She moved him to the front of her class hoping he would not feel like the class was as big as it was. CATES gave one more example; she said when there were having tryouts for Honor Society Music, everyone was invited. REYES came to the classroom with another student. He saw people trying out and was upset he was not invited. CATES explained everyone was invited and told him he could try out now. REYES declined and left the room. This was the only time CATES has seen him with a friend but did not know his name. The friend did not talk to CATES. CATES examined REYES'S school IEP and wanted to get it changed but was told by administrators they would re-examine it later. CATES felt REYES learned by hearing more than reading. A CD containing the audio interview was booked into Sparks Police Evidence as KLD-5.

#### Additional information obtained 10/28/13:

On 10/28/13, Danielle CATES provided me with a typed supplement regarding her contact with Jose. This supplement outlines what she told me in the previous interview. CATES provided me with emails between her and Special Ed Teacher, Andrea WILSON discussing ways to help Jose REYES be successful in class. Jose REYES had an IEP and this was included with CATES'S report. This will be discussed in more detail in Detective THELIN'S report. The typed statement, IEP for REYES, and emails between CATES and Andrea WILSON were booked into Sparks Police Evidence as KLD-10.

#### Overview of 911 Calls:

On 10/22/13, at approximately 0730hrs, I listened to the 911 calls which came into Sparks Police Dispatch and Remsa Dispatch as well as the radio traffic during the morning of the incident. The following is an overview of these calls and is not a transcript.

Detective: Dach, K. #034

Homicide, Attempted Homicide

Dispatchers received information from Pam about a shooting at Sparks Middle School. They were told there was a teacher who had been shot and he was laying on the basketball courts. The caller did not specify inside or outside the school in regards to the basketball court. A caller told Police the shooter was inside the school. A caller, Joe Pizzar told Police the shooter was outside the school. A different caller said the shooter was in the cafeteria. Reno Dispatch advised the shooter was a Hispanic male with a gray jacket with a Sparks Emblem on it.

Two teachers talked to Remsa dispatchers and gave information about the shooting to include information about a student who was shot in the shoulder. They were told a student was shot on the basketball courts. A child called Remsa and stated they were hiding outside and the phone hung up when they said "he is coming".

The radio traffic was informational in nature and discussed which areas of the school were being cleared and where officers were locating possible victims and a possible suspect. The radio traffic discussed where to move the students and locations to safely return them to their families.

# Lifetouch photos of Sparks Middle School Students:

On 10/26/13, at approximately 1100hrs, I made arrangements with Dave BILGER of Lifetouch National Picture studios to obtain a digital picture of all the Sparks Middle School students. The CD containing the pictures was to be used to help identify the children on the surveillance video. This CD has been booked into Sparks Police Evidence as KLD-9.

## Anti-Bullying video shown at Sparks Middle School:

On 10/26/13, at approximately 2025hrs, I reviewed a video obtained from Sparks Middle School on Anti-bullying. This video was shown to students on Friday, 10/11/13. A "passive" permission slip was sent home to be reviewed by parents. This form was to be only signed and returned to the school if the parents did not want the child to watch the video. The school did not receive any denial permission slips back from the parents. Jose REYEZ was present at school when they watched the video and the video was shown in its entirety.

I reviewed the video and it shows 4 different stories. One is about a boy who was picked last in PE, teased, and had his head pushed into a locker. The child later hung himself. The second story is about a female student who brought her mom's gun onto the school bus and scared the other children. She did not harm anyone and was arrested and spent over 3 months in jail. The next story is about a child who was constantly harassed on the bus. He was hit and stabbed with pencils, punched and pushed; the other students called him names. This boy did not have any friends. The

Detective: Dach, K. #034

Homicide, Attempted Homicide

last story is about a female student who was homosexual. She was alienated by the other students and only had a few friends. The video associated a Facebook page "Stand for the Silent". The DVD containing this anti-bullying video was booked into Sparks Police Evidence as KLD-8.

# **Interview with Belen PONCE:**

On 10/28/13, at approximately 1400hrs, I was at Sparks Middle School conducting follow up on this case. I was approached by Washoe County School Police and advised a student, Belen PONCE wanted to talk to someone about Kaelin GUERRERO bullying Jose REYES. I conducted the interview in the discipline office at Sparks Middle School. PONCE did not know either student very well but said she met GUERRERO earlier in the school year. GUERRERO told PONCE'S friend "shut up stupid" in math class. PONCE defended her friend and GUERRERO called her a "bitch" and "slut". GUERRERO has told her to "fuck off" in the months since this incident but they do not have much contact with each other.

PONCE witnessed Jose REYES being pushed once in PE and during the same incident PONCE told REYES "you don't have the muscles for PE". PONCE told me she saw GUERRERO hit a binder out of another kids hand on one occasion, but she did not know what the kids name was.

On 10/21/13, PONCE was outside on the west side of the school when she heard the shots. She immediately ran inside the school and hid inside of Mrs. Parker's room. The interview was concluded at 1415hrs. This interview was not recorded.

#### Follow up interview with Kaelin GUERRERO:

On 10/29/13, at approximately 1300hrs, Melissa KERSEY drove her son, Kaelin GUERRERO to the Sparks Police Department for an audio/video interview. GUERRERO was interviewed in detective room 208. GUERRERO agreed to talk to me alone and his mother and grandfather waited in the conference room. I told GUERRERO he would not be in trouble for anything he told me and I wanted him to be very honest. GUERRERO told me he was standing next to REYES when he was drinking some liquid after PE. There was a substitute teacher in PE that day. They got done about 10 minutes early and the kids were bored. Seth SLOAN tapped the bottom of the can with his fingers causing the liquid to spill on REYES. SLOAN teased REYES stating you "peed your pants". The other kids laughed including GUERRERO. GUERRERO told me REYES also laughed, but during the next class he was crying. This was in orchestra class. GUERRERO told me he took REYES out in the hall and comforted him and told him you can't even see the liquid on the Khaki pants. This information was not given to me when I interviewed the orchestra teacher, Danielle CATES.

GUERRERO admitted he and REYES teased each other and gave an example of teasing about who is taller. GUERRERO did not admit to bullying REYES or any other students. I asked GUERRERO about an incident in his discipline file where he had to attend a class for bullying and he told me he never had to go to the class because he just watched his friend get beat up by girls but did not participate.

I explained to GUERRERO about the other reports of teasing I had received. I gave him examples such as knocking folders out of kid's hands or calling kids names. GUERRERO denied doing any of those things. GUERRERO said he keeps to himself and only talks to a small group of people. At the conclusion of the interview, I talked to GUERRERO'S mom and told her about the reported teasing and how I was hoping to clear these issues up so GUERRERO did not encounter resistance when going back to school.

#### Collected Evidence from FIS for the REYES family:

Jose REYES-MANDUJANO requested his son's crucifix and watch for sentimental reasons. I contacted FIS and collected these items from the Washoe County Jail. I contacted Jose REYES-MANDUJANO and he agreed to pick up the items during an upcoming interview.

#### Review school files for Mason KAMERER and Kaelin GUERRERO:

On 10/29/13, at approximately 1530hrs, I met with Detective THELIN to review the school files on Mason KAMERER and Kaelin GUERRERO.

Kaelin GUERRERO had a report documented on 9/10/13 stating GUERRERO tripped a student which allowed other students to kick him while he was on the ground. GUERRERO stated he did not have to attend the required bullying training because he did not participate in the kicking of the student. The student who was beat up was Seth SLOAN.

In 2012, GUERRERO threatened students and called them a "bitch". In 2012, he told two students he was going to beat them up. The nurse reported GUERRERO broke his ankle in May 2012 and she saw him a few times to assist with the injury.

Mason KAMERER previously attended Lena Juniper Elementary School. During his time there it was documented; he was defiant when asked to do tasks other than ones he wants to work on, his peers complained about his hygiene and he cheated on a test. Mason took a student's lunch and ate it. In 2011, Mason was caught lying about not having money for lunch on two occasions.

In 2013, KAMERER was caught with a lighter and was disciplined for smoking cigarettes.

#### **Interview with Karolyn HIRSCH:**

On 10/30/13, at approximately 1308hrs, I conducted an audio/video interview with Karolyn HIRSCH in Detective room 208. HIRSCH came to the station voluntarily with her husband Michael. HIRSCH was at Sparks Middle School as a substitute for Andrea WILSON in room N9. This was the first time HIRSCH has subbed at Sparks Middle School since she retired 2 years ago. HIRSCH has been teaching for 40 years and currently substitutes for different schools around the area. Sparks Middle School is in the flight path for the Reno-Tahoe International Airport and is well insulated. HIRSCH did not hear the shots but saw the kids entering the school and heard Orchestra Teacher, Danielle CATES telling people there was a person with a gun in the playground. HIRSCH saw GUERRERO walking east through the north hall and he laid down by the lockers. GUERRERO stated he had been shot and wanted some water. GUERRERO said he knew the child who shot him and gave HIRSCH the name Jose REYES. HIRSCH could not see any wounds but did notice a small red dot on GUERRERO's left shoulder. HIRSCH did not ask GUERRERO anything more about the shooting and just talked to him about his family. She did not think about where the shooter was or worry about her own safety. HIRSCH stayed with GUERRERO until he was moved to an ambulance outside. HIRSCH walked with Detective THELIN to the awaiting ambulance. The audio/video interview was put on a CD and booked into Sparks Police Evidence as KLD-13.

# Interview with Jose REYES-MANDUJANO:

# **Contact with Vice Principal Jerry ENDRES:**

On 11/04/13, I went to Sparks Middle School to interview the principal, Mrs. COOPER. Mrs. COOPER was unavailable but I spoke to Vice Principal Jerry ENDRES. Jerry ENDRES was wearing a sling on his arm. He told me he tripped and fell while running from the shooter on 10/21/13. He later determined he fractured his right arm near the shoulder. I offered him services through the SPD victim advocate, but he told me workman's comp is handling all his issues.

#### **Interview with Alejandro PEREZ:**

On 11/5/13, at approximately 1535hrs, I received information from Katherine LOUDEN, Washoe County Schools Director of Counseling who told me Alejandro PEREZ may have some information that Jose REYES was involved in Gang activity. I conducted an audio interview with PEREZ in his home at 914 Sabragia Way. PEREZ told me he is an 8<sup>th</sup> grader at Sparks Middle School and does not know Jose REYES or any of the other kids involved in the shooting. PEREZ was not at school on the day of the shooting because he was running late. PEREZ did not know any issues of bullying at the school, but had heard rumors REYES may have been bullied. PEREZ did not have any specifics and told me he thought the two kids who were shot were random targets and were not targeted by the shooter. The interview was concluded at approximately 1540hrs. The audio recording was put on a CD and booked into Sparks Police Evidence as KLD-16.

#### Interview with Carrie MIERES:

On 11/6/13, at approximately 1325hrs, I conducted a phone interview with Carrie MIERES. MIERES told me she works as a STEM Specialist (Science, Technology, Engineering and Math) at Sparks Middle School. MIERES assists with the after school program where students can get assistance with homework, Math and English. The afterschool program is offered on Tuesday and Thursday. Jose REYES-URTIZ was invited to attend the afterschool program because of his low CRT scores. Jose stayed at the afterschool program from 2:00pm to 3:30pm and was picked up by his mother after the program. MIERES approved REYES-URTIZ to attend this program with Liliana URTIZ.

#### Reports from RPD Jay Booker:

#### **Interview with Stacey COOPER:**

On 11/7/13, at approximately 0820hrs, Sparks Middle School Principle, Stacey COOPER came to the Sparks Police Department for an audio/video interview. The interview was conducted in detective interview room 208. COOPER came in voluntarily and drove her own vehicle to the department.

COOPER re-called the events during the Sparks Middle School shooting on 10/21/13. COOPER told me she did not hear the shots but saw students running and they told her a person was shooting outside the school. COOPER called for a code red and notified School Police via her hand held radio. As COOPER was walking in the north hall she heard a loud noise and saw what appeared to be white smoke in the east hallway. This was later determined to be parts of the concrete wall being damaged by the bullets. COOPER told me she locked herself and a few kids in a room until the police arrived. She assisted in evacuating kids and helped with the re-unification of the students to their families.

On 10/22/13, COOPER and her husband visited GUERRERO and KAMERER in the hospital. GUERRERO was happy she came to visit but asked that Vice Principal ALLYN not visit. COOPER disregarded this because ALLYN was the disciplinarian and had suspended GUERRERO for a fight he was involved in a couple weeks prior.

COOPER visited the REYES family on Wednesday, 10/23/13 to offer services to them and to make sure they had school support for their two daughters. COOPER took Deputy Superintendent Traci DAVIS, Special Ed Teacher, Sue DUFVA and "The Tamales Lady" Theresa QUINTERO with her. COOPER did most of the talking because she spoke Spanish. COOPER offered the support and did not give any information regarding the investigation to the REYES family. REYES-MANDUJANO asked about the classes his son was in and if he could visit the school. COOPER agreed and they met at the school on Saturday, 10/26/13.

On 10/26/13, REYES-MANDUJANO and his brother Oscar came to Sparks Middle School and met with COOPER. Also present during this meeting was COOPER'S friend, Rebecca JANES and School Police Officer Beau LORENTZEN. COOPER gave REYES-MANDUJANO a tour of the school and allowed him to go into each of Jose's classes. REYES-MANDUJANO asked for assignments completed by Jose, but COOPER did not have any to give him. When they got to the playground area COOPER showed REYES-MANDUJANO where each of the victims were shot, where the windows were damaged, and where Jose took his own life. REYES-MANDUJANO was given a few minutes to pray. During the tour COOPER believed she may have told REYES-MANDUJANO very minimal information about the victims such as their personalities. Most of the tour was captured on video surveillance. I requested the video from School Police and they stated it

would be ready soon. The CD containing the recorded interview was booked into Sparks Police Evidence as KLD-16.

#### Interview with Teresa QUINTERO:

On 11/7/13, at approximately 1100hrs, Teresa QUINTERO came to the Sparks Police Department for an audio/video interview in detective room 208. QUINTERO drove her own vehicle to the interview and brought her daughter Danielle to translate for her. QUINTERO speaks Spanish but understands English. QUINTERO sells Tamales at the school and has done this for an extended period of time. On Thursday, October 24, 2013 the Principal of Sparks Middle School, Stacey COOPER, asked QUINTERO to accompany Tracie DAVIS, Sue DUFVA and her to the REYEZ'S home to give the family support from the school. QUINTERO thought it was weird she was asked to go because she did not know the REYES family. QUINTERO was under the impression she was asked to go because COOPER did not want the REYES family to view the school as racist. QUINTERO said this was her opinion and was not told this by anyone. COOPER talked to Mr. REYES-MANDUJANO and DAVIS talked to Jose's uncle. COOPER offered support, but did not give any information about the case or about any names of students. DAVIS offered to assist Jose's sisters in moving schools or any assistance they needed. When they left, QUINTERO went home and DAVIS drove back towards Sparks Middle School. The CD containing the recorded interview was booked into Sparks Police Evidence as KLD-17.

#### **Interview with Kristie PARKER:**

On 11/7/13, at approximately 1656hrs, I conducted an audio/video interview with Kristie PARKER in detective room 208. PARKER voluntarily came in for the interview and provided her own transportation. PARKER is a school teacher at Sparks Middle School and she taught in the STEM program. PARKER told me she heard from a student William GOMEZ-RUIZ about another student Jose CAZACES who was having trouble dealing with the shooting. CAZACES felt he was the next person who was going to be shot and now he will not leave his home. PARKER gave me contact information for GOMEZ-RUIZ. The CD containing the recorded interview was booked into Sparks Police Evidence as KLD-18.

The following is a summary of the interview. It is not meant to be verbatim and not meant to be a transcript. For specific details of the interview please see the interview transcript and/or DVD recordings of the interview.

# **Details of Interview:**

On 10/31/13, Jose REYES-MANDUJANO and his wife, Lilian URTIZ came to the Sparks Police Department for an interview. They brought two attorneys, I criminal, Kent ROBISON and I civil, Mike SULLIVAN with them. I conducted an audio/video interview with Jose REYES-MANDUJANO in detective room 204. Also present during the interview was FBI Agent Chad SIMKINS and attorney Mike SULLIVAN. SIMKINS was responsible for translating into Spanish anything Jose REYES-MANDUJANO did not understand. SULLIVAN was present as an attorney to represent REYES-MANDUJANO. For the remainder of this supplement I will refer to Jose REYES-MANDUJANO by his last name and his son as Jose. REYES-MANDUJANO was answering pre-written questions which had already been approved by their attorneys.

REYES-MANDUJANO described Jose when he was a young child and into elementary school. REYES-MANDUJANO told me Jose was a very happy baby. At two or three years old he was a normal child and showed interests in toy cars, coloring, and gluing things together. Jose loved science and putting things together. In Elementary School he was happy and always smiling. Jose was very close to his mother and would spend time with her shopping and working on homework. Jose would look to mom for advice and nourishment. Jose was very protective of his sisters and his mother. If Jose's mother would cry he would give her a hug to make her feel better. Jose would frequently talk about his happy family. REYES-MANDUJANO was the disciplinarian in the home but, said he and Lilian would discipline when necessary. Normal discipline would be taking away possessions or putting Jose in "time out". REYES-MANDUJANO would teach his son about

business and tell him he was "a champ".

I asked REYES-MANDUJANO to tell me about Jose's emotional coping skills and how he reacts to getting frustrated. REYES-MANDUJANO said Jose never got angry or frustrated. REYES-MANDUJANO said he could read his son and if Jose was sad or upset he would talk to him. I asked REYES-MANDUJANO about contact he had with Police a couple years ago when he was arrested for child abuse. He told me Jose got frustrated learning how to count money and yelled at REYES-MANDUJANO. Jose then followed his dad into the other room and hit him in the face twice. REYES-MANDUJANO struck Jose in the face leaving a mark. REYES-MANDUJANO was arrested for Child Abuse. REYES-MANDUJANO agreed Jose was frustrated learning how to count money, but said this was the last time Jose had been frustrated. REYES-MANDUJANO told me Jose was emotionally appropriate. He would laugh and cry at the appropriate times for children his age.

REYES-MANDUJANO talked to me about Jose's family. Jose spends time with the family when he is not at school. Jose has extended family in the local area, they are his cousin Jaqueline URTIZ, 2 uncles on his dads side and REYES-MANDUJANO's uncle. On mom's side there is one aunt, Rosalina who spends a lot of time with Jose. Both REYES-MANDUJANO and Lilian have family who live in Mexico. Lilian has a brother who lives in Arizona. Jose does not have friends he talks to outside of school and does not participate in sports or clubs in the community.

REYES-MANDUJANO and Lilian are Catholic and attend church at Little Flower Church. They have taken Jose to church 3 or 4 times for lessons to prepare him for his first communion, but Jose does not consider himself to be religious or talk about religion with anyone. Jose did not complete his first communion.

I asked REYES-MANDUJANO to describe to me a typical day for Jose. REYES-MANDUJANO told me during a typical weekday; Jose would go to bed at 8:30pm or 9:30pm and get up at approximately 6:00am. Jose would get up and clean his room before school. Jose got himself ready for school which included showers, brushing his hair, and getting dressed. Lilian would make his breakfast and drive him to school. This was the same when they lived at a previous residence. After school Lilian would pick him up and he would stay with her at home or at the restaurant. At night Jose would play 1 or 2 hours of video games. REYES-MANDUJANO did not know which games and he could not describe the games to me. On Saturdays Jose would go to the restaurant and help out washing dishes or helping with errands. Jose would normally stay home on Sunday by himself to get his chores done. Jose's sisters would go to the babysitters on the weekends. Jose would never babysit his sisters by himself. He would assist the girls by helping them reach items or help them off the counter to keep his sisters safe. This was done while Lilian's sister, Rosalina was home.

REYES-MANDUJANO said the school told Jose to attend an after school program which would help Jose work on his speech and math. Jose would go to this program 1 day a week after school from 2:30pm to 3:30pm.

REYES-MANDUJANO explained to me some customs around the home. Spanish is the primary language spoken in the home. The parents will speak to the children in Spanish, but the children will speak to each other in English. Jose did not keep a journal or diary. Based on a secret witness tip regarding journals I asked REYES-MANDUJANO if he knew a person named Jessie, but he had not heard of that name.

REYES-MANDUJANO discussed the family's medical history. Jose does not have any major medical issues or injuries. He has never had a traumatic brain injury or head trauma. There is no mental health history in the REYES-MANDUJANO family. Jose has never been exposed to drugs or alcohol. Jose was never violent according to REYES-MANDUJANO. The extended family did not see any change in Jose during the past few months.

REYES-MANDUJANO described what guns were in the house and how were they stored. REYES-MANDUJANO owned two guns, a 357 caliber revolver which was kept in a box and a black 9mm handgun which was kept in a gun case. The 9mm had two magazines which were not in the gun but in the same gun case. REYES-MANDUJANO told me one of the magazines was empty and the other one had bullets in it, but he did not know how many. The guns were kept in the cupboard above the refrigerator. Jose knew the family had a gun and where they kept the gun. REYES-MANDUJANO told Jose the gun was to protect his family. When they moved to their current home the gun was put in the same location. REYES-MANDUJANO said he never showed Jose the gun at the new home. REYES-MANDUJANO has shot the 9mm handgun a couple of times but has not bought ammunition for it. Jose did not show an interest in guns. He had a Red Ryder BB gun, but he did not shoot BBs. Jose would pump the BB gun and shoot air.

I asked REYES-MANDUJANO to describe Jose's schedule during the week he was off school. The week was October 13<sup>th</sup> through 19<sup>th</sup>. REYES-MANDUJANO could not remember which days Jose stayed home and which days he went to work with REYES-MANDUJANO. He told me Jose stayed home alone for three days and went to work with REYES-MANDUJANO the rest of the week. They were in the process of moving to a new home that week. The new home is zoned for different schools for the kids. REYES-MANDUJANO said he and Lilian talked about changing Jose schools, but there were no plans made on changing Jose's school. REYES-MANDUJANO did not think Jose knew there had been talk about changing schools.

I asked REYES-MANDUJANO about who are Jose's friends? Jose had two friends in school. One of the friends was Anoha (unknown last name) and REYES-MANDUJANO did not know the other

kids name. Jose did not go to his friend's homes or play video games with them. They were strictly friends at school. REYES-MANDUJANO told me Jose is shy at first when dealing with adults. He is friendly and plays with kids when they are around. Jose would hang out with the family during his free time. Jose liked watching television. His favorite television show was Sponge Bob Square Pants. The family does not own any DVD movies. Jose did not see himself as, or relate to any one TV or movie character. He liked Star Wars and was a Star Wars character for Halloween.

REYES-MANDUJANO was asked about Jose using Social Media. Jose did not use any Social Media to include Face book, MySpace, Instagram, Twitter, etc. REYES-MANDUJANO said Jose used the family laptop, his sister's tablet and his phone to access the internet. REYES-MANDUJANO did not know which websites Jose visited but previously told me Jose looked at YouTube. REYES-MANDUJANO told me Jose did not watch videos depicting school violence like Zero Day and Elephant.

I asked REYES-MANDUJANO if Jose had been in a stressful situation this year? REYES-MANDUJANO told me Jose was not stressed this year. Jose was not depressed and when he did feel stressed he would keep it to himself. Jose had never been sexually or physically abused. Jose does not show interest in girls and was very shy around them. Jose had never viewed pornography, had never talked about sex, nor did he show any interest in sex.

I had information Jose had seen a Psychiatrist during the break from school. REYES-MANDUJANO told me Jose attended Special Ed classes for the last few years and had seen a Psychiatrist on 10/18/13. I asked REYES-MANDUJANO if Jose had any special needs and what was the reason they thought he needed to see a doctor. REYES-MANDUJANO told me Jose had trouble expressing himself with words. Jose was going to a speech therapist to assist him with this. Jose speech was improving. During the doctor's appointment on 10/18/13, Jose was shown to have symptoms similar to people who have Autism, but Jose was not diagnosed with Autism. Jose was prescribed Prozac on 10/18/13 by Dr. Garen MIRZANIAN. Jose took one pill on Saturday, 10/19/13, one on Sunday, 10/20/13, and one on Monday, 10/21/13. REYES-MANDUJANO did not notice any change in Jose's behavior during these three days. REYES-MANDUJANO told me the medication was designed to help Jose relax and reduce tension. REYES-MANDUJANO told me the pills were supposed to make him feel better. I asked REYES-MANDUJANO again why he took his son to see the Psychiatrist. Jose was taken to the Psychiatrist for his speech problem and at the advice of the pediatrician. REYES-MANDUJANO was hoping this doctor would help him relate to people as he got older. REYES-MANDUJANO does not have insurance and it took him approximately 1 month to save up the money to take him to the Psychiatrist. Jose does not hear voices or see things other people cannot see.

After Jose saw the Psychiatrist he was crying. REYES-MANDUJANO said this was because he

disclosed to the Psychiatrist someone at school called him "gay". Jose did not specify who this was and REYES-MANDUJANO did not ask. After the doctor's appointment REYES-MANDUJANO asked Jose how he was doing and Jose said he felt better. They quit talking about the doctor's appointment and went to the barber shop.

REYES-MANDUJANO described Jose's school life during Elementary school and Middle School. Jose was really happy in Elementary School. REYES-MANDUJANO knew Jose's Elementary school teachers. In middle school, REYES-MANDUJANO did not know his teachers but knew Jose liked music class. REYES-MANDUJANO did not know who Jose's favorite teacher was. Jose did very well academically and had A's and B's on his report card.

I asked REYES-MANDUJANO if Jose was bullied in school and he told me, yes "by the students he shot". I asked why he said that? REYES-MANDUJANO told me he did not know about any students bullying Jose but he talked to the principal, Stacey COOPER, who told REYES-MANDUJANO, Mason was the class clown and Kaelin was popular. COOPER told REYES-MANDUJANO I can't believe what Kaelin and Mason did to your kid. COOPER said Jose was always smiling. REYES-MANDUJANO did not have any specific examples why he felt Mason and Kaelin bullied Jose. Jose previously told REYES-MANDUJANO about an incident he had at Middle School when a kid spilled water on him and then teased him about peeing his pants. Jose did not tell his dad who the kid was who spilled water on him.

I asked about Jose's emotional attitude towards other kids and teachers at Sparks Middle School. Jose has never displayed anger towards his peers and has not engaged in provoking behavior. Jose has not talked about homicidal or suicidal thoughts. Jose has not had any disciplinary problems in school. Jose would have helped any of the kids in school and the teachers. The teachers would have described Jose as a happy kid.

REYES-MANDUJANO added Jose wanted to be a police officer when he was older. He wanted to help people. Jose did not have military clothing, but played with toy soldiers. Jose did not have an interest in firearms. Jose did not express any interest in violence or school violence. Jose never mentioned any problems with other students or teachers.

I asked REYES-MANDUJANO about a movie regarding bullying which was shown in school. REYES-MANDUJANO did not know Jose watched a movie regarding bullying. REYES-MANDUJANO did not see the permission slip and Jose did not mention watching the bullying video when he was home.

I asked REYES-MANDUJANO why he thought Jose was involved in the shooting. REYES-MANDUJANO told me Lilian called him on the morning of 10/21/13 and told him there was a

Case #13-9953
Detective Dach, K. #034
Homicide, Attempted Homicide

shooting at Sparks Middle School. A few minutes later Lilian called him again and told him the 9mm gun was missing. Based on this information REYES-MANDUJANO thought Jose was involved in the shooting. REYES-MANDUJANO assumed Jose was bullied or was sticking up for another child. The recording was stopped and the interview was put onto a CD and booked into Sparks Police Evidence as KLD-14

A few minutes later another interview was conducted with REYES-MANDUJANO and Lilian in the Detective conference room. They were told about two notes which were left by Jose. These notes were written in a notebook with an Angry Birds logo on it. REYES-MANDUJANO did not know when Jose got the notebook with the Angry Birds logo on it. The parents wanted to read the letters. After the parents read the letters they both cried. REYES-MANDUJANO pointed out to Lilian a section of the letter addressed to mom and dad that said "But I love you and I wish the past would be good and better someday." REYES-MANDUJANO and Lilian did not verbally comment on the letter addressed to the mom and dad even when asked to. REYES-MANDUJANO commented, his son was not even treated well by the teachers according to the note addressed to teachers and students.

The interview was concluded and a CD with the audio/video interview was booked into Sparks Police Evidence as KLD-14.

REYES-MANDUJANO signed a written consent to search the garages located at 4255 Wedekind Road #A5 and #J7.

# **Details of Supplement:**

On 10-21-13 I was directed to speak to parental guardians Liliana URITZ and Jose REYES-MANDUJANO regarding their son, twelve year old suspect Jose REYES-URITZ. I had been told URITZ's husband, Jose would be interviewed by Detective J. VAUGHT. They had not been told that their son was deceased nor were they given any information regarding the shooting incident prior to their arrival.

Det. VAUGHT and I entered interview room 203 and introduced ourselves. I thanked them for coming to the station and made notification of Jose's death. URITZ asked "who killed him". I informed her that we did not have all the details at this moment and when they became available I would pass them on to both of them.

Jose REYES-MANDUJANO informed me that while he was fine speaking alone, his wife would need a translator while speaking with me. He left the room with Det. VAUGHT and Officer ZENDEJAS responded to translate for URITZ.

# Interview with Liliana URITZ

I introduced Officer ZENDEJAS to URITZ and explained the process in using a translator. It appeared URITZ understood much of what I was saying but was more comfortable using Spanish to communicate with me. URITZ stated her son had just started at Sparks Middle School this year. Jose was said to not like attending school since he left the elementary school.

URITZ stated Jose began having issues with the children at Sparks Middle School at the beginning of the year. She and her husband had taken Jose to a therapist Friday, October 18<sup>th</sup> where they learned Jose had "Autism problems". Jose had confided in the counselor and disclosed that the students at school were making fun of him and would call him gay. The family had made arrangements for Jose to begin therapy on a regular basis with sessions beginning on October 24<sup>th for</sup> both the Autism and the issues he was having with the other children.

Jose was also placed on medication to relax him because he was "really tensed up" and he began taking it on October 18<sup>th</sup>. The medication was later identified as Prozac. Because Jose had been seen

13-9953 Det. Peterson 104 Homicide/Attempt Homicide

by a therapist and was prescribed medication, a medical health release form was completed. The form was explained in detail to URITZ with the assistance of Officer ZENDEJAS. The area requesting therapy notes and diagnostic information was initialed as well.

URITZ informed me Jose had been attending speech therapy since kindergarten and had received specialized aid in Math and English as well. All the services were through the school but she was unaware of any formal Individual Education Plan (IEP).

The issues Jose had in elementary school centered on his inability to communicate in a way the other children could understand. He was alone a great deal of the time. However, Jose's parents were comfortable that the school staff addressed any issues as they arose. However, after the school year started in August of 2013, Jose began having issues at Sparks Middle School as well. The issues centered his inability to properly communicate with those around him which caused a great deal of frustration for Jose. How this frustration was displayed was not clearly described.

In describing some of the issues she was aware of, URITZ stated, Jose was allowed to take money to school to purchase snacks during the day. Although he did not have friends, other students would ask him for money. In the beginning, Jose would accommodate the children. Later he began to refuse and they responded with simply taking the money from him without his permission.

Jose was said to have relayed an incident in which he was drinking some sort of beverage. While doing so, an unnamed male bumped the drink container causing it to spill onto Jose. The males within the group began to make fun of Jose saying that he urinated in his pants.

Both incidents as well as the fact that several males called Jose gay stuck with Jose and continued to bother him. Jose did not share the affect these incidents were having on him with his parents or any other adult. When he did discuss them, Jose was unable to provide the name of any one specific person or names of a group of people doing these things.

Jose was said not to have asked for assistance from an adult when things would happen and was described as being happy all the time. URITZ stated she never saw Jose depressed. The therapist was the person that told her and her husband that Jose was having issues. He did not ask for assistance or express any negative feelings to any family members, to include his cousin whom he was somewhat close to, regarding the treatment he received at school. Both Jose's parents were surprised by the therapists informing them of Jose's issues. Although Jose was 12 years old, his mentality was much younger.

Jose's cousin, 12 year old Jaquelin AMBRIZ (Jackie), was said to be one of the people Jose would text or communicate with. AMBRIZ was said to have protected Jose from some of the children at

school but no one else was named.

When asked about his time on the computer, URITZ stated Jose did not download games, nor is he a part of any social networks. He was said to research games on YouTube that he wanted his parents to purchase him. The majority of the games were centered on violence.

When asked about weapons within the home URTIZ stated they had two handguns within the home. Both guns are hidden from the children in a cupboard above the refrigerator. They are kept in their boxes within the cupboard and cereal containers are placed infront of the doors. She stated she does not believe the children know where they are hidden. URTIZ stated she does not know what brand or caliber of weapons the guns are nor does she know if they are kept loaded. To her knowledge, her husband has never shown Jose the guns nor has Jose manipulated a hand gun before.

I asked about the morning routine. URITZ stated she took Jose to school per their normal routine. While in route, she noticed Jose had his BB gun in his back pack. When they arrived at the middle school, she told Jose he could not take it with him into school. He told her that his teacher wanted it for an experiment. URITZ told Jose the teacher could contact her and if that was truly the case, she would bring the BB gun back. Without arguing, Jose left the BB gun in the vehicle. She then called her husband to tell him about the rifle. Jose Sr. stated he would cover it when he got home. URITZ stated she does not typically go through her children's backpacks nor does she go through his bedroom. He was said not to keep a diary or a journal of any kind.

URITZ then received a telephone call from her sister regarding Jose's whereabouts. URTIZ found out what happened at school and called her husband again. She told him about an armed person being at the school and Jose Sr. responded to the school. Once there he called her again and stated he could not find Jose. While they were talking, she looked at the refrigerator and noticed the cereal boxes askew. She looked inside the cupboard to find one of the guns was missing. She in turn asked her husband if he took one of the guns. When he stated he had not, she told him one was missing. Jose Sr. then notified one of the officers on scene that he could not find his son and that he thought Jose may be involved.

URITZ stated the only thing Jose did differently prior to school in the morning was that he asked her to comb his hair. This is abnormal as he says he is too big and too old to have his mom help him.

On 10-31-13 Detective DACH and I met with Jose and Liliana URITZ. An appointment was set via their attorney Mike SULLIVAN to re-interview the couple. Due to the language barrier a translator from the Federal Bureau of Investigation was assigned to assist. As DACH interviewed Jose Sr. I interviewed Liliana again. Upon completion we met with Jose and Liliana as well as their attorney's in the conference room to update them on this case. See the transcribed narrative for both Liliana's

interview as well as the family meeting.

# Interview with Jaquelin AMBRIZ

On 10-23-13 Det. DACH and I responded to the AMBRIZ residence to speak with Jaquelin AMBRIZ. We had learned she was Jose's cousin and one of the few people he would communicate with via text. She also was said to have protected Jose from any individual that may have been "mean" to Jose while they were at school. Jaquelin was hesitant to fully answer any questions regarding Jose's parents and Jose that either DACH or I asked. Each time she would look to her father and/or mother prior to answering. On the two occasions that she happened to begin to answer freely, she would make eye contact with one of her parents and immediately cease her line of dialogue, change the sentence, and move forward with a more generic version.

Jaquelin stated when a teacher would correct Jose in school; he would get frustrated and would not know how to communicate with them. She stated the teacher would have to take Jose aside and explain on a one on one basis. She did not know of any one teacher that he had issues with.

In asking about school mates, Jaquelin stated there were times in which other students would be making fun of Jose until she would walk up. Upon her getting there, the individual(s) would redirect their jokes to a more positive manner in fear of her stepping in. She stated they would again make fun of him when she would walk away. She did not know how she knew this would occur. The one male she described was first said to bother Jose on a daily basis. However, upon confirmation, she changed her wording and stated she did not know the male and she had only heard that this happened.

Jose "never would talk about problems" according to Jaquelin. She stated she could see it in his face but when asked, he would deny anything was wrong. Jose was said to get into trouble for screaming in frustration when people were bothering him. When the teacher on duty would reprimand the student, they would blame Jose. Jaquelin stated Jose would always carry the blame for issues.

In looking at Jaquelin's text messages, I noticed she did have knowledge that Jose had been involved in the shooting and he was dead. He parents had previously requested I not notify her and she did not know. When I learned she was keeping this knowledge from her parents and noticed her apprehension in answering other questions openly, I told the AMBRIZ' that it may be helpful to all involved if she was to come into the police department to speak with me. She agreed but asked that I refer to her parents. An appointment was set for 10-24-13.

On 10-24-13 AMBRIZ failed to show for her interview. Upon contact with her mother, Rosalina, I learned that they should have been on the way. In making contact with AMBRIZ' father, I learned

that his daughter was to "nervous" to come to talk to me and that she no longer wanted to talk about Jose. He stated he would contact me if she was to change her mind.

It was later determined that the attorney for the URTIZ family would make contact with the AMBRIZ' to set up a second interview as well as retrieve Jackie's cell phone for downloadable information.

# Contact with Children's Behavioral Services/NCLB

On 10-23-13 I made contact with the people at NCLB in reference to Jose's possible diagnosis. During the interview with URITZ I learned Jose had been to the treatment center and had been given a diagnoses and medication on 10-18-13. Because URITZ had very few details regarding Jose's visit, it was necessary to attempt to obtain Jose's medical records. In speaking with the receptionist, I learned the executive director would be in contact with me when all the records they had were available.

On 10-24-13 I was contacted by the director who provided the requested documentation of Jose's visit to their facility. The evaluation showed Jose to have been to the facility on 10-18-13 and that he was seen by Dr. Garen MIRZAIAN. MIRZAIAN gave Jose's parents a prescription for medication confirming what URTIZ had stated during her interview. The prescription was for Prozac. This information was added to the evidence in this case.

# **Contact with Michael SULLIVAN**

On 10-22-13 Michael SULLIVAN was contacted by Jose regarding this case. SULLIVAN, the URTIZ' civil attorney, responded to the police department to assist and advise the family regarding questions and/or information they were giving law enforcement.

In speaking with SULLIVAN, he stated the family was more than willing to cooperate and to offer whatever assistance was necessary for this case. The necessary paperwork was provided to include consent to search forms for the URTIZ' vehicle, residence, and any/all medical records regarding Jose.

I informed SULLIVAN that I would contact him prior to any meeting with the family to insure full disclosure. A teleconference was scheduled for 10-28-13 at 11:00am to provide him with an update on the case.

In speaking with SULLIVAN on 10-28-13 he was informed of what type of questions we had for the URTIZ family. SULLIVAN agreed to meet with us with his clients. He stated he would also bring his partner Criminal Defense Attorney Kent ROBISON.

Om 10-31-13 both SULLIVAN and ROBISON were present during the interviews. Both attorneys were provided the list of questions we were going to ask the URTIZ'. Both agreed to move forward and were present during the interviews. No information was provided by either attorney.

## **Interview with Terry AULSTON**

On 10-28-13 I met with Terry AULSTON. AULSTON was Jose's 6<sup>th</sup> grade science teacher. She stated she was totally taken off guard when she learned the student involved was Jose. In speaking with her I learned she had 26 other students in the class that Jose attended. He sat in the third row and was surrounded by girls. Many of the other students in the class were listed as having IEP's and/or Special Needs. She stated she had not read Jose's personal IEP because she did not feel it was necessary. Traditionally AULSTON will not read any students IEP unless there is an issue such as vision, health, or some other specific need. None of those applied to Jose and he appeared to be doing "well".

AULSTON stated she had not met Jose's parents nor had she had any contact with them in any form. They did not attend back to school night. She described Jose as more of an introvert and could not recall him having "buddies" while in school. She did not report any negative issues between Jose and any other students, nor was she aware of any reported incidents.

AULSTON stated Jose's disability did not interfere with his behavior in class, nor did it appear to affect his grade. Anytime Jose was corrected or given direct instruction, there was not any frustration that was displayed. She did not ever witness any anger or real frustration in Jose.

AULSTON was not a witness to any of the actual incident. She stated she learned what had occurred when another teacher, Ben TUCKER came in to the hallway stating there had been a school shooting and "it's serious". She went into the lunch room and began retrieving children getting off the bus and taking them into the lunch room.

# Interview with Sue DUFVA

After completing the interview with AULSTON, I went to speak to Sue DUFVA. DUFVA was Jose's Special Education English teacher.

DUFVA stated she currently had Jose in her 7-8<sup>th</sup> grade special education level English. She was to have Jose until the end of the quarter. DUFVA stated Jose worked "really hard", but was "a little odd". Jose was said to have exhibited the characteristics of a child that was within the Autism Spectrum. He was socially awkward and somewhat obsessive compulsive with his school work and

on tests. She gave an example using the tests or quizzes she would give the class. Most of the students would take 20 minutes or so to complete the task but Jose would use the entire hour. He would painstakingly go through the allowed notes to find the answers to assure his test or assignment was perfect. She spoke of a composition book that the students were allowed to keep their notes in. This book was kept at school and used for note taking only.

Jose was said to try with the other students to fit in and he would participate in classroom activities appropriately, but his interaction was short in duration. She recalled an incident in which Jose and another classmate were caught passing a note. The note contained profanity which DUFVA found age appropriate in testing boundaries.

When the boys gave the note to her, the unnamed student apologized and no longer brought the subject up. DUFVA did not think about the note again after throwing it away. Jose however, continued to perseverate on it.

DUFVA was unaware of Jose having any issues with anyone and stated he had never come to her with any problems of any kind. She did not have the time to read Jose's IEP and stated she and the other teacher had 50 students each on their caseload to asses. Jose was not on her list however.

Jose was said to have an extreme need to be perfect. From his hair to his backpack, everything was to be in a specific order and perfectly done.

DUFVA stated she met Jose's parents for the first time the Wednesday after the incident. There was no need for her to do so prior. DUFVA stated Jose Sr. relayed the information regarding the children in the school calling Jose gay. He told her all Jose wanted was to make his father proud.

DUFVA did not witness any of the incidents and the information she had regarding what occurred was relayed by other staff.

# Interview with Tiffany SCHWEICKERT

On 10-22-13 Sparks Detectives received an e-mail from Jose's counselor during the 2011/2012 school year while he attended Agnes Risley Elementary. In her e-mail Tiffany SCHWEICKERT stated she knew Jose fairly well and that she had observed him during times of emotional upsets he had last year. Her e-mail stated she had not heard of anyone bullying Jose.

On 10-30-13 I met with Tiffany SCHWEICKERT at the Lemelson STEM Academy where she is a counselor. Present during the interview was the school principle Johnna AUCOIN.

SCHWEICKERT was assigned to teach a guidance lesson to Jose's class on a weekly basis. She observed Jose have one emotional issue while in the class room and a "handful" while conducting yard supervision duty.

SCHWEICKERT stated while she was in the classroom, she was in the middle of the group. A female student was facing Jose but looking at her. Jose felt as if she was staring at him specifically. She attempted to tell him she wasn't staring but Jose became upset. SCHWEICKERT spoke with both children together and appeared to have worked it out.

She recalled several other incidents in which Jose would have a "meltdown" while on the playground. Prior to one of these incidents, Jose was playing soccer with several other students. The group of boys began to tell Jose something to the effect of "you have to get the ball", or "come on Jose". As all the boys were fairly competitive, Jose became extremely upset and left the field. SCHWEICHERT responded and attempted to mediate the situation for him. She stated per the norm, several of the other students were already attempting to comfort Jose and tell him they were sorry and asked him to come play. She interjected to add to his comfort. She described him as a "sensitive kid". The breakdowns were not uncommon and his teachers were said to have taken care of the issues on their own. The other students were very "endearing" to him and on those occasions she would witness the comforting attempts being displayed.

She stated one day he was having a "rough day". Jose had disclosed that his father was rather hard on him while they would be at their family owned restaurant. Joe would say he was working and trying "really hard" at the restaurant but his dad would tell him he was not working hard enough.

The case manager, his teacher, the case manager at Sparks Middle and SCHWEICHERT had planned to meet prior to Jose moving to middle school. As elementary school was more "coddling", middle school was not. His caseworkers were concerned for Jose and how he was going to handle the transition. The meeting was to come up with a plan for the transition. She was not able to attend the meeting but she did speak with one of the special education teachers from Sparks Middle School recently. SCHWEICKERT was told the staff from Agnes Risley was not present during that meeting.

Jose was described as a child that struggled socially and a "different kid". She did not know of Jose having any friends specifically. She stated she had never heard of any reports of Jose being bullied. She had seen Jose's parents in the school building on a few occasions but at no time did they approach her or report anything concerning Jose's treatment by other students. She had not received any written communication or telephone calls of that nature either.

I asked what she and her staff taught about bulling and what it was defined as. She stated it was described as more of an ongoing situation from an individual or group. They are said to discuss the

difference between people being inappropriate or mean as opposed to one person or a group of people continually bothering another. They also cover what to do if this is occurs. They show a video containing several local people talking about bulling, what to do, and how it affects others. It was filmed and produced locally. She stated the video was different from the one she had heard students had seen at the middle school.

SCHWEICKERT had no knowledge of the other two juveniles involved.

# **Additional Activity**

On 10-31-13 I was contacted by the records person at Renown Medical Center. I had sent a fax requesting the medical records for both of the juvenile victims in this case. I responded to the records department of the medical center and obtained a manila envelope containing the requested information. All reports and notes were included. The packet in its entirety was placed into the Sparks Police Department's evidence section.

No further at this time.

statement

Hi Beau.

Here is my statement regarding Jose:

I was the counselor at Agnes Risley Elementary last year and knew Jose Reyes Urtiz Jr. fairly well. I did a guidance lesson in his class every week and had some interaction with him during his recess time. I observed Jose a few times during an emotional breakdown and helped him regain his composure so he could rejoin his peers. Jose was a very sensitive student who became upset easily. In one instance Jose was playing soccer at recess and someone make a comment like "come on Jose get the ball" and Jose left the game in tears and stated that the other kids were mean and did not want him to play. Some of the students in the soccer game came over to Jose and told him that they were sorry if they hurt his feelings and that they did want him to play. I observed kids in Jose's class being sensitive to his breakdowns and he often had a student or two by his side trying to comfort him.

I never heard about anyone bullying Jose, nor did I have any bullying incidents regarding Jose reported to me. On one occasion Jose mentioned that he helped his parents work in a restaurant but that he dad would get mad at him for not doing things right or for not working hard enough. There was a transition meeting set up with Jose's 6<sup>th</sup> grade teacher, his case manager, and the case manager at Sparks Middle School to talk about his transition from elementary to middle school but I was unable to attend. His 6<sup>th</sup> grade teacher told me that the meeting went well. Jose was in a supportive environment in 6<sup>th</sup> grade but I have no knowledge about how his transition to middle school has been.

### Synopsis:

Braden was outside on the grass (Quad area) when he observed Jose shoot KJ. He also heard additional shots and observed Landsberry on the ground. Braden has two classes with Jose and considered him a friend. Braden does not understand why he would do what he did however he mentioned KJ and Jose argue a lot in the halls. The last argument was possibly the week before fall break. Braden was not sure what KJ and Jose argue about. Braden also mentioned there had been pushing between the two from time to time but that had not occurred from what Braden observed since about the 4<sup>th</sup> week of school.

My reports on all the interviews will be completed soon and will have further details. If you need more from me now feel free to call.

JT5 - Photocopies of WCSD records referenced in supplement below regarding Jose REYES

# **Details of Supplement:**

On 10-21-13, at approximately 0716 hours, I responded to Sparks Middle School at 2275 18<sup>th</sup> Street after dispatch reported details of an active shooter and a teacher down. Upon arrival, I met with W.C.S.O. Sgt. FREDERICKSON in the front parking lot. We immediately made entry into the front doors of the school where we met up with W.C. School District Officer SZABO. As a group, we began moving from the front office area of the school northbound, through a crossing hallway towards the cafeteria as dispatch advised the shooter was inside the cafeteria. After checking the windows of the cafeteria and seeing students were safe inside, we continued clearing open rooms towards the north wing of the school.

As we came around the corner of the north wing, I immediately saw a student lying on his back in the hallway with a female who appeared to be a teacher in a purple jacket kneeling with him. The female teacher was advising that the student had been shot. Further on towards the west end of the wing was a male teacher who was looking out the double doors looking south. We cleared the open rooms just past the student to insure the shooter was not inside, and then returned to the student, who was later identified as, Kaelin GUERRERO. The female teacher advised that GUERRERO had been

split Det

CPS

shot in the left shoulder. I saw that GUERRERO was extremely pale and I observed a bloody spot on his shirt near his left shoulder. At that time, REMSA Tac Medic Dixon arrived and asked if GUERRERO could walk. I assisted GUERRERO in standing and walked him outside with the female teacher as other officers provided cover. I walked GUERRERO to an awaiting ambulance parked near the north entrance of the parking lot on 18<sup>th</sup> street.

While walking with the teacher and GUERRERO, the teacher told me that GUERRERO knew who shot him. I asked GUERRERO who had shot him and he replied, "Jose Reyes." After leaving GUERRERO and the teacher at the ambulance, I returned inside and assisted with clearing the rest of the north wing and just outside, towards the basketball courts on the west side of the gym. Outside I noticed two subjects lying on the ground who appeared to be deceased. One of the subjects, who was wearing a backpack, had a handgun lying near his feet. With other officers securing the area, I reentered the north wing and assisted with a second clearing of the north half of the school.

Outside the building, I met with Deputy Chief T. MILLER who requested I respond to the Washoe County School District Police Department and collect any video surveillance of the incident.

# Initial Review of Surveillance Video:

I met with WCSD Police Detectives HOBBS and LORENTZEN, at the School Police Department, and reviewed the video surveillance recording of Sparks Middle School during the incident. The following is a summary from the review of video with the approximate times as indicated on the recordings:

Camera #18 – Camera is mounted above the north facing entrance doors at the south west end of the north wing of Sparks Middle School.

- 0712:17 REYES walks into camera view as he walks southbound towards the basketball courts. REYES is seen walking towards a group of students on the west side of the gym and back towards the group of students standing near the south side of the north wing.
- REYES stands near the southwest, north wing doors near the students. A short time later he moves out of camera view, but his foot is seen on the edge of the video.
- O715:00 Students on camera flinch and look in the direction of where REYES was seen going off of camera and begin to run southbound towards the south wing of the school. REYES comes back on camera and walks south towards the basketball courts. Teacher LANDSBERRY is seen on the south side of the basketball courts walking

towards the north as students run to the south. LANDSBERRY meets REYES in the	
basketball court.	

- 0715:22 REYES shoots LANDBERRY who immediately falls to the ground. REYES runs towards the south courtyard and out of camera view.
- O716:50 Students run to LANDSBERRY and begin carrying him towards the north wing. A short time later, they put LANDSBERRY down and run out of camera view.
- 0717:33 REYES walks back into camera view from the south courtyard area. REYES begins walking north bound along the west side of the gym.
- 0717:54 REYES shoots himself on the west side of the gym near the basketball court.
- Camera #6 Camera is mounted on east side of the north courtyard at Sparks Middle School, facing west.
- 0712:75 GUERRERO walks north from the basketball court direction toward the north wing building and group of students.
- 0714:57 Muzzle flash is seen from the area where REYES is standing.
- O715:00 Students run away from the north wing. GUERRERO sits on the ground near the north wing doors. REYES walks south towards the basketball courts.
- Camera #7 Camera is mounted on the east side of the south courtyard at Sparks Middle School, facing west.
- **0715:13** Students run into the south courtyard.
- 0715:30 REYES walks towards the south wing, north facing doors from the area of the basketball court, with the gun raised. REYES confronts students at the doors alcove.
- 0716:00 REYES walks eastbound in south courtyard along the north sidewalk and then onto grass, firing gun. REYES walks into far, east end, of courtyard and out of camera view (0716:11).
- 0717:01 REYES walks back into camera view and walks west bound, along the south wing

building. KAMERER runs from the basketball court area towards the south wing, north facing doors.

0717:14 REYES raises the gun and shoots KAMERER. KAMERER doubles over and begins moving west towards the end of the south wing.

0717:41 REYES walks north towards the basketball court and out camera view.

Camera #15 - Camera is mounted in the north wing hall, facing west.

0716:38 GUERRERO comes into camera view walking east from the area of the north wing, south facing doors. GUERRERO laid down in the hallway and teacher, Kay HIRSCH, stays with him until police arrive.

Camera #17 - Camera is mounted on the north side of the north wing of Sparks Middle School.

0708:07 REYES walking west on the sidewalk, along the north side of the north wing, from the parking lot area on 18<sup>th</sup> Street.

After reviewing the video with W.C.S.D. Police Detectives, they provided me with copies (JT2) which were later placed into Sparks Police Evidence. Copies of the video from camera #17 and a 4 way view of the video were given to me by Det. LORENTZEN on October 24. They were also included in JT2.

I responded back to Sparks Middle School at Sgt. Tracy's request. While at the school, Sgt. Tracy requested I meet with W.C.S.O. Detective Cox and take custody of REYES'S cellphone, which had been collected from the scene. Detective Cox gave me the cellphone (JT1), which I later placed into Sparks Police Evidence.

# **Interview with Francisco MANDUJANO:**

On October 22, 2013, Det. EDMONSON and I interviewed Francisco MANDUJANO, in Reno. A check of CDS showed MANDUJANO was a family member of REYES and had worked at the restaurant that REYES' parents owned. MANDUJANO told Det. EDMONSON and I the following:

MANDUJANO is the cousin of REYES father, who he referred to as Horatio. REYES was referred to as "Lachin" as the family called him. MANDUJANO said REYES was very quiet and didn't talk

very much. When MANDUJANO and his family were around the REYES family, REYES would initially say hello, but then move off away from the family and play by himself. REYES liked to play video games and had lots of shooting type games. MANDUJANO and the rest of the family always thought that there was something wrong with REYES "in the head", but he was unaware of any diagnosis. REYES was observed changing instantly from being quiet and calm to getting upset and angry.

REYES worked at the family restaurant on weekends and helped with bussing tables or other small jobs. Horatio was very hard on REYES and yelled at him often. Horatio was seen slapping REYES when he did something wrong. At one point, MANDUJANO'S father, confronted Horatio and told him not to be so rough on REYES. MANDUJANO also believed that Horatio was violent with REYES'S mother, and family members had been told Horatio had put the gun to her head at one point during an argument.

Horatio was given two guns by a retired fireman named John, who came into the restaurant routinely to eat. MANDUJANO thought one gun was a Ruger 9mm or .40, and the other was a revolver. Horatio sometimes wore the gun in his belt behind his back. REYES eyes would get big when he saw his father with the gun and other workers said that Horatio had taken REYES out to shoot.

Horatio had been cheating on his wife with a waitress named Erica, who worked at the restaurant and he had later moved in with her in the Double Diamond area of Reno. Initially after moving out, Horatio had not been seeing his children.

MANDUJANO and Horatio had a disagreement over money that was owed. Horatio was given money by MANDUJANO to help open the restaurant.

After the initial interview, MANDUJANO agreed to come to the police department with his wife for a recorded interview. MANDUJANO'S wife, Michaela TREJO, was close to REYES'S mother prior to the dispute over the money owed.

# Interview with Michaela TREJO:

On October 23, 2013, at approximately 2000 hours, I interviewed TREJO at the Sparks Police Department. The audio/video recorded interview was later entered into Sparks Police Evidence as JT3. The following is a summary of the interview with TREJO and is not meant to be verbatim.

TREJO and her family were close to the REYES family for years. REYES was a very sweet, but very distant and not social. After initial greetings, REYES would go to another room by himself. REYES didn't like to be around people. Liliana and Horatio never wanted to talk about any problems with

REYES, so it wasn't discussed. REYES liked to play video games and went to karate class.

About one year ago, TREJO helped Liliana as she was trying to file for divorce from Horatio. While talking with Liliana, Liliana told TREJO that she needed to take REYES to a neurologist because he was having some issues. TREJO helped Liliana find a neurologist that could speak Spanish so that she could take REYES. Liliana did not discuss what the issues were with her son.

TREJO had seen REYES get frustrated for no reason. On one occasion while TREJO was at their residence, Liliana was helping REYES with his homework. REYES went in the other room and began shaking his fists and yelling. TREJO asked Liliana if REYES was alright. Liliana told her that he was ok, but frustrated over his homework.

REYES played with TREJO'S seven year old. They played with Batman figures together since they both loved the Joker.

Liliana had told her that Horatio was having an affair with one of the waitresses. Horatio moved out and Liliana had found him at his new residence with the waitress.

Lilaina was focused on her children, especially REYES. She made sure the children were well fed, well dressed, and taken care of. She felt that she needed to be home for REYES and her family. Liliana did everything to help REYES, including helping him with his homework, taking him to karate, taking him to the doctor, and going to parent teacher conferences.

Horatio was a good man that cared for his family. After opening the restaurant, he began to change. He began making money, buying things he never had, and met the other woman. His attitude began to change towards the family and he became a different person. He looked down on the family.

TREJO felt that Horatio wasn't close with REYES. Liliana did everything for REYES. TREJO never saw Horatio become violent with REYES.

She and Liliana discussed Horatio having a gun. Liliana told her that she was scared that he had it, and during the divorce discussions, she thought about calling the police to report him with the gun.

When Horatio was arrested for child abuse, Liliana told her that REYES and Horatio had come home after REYES was looking at a video game that Horatio wouldn't buy. When they got home, REYES began hitting Horatio, who in turn struck REYES.

The night before, TREJO and MANDUJANO went to talk with Horatio and Liliana after hearing what had happened. Horatio told her that they had just taken him to the doctor after REYES was having panic attacks. The doctor told them REYES was under a lot of stress. REYES had not wanted

to go to school lately and they had to make him go.

# Follow up on TREJO Interview Regarding Neurologist Information:

On November 6, 2013, Det. Dach and I contacted the office manager for Dr. Gerardo D. RODRIGUEZ M.D. located at 1190 Ryland Street in Reno. TREJO advised the Neurologist she referred to Liliana was Hispanic and spoke Spanish. She remembered his name to be GONZALEZ or RODRIGUEZ. I located Dr. RODRIGUEZ during an online search. Dr. RODRIGUEZ' search results showed he was the only Neurologist in Reno that showed to speak Spanish. His office manager also believed he was the only Spanish speaking Neurologist in the Reno area. Upon checking for records on REYES using a name and date of birth check, no patients with matching information were found.

# **Second Interview with Francisco MANDUJANO:**

On October 23, 2013, at approximately 2036 hours, I interviewed MANDUJANO at the Sparks Police Department. The audio/video recorded interview was later entered into Sparks Police Evidence as **JT3**. The following is a summary of the interview with MANDUJANO and is not meant to be verbatim.

Horatio, REYES father, is MANDUJANO'S cousin.

REYES is a nice boy that would play with his children for a few minutes, but would separate from them and play by himself. REYES would play with little toys and talk with them. REYES also played many video games. MANDUJANO asked Horatio what was wrong with REYES because he didn't act normal and was very quiet. Liliana told MANDUJANO that they took REYES to the doctor but MANDUJANO didn't know what the diagnosis was.

Liliana takes good care of the children. Horatio was a good person prior to owning the restaurant. After opening the business, Horatio began to change probably due to the stress of operating the business. Horatio began to yell more often at REYES and stress from the restaurant may have caused the incident when Horatio was arrested for child abuse.

Horatio would yell at REYES at the restaurant, but MANDUJANO never saw Horatio become physical with REYES.

Horatio showed MANDUJANO a gun in a case at the restaurant. Horatio said it was to protect the family. MANDUJANO never saw him show it to REYES and didn't know about him taking REYES

to hunt or shoot. Horatio got the guns from a customer named John.

Liliana caught Horatio cheating on her and they separated. Liliana asked TREJO to help her with divorce papers.

Horatio and MANDUJANO began having problems at work and Horatio fired MANDUJANO.

MANDUJANO and his family went to Horatio's house the night before after hearing what had happened. Horatio told MANDUJANO that REYES had been getting nervous in the mornings before school and would shake. Liliana asked why he didn't want to go to school, but REYES didn't tell her anything. REYES had just been taken to the doctor, who said that REYES was very stressed.

After interviewing MANDUJANO a second time, and him giving some conflicting information, he was confronted about the inconsistencies. MANDUJANO advised that he was not comfortable speaking during the taped interview and had made contact again with Horatio and his family after the incident. MANDUJANO said the details of the first interview were the truth. He didn't think he needed to repeat the details again, after being directed prior to the interview that I wanted to talk about things he was comfortable talking about.

# **2013**

IEP dated 1-17-13

Jose will become frustrated when things go too fast, change in schedule, or his daily routines. It is hard for him to accept a poor grade on assignments, and it can take him half an hour to an hour for him to calm down. When this happens he has been allowed to request a time out to calm down, and sometimes the teacher needs to prompt him to ask for a time out.

Jose does not always infer the other student's feelings and cuts their communication short because he wants to "move on". He needs social prompts to let the other student express their ideas and feelings. Jose does not like it when the group laughs and he does not understand why something is funny and expresses anger.

Jose likes to answer questions and frequently gives his opinion when he feels the other student is giving the wrong answer. However, his comments can sometimes have the wrong tone such as making another student feel like they are not answering correctly even when it is not his turn.

IEP AT A Glance dated 3-14-13

Notes made by Case Worker, Karen HINTZ: Severe speech problem causes frustration and peer issues. Most frustration is during unstructured time, needs everything done a certain way – gets set off by this. Agitated not violent. Hard on himself.

Psychoeducational Evaluation Report dated 1-4-11

The Health Assessment dated 11/4/10 indicated that Jose was born at nine months via forceps delivery. He required oxygen and phototherapy.

The teacher indicated that Jose has "a tendency to laugh, giggle, and make little noises to himself during class." They "don't have any rhyme or reason." It "just sometimes happens." It appears "he's in his own thoughts."

Progress Report dated 2-4-11

Jose is with one other student in speech. He is helpful, but sometimes says things that the other student does not like. He does not always understand that the other person doesn't like what he is doing.

Jose can answer correctly, but sometimes gives answers that are off topic.

Often cries easily, acts confused, worries, and seems unaware of others.

Special Education Services Evaluation Summary/Psycho-Educational Report dated 10-13-09

A Permission for Review was signed over concerns about Jose's social mannerisms. He rocks back and forth, hits himself, moves his eyes back and forth when asked a question, and has significant difficulty following two-step directions.

His second grade teacher wrote that she was "concerned about some of his social behaviors in the classroom and on the playground."

Weaknesses are that he "seems to have trouble with his emotions at times." He "will cry if he

is confused" instead of asking for help.

The teacher and parent completed the BASC-2 rating scales. The teacher rated his depression (feelings of unhappiness, sadness, and stress that may result in the inability to carry out everyday activities), adaptability, social skills, leadership, and functional communication in the at-risk range. Scores in the at-risk indicate a moderate concern. The parent rated his atypicality (tendency to behave in ways that are odd) and functional communication in the clinically significant range indicating a significant concern. His adaptability, social skills, and leadership fell in the at-risk range.

Adaptability: The teacher and the parent reported that Jose has difficulty adapting to changing situations and that he takes longer to recover from difficult situations than most others his age.

Social Skills: The teacher and the parent reported that Jose has difficulty complimenting others and making suggestions for improvement in a tactful and socially acceptable manner.

As part of the assessment of REYES, Teacher Ms. CALLAHAN added the following: Jose seems to have trouble with his emotions at times. He will cry if he is confused instead of asking for help.

Psychological Report dated 2-7-07 for Jose Horatio REYES Urtiz

Case #13-9953 Detective Thelin #128

Horatio was referred for evaluation due to academic and social concerns.

He still sometimes made noises when children bothered him, then he removed himself until he was ready to play again with others.

They feel that he is "different" from his sisters, who are younger and more independent (than) he is. At home there are times when Horatio will isolate himself in his room, and he does not want his parents to come in.

He was born with the assistance of forceps and had the umbilical cord wrapped around his neck. He seems to be impulsive, distractible, timid, and nervous at home.

He seemed to smile at inappropriate times.

Atypicality, Social Skills, and Functional Communication clinical scale ratings all fell in the Clinically Significant range. The Developmental Social Disorders content scale fell in the At-Risk range.

These findings suggest that Horatio is sometimes observed to do strange things; he almost always seems out of touch with reality and acts confused, sometimes he shows feelings that do not fit the situation, often acts strangely, and almost always says things that make no sense (per ratings on the Atypicality Scale). Socially, he has difficulties with complimenting others and making suggestions for improvement in a tactful and socially acceptable manner. He also demonstrates unusually poor expressive and receptive communication skills.

The results of the evaluation suggested that Horatio has average cognitive and academic abilities, but displays delays in communication, social skills, and in his fine motor development. His behaviors can seem unusual or odd when compared to other children his age.

Copies of the documents mentioned in the Review of Records were entered into Sparks Police Evidence (JT5).

On November 18, 2013, I returned the original files that were collected during the execution of search warrants from 425 E. 9<sup>th</sup> Street in Reno (Randy DRAKE), 1900 Sullivan Lane (Counselor MONDSCHEIN), and 2275 18<sup>th</sup> Street (Acting Principal Stacey TING-SENINI) in Sparks.

WCSO and WC School PD checks were negative.

6. In support of this assertion, the following factual circumstances constituting probable cause are offered:

On October 21, 2013, at approximately 0716 hours, Sparks
Police dispatch received numerous calls shooting at Sparks Middle
School, located at 2275 18<sup>th</sup> Street Sparks, Nevada. Numerous
officers from the Sparks Police Department (hereinafter referred
to SPD), Reno Police Department, Washoe County Sheriff's Office,
University of Nevada Reno Police Department, Nevada Highway
Patrol and Washoe County School police responded to Sparks Middle
School.

One of the callers reported a teacher had been shot and was down by the basketball courts. Responding officers found two deceased male subjects on the west side of the school located by the north basketball courts.

One of the deceased males was later identified as Sparks Middle School teacher, Michael LANDSBERRY who had been shot by the suspect. The second deceased male referred to as Jose P was identified as the shooting suspect, and Jose P had a gunshot wound to his head. A semi-automatic handgun and a black Kyocera cellular telephone was located on the ground next to Jose P's body.

Two other gunshot victims, both age 12 were located at the Sparks Middle School and transported to the hospital for treatment to their respective gunshot wounds. One victim had been shot in the abdomen, and the second victim had been shot in the shoulder.

Officers and Detectives from the aforementioned law enforcement agencies conducted over eighty interviews with Sparks Middle School students and school staff members who witnessed the shooting. Jose P. was named as the only suspect who possessed a handgun and perpetrated the shooting of the two aforementioned students and teacher.

SPD detectives located and viewed video surveillance footage from the Sparks Middle School surveillance system. The video footage corroborates the aforementioned details of the shooting at Sparks Middle School.

SPD detectives determined Jose P. was on the northwest side of Sparks Middle School next to the basketball court. removed a handgun from a backpack that he was wearing and Jose P fired a round at a 12 year old victim striking victim in the shoulder region. Several students on the playground began to run in all different directions. Jose P stood in the basketball court area then walked southbound at the same time extending his right arm out in front of him with a handgun in his right hand. Jose P then approached who was walking toward Jose P in the basketball Jose P fired a round at LANDSBERRY striking him in court area. LANDSBERRY immediately fell backwards on the ground. the chest. LANDSBERRY immediately fell to the ground and was later was pronounced dead on scene. Jose P walked to a southwest door where a student was located. Jose P walked away from the student then entered the south courtyard which was full of students who fled the area earlier when the first 12 year old was shot. P shot two more rounds striking a building the east area of the Jose P then walked west and began to exit the south

Jose Horacio REYES-MANDUJANO and Liliana URTIZ are the parents of Jose P. REYES-MANDUJANO and URTIZ were interviewed voluntarily by SPD detectives. The information obtained from the parents is as follows. Jose P. was driven to Sparks Middle School on October 21, 2013 by his mother. At approximately 7:10am Jose P. was dropped off at the front of Sparks Middle school by his mother. At this time URTIZ noticed her son had a bb gun rifle in his backpack. According to URTIZ, Jose P said the BB gun rifle was for a class project. URTIZ did not allow Jose P to take the BB gun rifle with him, and URTIZ kept the BB gun rifle in the vehicle. URTIZ returned home and placed the BB gun rifle in Jose P's bedroom.

URTIZ was informed by a family member over the phone that a shooting had just occurred at Sparks Middle School. URTIZ's attention was drawn to a kitchen cupboard where two handguns are kept because cereal boxes in front of the cabinet had been moved. URTIZ discovered one 9mm handgun was missing from the kitchen cupboard above the refrigerator.

URTIZ contacted REYES MANDUJANO who in turn responded to Sparks Middle School to locate Jose P. REYES-MANDUJANO then met with a Deputy and informed the Deputy his son Jose P may have

information from URTIZ. 1 Sparks Police Detective Thelin confirmed that the suspect 2 Jose P., victims M.KAMERER and K.GUERRERO are Sparks Middle 3 School students, and Michael LANDSBERRY is a Sparks Middle School 4 teacher. .5 WHEREFORE, affiant requests that a Search Warrant be 6 issued authorizing the search of the above-described 7 location(s), for the above-described items of evidence. 8 between the hours of 7:00 a.m., and 7:00 p.m. 9 ( ) at any time day or night. . 10 ( ) No-Knock Clause requested. 11 12 Dated this 24 day of October 13 14 15 16 PEACE OFFICER 17 Subscribed and sworn to before me this o 18 19 October, 20/3. 20 21 22 23 24 25 MAGISTRATE OR DEPUTY CLERK 26

### Danielle Cates, Orchestra Teacher 3<sup>rd</sup> Period Statement regarding Jose Reyes Urtiz Jr.

Jose started this year in my class very quiet and shy. I started noticing him more when he wasn't making an effort to get an instrument to play for the year. I would ask him questions, but he often didn't respond or only used one word. After receiving his IEP, I was concerned that his IEP simply stated that he had a learning disability – I had expected something more (like some range of Autism possibly). I got the impression that Jose didn't understand how to get an instrument for my class, and decided it would be best for him to rent an instrument from me in case he has trouble taking care of a store instrument. He returned the rental form within a couple days and I rented him a violin.

After that, Jose appeared to think the violin was a toy and needed a lot of one-on-one attention to take care of the instrument. At first, it seemed like he was making no progress (see emails attached), but after a few weeks he started understanding a bit better. At first I worked with him on being able to HOLD the instrument correctly, then he had to learn to play on just ONE string at a time, then we worked on getting his FINGERS to press down on the strings. The last task took longer than the others. After he was able to do that, I started trying to get him to READ his music, which is what he was still working on when we left for fall break. Jose's style of learning is by ear, meaning he would listen to people next to him play the music and be able to play it back without looking at the music. Some other students of mine who have difficulty reading also learn to play an instrument this way, but Jose was actively trying to avoid reading his music (he would look instead at the floor, ceiling, whiteboard, or other students). Jose would get frustrated if I ever asked him to look at his music, or to correct a wrong fingering. A couple of those times he even yelled at me if I tried to speak with him. I let him relax and just met with him one-on-one at another time. I let his case worker know about these outbursts, but he was not punished in any way (I understood this was part of his disability).

There was another time that I had an encounter with Jose that was very strange. We have a music honor society at our school that meets at lunch. At the beginning of the year, our meetings were open to anyone who was interested in joining. I advertised during class and on the morning announcements that any music student could come to the meetings and see what Tri-M (the name of our group) was all about. Half-way through our first meeting, Jose showed up with his lunch and asked what was going on, and I told him it was our Tri-M Music Honor Society information meeting. He then said (in a very upset tone) "Well why wasn't I invited, what's wrong with me?" I said "nothing is wrong with you, this is open to all music students. Would you like to stay?" He quickly said no and left the room. I mentioned this event to his case worker also, and she said she hadn't seen that type of behavior in Jose.

Sometimes when we would pass in papers, Jose would try to keep the paper away from me. It seemed playful in nature, but it was the only time he ever seemed to show that side of him. He appeared to enjoy playing the violin, but didn't seem to understand that the goal of learning an

454

instrument is to get better and learn more advanced songs. He just seemed to enjoy the noise-making part of it.

It was difficult to get to know Jose, and I still don't feel like I knew him well. I guess he always just seemed a little detached from what was going on around him. I never noticed him talk to his classmates, but that didn't appear to bother him. He had the same seat most of the year, which was right in front of my conducting podium and allowed me to give him plenty of individual attention. I think he appreciated the help at the beginning of the year, but as he became more independent on his instrument the help seemed much less welcomed.

The attached emails are from the beginning of the year. The emails are from my early experiences with Jose and my attempts to find out information from his former music teacher.

Hello Team Member,

Attached is a copy of Jessica Martinez IEP and for those who enjoy the cliff notes, I have attached the IEP at a glance. Jessica IEP is schedule for December 10, so keep your calendars open!! (don't worry there will with plenty of notice, 2 weeks). Please let me know if you have any concerns pertaining to Jessica academics and social/emotional well-being. As well as, how I can assist you with Jessica educational development. Please keep in mind, that Jessica had been identified as having limited English proficiency so visual aids and clarification of instructions are essential to Jessica development.

Well... I'll share my concerns and why I asked about him specifically. I am still getting to know him, but I feel like he isn't understanding much of what I say. Conversations are a bit difficult and I think both of us leave wondering what the other person was talking about. Currently he has not made any effort on getting an instrument, and he can't seem to explain to me what's going on with that. He also has a lot of trouble following directions during class (likely due to the size of the class - he needs more one-on-one attention than I can usually offer). Luckily he is in a very accessible part of the room so I can stand near him at least and offer occasional assistance, but if he were anywhere else in the room he would be very confused. He is a sweet kid with great behavior and I think music is a great place for him to be... but I have this horrible feeling that he's getting lost in the sea of students. The crowded classroom isn't a comfortable place for him and I think he gets flustered. (He may also be a little accident prone.... But I am still testing that theory!) So that's why I was curious to see his IEP ©

#### Nikki,

Have you gotten to know Jose Reyes any better? He is not following in my class at all. He is well-behaved and very sweet, but we are working on putting fingers down on one string, and he just makes noise on every string without putting any fingers down. I have him right in the front, and if I ask him to change something in his playing he makes a good effort. But he just doesn't seem to understand the overall goal of learning an instrument. I am giving him little tasks, usually involving holding the instrument the correct way. But the rest of the class is learning how to read D Major Scale notes, and Jose doesn't seem to be able to follow that at all. He looks at the board when he is supposed to be reading the music on his stand. I try to explain that the notes are on his paper, and he doesn't seem to get it. That being said, he doesn't talk a lot... so I hope I'm fully understanding things from his viewpoint.

On the upside, we did get him an instrument. He has a very nice violin and he seems to take care of it just fine. We had a few trial and error moments on how to put it in its case, but he did learn and now does that on his own. I know you have a bunch of students right now, I'm just trying to figure out how advanced his special needs are. If you have a moment, let me know your thoughts. I am also going to get in touch with his teacher from last year and see what her thoughts are.

Ok.... I'll be more patient with him. He doesn't seem to understand anything I say, and doesn't understand the concept of putting fingers on strings... just plays all the open strings as fast as he can.... But I'll keep trying! He is a very sweet kid. Thanks for letting me know.

Kym Dilk, Crime Analysis Unit Sparks Police Department Fax 775-353-1614

Dear Officer Dilk:

Pursuant to your request for a case summary on case #1376711 for 2012, Washoe County Department of Social Services (WCDSS) is able to provide you with the following information:

On February 2, 2012 at 2:15 p.m., WCDSS received a report alleging physical abuse of ten year old Jose Reyes-Urtiz. The report stated child Jose was in the Agnes Risley elementary school office with a black right eye injury. The mark was approximately two inches by two and one half inches is size. Jose reported that on Monday night (meaning 1-30-12), Jose and father, Jose Reyes-Mandujano., got into an argument that turned physical. Child Jose reported that he hit his father in the face, but it was "on accident." Child Jose stated his father then hit him back. Child Jose had been absent for two days (meaning 1-31-12 and 2-1-12) and just came to school on 2-2-12. On Tuesday, 1-31-12, Mr. Reyes-Mandujano came to Agnes Risley Elementary School and talked with Jose's teacher. Mr. Reyes-Mandujano told the teacher about the incident and admitted to the teacher that he left a mark on his son. The report states the teacher reported this information to the reporting party (RP) later that afternoon, 1-31-12. The RP did not report within mandated guidelines because of a personal appointment on 2-2-12 and did not see the mark on Jose until 2-2-12, but only heard about the mark on 1-31-12. It was report that Jose did not have any special education or behavioral issues. RP was not aware of any concerns for the parents' functioning. RP stated the parents were Spanish speaking, but Mr. Reyes-Mandujano spoke some English. RP was informed that Mr. Reyes-Mandujano was crying when he reported what happened. It was unknown to RP what is done for discipline of the children. The report was assigned for INVESTIGATION and SUBSTANTIATED for physical abuse by Mr. Reyes-Mandujano toward Jose Reyes-Urtiz. It was determined that this was an isolated incident and that child Jose was safe and his mother, Mrs. Urtiz, was protective. Mr. Reyes-Mandujano appeared remorseful and embarrassed about losing his temper and was willing to do whatever the criminal courts required as well as work on not repeating the incident. The case was closed 5-3-12.

This concludes the summary of reports received by this Agency. If you have questions or need further assistance, do not hesitate to contact me at (775) 785-8600.

Sincerely,

Katherine Kennington

# Sparks Middle School Students Return to Class

Reno, NV (Oct. 28, 2013) — More than 600 students returned to Sparks Middle School this morning, greeting teachers, counselors, and other staff members who welcomed them back to class. At the beginning of the school day, a moment of silence was observed for slain math teacher Michael Landsberry and two students who were wounded in an on-campus shooting last week.

"This was a difficult day for everyone, but our Sparks Middle School family pulled together to help make it easier," said Principal Stacey Cooper. "We welcomed our students back with lots of hugs, some quiet time if they needed it, and plenty of time together with their friends and teachers. Our counselors were available all day for anyone who needed help. We want to thank Sparks Middle School families who worked with us to make this day easier for our students. We couldn't have done it without their help, support, and resilience."

The National Association of School Psychologists (NASP) sent members of its National Emergency Assistance Team (NEAT) to provide support for counselors throughout the day. Paws for Love, a volunteer organization that provides therapy dogs to children in need of support, also responded to the campus today. Local law enforcement agencies sent victim advocates to be available for students who may have witnessed the event. Principals and staff members from other schools in the Washoe County School District (WCSD) have sent banners, posters, letters, and offers of help and service to students and staff.

Representatives from Columbine High School in Colorado have also sent messages of support to the Sparks Middle School community.

"I am so proud of our staff at Sparks Middle School," said Superintendent Pedro Martinez. "I was at school this morning when the bell rang, and I was impressed with their strength, courage, and dedication to our students. In every respect, they are members of a family who care deeply for each other, and that was very apparent today."

"We focused our efforts on welcoming our students back to school and reassuring them that they are safe," said Katherine Loudon, director of counseling, equity, and diversity for WCSD. "Our immediate concern was for the emotional well-being of our students and staff, and we worked together to provide support for them. We are so grateful to our WCSD counselors and psychologists who have worked around the clock for the past week, and for the assistance of the school psychologists from across the country who responded to our District when we needed them. Their help is vitally important for our students and staff during such a difficult time."

(U//FOUO) Historically, numerous motorcycle clubs, unaffiliated riders, and others have conflicted with members of WBC during protests. Additional open source media coverage, this time from Fox News.

# 2 dead, 2 injured in shooting at Nevada middle school

Published October 21, 2013

FoxNews.com

A staff member at a middle school in Nevada was shot and killed after a student opened fire on Monday, leaving two others injured, police say.

The shooting occurred at Sparks Middle School in Sparks, Nev.

One student injured in the shooting has gone through surgery, while the other is doing well, Washoe County School District Chief of Police Mike Mieras said during a news conference. He added that one of the dead appeared to be a student who is the suspect in the case.

Earlier, Washoe County Emergency Manager Aaron Kenneston said the gunman died of a self-inflicted gunshot wound, according to Reuters.

A Sparks police dispatcher said reports of the shooting started coming in at 7:16 a.m. local time. The shooting happened on the school's campus, but outside the school building itself.

Kyle Nucum, a 13-year-old student, told the Reno Gazette-Journal that he saw a classmate shoot his teacher. Nucum said the teacher spotted a student with a gun and ran over to tell him to put it down before he was shot.

Authorities believe the staff member was trying to protect students when he was killed.

"My estimation is that he is a hero," said Reno Police Department Deputy Chief Tom Robinson.

Police said there is no apparent motive yet for the shooting and they believe the gunman acted alone.

The area is now secure, but Sparks Middle School will remain closed for the rest of the week.

Washoe County School District spokesman Charles Rahn told the Associated Press that the middle school and the adjacent Agnes Risley Elementary School were evacuated to Sparks High School. Rahn said the elementary school will stay closed Monday.

At the evacuation center, parents walked with their arms around their children, some of whom were in tears.

"We came flying down here to get our kids," said Mike Fiorica, whose nephew attends the school. "... It's really chaotic. You can imagine how parents are feeling. You don't know if your kid's OK."

Nevada Gov. Brian Sandoval said in a statement that he was "deeply saddened to learn of the horrific shooting."

"My administration is receiving regular updates and the Nevada Highway Patrol is assisting at the scene," he added.

Senate Majority Leader Harry Reid, D-Nev., offered his condolences to students, parents and staff who experienced "a traumatic morning."

"No words of condolence could possibly ease the pain, but I hope it is some small comfort that Nevada mourns with them. I stand by to be of any assistance if there is anything that can be done," Reid said in a statement.

The school, which enrolls about 700 students in 7th and 8th grades, has a strict uniform policy that forbids the colors red and blue in students' outfits, colors commonly associated with rival gangs.

Sparks, a city of roughly 90,000, lies just east of Reno.

**NEWS RELEASE** 

Teacher Was a Hero in Sparks Middle School Tragedy

Reno, NV (Oct. 22, 2013) – Washoe County School District Police Chief Mike Mieras has confirmed that Michael Landsberry, a Sparks Middle School math teacher, was killed during yesterday's shooting at the school. Landsberry is being remembered by school district and community leaders as a hero following yesterday's tragic events. Police say Landsberry calmly approached the student gunman in an effort to protect other students, saving many innocent lives with his heroism.

"He took courageous actions to protect the lives of many students yesterday morning," Mieras said. "His actions provided enough time for others to flee the area. I also want to thank Sparks Middle School teachers, students, and staff for their courageous actions."

Landsberry began working in WCSD at Traner Middle School in August, 2001. After working at Traner for four years and Greenbrae Elementary School for one year, Landsberry began teaching math at Sparks Middle School in 2006. He was very involved in athletics, coaching girls soccer at Sparks High School, and coaching boys basketball and girls volleyball. He also served in the U.S. Marine Corps and was an air transportation specialist in the Nevada Air National Guard. He attained the rank of Master Sergeant, and was deployed to Afghanistan, Kuwait, and Germany.

"A person like Mr. Landsberry cannot be replaced," said Superintendent Pedro Martinez. "He was a beloved teacher and father, a great role model, and an even better person. He will not be forgotten. Our school family is devastated by this tragedy and we are working together to support each other and Mr. Landsberry's family as we cope with this horrible loss. He truly is a hero."

The WCSD counselors are launching an intensive, District-wide effort to reach out to students, staff, and their families with any assistance they may need in dealing with this tragedy.

"In the aftermath of this terrible incident, our thoughts and prayers go out to all of our students, their families and staff members who have been affected," WCSD Board of Trustees President Barbara Clark said. "This is an overwhelming tragedy and we are dedicated to helping them cope with their feelings and fears. On behalf of our staff members, students, and their families, I want to thank the wonderful communities of Sparks, Reno, and Washoe County for your efforts to lend help to our students and our schools during this difficult time."

During a news conference at the Sparks Police Department this morning, Deputy Chief Tom Miller said the student gunman—whose name is not being released—arrived at Sparks Middle School yesterday morning 7:15 a.m. with a loaded Ruger 9mm semi-automatic handgun. Police say he shot two fellow students and fatally shot Landsberry before shooting himself. The gunman and teacher were pronounced dead at the scene, while the two injured students were taken to Renown Regional Medical Center. At the news conference, authorities said both injured students are listed in stable condition.

Sparks Mayor Geno Martini expressed his deepest condolences to the family of the victims of yesterday's tragic events.

"No words from a mayor can make them feel at peace today, but they should know they are in our minds and hearts, and I hope that gives them some comfort," Martini said.

The community is invited to join a Community Prayer Night on Thursday, Oct. 24 at 6:30 p.m. at the Sparks Nazarene Church at 2200 El Rancho Drive. It will be a multi-faith event, led by student ministries from the community. For more information on the Community Prayer Night, please contact Sparks Nazarene Church at 775-358-4066.

The City of Sparks, in conjunction with the WCSD, is planning a candlelight vigil at the Sparks Marina Friday evening, October 25. Details will be announced as they become available."

This fund, The SMS Compassion Fund, is accepting tax-deductible monetary donations. What follows is a transcript of the statement from José and Liliana Reyes, parents of Sparks Middle School shooter José Reyes. The parents made the statement to the RGJ on Monday.

My wife and I want to express our sincere condolences to Mr. Landsberry's wife and family. We want to express our sympathy for the injured boys and their families. We are sorry for all of the sadness and grief that this incident has caused.

We knew José as a good boy, who loved his family. José was a good student. We thought he had a very good family life and he very often made us proud that he was our son.

We did not know that José was angry or upset about conditions at school. He had never complained about any particular teacher or student. We knew that he had been teased and that he was trying to work through a speech problem that he had. We never heard José say anything bad or unkind about any particular teacher or student and we had no idea that he was so upset and so troubled.

José was close with his sisters and relatives. We miss José very much. It has been a horrible experience knowing that our son killed another person and injured fellow students. It has been very difficult and hard to understand why José took his own life and did what he did. We wish there was

Eyesore fixed, to house former homeless seniors

The Moran Street Apartments at 435 Moran St. will have eight single-bedroom units and house eight to 14 people, said Chip Hobson, executive director of Silver Sage Manor Inc., the nonprofit group that put together the project to rebuild the apartments

Homeless people began living in what was left of the burned-down structure, plus it attracted drug dealers and other types of criminal activity.

Contamination from mercury could last up to 10,000 years

By Traci Watson

Special for USA Today

There really is gold in them thar hills, but there's something else in California's ridges, and in its valleys as well: mercury, a toxic legacy of the Gold Rush that will last for thousands of years.

Scientists have found high levels of mercury, which miners used to extract gold, in the foothills and valleys below former gold mines in California's Sierra Nevada. Once in the valleys, the mercury can enter the food chain and could eventually make its way to San Francisco Bay. There's evidence that the poisonous chemical continues to ooze out of the Earth and travel to vulnerable ecosystems.

Other experts thought mercurylaced soils were staying put in the mountains, but "our research suggests that is not the case," says research leader Michael Singer, a geomorphologist at the University of St. Andrews in Scotland and the University of California, Santa Barbara. "There are massive amounts of mercury-laden sediment making its way down to the lowlands."

Pollution prevention wasn't a high priority in the 1850s, when the thirst for gold drove prospectors to adopt an environmentally devastating technique called hydraulic mining. Hillsides were blasted with water cannons,

Although the event served to memorialize Landsberry's death, it also proved to be a celebration of his life.

Some painted a portrait of a man with a wicked sense of humor, including one time when he prank called his principal about a couple of teachers being thrown in jail and needing bail.

Others bared their souls about a friend who was always there for them.

"Mike was always someone I could talk to about everything," fellow teacher Ben Tucker said. "Everyday, he went to my room ... and asked me how I was doing. Once you became his friend, he made it his goal to make sure he included you in everything he did."

The stories touched wife Sharon Landsberry, who described a man who had so much love to give that it had to be shared with everyone else.

## Friend says shooter was a typical kid

The Nevada middle school student who killed a teacher and wounded two classmates before turning the gun on himself appeared to be a typical 12-year-old who liked soccer, was good at video games and didn't have a lot of friends but "didn't seem to be a loner," a friend said Friday.

Jose Reyes was always smiling and never complained to his friend Diego Munoz, 11, that he was bullied, Munoz told the Associated Press outside Sparks Middle School where Reyes fatally shot math teacher Michael Landsberry before committing suicide Monday on the school's asphalt basketball court.

"I was really surprised he would do something like this," said Munoz, a sixth-grader at neighboring Agnes Risley Elementary.

"When I heard it was him who was the shooter, I went into a stupor and asked, "Why did he do it?" he said.

Reyes played soccer and often rode his bicycle in the neighborhood around the school, Munoz said. He said the two played video games together, including zombie games and the online building game Minecraft, and both were fans of MTV's comedy show, "Ridiculousness."

Teacher Michael Landsberry was killed and two students injured Monday in a shooting at Sparks Middle School. ANDY BARROWAGI

"He was more like your typical 12-year-old," Munoz said. "Right now, we all want to be popular. He wasn't one of those kids. He didn't have a lot of friends, but he had a couple of friends. He didn't seem to be a loner."

"He never told me he was bullied," he said. "Whenever we would go outside, he was always smiling. He seemed happy ... He seemed intelligent. He won video games more often than not."

Munoz' remarks echoed those of other students who described Reyes as a shy boy, who nonetheless had friends and usually a smile on his face. He played the violin, according to his school music teacher, and was a big fan of the video game,

"Call of Duty," other classmates have said.

Police have released little information about the shooting. They say he got the semi-automatic handgun from his residence, but they have no motive and don't know if Reyes was targeting victims or firing randomly. They didn't release his name until Thursday under pressure from the public and local media.

School officials confirmed the investigation includes a review of an anti-bullying video that some students saw earlier this month that includes a dramatization of a child taking a gun on a school bus to scare aggressors.

Washoe County School District spokeswoman Victoria Campbell said school officials were examining the video but couldn't comment because it's part of the broader investigation into the shooting just outside the school building about 5 miles northeast of downtown Reno.

Reno's KRNV-TV reported that some students said they watched the video, titled "Bully," earlier this month. The station has broadcast excerpts of the 1.5 hour documentary by Emmy Award-winning filmmaker Lee Hirsch that chronicles the impact of bullying on five different youths and their families.

Katherine. Loudon, the school district's director of counseling, equity and diversity, said anything that would have been presented to children would have been part of a districtwide bullying prevention and intervention initiative that includes all schools in the county

"We've been told by Sparks Police Department to not discuss that particular curriculum," Loudon said.

About 700 people, including Gov. Brian Sandoval, students, parents and siblings, attended a private ceremony Thursday morning in the school's gymnasium, which students had decorated with posters, tributes, balloons and stuffed animals in

recognition of Landsberry.

The 45-year-old had served as a Marine and coached basketball and soccer. He was known by all as a big fan of Batman. In addition to drawings and references to the cartoon super hero, one unidentified veteran left the U.S. Navy Medal for Meritorious Service he earned in Iraq, with a note that read, "You deserve the medal of honor in my book."

The Nevada Air National Guard, where Landsberry had served as a master sergeant, announced plans Friday for a "celebration of life" at a public memorial service with full military honors Nov. 3 at Sparks Christian Fellowship church.

A former student who played last year on Landsberry's eighth-grade soccer team said he was so dedicated to her and her teammates that he told them he would sacrifice his life for them.

"He told us once that he

"He told us once that he would take a bullet for us. He died doing just that," said Lilian Martin, now a freshman at Reno's Wooster High School.

"He was always funny and

"He was always funny and made us laugh," she told AP on Friday.

Martin was among those who said they didn't witness bullying at Sparks Middle School.

"Remember, we're here for the kids," Miller said his friend always told him. "And on Monday that was the first thing I thought of. He was there for the kids, and

thank goodness."
As the sun went down and the air temperature dropped, many of the students at the vigil wrapped themselves in blankets donated from volunteers from Project Linus. A group of women in Fernley made about 700 blankets to distribute to the middle school students to serve as comfort in their distress.

Math teacher Ben Tucker said Landsberry was a hero who "is truly and forever will be a man we should all aspire to be."

"He wanted to make a difference in his kids' lives," Tucker said. "I miss you my friend. I love you, Batman."

Cortez Masto said as Nevada's top law enforce-

#### Interview with Kim CROWLEY-REYES'S 6th grade teacher:

On 12/3/13, at approximately 1040hrs, Detective PETERSON and I conducted an audio interview with Kim CROWLEY at Agnes Risley Elementary School located at 1900 Sullivan Lane in Sparks. CROWLEY was Jose REYES'S 6th grade teacher while he was attending Agnes Risley Elementary School. CROWLEY told me she has been teaching for 10 years. She started her teaching career in California, but has been working in the Washoe County Schools for 6 years. She worked at Echo Loder Elementary School located at 600 Apple St. in Reno prior to working at Agnes Risley. CROWLEY worked at Agnes Risley for the 2012/2013 school year. Jose REYES attended CROWLEY'S first 6<sup>th</sup> grade class.

CROWLEY described REYES as a very sweet boy 99% of the time. CROWLEY explained further; REYES was very organized and task oriented. He would have his homework done and be ready to work when he was in class, but on one occasion, REYES forgot his homework. CROWLEY gave Jose REYES a "check mark" to document the missed homework. REYES was upset, his face got red and he told CROWLEY "you are not very nice". This occurred just prior to a three day weekend. On Tuesday when the students returned to school REYES was still mad at CROWLEY because of the "check mark" for the missing homework. CROWLEY realized REYES wanted to do everything perfect but if he failed to achieve this he would be angry and would hold onto this anger for a long period of time.

CROWLEY told me REYES was academically at a 1st grade level for math and 2nd grade level for reading. CROWLEY gave modified homework to REYES and he would complete the assignments. This homework was designed to help him improve but not to overwhelm him. CROWLEY felt REYES was improving in her class, but at a much slower pace than most of the students. When REYES would write a paper his organizational skills were lacking and he would lose track of what to write on the assignment. REYES would often look around the room and write words he saw which related to the topic. These words would not be in any particular order and may not be related to the assignment at all. The other students would help REYES to understand the assignment.

CROWLEY was concerned REYES would have trouble moving from class to class in Middle

Case #13-9953

Detective: Dach, K. #034 Homicide, Att. Homicide

School. CROWLEY attempted to talk to Special Education teacher, Karen HINTZ and the school counselor to get REYES assistance. CROWLEY was told REYES had been tested for learning disabilities and he had been given services for his disability. Additional services were not available to him.

CROWLEY would talk to REYES'S mother, Lilian frequently and in Spanish. Lilian was concerned about REYES and asked how to help him. CROWLEY suggested Lilian take REYES to a medical doctor and a counselor. Lilian said she would and CROWLEY believed REYES saw a doctor. Lilian had told CROWLEY that REYES has had issues his whole life. Lilian said REYES almost died at birth and did not start talking until he was 5yrs old and in school. CROWLEY contacted the Special Education teacher at Sparks Middle School and told her REYES may need some extra assistance. The Middle School Special Education Teacher met with REYES at least once while REYES was still attending Agnes Risley.

CROWLEY told me the students in her class were very supportive of REYES. There were no signs of Bullying. CROWLEY told me ESL teacher Pilar QUINOEZ was present in her class and did not report any signs of Bullying. I asked CROWLEY if REYES had any friends. She told me REYES talked to two students regularly, Jesus VASQUEZ and David RODRIGUEZ-CONTERAS. CROWLEY had shoulder surgery two months prior to the end of school. A long term substitute Sierra VOSS took over her class. VOSS did not report any issues with REYES to CROWLEY.

Because CROWLEY was friends with Lilian I asked her if she knew of any problems at their home. CROWLEY remembered REYES telling her one time that his mom was in trouble with his dad. She did not know what had occurred. Lilian hung out with a group of ladies often. One of the ladies was the ESL teacher Pilar QUINONEZ. The interview was concluded at 1119hrs and the interview was put on a CD and booked into Sparks Police Evidence as KLD-19.

#### Interview with Karen HINTZ; REYES'S Special Ed Teacher in 6th Grade:

On 12/2/13, at approximately 1726hrs, I conducted an audio interview with Karen HINTZ in the conference room at the Sparks Police Department. HINTZ came to the Police Department voluntarily with her husband, Earl HINTZ. Karen told me she has taken the shooting very hard and has been out of school for emotional reasons since the shooting. Karen is not going to back to teaching at Agnes Risley. Karen told me she has been teaching for 9 years at a Middle School and Elementary School in North Valleys, Reno. In October 2012, her position was eliminated due to budget cuts and she took a Special Education position teaching 5<sup>th</sup> and 6<sup>th</sup> grade at Agnes Risley. Karen team taught with another teacher, Christy BARTLET.

Karen had experience dealing with students with all types of disabilities. Karen described REYES as

Case #13-9953

Detective: Dach, K. #034 Homicide, Att. Homicide

a nice boy. She said he would hide and when she came into the class he would surprise her. Karen said academically REYES was at a 1<sup>st</sup> grade level for math and a 3<sup>rd</sup> to 4<sup>th</sup> grade level for reading. Karen said REYES had trouble with his speech. He would stutter, but she noticed the more he talked his speech would improve and the stuttering would decrease. Karen described REYES as a hard working student who believed rules were black and white. REYES did not understand when they played games in class. During the game if people laughed, REYES would think they were laughing at him. He would get angry and cry. Karen said REYES got mad at her when she was laughing with another child because REYES thought Karen was laughing at him. I asked Karen if she knew what disability if any REYES had based on her experience. Karen told me she believed REYES had Cerebalpalsey based on her prior history with students with similar conditions. Karen told me REYES had been tested for Autism in 2011 but per counselor, Jayer (unknown spelling) REYES did not qualify for the Autism group.

Karen did not witness any bullying at school. Karen knew of only one incident where an unknown student tried to make fun of REYES'S speech, but Nanoa WASHINGTON stood up for him and did not let the teasing continue. Karen told me the three people she knew REYES talked to were Nanoa WASHINGTON, David RODRIGUEZ-CONTERAS, and Yamilet REYES. The interview was concluded at 1820hrs. The audio interview was put on a CD and booked into Sparks Police Evidence as KLD-20.

#### Interview with Judy KERSEY; REYES'S 5th and 6th grade speech therapist:

On 11/26/13, at approximately 0908hrs I conducted an audio interview with Judy KERSEY at Head Start located at 1100 E. 8<sup>th</sup> Street in Reno. KERSEY was Jose REYES'S speech therapist for 5<sup>th</sup> and 6<sup>th</sup> grade while he attended Agnes Risley Elementary School. KERSEY saw a change in REYES from 5<sup>th</sup> grade to 6<sup>th</sup> grade. In 5<sup>th</sup> grade she described REYES as sweet and happy. In 6<sup>th</sup> grade REYES started to have problems with social skills and was easily upset. REYES'S voice was changing which also affected his speech. KERSEY was concerned when REYES did not show empathy. She gave me an example of when the Sandy Hook School Shooting occurred, one of the students in class was crying and wanted to know more about what happened. KERSEY briefly talked to the student to make him feel better. REYES did not want to talk about the incident. He wanted to work on school work. REYES told the other student "quit acting like a kindergartener". REYES did not like to be off task.

KERSEY has worked with numerous Autistic children and felt REYES had characteristics similar to people with Autism. She gave examples; like obsessive compulsive traits, about his appearance and his need to be on time. REYES would always keep track of time and let the teacher know if she was not starting or stopping class on time. REYES was socially quirky, liked things structured, and could not infer anything from a social setting. REYES had a hard time making friends. REYES did not

Case #13-9953

Detective: Dach, K. #034 Homicide, Att. Homicide

like people laughing, because he felt they were laughing at him even if they were not. REYES did not like to lose. KERSEY gave an example of a time when REYES lost during a classroom game called Catergories, REYES became upset and yelled "I hate the world".

KERSEY said REYES was very into the civil war. He would talk about it often and did a project on the civil war in 5<sup>th</sup> grade. In 6<sup>th</sup> grade KERSEY saw a binder which REYES had drawn two stick figures with guns and they were shooting each other. KERSEY assumed it was regarding the civil war but had REYES throw away the binder and told him he could not draw things like that on his binder. KERSEY did not have any drawing or papers which were completed by REYES.

The interview was concluded at 0938hrs. The audio interview was put on a CD and booked into Sparks Police Evidence as KLD-21.

### Interview with Catherine ALLEN; REYES'S 5th Grade Teacher:

On 12/5/13, at approximately 1616hrs, I conducted an audio interview with Catherine ALLEN at the Sparks Police Department Conference Room. ALLEN has been teaching for approximately 3 years. She started at Agnes Risley and had Jose REYES in her 5<sup>th</sup> grade class. ALLEN told me REYES was at a 1<sup>st</sup> or 2<sup>nd</sup> grade level for reading and math. REYES also was below grade level in Science when he was asked to read and answer questions about science related topic. REYES was good with hands on projects. This aptitude was seen when working on Science Projects. ALLEN told me REYES was not socially outward. He would keep to himself and was focused on school tasks. ALLEN told me REYES needed a structured schedule to help him succeed. ALLEN described REYES as a helpful student. He would help her carry things, REYES would help children on the playground for example if a child fell he would help them up and ask if they needed to go to the nurse's office.

Towards the middle to end of 5<sup>th</sup> grade REYES began to realize he was academically behind the other students. The other students would finish an assignment and he would still need more time. These academic struggles frustrated REYES. He would get angry with himself. When REYES became frustrated he would get very quiet and would not do anything until he calmed himself.

REYES was liked by almost everyone because he was so helpful and nice to other students. ALLEN told me REYES was closest friends with David Rodriguez. A CD containing the audio interview was booked into Sparks Police Evidence as KLD-22.

# SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide, Attempted Homicide Case: 13-9953

Date/Time of Supplement: 12-10-13 @ 1105hrs Detective: Dach, K. #034

Approving Supervisor / 109,

Date: 12/26/13

#### **Details of Supplement:**

#### **Interview with Rosa DIEZ:**

On 12/10/13, at approximately 1105hrs, Detective PETERSON and I conducted an audio interview with Rosa DIEZ at Agnes Risley Elementary School located at 1900 Sullivan Lane. DIEZ is the Parent Involvement Facilitator (PIF) at Agnes Risley and she is responsible for assisting parents with services they require and translating English/Spanish when needed. DIEZ has been doing this job for 9 years.

DIEZ first met Jose REYES'S family when REYES was in 4<sup>th</sup> grade. REYES'S mother, Lilian asked DIEZ for assistance with a couple of students who were teasing REYES. DIEZ did not know who the students were and what type of teasing occurred. DIEZ put Lilian in contact with the principal. REYES'S father translated after that and DIEZ was not involved. DIEZ translated for Lilian during two teacher/parent meetings which were very positive. REYES was improving in both academics and social skills. He was still delayed and needed to be on a school IEP.

DIEZ told me REYES did not have many friends. After the shooting at Sparks Middle School a parent named Gabriella talked to DIEZ and said her son, Jose Guerremo RAMIREZ-RUIZ was friends with REYES and saw him getting bullied. DIEZ told me unknown students were pulling down his pants and RAMIREZ-RUIZ witnessed this. Gabriella said Jose REYES used to come to their home to play with RAMIREZ-RUIZ. A interview with RAMIREZ-RUIZ was set up for 12/26/13.

The interview was concluded at 1130hrs. The CD of the audio interview was booked into Sparks Police Evidence as KLD-23.

#### Video Surveillance of Sparks Middle School on 10/26/13:

On 12/1/13, I received the video surveillance of Sparks Middle School from 10/26/13. This video shows Principal, Stacey COOPER giving a tour of the school to Jose REYES-MANDUJANO. COOPER showed REYES-MANDUJANO his son's classes and described the area outside where the shooting occurred. This video is on a PNY 8GB storage drive and has been booked into Sparks

#### Interview with Kelly Lorenzetti; REYES'S 4th grade teacher:

On 12/11/13, at approximately 1323hrs, I conducted an audio interview with Kelly LORENZETTI at Hunsberger Elementary School located at 2505 Crossbow Court Reno, NV. LORENZETTI was REYES'S 4<sup>th</sup> grade teacher at Agnes Risley Elementary School.

LORENZETTI told me she has been teaching at Agnes Risley for 13 years and has primarily taught 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> grade. LORENZETTI described Jose REYES as a nice kid. He was always smiling, always willing to help, and he was very quiet. REYES had a problem with cognitive learning and speaking. REYES would not be able to carry on a normal conversation with anyone. He would give short answers to questions he was asked by LORENZETTI. This was the same out on the playground when talking to REYES about his personal life. REYES mostly kept to himself and did not have a lot of friends. He would participate in imaginary play more than with organized sports at recess.

LORENZETTI said REYES was diagnosed on the Autism spectrum in 4<sup>th</sup> grade but she did not know by whom. He would get frustrated sometimes and would have to calm himself down until he could get back on task. REYES would cry when he was frustrated. LORENZETTI described a possible symptom of Autism was the lack of eye contact. She stated it appeared REYES had to practice making eye contact when talking to someone. He was uptight and had a lack of humor. He was very factually based. This is not to say he did not find things funny because he did. He would sometimes overly laugh about something other children would not find as funny.

LORENZETTI said REYES'S family was very supportive and the mom and dad would both attend conferences. REYES would write about his wonderful family and liked working at his dad's restaurant. LORENZETTI described REYES as below the other student's social and academically. Lilian told LORENZETTI, REYES would mix up identifying the extended family members on occasion. REYES told her he liked to play video games and his dad would take him to Best Buy to get video games.

LORENZETTI heard REYES'S parents got divorced but she did not get this information from the parents. LORENZETTI was very surprised when she heard the shooting occurred and that the suspect was Jose REYES. LORENZETTI was very shocked that REYES took his own life. She thought his mental state was not developed enough to cognitively process taking his own life.

The interview was concluded at 1344hrs. A CD containing the audio interview was booked into Sparks Police Evidence as KLD-25.

#### Interview with Jair MORALES; School Psychologist:

On 12/12/13, at approximately 1720hrs, I conducted a phone interview with Jair MORALES. This interview was not recorded. MORALES told me he worked at Agnes Risley as a School Psychologist for 4 years prior to transferring to San Juanita School District. I asked MORALES if he remembered doing an evaluation of Jose REYES. MORALES told me he has been thinking about that since the Sparks Middle School shooting. MORALES asked me if REYES'S mom has dimples and if REYES was a tall child. I told him "yes" and MORALES said he did do the evaluation but does not remember anything about the results. MORALES told me the report should be in the student file and he has a copy, but it is in storage. MORALES is scheduled to move in a couple of weeks and he would attempt to locate the file for me then. MORALES gave me his contact information and told me he would contact me in a couple of weeks.

### Interview with Christine BARTLETT; REYES'S 4th and 5th grade teacher:

On 12/16/13, at approximately 1546hrs, I conducted an audio interview with Christy BARTLETT at Lois Allen Elementary School located at 5155 McGuffy Dr. in Sun Valley. BARTLETT told me she has been teaching for 7 years. BARTLETT has a background in teaching Special Education and currently teaches students with disabilities such as Autism. BARTLETT worked at Agnes Risley for 2 years. She worked with Jose REYES in 4th and 5th grade. In reading REYES was reading at a 1st grade level and REYES was at a 2<sup>nd</sup> grade Math level. BARTLETT told me REYES was emotionally at a lower level than his peers. REYES knew he was at a lower level academically and would befriend kids who were younger. REYES was bullied according to BARTLETT about not being at the same level academically as other kids. She told me the kids would try and tease him about reading a lower level book but when BARTLETT saw this she would not allow them to continue the teasing. BARTLETT changed her statement almost immediately and told me REYES perceived he was being bullied but he possibly was not. She gave an example of when someone was laughing, REYES would think they were laughing at him even if they were not. BARTLETT said if a child was saying a statement in a sarcastic tone REYES would not understand it. She said the kids would often help REYES and watch out for him out. They cared for REYES and did not let people pick on him because of his speech or academics.

BARTLETT said REYES did not like loud noises or the stimulus from the lunch room and would often stay in the class for lunch. REYES assumed this was approved by the lunch supervisor. BARTLETT told me of a time REYS through a chair against the wall. This occurred in 4<sup>th</sup> grade and it was because a kid was teasing him about reading a lower level book. BARTLETT told me she never witnessed REYES throw the chair but had heard about it through the school. BARTLETT told me REYES took longer to calm down than normal children. BARTLETT told me she did not know

594

Case #13-9953

Detective: Dach, K. #034 Homicide, Attempted Homicide

if REYES had any mental issues, but she tried to get him into an independent life skills program, but the school did not approve it. This would allow REYES to take classes to help him with basic skills such as balancing a check book, counting money, reading a receipt, and using an ATM etc. Program manager, Rebecca BAILY-TORRES made a decision to keep REYES in his current classes.

BARTLETT said she knew English was not REYES'S primary language, but his speech problems were more problematic than that. REYES had broad language issues such as comprehending what was being said even though he could read the words. REYES would talk about buying his sisters presents and working at his father's restaurant but, BARTLETT said it was hard for REYES to answer the who, what, when, why, and how questions. A CD containing this audio interview was booked into Sparks Police Evidence as KLD-26.

## Interview with Roben CALLAGHAN; REYES'S 3RD grade teacher:

On 12/16/13, at approximately 1641hrs, I conducted an audio interview with Roben CALLAGHAN at Agnes Risley Elementary School. CALLAGHAN has been teaching for 13years and has a background in Special Education. CALLAGHAN was REYES'S 3rd grade teacher. CALLAGHAN said REYES was a sweet boy. REYES was sensitive and would cry easily. He had a speech problem but the students would generally support REYES. The only time REYES was ever teased was on the playground and this was not witnessed by CALLAGHAN. She could not give me any examples of the teasing or names of anyone who teased him. CALLAGHAN noticed when REYES got frustrated he would yell out, but was never violent and never threw chairs or hurt other students. CALLAGHAN was told by REYES'S second grade teacher that REYES hid under a desk and barked like a dog, but this information was not witnessed and was not shared with me by second grade teacher, Shawna BAKER. CALLAGHAN talked about REYES being low academically but felt his speech problem was minor. A CD containing the audio interview with CALLAGHAN was booked into Sparks Police Evidence as KLD-27.

## Interview with Shawna BAKER; REYES'S 2nd grade teacher:

On 12/17/13, at approximately 0951hrs, I conducted an audio interview with Shawna BAKER at Agnes Risley Elementary School. BAKER was Jose REYES'S 2<sup>nd</sup> grade teacher. BAKER has been teaching for 19years and the last 18 years have been at Agnes Risley Elementary School. BAKER has a background in Special Education and has done positions as counselor, teacher and STEM Coach. BAKER first met Jose REYES in 2<sup>nd</sup> grade. REYES was originally assigned to a different 2<sup>nd</sup> grade class taught by Marcel Morris, but that class had to downsize and the kids were moved to other classrooms. REYES was moved to BAKER'S class in approximately October. She noticed he was different from the other kids. REYES would cry regularly. At the beginning of the school year he would cry 2 to 3 times a day and it would take him hours to calm himself down. The teachers

Case #13-9953

Detective: Dach, K. #034

Homicide, Attempted Homicide

would take him for walks in the school to help him relax. This improved and by the end of the year he would cry 2 to 3 times a week.

REYES was academically behind in 2<sup>nd</sup> grade. He was doing reading and math at a Kindergarten level. BAKER told me she felt REYES showed symptoms similar to people who have been diagnosed in the Autism Spectrum. BAKER explained when REYES would get upset; he would cry and hit himself in the ears with both fists. On occasion this would continue until he would hyperventilate. When REYES would talk to you, his eyes would bounce from side to side and did not make eye contact with the person talking. BAKER explained to me she was surprised REYES took his own life. She did not know he had the cognitive ability to plan this attack and to take his own life. BAKER said she did understand REYES'S frustration and said he was always mad at himself, but never at others. A CD with this audio interview was booked into Sparks Police Evidence as KLD-28.

Superintendent Pedro Martinez Washoe County School District 425 E. 9<sup>th</sup> Street Reno, NV 89531

Dear Superintendent Martinez:

On December 12, 2013, I met with Chief Mike Mieras from the Washoe County School District Police Department and reviewed specific questions in regards to the After Action Review specific to the Sparks Middle School incident. The Sparks Police Department recognizes this is critical in the recovery process for faculty and staff that are victims of this tragic incident. In reviewing these specific questions, we do not believe they would jeopardize or interfere with any part of the Sparks Police Department criminal investigation.

This has also been discussed with Command Staff at the Sparks Police Department who also approved the After Action Review.

If you have any further questions, please don't hesitate to contact me as I am the case supervisor for this specific case.

Sincerely

AARON LEARY, Sergeant Investigations Division

Name: Sonia Joy

Date of Interview: 12/5/13

DOB:

Time Started:

Time Finished:

The following is a summary of the interview. It is not meant to be verbatim and not meant to be a transcript. For specific details of the interview please see the interview transcript and/or DVD recordings of the interview.

# **Details of Interview:**

On 12/5/13 Det. DACH and I responded to Agnes Risley Elementary School to speak with 2<sup>nd</sup> grade teacher Sonia JOY. JOY had been Jose REYES's teacher and information pertaining to his behavior while she had him in her class and/or while he attending Agnes Risley was to be obtained. We met with JOY in the principal's office and Det. DACH introduced us. Det. DACH conducted the interview with me being present.

Det. DACH obtained JOY's teaching background. In doing so we learned she had met Jose when he was in the 2<sup>nd</sup> grade. She and another teacher co-taught the 2<sup>nd</sup> grade with 32 students in their class. After about the 3<sup>rd</sup> grade she stated she didn't have very much interaction with Jose.

While Jose was in her class she and her co-teacher thought Jose perhaps had some sort of learning disability and they began tracking his progress. They do this within the school in an attempt to ascertain whether the issue the child is having is a learning disability, if they need more time or if it's a language issue. The entire tracking process began early in the 2<sup>nd</sup> grade. JOY was asked why this was necessary. She explained that there was a discrepancy between his performance and what he could actually do. Socially he was extremely awkward and in a class of 32 Jose stood out both socially and academically.

Academically they find there to be red flags when math scores are "really high" and reading scores are "really low." All of the data they collect are taken to those within the district that can provide

Case #13-9953
Detective PETERSON #104
Homicide

assistance, with Jose's level of competency compared to that of his peers.

In inquiring about Lilliana JOY stated she was "very receptive." She felt she had a good rapport with Lilliana, as she also was working with Jose's younger sisters. She found Lilliana to be extremely proactive in Jose's issues.

JOY continually stated that they were not to label children, but to say he had a learning disability she would think of Jose as having perhaps asperger's or within the autism spectrum. She again quantified that by saying without a label he fit that mold. Several times she stated he was socially awkward and he was different. The common characteristics of the autism asperger's spectrum was the awkwardness, he had nervous tics and Jose often walked somewhat on his tip toes. A gate in children they see with these types of disabilities is different then those around them, where their heel doesn't touch the ground.

In a group setting Jose was not proactive and he would often sit back. He struggled to articulate what he was trying to say, as if he couldn't find the words and that too was extremely difficult for him. She and her co-teacher knew that there was something going on with Jose, but they couldn't pin point it. Jose had issues maintaining eye contact and although at times this is a cultural issue, in Jose his eyes would move back and forth instead of simply looking down or away. She did not remember whether he was in speech class or not, as this was a few years ago.

JOY described herself as emotionally detached and did not have anything to add regarding his emotion and/or his outburst. It was at that time Det. DACH concluded the interview and we excused JOY. We asked if anything further was to come up or if she remembered anything else to please contact us and she stated she would. We then left the school.

Nothing further.

Date of Interview: 12/10/13 Time Started: 1002hrs

Time Finished:

1100hrs

The following is a summary of the interview. It is not meant to be verbatim and not meant to be a transcript. For specific details of the interview please see the interview transcript and/or DVD recordings of the interview.

# **Details of Interview:**

On 12/10/13 Det. DACH and I met with Pilar QUINONEZ at the Agnes Risley Elementary School. We had learned that Pilar may have information regarding Jose and his past behavior. We were able to use the principal's office for the interview where Det. DACH interviewed her and I assisted. After we introduced ourselves Det. DACH explained why we were there. Pilar expressed her anger with having to talk to us and was curious as to what exactly we as a police department were going to do to fix the problem, as in the continual school shootings. Det. DACH explained what our purpose was and moved forward.

Pilar expressed prior to any questions being asked that she would have never guessed in a million years that this would happen. After she learned what happened her first thought was during the break there may have been some gang rivalry issues and that they were using the first day of school to take care of it; however, when she learned what had happened she again stressed that she would have never guessed "this."

Pilar stated she teaches ESL, English as a Second Language, within the elementary school. She met Jose the first time in the 2nd grade. She stated she would go into the classes to assist and the teacher would tell her where she was needed and what she was to cover. Pilar stated even at that time Jose was showing signs of having issues. Jose's mother, Lilliana had expressed to Pilar that Jose didn't speak until just a short time ago. Pilar stated she knew Lilliana and the children and on approximately three occasions she saw Lilliana at mutual friend's birthday parties. She stated

Case #13-9953
Detective PETERSON #104
Homicide

Lilliana would often come to the school and ask for help and/or to take care of issues with Jose; however, at no time during the last four years did she see Jose's father.

Pilar stated she remembered translating for Lilliana and the second grade teacher. Jose had been extremely angry and he was crying nonstop. He told his teacher that he hated her. That was the only extreme behavioral issues she remembered Jose having, as he was not a big problem. Pilar stated Jose tried to do his best. She stated she didn't know a whole lot about other issues he may have had, as at that time she was not a Special Education teacher, nor was she an in the classroom teacher. She didn't know what types of services Jose was receiving.

She often would see him in the cafeteria while she had cafeteria duty. She would see other students "picking on him." When these children would do this Jose would take his fists and hit them on their legs. She would walk over and correct his behavior. She felt that due to her familiarity with him and his family he would take her correcting him much better than perhaps someone else. Pilar then expressed that that was part of her confusion. She stated there was no way we could walk these children around holding their hand and being "picked on" is a part of life and even as adults we get picked on. She again asked what we were going to do to solve this issue. Prior to us giving any answer she continued with her narrative.

Pilar explained that Jose would be sitting with a group of children, as they would be talking. They would all be asking each other questions, such as what they had done over the weekend and/or what movie they had seen and they would try to include Jose in the conversation. She believed he did not have the cognitive ability to even be a part of it. Jose didn't understand what the children were talking about or what the subject was about either. Jose's responses to the other kids' questions would be "out of the blue" in nature. When this would occur all of the children would break out in laughter and this would upset Jose greatly. Jose did understand one on one type corrections; however, and he would understand when she would try to calm him down.

She gave another example of his inability to understand what was going on. Pilar stated while Jose would be reading either one on one or in a small group she would ask questions regarding what they had read. Jose's answers would not involve the book subject matter whatsoever. This occurred even as late as the 6<sup>th</sup> grade. Pilar stated there were big demands within the classroom and any disruption in his routine would make him extremely angry. Pilar stated she didn't have a whole lot of interaction with Jose while he was in the 3<sup>rd</sup> grade. Pilar stated she didn't see much of Jose in the 4<sup>th</sup> grade either and the 5<sup>th</sup> grade she would see him in passing. As she would be going into the classroom she was in he would be leaving to attend Special Education classes. Pilar explained that the ESL classes are much shorter in the amount of times they have to go as ESL does not attach an IEP and there are not as many aspects to the program itself.

Case #13-9953
Detective PETERSON #104
Homicide

Det. DACH asked if when Jose was having a normal conversation he would speak English or Spanish. Pilar questioned the word normal. She stated he didn't have "normal" conversation, as his responses were either one word or they would be short phrases that were completely incoherent or did not relate to the topic matter. She had no knowledge of his video game usage and/or his interest in war history. Jose was able to read according to Pilar; however, he did not have the cognitive understanding of what was being put forth. She stated he was probably at a 2<sup>nd</sup> to 3<sup>rd</sup> grade reading level when he was in the 6<sup>th</sup> grade.

When asked about friends Pilar stated Jose didn't have friends. Jose would often go to his special classes with people, but he did not have people that he normally would hang out with, eat lunch with or associate with.

When asked about Jose and his family life she stated she didn't know. She did work with Jose's younger sister Mia, but she didn't have any direct knowledge of the family. Although they have one friend in common, again Lilliana didn't attend many of the adult group activities.

Pilar stated she was aware of the incident that occurred between Jose and his father when Jose was in the 5<sup>th</sup> grade, but due to the incident not occurring at school their knowledge of it was actually quite limited.

I asked specifically about his speech impediment. Pilar described it more of a skip or space in his cognitive thought process.

She had no history of Jose prior to the 2<sup>nd</sup> grade. We spoke for a short time further with Pilar and concluded our interview.

Our contact information was given to her and asked that she contact us should there be anything further. We then left the school.

Nothing further.

### **EXAMINATION REPORT**

### SYNOPSIS

On 10/23/13, I received computer media from Detective Ken Gallop (SPD) for exam in connection with a murder case. The computer media had been obtained through a search warrant obtained by Detective Ken Gallop. During the course of the exam, I located internet browser history and indicia of ownership. The report detailing this information was created and placed on a report disc.

All evidence in this case along with a copy of this report was returned to Detective Ken Gallop for final disposition.

### **EVIDENCE SUBMITTED**

On 10/23/13, the following evidence was submitted for examination:

- 1. A Toshiba Satellite laptop computer bearing serial number 9C218239R. The computer contained one (1) hard drive identified as the following: Toshiba MK6475GSX, bearing serial number 62P6YHM with a capacity of 640 GB.
- An XBOX 360 gaming console bearing serial number 105198493905. The gaming console contained one (1) hard drive identified as the following: Seagate ST9120315AS, bearing serial number 5VBo7N8E with a capacity of 120 GB.

### REQUEST

On 10/23/13, Detective Gallop requested that the computer media be examined based on a search warrant. It was requested that the computer media that was submitted be examined for any images, documents, emails, and internet browser history dealing with school shootings.

### FORENSIC IMAGING PROCESS

All forensic imaging and analysis was done on government owned equipment with licensed software purchased by the same.

### Item 001:

On 10/23/13, I obtained a forensic image of the TOSHIBA MK6475GSX hard drive, serial number 62P6YHM using AccessData's FTK Imager. This program was designed for use in computer forensic examinations. The image was saved on a USSS owned computer hard drive previously prepared for this purpose (forensically sterile).

Prior to any imaging, the hard drive was connected to a Digital Intelligence UltraBlock device, which is a physical write protection device that prevents writes by the Operating System (OS) on the forensic computer to the evidence drive, ensuring continuity and the integrity of the original evidence. This process is designed to not alter or modify the original hard drive contents. The

software creates an evidence file (disk image) in which the suspect drive is copied bit by bit, sector by sector, in a forensic environment.

I created the following image for the Toshiba lap top computer: "Toshiba 640 GB HD.E01", during the acquisition on 10/23/13. The drive image spanned over one hundred twenty (286) files: Toshiba 640 GB HD.E01-EHD. The drive was hashed using MD5, creating a signature of the drive information. The acquisition hash of the hard drive, b20782a8b6b1e2df0d1bf6ab3cadde6f was verified as the same as the verification hash, b20782a8b6b1e2df0d1bf6ab3cadde6f.

This acquisition hash and verification hash is a comparison of the information read from the Toshiba hard drive and the information on the image created from the Toshiba hard drive.

### Item 002:

On 11/03/13, I obtained a forensic image of the Seagate ST9120315AS hard drive, serial number 5VB07N8E using AccessData's FTK Imager. This program was designed for use in computer forensic examinations. The image was saved on a USSS owned computer hard drive previously prepared for this purpose (forensically sterile).

Prior to any imaging, the hard drive was connected to a Digital Intelligence UltraBlock device, which is a physical write protection device that prevents writes by the Operating System (OS) on the forensic computer to the evidence drive, ensuring continuity and the integrity of the original evidence. This process is designed to not alter or modify the original hard drive contents. The software creates an evidence file (disk image) in which the suspect drive is copied bit by bit, sector by sector, in a forensic environment.

I created the following image for the Xbox gaming console: "Seagate 120 GB HD.E01", during the acquisition on 11/03/13. The drive image spanned over ninety-six (13) files: Seagate 120 GB HD.E01-E13. The drive was hashed using MD5, creating a signature of the drive information. The acquisition hash of the hard drive, fcd4c549bb299630a07767d7dfe32cd7 was verified as the same as the verification hash, fcd4c549bb299630a07767d7dfe32cd7.

This acquisition hash and verification hash is a comparison of the information read from the Seagate hard drive and the information on the image created from the Seagate hard drive.

Note: The MD5 hash value is in essence a "digital fingerprint" of a computer file. Because of the number of different possible hash values, it is improbable that any two non-identical files would have the same MD5 hash value. Thus, a known file can be reliably identified through its hash value.

After the completion of the imaging process the image files were archived.

This process allows the forensic examination to proceed without altering any of the original files from the original computer media seized. From the forensic images taken of the original hard drive, I conducted an examination of the contents of the drive.

# Examination of the media revealed the following:

### Potential evidence files:

During the course of the examination of the Toshiba laptop, I located internet browser history regarding the following topics; bullying, school shootings, super columbine massacre (computer first person shooter game), multiple video game "Youtube" video searches, all of which pertained to first person shooter game walkthroughs such as Grand Theft Auto, and other violent first person shooter games. These videos were created by individuals (not the suspect) that were actively playing each of the games. I also located internet browser searches pertaining to Eric Harris and Dylan Klebold.

Google Chrome Web History showed on 05/31/2013 there were three searches completed at the following times:

The internet browser history showed on 07/06/2013 two Chrome Favlcons were created. "Favlcon" is short for Favorite Icon also known as a shortcut icon to a page URL (Uniform resource locator) also known as a web address. This Favicon was a desktop shortcut to the following two URL:

### **EXAMINATION REPORT**

### **SYNOPSIS**

On 10/23/2013, I received a cellular telephone and a tablet from Detective Gallop, Sparks Police Department, Reno, NV, for exam in connection with a murder case. The devices had been obtained from the suspect by Detective Gallop and was being examined per a search warrant obtained by Detective Gallop. During the course of the exam, I located contact information, call logs, text messages, internet history, and other potential files of interest. All evidence in this case was returned to Detective Gallop for final disposition.

### **EVIDENCE SUBMITTED**

On 10/23/2013, the following evidence was submitted for examination:

- 1. An Kyocera C5155 bearing serial number 3503B338.
- 2. An NABI Android kids tablet bearing serial number A121113-001362

### REQUEST

On 10/23/13, Detective Gallop requested that the devices be examined for contacts, call logs, text message, emails, photographs, or other data.

### INFORMATION EXTRACTION PROCESS

All analysis was done on government owned equipment with licensed software purchased by the same.

### Item 001:

On 10/23/2013, photographed and placed the Kyocera C5155 into a shielded Ramsey box to prevent connection to the network. I powered on the phone and found that it had already been placed into airplane mode. I then removed the phone from the Ramsey box and checked the phones settings confirming that USB debugging was set in order to allow the forensic software to connect to the phone. I extracted the information contained in the Kyocera C5155 using Katana Forensics' Lantern 3.0. Cellebrite's UFED and associated software. This software is a commercial product purchased by the USSS and designed specifically for use in mobile device forensics. I extracted the logical data contained within the Kyocera C5155 and created a report documenting my findings.

I completed a second extraction for validation purposes using Cellebrite's UFED and associated software. This software is a commercial product purchased by the USSS and designed specifically for use in mobile device forensics. I extracted the logical data contained within the Kyocera C5155 and created a report documenting my findings.

I completed a third extraction for validation purposes using Cellebrite's Physical Analyzer and associated software. This software is a commercial product purchased by the USSS and designed

I completed a second extraction for validation purposes using Cellebrite's UFED and associated software. This software is a commercial product purchased by the USSS and designed specifically for use in mobile device forensics. I extracted the file system data contained within the Kyocera C5155 and created a report documenting my findings.

The reports were turned over to Detective Gallop.

### Item 002:

On 10/23/2013, photographed and placed the NABI into a shielded Ramsey box to prevent connection to the network. I attempted to power on the tablet and found that the battery was dead. I was able to locate a power cord for the device and began charging it. While the device was charging I researched it using the internet. I found that it was a NABI II children's tablet. The NABI II runs on an Android based operation system (Android 4.0 Ice Cream Sandwich).

Once the NABI had a complete charge I powered it on in order to check its operation. The device was fully operational. In order to access settings to enable USB debugging the "Mommy/Daddy password must be entered. At the time of the extraction I did not have this password therefore I was unable to extract any data from the device.

### **EXAMINATION**

### Examination of the media revealed the following:

### Potential evidence files:

During the course of the examination I located contact information, call logs, text messages, emails, internet history, and other potential files of interest.

### **Documentation Photographs:**

Prior to analysis, photographs of the device were taken. These photographs are included on the CD in a folder named "Documentation Photographs".

END OF EXAM.

The image files, analysis files and all reports were archived and are being maintained at the USSS Northern Nevada Computer Forensic Laboratory. The original evidence was released to the Case Agent with a copy of this report.

Detective: Triplett 004

Wednesday October 23, 2013:

#### 0815 hours:

We held an investigative briefing at SPD.

Detective GALLOP relayed that the locker assigned to Jose REYES Jr. at Sparks Middle School was empty. He also relayed that he was working with the district attorney's office on the search warrants for the electronics. Detective GALLOP was tasked with purchasing "Fantasia" software that would allow him to capture and record all media and social media information related to this case.

Detective BROWN shared the information related to the notes found in the backpack of Jose REYES Jr. The notes were found in an "Angry Bird" notebook. He also shared that a gun case was located in the backpack and the weapon information and serial number listed on the gun case matched that of the gun used in the incident.

Detective MCNEELY was assigned to contact students that discussed potential bullying at Sparks Middle School when they were interviewed by WCSDP Detective HOBBESIEFKEN on the day of the incident.

Detective EDMONSON relayed that the REYES' family had two storage units rented at and they were rented through the end of October.

Detective DACH was assigned to contact Rudy BEIN, an investigator for the Medical Examiner's office, to request the ME's office obtain all related medical records for Jose REYES Jr.

Detective SCHREIBER was assigned to work with WCSDP officers and school staff to identify teachers that were captured on video assisting Kaelin GUERRERO in the north hallway of the school during the incident. He was also asked to contact teacher Gary LENSHYN who created a list of students that sought safety in his room in the north hallway. It was believed the four students that tried to assist Michael LANDSBERRY had run into this room.

Detective DACH relayed information gathered during an interview of student Seth SLOAN. Seth SLOAN was with Kaelin GUERRERO when Kaelin was shot. Seth reported there was an incident when Kaelin, Seth and other boys spilled or threw water on Jose during a water fight in PE class. The other boys then teased Jose about it looking like he had urinated in his pants.

Detective PETERSON relayed information gathered in an interview with orchestra teacher Danielle CATES. Ms. CATES said that she had Jose, Kaelin and Mason in a class together. She described Mason as helpful, Kaelin as quiet and Jose as quiet. She explained that the boys had no issues

Detective: Triplett 004

interacting in her class and that she had never witnessed anyone bullying or treating Jose poorly. Ms. CATES believed that Jose had a learning disability because he did not tolerate public correction well. She described Jose becoming defensive and angry when corrected in a public setting. She explained that he reacted appropriately to correction in a one on one setting. Ms. CATES described Jose as a generally happy student. She did not know Jose's friends.

Ms. CATES had done some research into Jose's Independent Education Report and said she requested an updated evaluation for Jose.

Detective THELIN received information reporting there was domestic violence in the REYES family and that Jose' parents had been separated for a short time. It was reported that Jose Jr. became mad frequently and tried to initiate altercations with family members. It was also reported that Jose Jr. was familiar with the gun used in the incident and had taken the gun shooting with his father.

Detective MCNEELY relayed information from his interview with Alexis KELLY. Alexis reported that a she and a student named Natasha knew Seth SLOAN and had a physical altercation with Seth at school. They had to attend a bullying class because of this incident. She reported that she heard a student named Baden SOUDERS picked on Jose in math class and this was reported to Mr. WILSON. Alexis also heard that Kaelin picked on Jose; however, she had never seen this. Alexis had no detailed or first-hand knowledge of any incidents of anyone picking on Jose; the information she provided was rumor.

Detective EDMONSON relayed information he obtained in an interview with student Ian TOLLER who was standing with Kaelin when he was shot. Ian reported that he was standing in group of students when Jose approached them and shot Kaelin. Ian said Jose did not say anything before or after he shot Kaelin. The group of students included Seth, Courtney, McKenzie and Angel. Ian reported that when Jose became frustrated he would hit himself.

We decided that it was necessary to identify the students that had attended the bullying class at Sparks Middle School.

Detective CURTIS was assigned to interview student James ENGLAND

Detective EDMONSON also interviewed a student identified as Maleau who played basketball with Jose. This student said Jose played violent video games. He had never witnessed anyone bullying Jose. This student saw Jose shoot Mr. LANDSBERRY.

Detective BROWN provided information confirming that Jose REYES Sr. was given the involved gun by a friend identified as John DUNN. Mr. Dunn obtained the gun from a subject that sold it when the original purchaser passed away. Detective BROWN explained that the other pages of the

Detective: Triplett 004

"Angry Birds" notebook found in the suspect's backpack were blank. There were bb's for a bb-gun in the backpack. For further please see detective BROWN's supplement.

During this staffing, detective personnel cross checked information regarding students that had been interviewed and identified those that needed to be interviewed.

Crime Analyst DILK was asked to create an excel spreadsheet to log and track the names of all students that were identified for interviews.

#### 1100 hours:

Sgt. ALT, Sgt. LEARY and I met with Supervisory Special Agent Ronald TUNKEL and Supervisory Special Agent Cari ROBINS of the FBI Behavioral Analysis Unit for a case staffing. During this staffing, information was shared about the case and advice was provided on the common findings and behavior of suspects in similar incidents. A strategy and direction for follow up interviews with the suspect's parents were developed. The following is a list of important subject matters that were discussed:

- Jose Jr.'s activities during the school break.
- Familiarity with guns in general and the weapon used in the shooting specifically.
- Sexual interest of Jose Jr.
- Potential precursors predicting the shooting to include, fantasy writings or drawings.
- Determine if Jose Jr. had viewed the school district's anti-bullying video.
- Identify potential signs of depression and/or suicidal behavior.
- Explore the possibility that Jose Jr. displayed signs and symptoms of Autism.
- Identify if Jose Jr. had done research on prior school shooting events.
- Identify any recent potential stressors for Jose Jr.

#### Thursday October 24, 2013:

With the information obtained during the meeting with Special Agents TUNKEL and ROBINS, it was decided that this investigation would include interviewing teachers and staff from Agnes Risley Elementary School where Jose REYES Jr. attended.

#### 1300 hours:

#### Friday October 25, 2013:

At approximately 0900 hours Detective GALLOP and I viewed the images from the suspect's phone. There were several points of interest: images of violent war scenes, numerous logos for the video game Grand Theft Auto 5, pictures of Dylan KLIEBOLD and Eric HARRIS armed inside Columbine High School and a picture of school shooter TJ LANG at a court hearing.

#### Tuesday October 29, 2013:

Detective Brown advised me that he learned that John DUNN had given Jose REYES Sr. a .357 revolver in addition to the 9mm semi-auto handgun used in the shooting.

#### Wednesday October 30, 2013:

Detective: Triplett 004

#### 0800 hours:

SPD detective personnel held an investigative staffing to share information. The following detectives were present: GALLOP, BROWN, LEARY, MCNEELY, CONGDON, DACH, THELIN, BELLAMY, PETERSON, TRIPLETT and Deputy Chief B. MILLER.

Detective MCNEELY provided information from his interview of Natasha BRANDT. Ms. BRANDT told him that Jose never reported any bullying to her. She did witness two events where Jose got angry at other boys when they laughed at him during a class skit. He was upset once when he was late for class. Outside of those described instances she said Jose was normally a happy kid.

Detective MCNEELY interviewed student Amaya NEWTON who reported to a media source that Jose was bullied at school. When asked by MCNEELY, she did not have any information about Jose being bullied. On one occasion, she saw an unknown subject trip Jose while he was walking in a hallway.

Detective THELIN provided information from his review of the school files. It was determined that Jose did not go to elementary school with either Kaelin GUERRERO or Mason KAMERER. There were no documented incidents of conflict between Jose and either Kaelin or Mason at Sparks Middle School. Detective THELIN found no evidence of counselors Shinae WATTERSON or Bill FONG having contact with Jose. He did locate e-mails expressing concern for Jose as he transitioned to middle school sent by Karen HINTZ. Ms. HINTZ was Jose's case manager at Agnes Risley School.

Detective DACH provided information from an interview of Bellen PONCE. She reported that Kaelin at one time told Jose Jr. that he was not strong enough to play sports.

Detective DACH had identified the teacher that helped Kaelin in the north hallway of the school after he was shot. The subject was identified as Karolyn HIRSH a substitute teacher.

Detective CONGDON was assigned to review the 911 calls for the incident to determine if follow-up interviews were necessary.

We discussed ensuring that all of Jose's teachers and counselors were interviewed. Several of them had already been interviewed and none reported any issues with Jose having problems at school.

Detective personnel continued completing their individual tasks when the staffing was over.

Detectives DACH and PETERSON, with the assistance of agents from the local FBI office, interviewed Jose's parents. They were accompanied by legal representatives and interviewed separately.

Detective: Triplett 004

The following points of interest were obtained during these interviews:

- Neither parent reported having any concerns about Jose being mistreated at school.
- He had not talked to them about any frustrations or problems at school.
- Jose Sr. confirmed that Jose did discuss being bullied at his counseling appointment.
- Prior to that he had not reported anything like this to his parents.
- Neither parent talked to Jose about being picked on at school after the appointment.
- Both described him has a normal, happy child that enjoyed his family and school.
- Neither described him acting out in anger or being violent.
- Neither parent described Jose playing video games to excess.
- His mother said that Jose understood that the video games were fiction.
- Each described his difficulty in school as a speech problem not a learning problem.
- His mother said Jose did not play sports because he did not like the contact involved.
- His father said they put Jose in a martial arts class but he quit going because he did not like the contact involved.
- Both said Jose was not familiar with firearms and that he had never been shown how to manipulate either gun in their home.
- They did not believe that Jose knew where the gun was stored in their new home.
- However, the gun was kept in the same place in both homes, in a cupboard over the refrigerator.
- Both described him as caring and helping out at home and at the family restaurant.
- Both said he stayed home alone frequently.
- Both said he stayed home alone several times during the week before the shooting including Sunday October 20<sup>th</sup>.
- Jose Sr. denied there being any domestic violence in the home.
- Liliana URTIZ would not discuss that topic.
- Both said they did not use spanking as discipline for their children.

At the conclusion of the interviews, Jose Sr., Liliana and their lawyers were brought together and allowed to read the notes Jose Jr. left in his backpack. When asked to interpret the notes Jose. Sr. said it was obvious that Jose was treated poorly at school. When he was asked about the note that addressed his family, Jose Sr. said the note was simply Jose Jr. telling his family he loved them.

It was the consensus of those involved in the interviews and those who viewed the interviews that both parents were forthright with information but guarded and hesitant to honestly discuss Jose's problems with learning and interacting with others.

At this point in the investigation, Sgt. LEARY continued monitoring and directing the investigative efforts of our personnel. Detectives DACH and PETERSON took responsibility for continuing to

Detective: Triplett 004

contact those identified for interviews. The searches of Jose's phone, the computer and tablet collected at the REYES's residence were not complete.

#### Monday December 16, 2013:

Detectives DACH and PETERSON met with Sgt. LEARY and I at 0930 hours. We discussed the status of the case and what investigation still needed to be completed.

Detective DACH had a list of four students that attended the same speech therapy class with Jose Jr. He provided the names as David CONTRERAS, Jesus VAZQUEZ, Jose RUIZ-RAMIREZ and Yamilet REYES.

We determined the 911 calls and/or associated radio traffic from Washoe County School Police needed to be collected.

Agnes Risley Teachers Kristie BARTLETT, Shawna BAKER and Robin CALLAHAN were identified as persons to interview.

Detective DACH identified twelve students from Sparks Middle School that had been interviewed; however, the information regarding who interviewed these students was not complete.

During the meeting, we discussed the issues related to the suspect's developmental and educational deficiencies. We also discussed apparent developmental and personality similarities between Jose REYES Jr. and those reportedly exhibited by Adam LANZA; the suspect in the Sandy Hook school shooting. I suggested that we request the assistance of FBI Supervisory Special Agent Milena ESPINOZA to re-interview Liliana URTIZ in an attempt to obtain a more complete understanding of Jose's developmental issues.

SSA Milena ESPINOZA has an extensive educational background in child development and juvenile violence and she is fluent in Spanish. I know SSA ESPINOZA, having taken a class on juvenile violence from her. She is qualified and capable of conducting this interview and asking all pertinent questions related to Jose's developmental issues while conversing with Mrs. URTIZ in Spanish. Our hope was that we could potentially identify information regarding the struggles of Jose REYES Jr. and use this information in a preventive manner.

On 12/30/13, I sent SSA ESPINOZA an e-mail outlining our request to determine if she believed she could assist us. She responded on that same date and agreed to assist if it was approved by her supervisor. On 12/31/13, she responded and advised that the request had been denied and provided me with her supervisor's contact information, Unit Chief, Richard SEABROOKS Richard Seabrooks@ic.fbi.gov, desk

Detective: Triplett 004

On 1/14/14, I called Mr. SEABROOKS and made a formal request of him to approve SSA ESPINOZA assisting us.

On 1/27/14 at 1355 hours I spoke with Mr. SEABROOKS and was directed to contact Andre SIMONS with the FBI's Behavioral Analysis Unit to request assistance from an FBI agent assigned to that unit.

During the investigation, the storage units rented by the REYES family at a were searched with the consent of Jose Sr. and Liliana. Nothing of evidentiary value was located during that search.

The search of the electronic devices has been completed; however, the results have not been analyzed or evaluated by SPD detective personnel.

No further at this time.

## **SPARKS POLICE DEPARTMENT**Supplemental or Continuation Report

Type of Report: Homicide Case: 13-9953

Date/Time of Supplement: February 6, 2014 08002 // Detective: Thelin #128

Approving Supervisor Date: 2/6/14

#### **Details of Supplement:**

On February 5, 2014 I assisted with interviews of students at Sparks Middle School regarding the October 21, 2013 homicide at the school. I interviewed three students, Ronald BOMER, Leobardo RUBIO-Berumen, and Victor RODRIGUEZ.

#### **Interview with Ronald BOMER:**

I interviewed BOMER at Sparks Middle School. A CD with the audio recording of the interview was placed into Sparks Police Evidence as **JT6**. The following is a summary of the interview and is not meant to be verbatim.

BOMER arrived at school by bus and walked along the north side of the north wing to the west side of the school. BOMER met with two other boys, Noah and lan, and stood near the far west doors of the north hall. Nearby was a group of girls.

BOMER observed REYES walk from the basketball court area over to the group of girls and ask where Mr. LANDSBERRY was. When the girls said they didn't know he was, REYES said that he would shoot them if he couldn't locate LANDSBERRY. REYES then pulled out a gun and began walking back towards the basketball court where LANDSBERRY was. REYES shot LANDSBERRY and continued on towards the south hall. REYES then saw BOMER'S friend, Mason and shot him near the west end of the south hall. BOMER said he saw REYES walk back towards the basketball court where LANDSBERRY was laying and REYES then shot himself.

I asked if BOMER saw anything happen with KJ. BOMER told me that after LANDSBERRY was shot, REYES shot KJ in the area between the basketball courts and the south hall. He wasn't sure if it was before or after Mason was shot, but it had been after LANDSBERRY was shot.

I talked with BOMER again about wanting to hear from him about facts that BOMER knew directly and not about things that he had heard. BOMER said that he had seen everything he had told me.

BOMER did not know REYES before the shooting and he would not have been able to identify him.

Case #13-9953 Detective Thelin #128

BOMER said the boy, NOAH, that he was with prior to the shooting was good friends with REYES.

At one point he saw KJ and REYES hanging out on the grass prior to the day of the incident. BOMER was unable to explain when I asked how he knew it was REYES after he had told me he didn't know who REYES was prior to the shooting.

#### Interview with Leobardo RUBIO-Berumen:

On February 5, 2014 I spoke with RUBIO at Sparks Middle School. RUBIO advised he had one class with REYES but didn't know him. RUBIO knew nothing more about REYES. RUBIO never saw anyone teasing or causing any problems with REYES.

On October 21, 2013 RUBIO came to school and went directly to the cafeteria. He didn't have information regarding the shooting.

#### **Interview with Victor RODRIGUEZ:**

On February 5, 2014 I spoke with RODRIGUEZ at Sparks Middle School. RODRIGUEZ said he didn't know any of the subjects involved.

On October 21, 2013 RODRIGUEZ came to school and went directly to the cafeteria. He didn't have information regarding the shooting.

### SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide, Attempted Homicide Case: 13-9953

Date/Time of Supplement: 02-06-14 @ 1030hrs Detective: Dach, Jr. #034

Approving Supervisor Date: 2/7/14

#### **Details of Supplement:**

On 2/6/14, I received a report from Washoe County Sheriff's Forensic Science Division. The report stated the Ruger SR9c 9X19mm semiautomatic pistol with S/N 332-04142 was examined and test fired using both submitted magazines. The pistol showed to be in normal operating condition.

On 2/6/14, I received a CD containing the Washoe County School Police Radio traffic. I reviewed this CD and an overview of the CD is as follows:

School P.D. received information from patty ALLEN about a shooting which had occurred at Sparks Middle School. Sparks Police Dispatch told them the shooter was in the building. More information was that a teacher and student had been shot. School Police officers located a student victim, Mason KAMERER who advised the shooter is Jose R. and he had a pistol and was near the south hall. The following parts of the CD relate to School Police's response and their entry into the school. The CD was booked into Sparks Police Evidence as KLD-34.

### Interview with Isaac TONG:

On 02/06/2014, at approximately 1220hrs, I conducted an audio interview with Isaac TONG at the Sparks Middle School. TONG told me he arrived at school via the bus at approximately 0700hrs. He was playing basketball outside on the north most basketball court. He was standing next to Devin MILLER and Jonathan (unknown last name) when they heard a shot. TONG watched Jose REYES shoot Mr. Landsberry. TONG and MILLER then ran north and jumped a big fence. TONG was escorted to Ms. KATINO'S classroom where he stayed until being escorted by police to Agnes Risley Elementary School. TONG had met Jose REYES a few times prior while playing basketball but did not know him. TONG had never seen anyone bully REYES or be bullied by him. The interview was concluded at 1235hrs. A CD containing an audio interview was booked into Sparks Police Evidence as KLD-33.

### SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide

Case:

13-9953

Date/Time of Supplement: 02-12-14 @ 1300 hours

Detective: Vasquez #133 🌂

Approving Supervisor:

Date: 2/12/14

#### **Details of Supplement:**

On 02-05-14, Detective DACH asked that I interview some students at Sparks Middle School regarding this case. All the students were brought to me by Officer PAPE of the Washoe County School District Police. The interviews were conducted in a break room on the second floor of the school.

#### **Interview with Marvin MENDOZA:**

This is a summary of the interview with MENDOZA. It was audio recorded for further review if needed.

MENDOZA was aware why he was being re-interviewed. He made it known he was interviewed the day of the incident, but didn't remember the Officer's name.

MENDOZA remembered he walked to school on October 21st, 2013. He estimated he arrived at school around 630a-645a. MENDOZA went out on the basketball courts, like he does every morning with his friends before school starts.

MENDOZA heard a loud pop, he initially thought it was fireworks. He looked around and saw "Jose" with what he believed was a gun. MENDOZA knows "Jose" from his second period PE class, but isn't friends with him. MENDOZA saw Mr. LANDSBERRY walking towards Jose who was still holding the gun. MENDOZA witnessed Jose shoot Mr. LANDSBERRY in the chest area. MENDOZA ran up to Mr. LANDSBERRY as he was lying on the ground. MENDOZA thought Jose might come back, so he left Mr. LANDSBERRY and ran into the school. MENDOZA stayed in Mr. HUNTER's class until the police arrived.

#### **Interview with Bianca FLORES:**

This is a summary of the interview with FLORES. It was audio recorded for further review if needed.

Case # 13-9953 Det. Vasquez #133 Homicide

FLORES understood why she was being re-interviewed regarding this case. FLORES said she was interviewed the day of the incident by an Officer, but his business card was at home.

FLORES said on the day of the incident, she took the bus from her home in Sun Valley. She remembered bus # 1408 dropped her off in the front of the school at approximately 7am. Initially FLORES walked through the cafeteria as she does every morning, with her friend Bernice ESTRADA.

FLORES then walked outside near the north hall of the school. She immediately heard a gun shot coming from the basketball courts. She began to run, but noticed the shooter standing near Mr. LANDSBERRY. She saw Mr. LANDSBERRY with his hands out in a gesturing manner at the shooter to stop. FLORES remembered as Mr. LANDSBERRY walked closer, he was shot.

FLORES ran to safety inside the school. She stayed in Mr. PARKER's room until the police arrived.

#### **Interview with Andrew CABRERA:**

This is a summary of the interview with CABRERA. It was audio recorded for further review if needed.

CABRERA remembered he arrived like any other day on October 21<sup>st</sup>, 2013. He rides school bus # 187 from his house in Sun Valley. After being dropped off in front of the school, he went to the basketball courts to meet with his friends.

He was only there for a few minutes when he heard a loud noise. CARBERA immediately told his friends "that was a gunshot" CABRERA looked towards the center of the basketball courts and saw the shooter with the gun. He didn't know the name of the student with the gun.

CARBRERA did recognize the shooter had the gun pointed at Mr. LANDSBERRY and Mr. TUCKER. He said he heard the shooter tell them to "step back"

CABRERA ran from the area after witnessing the interaction between the shooter and teachers. He ran into Mr. PEREZ's room inside the school. CARBERA stayed in the room until police arrived on scene.

I will supplement this case with any further that is obtained.

## SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide

Case: 13-9953

Date of Report: October 21, 2013

Officer: Chavez 024

Victim: see main report

Location:

Date/Time of Supplement: February 28, 2014 @ 1420 hours

Approving Supervisor: [[Eflet] COL

Date: 4-17-14

#### **Details of Supplement:**

I was asked to review the audio/video recording of Jose Reyes-Mandujano and Liliana Urtiz, the father and the mother, respectively, of the juvenile suspect Jose Reyes Urtiz as they sat in the detective division of the Sparks Police Department waiting to speak with detectives.

The following is a summary of the conversations between both parents and is not, nor should it be considered, a verbatim transcript of said conversations. For further details see the audio/video recording of the conversations that was taken and booked into evidence at the Sparks Police Department. At the time of these conversations, the parents were only just informed that their son was deceased and as such were extremely emotional. Due to their level of emotions, it is difficult to fully capture the entirety of their conversation. Where appropriate I have included direct quotations from the conversations that took place almost entirely in Spanish.

Both parents were extremely distraught upon receiving the news regarding the death of their son, the suspect Reyes. They regularly questioned the circumstances regarding his death and asked "why?" The juvenile's mother, Urtiz, regularly made the statement that, "I knew this was going to happen." At one point in time, Urtiz tells Reyes-Mandujano that despite the fact that she "always knew" something was going to happen involving the suspect Reyes, she "didn't do anything," leaving Reyes-Mandujano to ask, "why my love? Why didn't you ever tell me?"

Urtiz never explicitly elaborates on why she felt she knew "this was going to happen," she appears to share her suspicions regarding her son's behavior with her sister Rosie on the phone following an earlier incident that same morning with Reyes and a bb/pellet gun:

Pelon's gone! I don't know. When you called me, I was talking to him and told him (unintelligible), but when I took him in the morning, I took away a pellet gun, a rifle, he said it was for a science project. And then I checked where the guns were and none of them were there. And he took them and they killed him! I don't know if they killed him or if he killed himself but he's dead! He's gone! He's gone!

CASE: 13-9953

OFFICER: Chavez

**PAGE:** 2 of 3

Conversely, Urtiz also makes statements that she believed that the juvenile could possibly have turned a corner or seemingly wishes to believe that he ultimately did. Urtiz begins to say aloud that she believed the suspect Reyes "was happy" repeating "he was happy." Urtiz adds that the Reyes had recently started attending "a lot of programs" at school.

Reyes-Mandujano also appears to echo this sentiment making reference to a recent appointment that Reyes had and tells Urtiz "the other day we went to the doctor, a part of me felt joy because he was getting what he felt out."

Despite these hopeful sentiments, the couple also make various statement suggesting that there is a disconnect with Reyes. Reyes-Mandujano at one point reminds Urtiz how only that morning he had asked her if Reyes had actually gotten in the shower by himself and how odd a question it was for him to have to ask her. They both appear to be acknowledging that this simple act of his showering meant he was doing better. Reyes-Mandujano expressed his seemingly constant worry about the juvenile:

You remember when I took him to school? I told you 'Thursdays I'll take him;' that day. When I caught a glimpse of him walking, I don't know why, but I said, my god, take care of him.

Urtiz also breaks down emotionally and states that despite having knowledge that something was going to happen with Reyes, she never believed it would be this ultimate outcome:

If only I would have looked through his backpack, but I swore, I never thought about anything like this happening! That's all he said, 'Mom, it's for a science project.' I said, 'no, son, ask your teacher for a note.' He said, 'oh, no!'

Reyes-Mandujano also touches on his last exchange with Reyes drawing attention to its relative normalcy, again referencing how he parted on good terms with Reyes despite having to say goodbye to Reyes who was showering and normally did not like his parents to see him in the shower. Reyes-Mandujano then breaks down and tells Urtiz seemingly about the gun, "he didn't know…he didn't know where they were, it's been more than a year that I've had it."

Shortly thereafter, Reyes-Mandujano while on the phone with a male he refers to as Luis, then breaks down:

He's gone! He's gone, Luis! My Pelon, he's gone! They shot him! Luis he took it! He took the gun! I don't know how he found it, he took it to school and shot it there! They killed him! What? Even worse, this morning, Liliana took a little rifle, this rifle he had from his backpack. They'd been teasing Pelon at school and he shot there, but I don't know if he shot. He took the, he shot there but I don't know if he shot himself or they hit him but my boy is gone Luis.

CASE: 13-9953

The final exchange the pair share is just after speaking separately with detectives. Urtiz tells her husband that she told detectives everything, including the incident with the bb/pellet gun earlier that morning and about the gun Urtiz came to notice was missing, "that damned gun." Reyes-Mandujano advised Urtiz that he told detectives about having had "certain guns" for a "long time."

Among the last statements Reyes-Mandjuano makes to Urtiz before leaving the interview room is questioning whether she belives it was Reyes "depression" that was ultimately responsible. Urtiz does not reply.

#### **Details of Supplement:**

#### Additional Contect with Lilliana REYES

After the initial contact with the REYES family it became apparent further information would be needed. On 1/31/14 Patrol Sgt. Marlene CLEVELAND and I responded to the REYES residence. The contact was to briefly speak with Lilliana to insure no other services were needed for her and her children and to continue to maintain open dialog with the family. Sgt. CLEVELAND and I were unable to make contact with Lilliana at that time.

On 2/3/14 Sgt. CLEVELAND and I again attempted to make contact. We were able to speak with Lilliana outside of the presence of her husband, as he was already at work. Lilliana informed us that the family was doing well at this time and counseling was no longer being used. Jose's two younger sisters appeared to be doing well and the family did not feel it was necessary to use counseling services. She stated her and her husband Jose attempt to keep an open dialog with the girls and if they need to talk about Jose and/or what had occurred they do so.

When asked if she would be willing to participate in a more extensive type informational interview regarding Jose and his behaviors early in life, she initially declined; however, after further explaining reasons why this would be helpful she stated it would be something she would think about when the time came. Lilliana expressed that she did not want something like this to happen to any other family and wanted to do what she could to help without harming her family any further. I again gave her my contact information and instructed her to call if there were any other issues and informed her I would be contacting her at a later time for the additional interview. Sgt. CLEVELAND and I left at that time.

#### Additional Contact with Jacqueline AMBRIZ

I had made several attempts to contact the REYES's attorney, Mike SULLIVAN, in hopes of completing the interview with Jose's cousin Jacqueline. During her initial interview it appeared she was extremely nervous speaking about Jose and/or anything that occurred at school with her parents present.

1

Case #13-9953
Detective PETERSON #104
Homicide

After numerous attempts failed on SULLIVAN's part to facilitate this meeting Det. DACH and I responded to Jacqueline's residence in hopes of talking once again with her parents. However, upon our arrival we found Jacqueline's father had left the residence to pick up her little sisters from school leaving Jacqueline alone. I had been told Jacqueline was afraid to speak with us and as not to create any unnecessary conflict, Det. DACH and I told her we would wait outside for her dad to come back. Jackie stated that was fine. I asked if she was ok with talking to us to which she responded she was. We then left the property and waited in our vehicles approximately two houses north.

Upon his arrival we were given permission to interview Jackie one final time. The interview was recorded via Det. DACH's audio recorder. The CD of that interview was booked into the Evidence Section.

I asked Jackie about the cell phone messages I had seen during our first contact. She explained the randomness in the texts as the conversation was between she, and three female friends, and one male friend. The conversation was over a period of time with the first texts being prior to the family being notified of Jose's death and the second set being after the fact. The cryptic appearance was due to it being to and from different people. We asked Jackie and her father if we could take the phone, but learned that the phone had been given to her younger sister to use and it had been taken back to the factory settings. Any information would have been erased at that time. They did not know the exact whereabouts of the cell phone other than it may have been "somewhere" in her bedroom.

Because Jackie had initially made statements regarding her protecting Jose, I asked Jackie specifically about her knowledge of Jose being "bullied". She could not give any direct information regarding this type of activity. She knew that there were several instances in which she would overhear conversations and other students would say Jose was "mental." She relayed that she always "stuck up" for Jose in these types of situations telling them to stop talking about Jose like that. I asked about the previous reference made to an incident during our first conversation in which she and Jose were waiting for a ride home. Jose was said to have been being picked on by someone and Jackie interfered. Jackie explained that she and Jose were indeed out front. Jose was in one area alone and she was with her friends. She noticed a few other students calling Jose to come over to where the students were standing. Jose was said to always respond to these types of requests happily. After Jose met up with the small group, they began making fun of him, repeating the words he used mocking the manner in which he spoke. Jackie responded and told them to stop it. She described Jose stopping mid-sentence to come up with the correct words to use and then would continue speaking.

Case #13-9953
Detective PETERSON #104
Homicide

Other students were described as thinking Jose's behavior was odd. Often he would be alone and sing to himself or he would begin to act and speak as if he was an army general telling his soldiers where to go and what to do. She did not know of any one person in particular or group of people that this would occur with.

She had no knowledge of Jose's relationship or lack thereof with either of the juvenile victims in this case or the teacher. Due to the lack of specificity of Jackie's knowledge the interview was concluded.

I asked Jackie if she was still afraid to speak with us. She stated she was not. She had been afraid that talking to the police would bring up memories of that day and/or what had occurred. She has since moved out of the Sparks Middle School into another middle school locally and is doing well.

As Det. DACH spoke with Jackie's father off to the side Jackie somewhat turned her back to the men and asked if I knew specifically who was bullying Jose. I informed her I did not and that's why we needed to speak with her. She requested that if that information was learned that I contact her again. I informed her that I would do that.

We concluded the interview, thanked the family for their cooperation, and left the residence at that time.

On 2/3/14 Det. DACH and I responded to the Sparks Middle School in hopes of completing the additional interviews with the juveniles there. Detectives MCNEELY, VASQUEZ, THELIN and BELLAMY assisted. As Det. DACH and I facilitated these interviews the other detectives completed them. Please see the individual detective supplements for further.

[Background conversation]

[Door closes – mumbling]

L1:

Do you speak Spanish?

L2:

Little bit, yeah, I understand it but I don't speak it too well.

SA:

Do you want us to wait?

L2:

No. no.

L1:

No. No, we're good to go.

SA:

We're good? Okay.

L2:

If you need anything, Carl is here.

[Door closes]

SA:

Do you want anything to drink, er -

LU:

No, no, I'm okay.

SA:

Okay, um, so . . . you're doing okay today?

IT:

Are you okay?

LU:

Yeah.

SA:

Okay. So, Lilia, describe José for me as a-a little boy, as a young child.

LU:

Well, as a mother, like always, he was always respectful, um, everyone, especially me, he was loving with everyone, always concerned about people. He-he was an

angel.

IT:

He was always respectful, he was a loving child and he was usually worried

about others. Um, and he was an angel.

SA:

Okay, uh-and what about, um, your pregnancy your-and delivery?

LU:

Uh-my pregnancy was normal, with no issues. But when he was born, he had the umbilical cord wrapped around his neck and they had to help him come out with forceps.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: Okay, um, she had a normal pregnancy, but during the pregnancy, during labor,

uh, he had the umbilical cord wrapped around his neck. And he had to get other

tests, uh, just, uh, brain at the time, just to make sure everything was normal.

LU: They helped with forceps.

SA: *Oh they used forceps for delivery?* 

IT: Oh forceps.

SA: Um, and do you remember what his Apgar score was?

LU: What?

IT: The Apgar score?

SA: Um- when babies are first born they'll give it- give you a number, um, to like

extremely totally fine is -

LU: [OV] Everything's fine. Everything was fine.

IT: Everything was okay? Okay, everything turned out fine.

SA: Okay so the cord didn't keep the air from -

LU: [OV] No, no, no, it took him-him a little bit to cry, but everything was fine.

IT: Okay, he cried a little bit but everything was normal after that.

SA: Oh, okay. That's good that he cried, the louder the better.

LU: Yeah.

SA: [Laughs] Okay, um, so tell me about the relationship between you and José.

LU: Well, we were always close. He always tried to protect me. Me, his sisters and his

father; but he was always more affectionate with me.

IT: He was very protective of her and her-and his siblings, sisters. Um and she -

L1: [OV] I think we need some Kleenex.

SA: Yeah.

L1: Should have seen this one coming.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA:

Yeah.

[Door opens, conversation pauses, door closes]

IT:

She was saying that he was very protective of her, of his mother and his sisters.

And he was, uh, more caring for his mother.

SA:

And w-how do you, how would you describe being protective? What does that

mean to you?

IT:

How-explain better protecting you more.

LU:

Um, well for example, if he saw that I was sick or something he was always asking: "Mom, are you okay?" or if I was going to go to the store, even if he didn't want to go, if he knew I was going by myself he would go with me to give

me co-company.

IT:

So, he was always asking: "How are you doing, Mom?" continuously asking, "How are you doing?" If she wanted to go to the store, uh, he would always, uh,

accompany her to the store or ask to go with her.

SA:

And what about his sisters?

IT:

And his-his sisters?

LU:

The same.

IT:

The same.

LU:

When he-I would let them go with my sister somewhere, he would take care of them. That they wouldn't get into trouble, that they didn't fight, he was around them like if it was me.

IT:

So, he was very protective with them. Um, if she went somewhere and she left him in charge of the house, he would, uh, basically take care of the siblings at the home, as if it was her at the house.

SA:

And how often did he have-did he babysit? His-both sisters or just one?

IT:

Did he care for the sisters daily, one?

LU:

No, he didn't take care of them. I left them with my sister and sometimes she would take them to the river or out, and-and it was when I was working, but my sister was taking care of them. But he felt the responsibility to-to take care of his sisters.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: So, his-her sister would be babysitting, she was the sole responsible of the

children, the taking care of them; but José would feel like he was obligated or he

would feel that he also wanted to take that responsibility to also watch after them.

SA: Okay and would he, um, discipline the girls or, um, how-how did he take care of

them with the, with another adult there?

IT: How-in what way, did he pun-pun –

LU: Punish. No.

IT: -- punish them sometimes or how-which way did he have that responsibility?

LU: No, it was like, if they climbed onto something that was tall, he would say: "Get down, you're going to fall". If they were fighting, "Stop fighting". He was very

calm, he didn't like to fight, he didn't like violence, everything was calm with

him.

IT: He would-he didn't violence, he's very passive. If, even though they were under

watch from the aunt or the sister, uh, if the children, the siblings were climbing up on something he would tell them, uh, "Get, hey, get down from there". Uh, if they were doing something that they shouldn't be doing he would tell them "Hey, don't he doing that". Fighting he'd any "Don't he fighting." Uh, and that's

don't-don't be doing that". Fighting, he'd say "Don't be fighting". Uh, and that's

kind of how he would just watch over.

SA: Okay, um, and did your one daughter find her, um, stone costume yet?

IT: Your daughter, did she find her-her —

LU: Her costume?

IT: -- costume?

LU: But – for my daughter? For my daughter or my son?

IT: Your daughter?

LU: I have two. Yes, she found her costume.

SA: The other day she told me that she wanted, they both wanted to dress up as

Monster High. And the one wanted to be, uh, the-the stone.

LU: Yeah.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

SA: And I said I was teasing her, and told her: "Well, good luck finding that rock

costume". And they giggled, they thought that was just the funniest thing, because

it was a character.

IT: That one of them couldn't find the costume.

LU: Hers, it's that, maybe, one of them was my niece, not my daughter.

IT: Oh, one of them was her niece –

LU: The little one, the one that couldn't find the costume is my daughter.

IT: Okay. The little one was her daughter the other one was her niece.

LU: Uh-huh.

SA: And then the other one was [UI] -

LU: [OV] The tall is my daugh-my daughter, uh-huh.

SA: Right, yeah.

LU: Yellow hair or blond hair, she's my daughter.

IT: So, what she said, that they just talked about the costume.

LU: Yes, she found it.

IT: Yeah, she did find it.

SA: [Laughs] Okay, um, so in your normal everyday life and it's just you and your

husband and the children. Who's the disciplinarian?

LU: Well, they-it's our custom that the father disciplines. But when it came down to

scolding them, I felt that he understood me a little better. With his dad as well, but

he was very close to me, so I felt that he, in some way-what I said was good.

IT: Okay, so cultural wise, traditionally, um, the male, the father would be the

discipline one. But he would understand her more or listen to her more if she was to say: "Hey, I need you to do this". And he would do it. Um, he was more, um, active when she would say something. She would- he would be- he would listen more when she would say something, even though it's custom that the father

would be the discipline one.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104 peterson liliana Urtiz 10312013130054001312

SA: Okay, is that due to the delivery of the, um, the topic, um, because does your

husband discipline him in one way but you can kind of verbalize it some-another

way that works better?

IT: Were they different ways you did discipline? For example, did your husband say

it too aggressively or did you say it another way, more loving? "Look son" -

LU: [OV] No, I don't think he was aggressive. Because we are the same, but because

of his feelings for me, what he was like with me, it was like he understood;

whether I yelled or not, or said things calmly it was like he knew or accepted what

I told him.

IT: Okay.

LU: No, he did-he complained like every other child but he always tried to be a good

boy. All the time, at his school, wherever, to-to get a good grade, to be good, so

it-so it would be said that he was a good boy.

IT: Okay.

LU: All the time.

IT: The-the forms are pretty much the same, other than he would just show more, uh,

caring or listen more with her if she was to say something to him to-to go do. At times, yes, uh, like any other child, you know, they would say, uh, you know, "I really don't want to do it", uh, but most of the times with her she-he would, um,

listen to her from what she wanted him to do and he would do it.

SA: Okay and the-the girls are they the same or are they different?

IT: Your daughters are they also the same or different?

LU: No, they are, uh, well the-the middle one reacts to how her father speaks to her.

With me, we always fight a little more.

IT: The middle child that listens more to her father, um, and with her she has a little,

uh, issues there in between; so it-there a little different.

SA: Okay, alright, um, and what other family members does José have here besides

Rosalin-Rosalina?

LU: Rosalina, my sister.

SA: Aha and that's who we were at the house the other day?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

Uh-huh.

SA:

Okay, and then her husband, I spoke to him as well.

LU:

Yes.

SA:

Oscar?

LU:

Oscar.

SA:

Okay, anybody else in the area?

IT:

Do you have other family members?

LU:

My brother. But he doesn't live here; he is in Kingman, Arizona.

IT:

In Kingman?

LU:

Uh-huh.

IT:

Arizona?

LU:

Yes, but he came back in July for my son's birthday.

IT:

Okay.

LU:

He was here.

IT:

So she has a brother, an uncle that lives in Arizona and he was here in July for a

birthday party.

SA:

Okay, and other than that he doesn't-he's, he's-your ch-José wasn't around the-

any of the other family members?

LU:

No, no.

SA:

Did he ever have, um, his own little, um, job at all? Um, maybe babysitting for a,

uh, relative or a neighbor or mowing the lawn or anything like that?

IT:

Does he-did he have jobs at home, little jobs like –

LU:

Yes, he would help me clean, vacuum; pick up, but-he even worked with us at the

restaurant.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104 peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: Okay, he did have chores, his normal chores at home cleaning the house, um, that

he would help her out with and also, he would also work at the restaurant with

them.

SA: And what would he do at the restaurant for you?

IT: What did he do at the restaurant?

LU: Squeeze the orange juice –

IT: [OV] Orange juice, make orange juice.

LU: -- um, cut fruit -

IT: [OV] Cut fruit.

LU: -- uh, arranged the glasses.

IT: He arranged the dishes and cut fruit and makes orange juice.

SA: And how often did he get to do that?

IT: What-how long has he done that?

LU: Well, the Saturday before this happened –

IT: [OV] Every Saturday? He went?

LU: -- he went-he went. Some Saturdays he would others not, sometime he went to his aunt's, if she was like going on vacation or went out; she would take him for the day and that night he would come back to me. They would just go to the lake and

then come back; that was when he didn't go with us. But he was fine.

IT: Okay, but Saturday's were the only day that he went to the restaurant to help?

LU: No, it wasn't always a Saturday or a Sunday. Sometimes it was a Saturday,

sometimes a Sunday. When he didn't have school during the week, sometimes he

would go then.

IT: Okay, so it wasn't consistent, sometimes it would be a Saturday, sometimes it

would be a Sunday, sometimes if they were out of school, he didn't have any

classes, uh, he would just go sometime in-in the weekday.

SA: Okay, so not a regular schedule?

LU:

No, no.

SA:

Okay. Did he have regular chores at home though that he specifically was

responsible for with no assistance?

IT:

His jobs at home were regular? Daily, that he had to lift, pick up --?

LU:

He always, uh-huh, every morning he would get up and clean his room, he would arrange, what was his room, his personal things, he would always pick that up.

When he came back he would help with the dishes, vacuum, or that, but that was

separate. So his job was always to clean his room.

IT:

Okay, so his main job or chore was to clean his room and he would do it every morning when he'd get up, uh, before anything else. Uh, when he'd get-when he arrived home, uh, he also had his other chores as in washing the dishes, uh,

vacuuming and picking up.

SA:

Okay, um, did you ever have to fix his-his work when he would like clean his room? Did you have to go in behind him and fix it for him at all or did he always have it just right?

IT:

Sometimes did you have to go in his room to-to arrange something there or daily did he do it by himself and you didn't have to touch anything?

LU:

He didn't really like anyone touching his toys, but they were in plain sight. Just like they saw when they went, everything is out in the open he doesn't hide anything. What-I would take his clothes in to him or that-but he would arrange it. He would help me arrange it when he was there. His dad or I could go into his room only his sisters couldn't because they touch-they wanted to grab his games and he didn't like it; or his toys and that was-that was what he didn't like.

IT:

Okay, everything that he-when she would walk in, uh, it was all visual, uh, in plain view, is what she would see. Uh, all his toys, all his items, all his personal belongings were in the area where she can see and they were all, uh-uh, arranged just fine. The only times that she would enter the room would be, for the most part, is that she would bring him his clothes, uh, whether it be after laundry or whatever. But in most cases, he would arrange his clothes into his closet or his drawers and she would just somewhat be standing by there just giving him the-his clothes and what not. The only time that he did not like anyone entering his room were his siblings—

SA:

[Laughs]

IT:

-- because he did not want his siblings touching his stuff.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104 peterson liliana Urtiz\_ 10312013130054001312

SA: Were they allowed in there when he was in there?

IT: Could his sisters go in when he was in the room?

LU: Sometimes they could but he would be the one to decide. Sometimes to see a

movie he would.

IT: Sometimes yes, um, but he usually makes that-that decision. Uh, sometimes they

would enter to watch a movie in his room.

SA: Okay, um, I know when your niece goes over he would seclude himself and shut

the door and she was not allowed in there to play the games with him. [Laughs]

IT: His cousin could not go in; he would close the door and would not let her in.

LU: No, he didn't lock the door-the lock, no.

IT: No, he would just close the door.

LU: He-he closed- no, but he would spend a little more time with her. The younger

ones were the ones he didn't want in there.

IT: So, there was one cousin that he would allow for the most part, but the -

LU: Jackie [PH].

IT: Jackie; would allow, uh, her to come in his room at times, uh, but the younger

ones were the ones that he would not allow in there.

SA: Oh, because Jackie's the one that says: "He'd never let me in and go play, I never

got to play you guys".

LU: Oh, no. That-not-not to play with him -

IT: [OV] Not to play.

LU: She could go in.

IT: She could enter but not to play.

SA: Oh! [Laughs]

LU: But sometimes he played with her there.

IT: And there were times that-that they would also play.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA:

Okay, okay. Um, so when he was feeling down or he needed extra support or extra encouragement; who is-who was the first person he'd go to? Was it you,

Rosalina, somebody at school, dad?

IT:

When he needed somebody to give him advice, community, incenti-

LU:

Incentive.

IT:

-- who did he go to?

LU:

Well, he really didn't-he didn't ask for anything like that. When he, let's say, he would ask me: "Hey Mom, do you think that girl is pretty?" He would ask me, he didn't ask his dad. And I would say: "Oh yeah, do you like that girl?", "Oh no, no, no, no". But he was very shy about that, so he wouldn't say if he liked her or not. He just wanted to know if I thought she was pretty.

IT:

Okay.

LU:

But that was all. To help with homework, if he thought I could help him he would sit down with me if not he would try to do it himself. So in that sense it was me. His dad would always say: "Go champ!" or would encourage him, but to approach someone for advice, it was a little more with me.

IT:

Okay, uh, he would go with her more to get, um, more the nourishment, uh, there were times when-when he would come to her and ask her about a girl, uh, he goes: "What do you —" instead of asking her, [stutters] the question would be: "What do you think about this girl? Do you think she is pretty?" And, uh, she would give her-her opinion about it. She would ask him; "Do you like that girl?" He would never answer yes or no he-he was just trying to get her opinion so that's kind of how he would, uh, address that towards her, um, she-he would feel more comfortable coming to her for anything, uh, if he needed help with school work, uh, he would come to her and ask her for help on it other than that he wouldn't ask anyone else for help with his homework, uh, he would just try to do his homework on this own. Um, and what was the second part? I don't rem-

LU:

I don't remember. No, but I said, he did-he did talk to his dad or he would always say –

IT:

Oh yeah.

LU:

-- "Hey Champ!" or that.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: So his father, his father would also give him encouragement. Um, and that would

be, you know, "Hey, uh, Champ" you know-you know "What's going on?", you know, so he would kind of give him that encouragement of-to give him a better

day that day, whether he be going to school or anything else.

SA: Was that helpful to José, when dad would do that?

IT: Was he-did he feel good, uh –

LU: When they said that to him?

IT: -- when they said that or talked to him like that?

LU: Yes. He always-well he had a smile all the time. So there was no way to think that

he was sad, he was laughing all the time.

IT: Okay.

LU: And he was always saying: "Hey mom, dad, I love you". So he would-five or six

times he would walk by: "Mom, dad, I love you", all the time.

IT: Okay, um, he'd-he'd, it did help him, uh, with the encouragement that his father

would tell him. Um, and most of the time, all the time he would, uh, he was always smiling, uh, he was always happy and in-when they would pass each other at

times, uh, José would tell them-both of them: "Mom, dad, I love you".

SA: Okay. Did José turn to you for help with school and more of the supportive role

after the incident that occurred a couple of years ago?

IT: He would go to you, uh, for help with school work, after the incident that

happened before?

LU: What incident?

IT: What incident? What incident happened?

SA: Um, when your husband was arrested for child abuse?

IT: When they arrested your husband.

LU: No, he went to his dad as well, with-with both.

IT: Okay, everything was the same, uh; he would go back to the two of them.

SA: Okay. And-so that didn't cause issues between the two of them?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

No. nothing.

IT:

Nothing happened?

LU:

No problem, he-he continued seeing his dad as, well like, he wanted to be like his

dad, all the time.

IT:

Okay. He look-he looked up to his father. So he would, everything was normal,

back to normal and he was-it was like a normal day.

SA:

Did he- did he talk to his dad about it after the fact?

IT:

Did he talk to your husband after it happened?

LU:

Yes.

SA:

And how did José feel about all of that?

LU:

Well at the beginning he felt like, well like he, the boy, had been disrespectful to his dad. But then after that, his dad was everything. Always, up to the last day he

always wanted to be like his dad.

IT:

At the moment he felt like that he lost respect for his father but he has always

looked up to his father and he always wanted to be like his father.

SA:

Um, okay. Um - and is there anyone beside you that he had a positive relationship with, um, as an adult? Besides you and your husband.

IT:

Has he had positive feelings or positive relationships with someone else, less than

you and your husband?

LU:

Well, I don't know what you mean, but-but -

IT:

Like-like a grandfather that he affection –

LU:

[OV] My dad-my dad came -

IT:

-- aunts, uncles, uh, cousins.

LU:

My dad came in December because he lives in Mexico and they interacted in December. My son didn't speak very much Spanish; the Spanish language was a little difficult for him, but when my dad was here he tried to say everything in

Spanish because he knew his grandfather didn't speak English.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: With his grandfather, his grandfather, uh, had come up to visit. Did he live in

Mexico?

LU: Yes, he lives in Mexico.

IT: Lives in Mexico. His grandfather lives in Mexico so he came up to visit -

SA: In December?

IT: In December?

LU: December, yeah.

IT: Yes. And, uh, so he didn't speak a whole lot of Spanish, José didn't speak a lot of

Spanish, so he made every possible ends to speak Spanish so that he can

communicate with his grandfather.

SA: Okay, so he tried to have that relationship with your-with your father?

LU: Yeah, my-my father.

SA: Okay and in the home do you speak mostly Spanish or English?

LU: Spanish.

SA: Okay, to the children?

LU: Yeah.

SA: And they speak English back?

LU: Uh, José, yes. But the girls they talk to me in-in Spanish.

SA: In fac-because you understand English fairly well –

LU: Yeah.

SA: -- actually. So it-so he would use English all the time?

LU: Uh-huh.

SA: Did he ever-he never used Spanish?

LU: My son, yes. To tell me, um, like when he thought I couldn't understand what he

was saying, he would try to say it in Spanish.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_10312013130054001312

IT: So when she wouldn't understand something in English then he would translate,

he would say it in Spanish so that she could understand. But most of the time it's

in English.

SA: And why is that?

IT: Why was that?

LU: I don't know. I don't know, but Spanish was always difficult for him, but he liked

it very much.

IT: She didn't-she didn't, she doesn't know why but, uh, Spanish got hard for him to

speak but he would try-always try to make an effort to try to keep up on his

Spanish.

SA: Interesting.

LU: He would even say that he was a Mexican from Reno, Nevada. He would say that.

IT: He said that he has always been a Mexican from Reno, Nevada.

LU: Yeah.

SA: [Laughs]

LU: All the time [UI].

IT: He has always said that.

SA: Awe, okay, um, so tell me about a typical school day for José.

LU: Well, he would, uh, he always wanted to arrive early, he didn't like to get there

late. He came out, [I] picked him and his sisters up and we went home. And we were there, we made something to eat or that; we would wait for his father to arrive around 5:00 and we waited to eat with him. He would go up to see

television or he was with me, he would ask me something just to get my attention

and that was it. It was all good.

IT: He was always looking forward to get out of school early, get home early and

spend time with his, uh, siblings, with her. They look forward for, uh, dad to get home from work. Uh, he would also help out, uh, cooking at times and they're

waiting for dinner so they can all sit down and have dinner together.

SA: Okay, and how did he, prior to you moving to Harry Ore [PH], how did he get to

and from school?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

IT:

Before you moved, how did he go to school and to the house?

LU:

How-how did he go?

IT:

How did he go to school and come back from school?

LU:

I-same, I took him to school and I picked him up.

IT:

She would take him to school and bring him home.

SA:

Okay, um, and so you would only go to the restaurant while they were at school? So you were their primary giver before and after school?

LU:

Yes. I-I took, well; I took him and then I would go to work and leave to pick him up. But he wouldn't go to the restaurant. Well-there were times that he did, when his dad picked him up, he would go to the restaurant to wait until I finished doing whatever I was doing.

IT:

So she would pretty much take care of him in the mornings, take him to school, drop him off, she would go to work and she'd get off of work early to go pick him up and then they'd go home. There were times when her husband would pick him up and, uh, times that they would also go, um, to the restaurant so her husband would take him with him-to the restaurant and other times he would-they would just go home.

SA:

Okay, and what about during the weekends? Tell me about a typical day then.

IT:

The weekends, how were they [UI]?

LU:

The same. He woke up to shower, if he was going to work he would shower and change and I had his clothes ready and cl-clean. Um, sometimes he brushed his hair and other times he didn't, but he always had short hair. And, well, to leave with me; sometimes he would even help me start the truck. He would be ready and say: "Mom, we are going to be late, hurry up", looking at his watch all the time.

IT:

So, it was pretty much a typical day, uh, saying he'd get up, uh, shower, dress, um, he would help her start the truck, uh, start warming it up, he would always, uh, tell her: "Hey, we got to get going, because we're going to be late". Uh, he's contin-uh, continuously always looking at his watch, uh, telling her, he was always reminding her: "Hey, we got to get going, uh, if not we're going to be late".

SA:

What do you mean help you start the truck?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_10312013130054001312

IT:

How-what start the truck?

LU:

He-he would start it, it was -

IT:

[OV] He would start the truck.

LU:

Uh-huh.

SA:

Oh.

LU:

And-and he wait, he didn't always stay there, he would come and say: "Let's go,

let's go, hurry".

IT:

So you were getting ready?

LU:

Yes or getting the girls to take them to the babysitter.

IT:

Oh, okay.

LU:

They didn't stay at the house, I took them to the babysitter and he'd be: "Hurry,

let's go, we're going to be late, let's go!"

IT:

So he would help her-help her out because she would be getting the siblings ready, uh, because she needs to take them to the babysitter and, uh, so he would

go out start the truck and then he'd come in -

[Sniff]

IT:

-- uh, and say: "Hey, come on, let's go, let's go, we're going to be late, let's go!"

Um, while she is trying to get the other children ready, um, so there were times

when he would help her out.

SA:

Why did they have to go to the babysitter?

IT:

Why did they go to-with the babysitter?

LU:

Because I worked.

IT:

Because she would go to work.

[Sniff]

SA:

I thought they were in school.

LU:

Oh, no, no –

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT:

The weekends.

SA:

Oh weekends, okay.

LU:

Saturdays and Sundays, yeah.

SA:

And José would go with you to work or he'd stay home with his -

LU:

No, no, sometimes he stayed with my sister, sometimes he went with me, when we lived closer sometimes he would stay there; our neighbors were right next door, so for anything they could call me. But he stayed there.

IT:

Okay, uh, at your house-his house?

LU:

Yes, not at this one, but yes where we lived before since it was very close to the

restaurant.

IT:

Okay, so the house that they used to live at, closer to the restaurant, there were times that he would just stay home, there were times that he would go with his aunt and his siblings and there were times that he would just go to work with her.

SA:

So, he was allowed to stay all by himself?

[Sniff]

LU:

Only the days when my neighbors were there.

IT:

But that was when she-her neighbors were next door and he would stay there at times.

SA:

Okay, how old was he when he first started, um, behaving in a way that everything had to have its place and everything had to be just perfect? So his hair,

his clothing, everything?

IT:

When [UI] when did you see, when he wanted everything perfect? When he wanted his things perfect, he wanted to brush his hair perfect, good -

LU:

No, he was always like that because his-his cars, he was-when he was little he collected small cars; well he didn't collect them but he was interested in them. He always played with them but he would put them all back, parked just like that. He was always like that, there-there wasn't a specific day.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: Okay. Since he was a child or younger he's always been like that. He had always,

uh, liked having, uh, liked having, uh-uh, Hot Wheels, I assume, little cars and he would always just arrange them perfectly in his room. So he is always-he always

had that thing with-of him, for him, uh, arranging things perfectly.

SA: Okay. Oh, you scared me; I was like what is that? Um. . .

IT: Do you need water or anything?

LU: No, I'm fine.

IT: I didn't know, because you looked at him-I didn't know if you needed some water

or use the bathroom, anything else?

LU: No, no, no.

IT: Okay.

L1: The bathroom, yes.

IT: You need to use the restroom?

L1: Uh, yeah, but let's go for another half an hour though.

IT: Okay. Are you sure?

L1: Yeah, yeah.

SA: Oh anytime, if you need to --

L1: Is-is this being recorded?

SA: Ohm- I believe so.

L1: Okay.

SA: Did you want --?

L1: No, I want it to be.

SA: Yeah, okay, yeah, yeah, yeah. I'm just trying to make sure that he didn't- yes, it

should be. Um, and anytime you want to take a break say: "Hey, were going to

take a break".

L1: I will, I will not be bashful.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

SA:

Okay. [Laughs] Um, did José keep a journal or a diary of any kind?

IT:

Did he have a notebook, a daily, a place to write --?

LU:

No.

IT:

-- where he wrote something?

SA:

No?

LU:

No.

SA:

Okay. Um, does he ever-a friend named Jesse [PH]? Do you know somebody

named Jesse?

IT:

Does he have a friend named Jesse?

LU:

No.

SA:

No.

LU:

No, I hadn't heard that name.

IT:

No, she's never heard of that name.

SA:

Okay, did he talk about his friends?

LU:

Yes.

IT:

Did he talk about his friends? Yes.

SA:

Did-eh, by name?

LU:

Mm...yes. He named a Noah [PH], Noah or something like that, Noah.

IT:

Noah.

LU:

Was his friend, um, David -

IT:

David, Noah.

LU:

Emilio, José - he mentioned several, not one in particular all the time, but they

were the friends that he mentioned at times. He said they played basketball.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: There just various names that he would just, uh, say or tell her about but they

would just play basketball.

SA: Okay. And I know he went to speech therapy for quite awhile you had said that he

started in Kindergarten. Um, did he speak with kind of a-a lisp of some sort or

what was the speech issue?

IT: He had-it was hard for him to talk sometimes? Pronounce his words?

LU: Yes. Some-sometimes he had a problem expressing himself.

IT: Okay.

LU: But if he couldn't in one language, he would try in the other and if that didn't

work; when he was younger he would draw me pictures, so I could understand.

IT: Okay, so he had, uh, a hard-a difficult time to express himself. So when he was

younger he would actually draw pictures to express himself or show her what he

means.

SA: Okay. Is that because he doesn't-he didn't have the words or is because it didn't

come out correctly?

IT: Did he not have the words or did they not come out correctly?

LU: I think he didn't have the words, I really don't know, I just know that he

sometimes he couldn't express himself well. The only think I do know is that, when it was basic stuff, he could do it but he would have difficulty with the

harder words. Yeah, but he was always trying; he always tried to do things.

IT: This-from what she knows or understands the whole thing, she-he just had a

difficult time expressing the words, um, but he would always make an effort to try

to overcome that and try to get those words out.

SA: *Eh-how?* 

IT: What way?

LU: Well, however he could, he would ask me, he would ask his dad, his sisters, his

cousin until he figured out how to say the words.

IT: He would always ask around to family members, ask her, her husband, sisters,

cousins, aunts, everyone else how to pronounce cer-certain words.

SA: Okay.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: So he is continuously always asking.

SA: Okay. Um and how did the family, um, react or perceive José? How did they react

to him?

IT: How did the family accept him? Did they accept him well or-or another way?

SA: In the past.

IT: In the pass [sic].

LU: It was always good, all the time.

IT: They have always received him just fine, at all times.

SA: Okay. Even when he would kind of seclude himself from the group?

IT: Also when he left the family group?

LU: Yes. Everyone, everyone, like I said, anyone that met him, knew that he was a

loving boy and very respectful of people. He was always respectful of people.

IT: Even at times when, uh, he was a very respectful child, uh, pe-people already

knew that he was a caring child, um, very respectful to-towards everyone.

SA: And again when he would seclude himself from the group, um, they didn't think

that that was-they didn't say anything to you about that being odd or that they

didn't like that or --?

IT: Did other family members ask you why he would lock himself out of the family

sometimes? They haven't asked you why or --?

LU: No. No, because he wasn't like that. Yeah sometimes he would play with the kids,

get tired and go to his room to watch cartoons or to mine or the living room; it

wasn't like he would lock himself in to not come out, no.

IT: Okay.

LU: The kids could come with him if they followed him where he was since he wasn't

where they were. But he was always trying to make friends and to be happy with

the kids.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT:

He was really never like that, seclude himself from everyone else, there were times when he would be playing with other children, um, and he would get tired of playing so he would just kind of go in his own room and go do his own thing, ready to go watch cartoons, or go do his thing. But sometimes some of those children would come into his room and-and follow him, uh, but he would never seclude himself from them at that point, just, always, there was times when he wanted his own space and-and from what I gather, and there were times that he was just kind of he would play.

SA:

Okay. Um and let me, let me kind of explain the, um, when you had said that José had been diagnosed with autism. There are certain personalities traits in children like that, so a lot of the things that, um, have been said, like-like Jackie or-or whatever the family members. Those things within that child, within him are normal for autism. Or-and normal for him if that was the case. So I don't want you to think that, um, he was, you know, that we're thinking that he was totally different or totally odd and nobody-that's not the case. He was normal for José.

LU:

What?

IT:

Was he autistic?

LU:

No, well, the Friday before all this happened, they said he had symptoms of

autism.

IT:

Okay.

LU:

Many of the things were autistic. We thought it might be but whenever we took him in, it was always said he was normal. So he said, that time my-my husband told me, I think these are autistic symptoms, is what the psychologist said, I told him; I felt bad, I did cry. So my son followed me where I was and told me: "Don't worry mom, I will be fine, the doctor will heal me". But it-he was worried about people —

IT:

Um-huh.

LU:

-- that they wouldn't feel bad. Not just his mom, the people that were around him.

He didn't like to see anyone sad.

IT:

Okay, what she said is, when you found out about him, what he had, that everything was normal for a person that has autism-that is normal, is what she wanted to explain to you.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

LU:

Look, he wasn't abnormal. He wasn't abnormal, when asked something he would answer. The only problem that he had, that you could say he struggled with, was talking. But more than that, his under-his understanding, his head reacted to everything he was told. I talked to him in Spanish, he didn't talk very much

Spanish and he understood everything.

IT:

Okay.

LU:

If I said: "Take this down, take this up". He understood what I was saying.

IT:

He-he was a, the way she saw him and perceived him he was a normal child, the only difficult time, difficult thing that he had was trying to say-say some words. Say certain words and that was the only thing. Other than that he would process information, what people tell him, like any normal child would, um, he would understand everything, whether it be Spanish or English. Um, uh-uh he was a

normal child it's just that he had speaking at times.

SA:

And what was she talking about with the autism?

IT:

Oh, she was telling me that, uh-uh, the doctor had given him information that he had some symptoms of autism at that time.

SA:

On the  $18^{th}$ ?

IT:

The 18th?

LU:

The 18th

IT:

Yes. And she was worried about that, she-she was very emotional about it, uh, she cried and then he would come to her and tell her, he said: "Don't worry mom; everything is going to be fine, the doctor is going to cure me". But the reason why he would say that to her was because of the fact that he didn't want everyone else to be worried about him. So he was always thinking about others instead of himself.

L1:

He José or the doctor?

LU:

Yeah, José.

L1:

José?

IT:

José.

L1:

There's no diagnosis of autism?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU: No, not yet, no. But-but the doctor did tell us that there were symptoms, so there

were symptoms -

IT: [OV] So the doctor had told them that there are some symptoms of autism—

LU: Uh-huh.

IT: -- of course as the child; the boy didn't understand that there isn't something --

LU: Uh-huh, to worry about.

IT: -- to heal it. Yeah.

LU: Oh, exactly.

IT: Right, so the child didn't understand that there was a cure for it, uh, but he just

didn't want everyone else to be worried for him, about him.

SA: After the doctor's appointment on the  $18^{th}$  did they sit down and and explain with

you, explain to you, um, all of the notes that they took about him being diagnosed

with depression and all of that?

LU: Not with me, the-the appointment was with my husband. I didn't-I know about it

through my husband.

IT: Okay, not with her, the doctor didn't go with-over things with her; they went over

things with her husband.

SA: Oh.

IT: And then she, um, was informed by her husband of things.

SA: Okay, um, the medical release that-that we had-we got from you.

LU: What?

IT: The paper that-that you signed so they can receive the medical records of the boy.

SA: Um, allowed me to-to get, um, those notes.

IT: So, when, because you signed that, she was able to get the doctor's notes.

SA: And, um, before you leave today I'll make sure that you have -

IT: [OV] And she will give you –

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA:

-- those.

IT:

And she will give you those, after, before you leave now.

L1:

I'm sorry, those notes?

IT:

Yes.

L1:

Thank you.

SA:

Yeah, um, yeah, we'll make sure that that happens.

L1:

Okay.

SA:

Um, okay, um, where you or any of his other family members, um, ever-ever

afraid that he was going to be violent with anybody?

IT:

You or other family members had thought before that he would be viol-violence

with you -

LU:

[OV] No.

IT:

-- or any family member?

LU:

No.

IT:

No.

SA:

Are there any other boys in the family that he played with?

IT:

Are there other men, boys--?

LU:

Yes, but he didn't see them all the time. In July he saw my-my nephew and well

on the contrary, we were surprised to see him play, to see him play with him, that

he would lend his things.

IT:

Not all the times but at times that he has a-a-she has a, uh, nephew that would

come play with him and he would play.

SA:

And how old-

LU:

In July.

IT:

In July.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_ 10312013130054001312

SA: -- how old is he?

LU: He's, uh, nine years old.

SA: Nine, so the same age, almost –

LU: Like my niece -

SA: -- no, two years younger, okay. Um, and he only came in July?

LU: Yes, well he came in July. Yeah, he come in July.

SA: So the majority of the time he is with his two sisters and his, uh, little cousin

Jackie and –

LU: [OV] And Amy.

SA: -- and Amy, okay, okay. So they don't play WWE and all that with the girls?

[Laughs]

LU: Oh, no, no, no, no. He didn't-he didn't like any sport where there was hitting.

IT: Okay.

LU: He didn't like it.

IT: He didn't-he didn't like any sports that, uh, [UI] violence, as in hurting.

SA: Well-

IT: [OV] Like-like American football or that sort of thing?

LU: Like, for example, box, all that – no.

IT: So, he didn't-he didn't like any contact sports, is what she is saying.

SA: Okay.

IT: So -

LU: [OV] He had games because his ne-his cousins gave them to him but it wasn't

that he, I mean he had video games, but he didn't like that, those sports. He never

told me: "Mom, I want to be there". No.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

IT: Okay, so he-he did, he didn't like playing any contact sports and the example she

gave was boxing. Uh, even though he has video games there showing, you know, violence or contact sports, but he had never told her that he wants to be like

someone in the video game.

SA: Okay. Have you ever looked through his video games? Have you ever played them

or watched him playing?

IT: Have you looked at him play one of those games?

LU: Yes. No, of violence? No, just the ones-well yes, any game, yes. Yes, I have

watched him.

IT: Okay. She has, yes.

SA: Grand Theft Auto 5?

IT: Have you looked at the-a game called Grand Theft --

LU: Uh-huh.

IT: -- Auto 5?

LU: Yes.

IT: Five?

LU: Yes.

IT: Yes? Yes. You know which one it is?

LU: I don't know what it all has but he always told me: "Mom, I know this is fiction".

And it was always explained to him, because he always had games, uh, ab-about, similar to those games, he always had them and even then he would always tell

me: "This is fiction". Okay, is fiction.

IT: So she-he would always tell her that he understood that these video games are

fiction and he understood that they were just fiction - type games.

SA: Okay. Um, okay. Does he-has he ever had any mayor medical issues, mayor

injuries at all?

IT: Has he had traumatic experiences? Traumatic blows? Ever?

LU: No.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT:

Nothing has ever happened?

LU:

No.

IT:

That he has gotten hurt?

LU:

Him- you mean him?

IT:

Him.

LU:

No.

IT:

He's never gotten hit?

LU:

No.

SA:

Has he ever fallen and-and, um, like broken a bone or hit his head with a

concussion or stitches?

IT:

Broken bones?

LU:

No.

IT:

Hit his head hard?

LU:

No.

SA:

What about when he was playing soccer?

IT:

When he plays soccer? Soccer?

LU:

Well he played with his friends but he wasn't on a team.

IT:

Okay. He would only play with his friends but we would never play in, uh, in an

organized league.

SA:

Oh. Okay, I-

IT:

At school or where?

LU:

Yeah at school because he never went out by himself.

IT:

Okay. So he would only play soccer at school with his friends.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

SA: Okay. Um, you guys never tried to get him on a soccer team or a baseball team or

anything like that?

LU: Just several years ago in, um, Martial Arts.

IT: Okay.

LU: He was there but he was little. But as soon as it came to hitting, because they were

teaching how to hit, he didn't want to go anymore.

IT: So when he was younger he had, they had put him into martial arts and then he

realized that its contact and he didn't like it too much, so that was the only time.

SA: Okay. Um... and anybody in your family ever have any mental health issues, um,

schizophrenia, bipolar or anything like that?

IT: People in your family that have had medical things, like, um, craziness, um -

LU: Schizophrenia?

IT: Schizophrenia?

LU: No.

IT: Ever-no one?

LU: No.

SA: Okay, what about anything within the autism spectrum or asperger's or down

syndrome? Anything like that?

LU: No.

IT: Had autism in your family?

LU: No, and the Down syndrome either. No.

IT: Okay, or not a down syndrome, nothing.

SA: Nothing? Okay. Um, did he ever, um, try alcohol or drugs or anything like that?

LU: [UI]

IT: Has [he] taken drugs, uh, alcohol?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

No.

SA:

Well, some kids by the time they [UI] they actually try it -

LU:

[OV] He might have tried it with his finger or something but other than that, no.

IT:

Okay, he had tasted it with his finger, uh, before -

LU:

I'm saying, maybe, but he never drank alcohol.

IT:

Okay. As far as she knows he's never drank -

LU:

Or drugs either.

IT:

-- or taken drugs.

SA:

He does communion though, yes?

LU:

What?

IT:

He, uh, when he goes to mass -

LU:

He didn't take communion yet.

IT:

Oh, he has not done his first communion yet.

SA:

Oh, okay. Okay. Um, did José know that you had the gun?

IT:

Did José know you had the gun?

LU:

Yes.

SA:

Okay, and did his dad ever take him out and sh-um, show him, um, the do's and

don'ts and-and show him how to -

LU:

No.

SA:

And what it would do if you-if you shot it?

LU:

Did he know how to use the gun?

IT:

José taken it-your husband has taken your son out to -

LU:

[OV] To show him how?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

IT: -- to show him how to shoot?

LU: No, no. He knew they were there, not-not where they were, he knew that we had

two guns but he never used them. No, no.

IT: Okay, he's never taken him out, uh, he knew that they had two weapons in the

house but he didn't know where exactly they were in the house.

SA: Okay. What about his BB gun? Was he allowed to go out and shoot his BB gun?

IT: The toy gun, the BB gun?

LU: That is his.

IT: That one - that one was his.

LU: But-what are you asking?

IT: Could he go out with that one --

LU: No.

IT: -- and shoot it?

LU: No, neither. Those-the BB guns, I think, I got rid of them recently; no, he never

used them. It looked like it had one inside because he tried to put it inside-from the top; but that was a long time ago. He had that for like two years I think.

tile top, out that their a tong time about ---

IT: Okay, so he has had the BB gun for about two years and back then, uh, he had

taken a BB and stuffed it through the barrel and [UI] -

LU: [OV] That's why when you move it -

IT: -- that's why it sounds like when you shake it, it sounds like there is something in

it.

SA: So he's never shot it?

IT: He's never shot the BB gun?

LU: No.

IT: No.

SA: Did he ever look it up on You Tube to see what it would do?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: Has he looked on the internet? On You Tube? How you use a BB gun?

LU: I don't know. I couldn't tell you but that I know of, no.

IT: As far as she knows she does not know.

SA: Okay and what about any of his uncles? Did they ever show him the dos and the

don'ts of --?

IT: Have his uncles taught him how to shoot a gun?

LU: No. He didn't have a lot of contact with his uncles.

IT: He's never had too much contact with his uncles.

SA: Okay. And the reason I ask is this is Northern Nevada and it wouldn't be

abnormal for that-for those things to occur on a weekly basis. So -

IT: What she is saying is-is that because we live in Nevada and it is not abnormal to

go shooting on a weekend or weekday.

LU: No.

IT: It's something normal that people here do.

LU: Yes, but not my kid.

SA: Okay. Um and how was your-how were the two guns kept? Were they, um, in a

case with the magazines, with the ammo, anything like that? How were they kept?

IT: How did you keep the guns?

LU: Well, I don't know, I can say, one was in the case and the other was in a box that

it came in. But I couldn't say what was there and what wasn't because I never

paid any attention to them.

IT: You didn't look to see if the magazine was there with the gun [UI] -

LU: [OV] No, well the magazines were probably there but it wasn't loaded, I'm

almost certain about that. And-and I don't know more than that. I don't know if

there were instructions, like she said, a magazine, no, I don't know.

IT: And bullets? Did you see bullets?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson\_liliana\_Urtiz\_ 10312013130054001312

LU: No. There were no bullets in my house. Maybe the ones that it came with, but

there weren't any bullets.

IT: Okay. She-she knew that the magazines and everything else is there but she didn't

know exactly how or what because she didn't really pay attention, uh, one gun was in a case that came with the gun and then the other one was in a box. In a

box, right?

LU: But that came with the revolver; it was a revolver.

IT: Okay, so the revolver was in a box that the gun came with. And the other was in

what?

LU: In its case, a case metal.

IT: So both of them were in the case that they came with?

LU: Uh, one of them in a box that it came with and the other in a case, because the

case it had more, you could say it had locks and the box just had the gun on top.

IT: Oh, okay. So the revolver was in a case that the gun came with, that's how it

came.

LU: No, I think -

IT: [UI]

LU: No, I think is the revolver is on the box.

IT: Oh the box.

L1: There you go.

LU: And the nine milim - what I know is that it is a nine millimeter -

IT: Okay.

LU: -- that was in a case.

IT: In a case. Okay, so the nine was in a case that was able to be locked. That was

lockable. Can you close it?

LU: Uh-huh, no-no-not with a lock but like one of those bolts so that it doesn't open.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

IT: Okay, so just a-just a snap, a snap lock in there but you can't lock it, it was just a

snap box and then the other was in a case that the gun came.

SA: And you kept them loaded?

IT: Did you have them, uh, loaded?

LU: No.

IT: No.

LU: Well –

IT: Loaded-loaded with bullets?

LU: No-not that I remember.

IT: No, not that she knows of.

LU: No, I never used it for any reason.

IT: She's really never paid attention to it.

SA: Jose's never showed you how to use it if necessary?

IT: Your husband has never shown you how to use it, if you need to use it?

LU: He just told me once that it had a safety but he didn't show it to me. He just said this is – no. He said it had a safety and I was fine with that, but-because I have never been interested in them. My son didn't even have guns-his first water guns he got when he was like 8 years old. When he was little he never had-he never

had a gun; my son.

IT: Okay, so her husband has shown her just briefly how to use it, just to kind of tell her where the safety would have been but she really never paid attention about how to actually use it. Um, and then she explained that her son always somewhat had guns like a squirt gun since he was a child. So he's kind of had the knowledge

of how to shoot one because of the-the uh, squirt gun, water gun.

SA: Okay, and on any of the video games; do they have the separate controllers as -as

guns or is it just the little –

LU: Little boxes – it didn't have –

IT: Were the controllers like guns or normal controllers?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU: They are controllers – they are normal for the X-box.

IT: So their-their game pads is what she is explaining.

SA: Okay. Um... did he ever show interest in wanting to learn at all?

IT: Did he pay attention that he wanted to -was he interested, did he want to teach

himself to shoot a gun?

LU: He never told me.

IT: He never asked you?

LU: No.

IT: No, he's never asked her.

LU: And he never showed me anything. That-that he wanted to learn no.

IT: He's never told her or given her any type of interest that he was interested in

wanting to learn.

SA: Okay. Um, has José ever lost anybody close to him, to death, before?

IT: Has your son lost anyone close to him, family member or friend or anything --

LU: [OV] No. But some time ago –

IT: -- that has dead?

LU: -- one of his friends died, of a gunshot, I don't know if it was accidental or not;

I'm not sure what year that was, he was still in the-in elementary school.

IT: Okay, it was awhile back he had a friend that had died from a gunshot wound.

She doesn't know if it was accident or what it was and that was - what-what class

was he in? Elementary?

LU: In Elementary but I don't know what year it was, I don't remember the year, I

don't know if it was fourth or fifth; the boy was not in his class but-but that did

make my son sad.

IT: So there was the child, they were-this was back when they were in Elementary,

uh, possibly the fourth grade, fifth grade, she isn't-doesn't recall which one. The kid was not in José's class but they were friends. Um, the kid died from this

incident, um, and José was sad from that.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA:

What did he say?

IT:

What has he said?

LU:

That-that the guns-well I always told him, they are-are dangerous; he said maybe he didn't know that he shouldn't touch them. But he was just sad; he told me: "Mom, I'm sad for my friend. He shouldn't have played with it". Like that.

IT:

He, the child, José was al-was sad about the incident, about the loss of his friend, uh, but he also recognized, he knew that, uh, you don't mess around with guns, you don't touch them, you don't play with them, nothing.

SA:

Okay, um, do you know what the boys name was?

LU:

Gino.

SA:

Okay, um. . . [sigh] this goes into the-to the next phase, do you want to take a

break?

L1:

What's the next phase?

SA:

Oh, the daily like what he did last, during the break and -

L1:

How are you doing? You okay?

LU:

Yeah.

L1:

You want to keep going? [Pause] You want to take a little break?

LU:

Yeah.

L1:

All right, let's take a break.

SA:

Do you want soda or some water?

LU:

No, I'm okay.

SA:

Are you sure? Okay.

LU:

Yes, thank you.

[Interview pauses at 00:59:29]

[Lawyer has a phone conversation]

SA:

Do you want some water?

LU:

Okay.

SA:

[UI] juice [UI]?

LU:

Juice box?

[Lawyer ends the conversation on the phone]

L1:

Are you, uh, in the local office, FBI?

IT:

Yes.

L1:

Are you?

IT:

The Reno, RA, Resident Agency.

L1:

Yeah, right. How long you been in Reno?

IT:

Um... 14 years.

Li:

Jesus. [Pause] Just got through working with, uh, the, uh, agents, uh-um, [UI] case, they're the ones that gave them the, uh, gosh, I forgot their names already.

IT:

Glen Lovedahl?

L1:

Huh?

IT:

Glen Lovedahl?

L1:

No, uh, the girl -

IT:

[UI] bigger a little more friendly?

L1:

It looked like the Special Agent assigned to the case; she's the one that went

through all the documents in Las Vegas, found stuff-

SA:

Take your pick [laughs].

IT:

[OV] The case agent?

L1:

Yeah.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: Okay, I don't know her name; she's from-she's actually down in Vegas.

L1: She's from Vegas -

IT: Yeah.

L1: Oh, okay. All right, yeah.

[Interview resumes at 01:15:17]

SA: I think what we are going to do, in the interest of time is go ahead and have, um,

José start with Kevin, with the other translator, just in case, in-in, uh, another, the

room right there –

L1: Okay.

SA: -- if that's okay with you?

L1: Yeah, that's, eh, fine with me. My partner has go to pick up his wife and take her

to the airport so I'm going to be shuffling back and forth which is fine; if that's

okay with you?

SA: Okay, as long as -

L1: [OV] You don't mind if I step in there and come back and go back and forth?

UM: That's the exact same question, so it's nothing weird and, um-um, I just thought

that you guys -

L1: [OV] [UI]

UM: -- so courteous to come down here, I really don't want to waste too much of your

time.

L1: I appreciate that very much, I really do.

UM: Okay.

Life goes on but, um, yeah, let's get going [claps hands].

UM: Thank you very much.

SA: You want to show him which room are you in, because I'm using 204 -

UM: Yes, 204 is the one right here, the-not the first one but the second one right there.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

L1: All right. So we'll-I'll let Mike sit in there until he's got to go and then I'll shuttle

back and forth.

UM: Thank you so much.

L1: All right, thank you.

SA: It's not set up, Kev.

UM: I'll do it.

SA: And he does want video or audio, please. Or recorded -

UM: Sure, no problem.

SA: All right. Um, so, the week that, um, José was out of school for the-our first fall

break actually, um, can you tell me what he was do-what he did during that week?

IT: The week of vacation –

LU: Uh-huh.

[Phone rings]

IT: -- what did he do that week?

LU: The same as always. Get up, go to work, go with u-to his babysitting.

IT: The same; getting up, um, going to work, uh, sometimes going with-with the

babysitter.

SA: Okay, um, and he had gone to Doctor M. on Friday, the last day of the break,

right?

IT: He went to the doctor on Friday?

LU: The 18<sup>th</sup>, uh-huh.

IT: The  $18^{th}$ .

SA: And, um, he started the prescription medication on Friday, did you get it filled

that day?

IT: When did he start his -?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU: We fill-we requested it that day. But he started on Saturday. He started Saturday.

IT: So they asked for his medication that day but he didn't start until Saturday.

SA: Saturday, okay. How did he feel about taking that?

IT: How did he feel about taking it?

LU: He say good.

IT: Good.

SA: How did you guys put that to him? That he was going to be taking that?

IT: How-how did, how did you present that he-that he was going to take the

medicine?

LU: No - eh, just that the doctor said to.

IT: The doctor said it and he accepted it on his own.

SA: The doctor told him himself?

IT: The doctor told him?

LU: I don't know. I don't know.

IT: She doesn't know.

SA: Okay, how was he told then?

IT: How-how was he told?

LU: I just gave him the pill.

IT: She just gave him the medication.

SA: Okay, so when José and-and dad left the doctor's office, what was José told about

that visit to the doctor and the outcome of that as well? Because you said he was

upset so, what was he specifically told about it?

IT: When they left from-from seeing the doctor, what especially did they tell him?

LU: I-I don't know he was with his dad.

IT:

She doesn't know; he was with his dad.

SA:

Okay, okay. Um, and then on Sunday after he started taking the medication was

he a little bit different, was there anything different about him?

IT:

Did he look different after he took the medicine?

LU:

No, no, maybe relaxed nothing else.

IT:

Just really relaxed, nothing different.

SA:

Okay, so, um, he wasn't more boisterous than normal or quiet than normal or,

um, emotional than normal?

LU:

No. Same.

IT:

He didn't feel -

LU:

Different in emotions - no.

IT:

No. No.

SA:

Okay. Do you tuck him in at night?

IT:

Do you-you put him in bed at night?

LU:

Yeah.

SA:

Sunday night?

IT:

Sunday.

LU:

Sunday.

SA:

Did he-did you, did he say anything that stuck out to you?

LU:

No.

SA:

No, okay. What about the girls?

IT:

The girls?

LU:

No, the same, just their blessing and to sleep.

IT:

Okay, just the blessing and they go to sleep.

SA: Okay. Uh- and then when you would watch José interact with others, what did

you see?

IT: When you see José, uh, talking or commu-communicating with others, what do

you see? [Pause] How do you see him?

LU: Relaxed.

IT: Just calm, relaxed, calm.

LU: Relaxed, with-yeah, he-he liked to talk.

IT: He likes to talk. He likes to social.

SA: Okay. How-and how was his reaction or interaction with, um, strangers or people

that he wasn't really familiar with, different than say his middle sister?

IT: How did he get along with people that-that didn't know of like -

LU: [OV] Different than his-his sister?

IT: - of his sister?

LU: His sister is very shy and he isn't. He would greet if needed; if people had to be

greeted, he would greet or ask their name.

IT: His-his-his sister, her daughter is more standoffish and he's more, he would, uh,

[UI], he would greet people; he's more accepted to greeting than his sister would.

SA: And how would he greet people?

IT: How did he greet or how did he do it, in what way?

LU: With his hand and hi. And he would shake hands.

IT: Just shake a hand and say hi and -

SA: To adults or children?

IT: Adults or children?

LU: Well he really didn't see a lot of people, but the people that he saw he greeted

them fine; he always laughed.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: He hardly had any interaction with a lot of people but when he did, uh, he would

always, uh, say hi and shake a hand, um, and then he was always s-smiling.

SA: Okay. Um, did he ever talk about other people in your family, not just his sisters

or his dad but his aunts or uncles or, um, cousins? Did he ever talk about them?

IT: Did he talk about other family members, uh, cousins?

LU: Like in what way?

IT: In what form in how-what way?

SA: Um, just in-in general talk about things that they would do or say or behave or --?

IT: Things that they do or say or -

LU: He would greet his uncle because he was busy working at the restaurant. That's

all.

IT: But he never said what they did or said to the cousins?

LU: No, he didn't see his cousins very often. It wasn't a lot.

IT: There were times –

LU: [OV] Just his girl cousins.

IT: -- there were times when he would often see his uncle and say hi but other than

that he would hardly ever see them.

SA: So he wouldn't talk to you about, um, any of them when-if you weren't around

and he had spent time with them and then come back and talk to you about them?

IT: Has he ever talked to you about things they talked about, uh —

LU: Yes.

IT: - in times when he was with them?

LU: With his- with them? Yes, about the fun they had, that they went to the river, how

they went swimming.

IT: They would just talk about how the day went, when did they go down to the river,

uh, they go swimming.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana\_Urtiz 10312013130054001312

SA: Okay. Um, did he talk about how they . . . how he felt about them? How close he

was or not close or, um --?

IT: Has he talked about how close he is; feelings with them or no-nothing like that?

LU: He loved them very much, uh, my sister and brother-in-law, he spent the most

time with them.

IT: Did he talk to you about them like that?

LU: Yes-

IT: [OV] How –

LU: - that he loved them? Yes, that he played with them and of his other uncle that

works with us, he would always say that he was his big brother.

IT: Okay, so he would talk about family members, he would talk about, uh, how much

he likes-loves everyone, his family, cousins, uncles, uh, he would also addressed one of his uncles as his older brother, as an old-he looked at him as an older

brother.

SA: And how did he, um, express that?

IT: How did he expresia [sic] that?

LU: He wanted to be like his uncle as well.

IT: He want -

LU: [OV] He wanted to dress like his uncle.

IT: He wanted to be and dress like his uncle.

SA: Again, but would be verbalize that to you in-in –

IT: [OV] Did he tell you that?

LU: Uh-huh.

SA: And what would he say?

LU: That when he grew up he wanted to have a cap, t-shirt and shoes of the same color

as his uncles.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: When he gets older he wants to have his hat, his shirt and his tennis shoes the

same as his uncle.

SA: Okay, what about him made him so special?

IT: Why was his uncle special to him?

LU: Because he saw him as his brother.

IT: He looked at him-he looked up to him as a brother.

SA: Okay. And-but wh—um, that's okay. Um, did he ever, um, have his friends come

over to the house and play or did he go elsewhere and play?

LU: Did his friends come over?

IT: Yes.

LU: No, never.

IT: And did he –

LU: Nor did he go out. He didn't go out.

IT: He didn't go other places to play?

LU: No.

IT: No.

SA: What about birthday parties? Um, did he ever invite anybody or get invited to?

IT: Birthdays? Has he had birthdays, parties at your house or –

LU: No.

IT: -- has he been invited to other birthdays, other places?

LU: He never went. Only his cousins or his own, and he never had a party just his

cake.

IT: Not a party, he would just have his cake and that was pretty much it and, uh, he

would never go to any birthday parties other than just his siblings.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA: Okay, is that normal for your family, I mean do your girls go to their classmates

birthday parties?

IT: Is it normal for your family? Sometimes your daughters go to birthday parties of

other friends?

LU: No.

IT: Ever?

LU: No. I wouldn't let them go.

IT: It wasn't normal or is that -

LU: It's normal; I wouldn't let them go with other people unless it was my sister. They

didn't-didn't go with anyone else.

IT: Okay, it was custom for her, um, not to allow her children to go to other parties

that way, other than if it was her sisters. So, if your sister had a party that was

okay?

LU: I would go with them.

IT: Yeah, so she would go with the children to the birthday party if it was family

members.

SA: Okay.

IT: But no one on the outside.

SA: And-and they-and none of your children have friends at their birthday parties

either?

LU: That they would go; no.

IT: Their friends, your daughters, have they come to the house to celebrate birthdays?

LU: Their birthdays? No.

IT: No.

SA: Why is that?

IT: Why is it like that?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU: Well- I've never had a lot of contact with their families, I don't know. It never-

never happened that way. Their friends are only close at school. That's how we

did it; we never did parties or anything.

IT: It's just their custom that they've never really celebrated other, with other people

other than themselves.

SA: Okav. And is, um, Jackie the same way?

IT: Jackie is the same?

LU: No, she does go out. She does, but my son never asked to go out or go see his

friends.

IT: Jackie would go out, um, but her son would never ask to go to other-with other

friends.

SA: Okay. Okay, um... can you give me some examples of some good and bad

behaviors that José showed towards others--other kids?

IT: Give an examples of-of how José behaved with-with other friends? Even if they

are good and bad.

LU: Well, he was always, like I said, he spent more time with adults, just his cousins,

that you could say were his age, and when-when it came time to scold them, it was like: "Don't do that". And happy, he tried to help them all the time, whatever

they wanted he wanted to give it to them.

IT: He never really had any contact other than with his, uh, cousins, um, in most

cases he was always helpful, um, he was also had that responsibility of: "You can't do this, you can't do that". Uh, and that's what he would address to his

cousins.

SA: Okay, and what about bad traits? That would be bad behavior.

IT: Did he have bad, uh, things that he did?

LU: No. No, well, it could be like getting mad: "I want this soda", "There isn't any

more, you're not going to open it", "Okay". He would just take his time and come

back and wouldn't drink it. That's it, nothing else.

IT: He drank – how?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

LU: For example, if there was only one soda left of the fla-flavor that he wanted and it had to be split between the three kids, we would tell him: "Don't take it because there isn't any for everyone else". He would get a little angry, he would leave and

then come back and he would be fine. He wouldn't drink it.

IT: There was nothing other than if there was one soda left and she would tell him:

"No, you can't have any because there's not going to be enough for everyone else". He would get a little disappointed but other than that he would just let it be

and-and move on.

SA: And what do you mean by disappointed?

IT: How-well the way she explained it that because he's not going to have something

more, because she is telling him: "Okay, you can't have any more because there is not going to be enough for everyone else, so you can't have one". He would just get upset and then-then he would just move on, but it was nothing big, is how

she explained it.

SA: What do you mean by upset?

IT: Like how angry?

SA: Would he verbalize it, would he -

LU: "It's okay, it's okay". "Let her drink it", he would say. "Let her drink it, I won't".

He would leave and when he came back: "It's okay, no problem, I'll drink

another" and done.

IT: Okay, so he would just say: "Okay", um, he would just give them the soda and

not worry about it. And he'd come back and say: "Okay, there's no problem, you

know, they can have it".

SA: Huh...do the girls-do they ever act bad?

IT: The girls behave badly?

LU: Yes, right now? [Laughs]

SA: She-she giggled! [Laughs]

LU: The-the middle one has always been more temperamental with us, like: "I want it,

I want it, I want it". The other one isn't, she is normal. But maybe the change that

she had made her like that.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: So the-the younger one will continuously always wanting something, wanting

something, wanting something but-and would nag her about it. But the other one,

the older one she's not like that; she's more laid back.

SA: Do you ever have to discipline your children?

LU: No. I have nothing bad to say about them; on the contrary they're always there.

IT: Have you had to punish the children?

LU: Oh, because they fight with each other. My girls, that they wa-they want the same

doll, when it's one or the others. Things like that, yes.

IT: Okay, just the normal, when they're fighting, say for example, there fighting with

a doll, for a doll, uh, and you know, she would just, you know, as a normal thing

she would discipline.

SA: And how is that done?

IT: How do-how do you –

LU: I don't give them the doll.

IT: She would take the doll away from both.

SA: And that's all it would take and they would stop?

IT: And --

LU: Yeah. They go away and they find another doll, you know? Yeah, and that's it.

IT: So you take the doll away and –

SA: Wow!

LU: The one they are fighting over; they leave and after a bit they are friends again.

IT: So she would take the doll away from them and they would be fine with that and

then later on they'd come back and their friends again, close again, playing

again.

SA: I want my kids to come over to your house for awhile! [Laughs] Wow, I've never,

goodness, okay, um, were his peers ever afraid of José for any reason?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: Do you know classmates or people like friends that were- he social with- were

afraid of José? Were afraid of him?

LU: Nobody ever told me anything and *I don't think so*.

IT: She doesn't think so and no one has ever really said anything to her if they were.

SA: Okay. Have you ever heard him say something kind of ominous about violence or,

um, things that he would learn about, um-uh, incidents in the news?

IT: Has he ever explained about violence –

LU: [OV] No.

IT: -- that he heard or heard on the news?

LU: No.

IT: No.

SA: No? Okay, because I mean he was curious about the-some of the things that had

happened in other schools and other places within the United States, but -

LU: Well-no, no about-about that specifically, no.

IT: That specific, uh, issues no.

SA: What do you mean?

IT: How -

LU: About the violence, like she said, the violence in school, no.

IT: The violence –

LU: We never talked about it.

IT: The violence in the schools; he's never, uh, had addressed or said anything to her

about that.

SA: Okay, did you know he was looking those up on the You Tube?

IT: Did you know he looked at that on the internet?

LU: Him?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT:

Yes.

LU:

No.

SA:

Okay, do you ever search his browser and look at his history of things that he has

looking at?

IT:

Have you exculcado [sic] his internet, when he gets in?

LU:

No, no because he looked at it next to me. But maybe I didn't pay attention.

IT:

No, he'd-sometimes -

LU:

They took my things so I can't do it anymore.

IT:

Daily-uh-daily-uh-you were chaired with him when he -

LU:

Uh-huh, normally.

IT:

On a regular basis, uh, she's usually right next to him when he's on the internet

and she's never seen him searching anything.

SA:

Okay.

IT:

Of that sort, of that [UI].

SA:

Okay, okay, um, so when he was on You Tube did he ever make his own videos?

IT:

Did he-he did make videos alone and put it on the internet?

LU:

No, not that I know about, no.

IT:

Not that she knows of.

SA:

Okay, has he ever made any type of videos?

IT:

Has he made a video?

LU:

When he was little, he made videos because he wanted to be in the *Army*, he wanted to work in the *Army*. He had a lot of soldiers, but his-his, I don't have the videos anymore obviously; he would line the soldiers up and he would record

them.

IT:

Okay, but he didn't put that on internet?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

No.

IT:

It was a camera?

LU:

Uh-huh. No his-his cell.

IT:

Cell, oh okay. So when he was younger, uh, he wanted to be in the Army so he would take his little army soldiers and he would record them with his cell phone,

but nothing on the internet.

SA:

What name would he use?

IT:

What name did he use?

LU:

No, he didn't use names, José.

IT:

José.

LU:

But he didn't-didn't have an internet account.

IT:

He didn't have an-an account on the internet.

SA:

Okay, what about You Tube account? What does he go under?

IT:

Has he had-you know what You Tube is?

LU:

No. Yes, I know what You Tube is, but I have never had one or him.

IT:

Okay, he doesn't have an account in the account?

LU:

No.

IT:

Or in the, uh, You Tube?

LU:

No.

IT:

No.

SA:

No?

IT:

No account in You Tube.

LU:

No account, no.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana\_Urtiz\_10312013130054001312

- -- SA: Okay. So you can just browse through and look at all the videos without having a-

a name or an account?

IT: So can you look at the videos without having a name on an account?

LU: [OV] Probably. I think so, I don't know.

IT: She thinks so, she doesn't know.

SA: Okay, so when you would go on he would just click on it and find one and watch

it?

IT: So when he took on the You Tube –

LU: Um-hum.

IT: -- he would just put any video and watched it?

LU: Well – I think so.

IT: She thinks so.

LU: Because what he saw - we'll I just saw that he was looking at the computer; he

didn't have an account.

IT: Okay, she would only see him when he is on the-on the internet but he didn't have

a-an account with You Tube.

SA: Okay. What did he do for fun?

IT: What did he do to play, do something -?

LU: He liked to go to the movies, go out to eat, hmm, go to work with his dad -

IT: He liked to go to the movies –

LU: [OV] – that was his-his hobby.

IT: He liked to go to the movies, he liked to eat, he liked to go to work with his dad.

SA: What was his favorite food?

LU: Hmm...

IT: What is his favorite food?

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

Hamburgers.

IT:

Hamburgers.

LU:

Plain. No mayonnaise or anything.

IT:

Plain hamburgers.

SA:

[UI]

LU:

Yeah.

[Laughs]

SA:

What was his favorite video game?

LU:

He had several, I don't know-I couldn't tell you one in particular, I don't know.

IT:

He had many; she doesn't know which one specifically was his favorite.

SA:

Okay, um, he didn't play one more than the-any others?

LU:

No.

SA:

Or one or two more than others? No?

LU:

No.

IT:

He didn't play one more than another?

LU:

No, all the time, uh, he gave them all the same amount of time. I don't know how

much time because I wasn't standing by timing it. I don't know.

IT:

She doesn't know. She-there, she wasn't really paying attention if he would switch video games she wasn't on the clock to watch him switch to a different game, and

so she doesn't really know.

SA:

Okay, so-um, and where is the computer kept?

IT:

The computer, where is it?

LU:

It's a laptop, and it was everywhere in the house.

IT:

It's a laptop, just around the house.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA: Okay, and did he have a favorite movie or favorite TV show?

LU: The Cruz Family on-Cruz [stutters] they are cartoons, of the movies; they were

the cartoons-cartoons.

IT: Cartoons was his favorite.

SA: And the Cruz Family?

IT: Cruz Family?

LU: Yeah, the Cruz Family. It was one of his-but exactly-he doesn't have one, that was

one of the last ones that he was watching a lot.

IT: Those were the latest ones that he's been watching.

LU: And the show is the "Annoying Orange" or something like that.

SA: [Laughs]

LU: Yeah, that was one –

SA: The "Annoying Orange", yes, okay. Oh my, do you know what the "Annoying

Orange is?" [Sighs] You're not missing anything. Okay, so let's see, and how

much time a day was he allowed to play?

IT: What time did he have to play?

LU: The time that he wanted, no one – he did his homework, played, watched TV; no

one took the time and said: "You can't watch TV".

IT: He had no restrictions. He'd-would do his homework and he would play and

watch TV, so there were no restrictions at all.

SA: Okay. Um, did he have any characters within any of those, either the games or the

movies or-or, uh, TV shows that he related to, the characters themselves?

IT: Did he have people, uh, in the television or the video games that he-that he got

into, that he was –

LU: Wanted to be?

IT: -- wanted to be that person?

LU: No.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT:

Never before?

LU:

No.

SA:

Okay. So did he ever pretend?

IT:

Did he imagine he was like someone?

LU:

No.

IT:

For example, some children think that they are Superman or Spiderman?

LU:

No. He didn't.

IT:

No, nothing? I used an example as -

SA:

Okay, you have to tell me what you said so I can-

IT:

Oh, okay.

SA:

[Laughs]

IT:

Um, when you asked if kids or children can relay or they the same question you had asked me, um, the example that I used is that some children tend to pretend they're Superman or Spiderman or other characters. Um, and the question I asked her, has he ever done something similar to that with any character of the video games, um, or TV, that he's relates to and she says no.

SA:

Did he ever, um, play make believe at any time for any reason?

IT:

Did he-did he little lies, like he was someone?

LU:

No.

IT:

Any person?

LU:

No.

IT:

No.

SA:

Okay. So would José-was a black and white, right and wrong type child; is that right?

IT:

So what she is saying, José was, he thought he knew what was good and what was

bad?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU: Well I think so; I don't know what he thought.

IT: She-she believes so but she can't s-speak on what he would think or what he

thought, how he would think, but she thinks so. That's the kind of child he was.

SA: Okay. Um, did her ever use Facebook, Twitter, Instagram, any of that?

LU: No.

SA: He didn't have a Facebook?

LU: No.

SA: What about your girls?

IT: Your girls?

LU: No.

SA: Jackie?

LU: I think-I think Jackie has - but I'm not sure, you would need to ask Jackie's

parents.

IT: She doesn't know you would to ask Jackie's parents.

SA: Okay. Um and how do you feel about me talking to Jackie; would that be okay

with you?

IT: Are you okay that she talks to Jackie? Would you feel okay?

LU: No – the question wouldn't be to me, it would be to her parents.

IT: You would have to ask –

LU: They-I-I, if she wants to talk, that's fine. I don't want her to be more traumatized.

But if her parents say it's okay.

IT: If her parents agree to you speaking with her that's fine.

SA: Okay.

IT: She's just more concerned that she doesn't want her to be more traumatized, but

if her parents, uh, allow it then that's fine.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_10312013130054001312

SA: Okay. We just want to make sure that that would be okay with you as well.

LU: I want her to be okay.

IT: She wants to make sure that she is fine with it.

SA: Jackie?

LU: Uh-huh.

SA: Okay. She is a very sweet girl.

LU: Yeah.

SA: Um, so, did José ever talk about the films or video, um, that depicted school

violence at all?

IT: Did he talk-did he talk to you about the video that they showed at school?

LU: No.

IT: About the violence that has happened in other schools.

LU: No.

SA: Did he ever mention "Zero Day", "Elephant", just something odd that you were

like, "What is that"?

LU: No.

SA: Okay, um, and what was his-the most frequently visited websites that he would go

to?

IT: What were the last, uh-uh, pages that he got into on the internet?

LU: I wouldn't know. I don't know.

IT: That you know.

LU: No.

IT: You don't know?

LU: No, I wouldn't know.

IT:

She doesn't know.

SA:

Okay and I ask because you had said that you were always-or a lot of the time -

LU:

[OV] Yes, but I didn't-

SA:

-- sitting next to him.

LU:

-- but I didn't pay attention to what he was watching.

IT:

She would -

LU:

He was with me.

IT:

Yeah, she was with him but she would never really pay attention to see what he's

actually researching -

SA:

Okay.

IT:

-- or looking at.

SA:

All right, um, and then, so-on the tablet, um, is there-was there a-a username or a

password for that?

IT:

On the tablet did you have a username?

LU:

No, that tablet is my daughter's. He didn't use that one very much, just to write

messages like "I love you, mom". But that is my daughter's not his.

IT:

The tablet is her daughter's and she-he only used it, uh, for a brief time to write

little messages on there that "I love you, Mom".

SA:

Okay.

LU:

Like that – but its no-not his.

IT:

But it's not his, it's not his. He doesn't often use it.

SA:

Okay, but did he know the password and the username for it?

LU:

It doesn't have a password.

IT:

It doesn't have a password?

LU:

Uh-uh.

SA:

Okay.

IT:

There's no password.

SA:

Okay, um, José had a notebook, um, Angry Birds notebook.

IT:

He has uh-uh, a note -

LU:

A notebook?

IT:

A notebook of -

LU:

Angry Birds.

IT:

-- of Angry Birds of the birds that are angry.

LU:

I don't remember.

IT:

You didn't know anything about that?

LU:

No.

IT:

She doesn't know anything about that.

SA:

Okay, because he had one, I just wanted to know when you guys purchased it.

IT:

He had one and she wanted to know when you bou-when you bought it for him.

LU:

No, I don't remember buying it for him. I don't know if his dad remembers, but I

don't know.

IT:

She-she doesn't remember them purchasing it, uh, but she doesn't know, you may

want to ask her husband-

SA:

Okay.

IT:

-- and he may know.

SA:

Okay. Um, did you ever go through his backpack?

IT:

Did you ever go into exculcar [sic] his-his backpack, his backpack?

LU:

No, but he didn't hide it. It was always in the same place, so he never hid it.

IT:

But have you-you -

LU:

Looked in it?

IT:

-- listen into-inside his backpack?

LU:

No.

IT:

No, he's never hidden the backpack or he's never really kept it from them. It's usually just lying around wherever in the house, um, but she's never searched it

either.

SA:

He doesn't put it in a specific place every day?

IT:

He doesn't put it – especially in one part of the house?

LU:

Just next to his bed.

IT:

Next to his bed.

LU:

Next to the . . . yeah.

SA:

Oh, next to his bed, all the time?

LU:

But, all the kids, well, try to do the same, in the same place.

IT:

Usually, uh, the thing that she just said is that most kids just kind of put it in the

same place, the usual place.

SA:

And the girls are like that or did they just have theirs anywhere?

LU:

Uh, sometimes.

SA:

[Laughs] What's your youngest name?

LU:

Yvette [PH].

SA:

She's such a character. Okay, um, so what is your family's religious background?

IT:

What religion are you?

LU:

Catholic.

IT:

Catholic.

SA:

Okay, blinded here [stands to close the blind]. Did he participate in any of their,

any of the, uh, [sighs] activities?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT:

Did he participate -

LU:

In the first communion classes.

IT:

So he started catechism.

LU:

Every Monday he had class for first communion.

SA:

Okay, and, um, the girls too?

LU:

[Nods affirmatively]

SA:

Okay, and so did he consider himself spiritual or religious or was that just

something that the family does?

IT:

Did he look at himself that he was catholic or in a religion?

LU:

Um ...

IT:

Or was it just something that the family is?

LU:

He didn't know about religions he just followed that one maybe because of his

family.

IT:

Okay, he-he didn't really understand religion other than because of his family, so

that's kind of; he's following what the family.

SA:

Did he ever question it, um, because it is truly faith based and he was very, um,

tangible, um, reality based?

IT:

Did he ask you about religion or the spirit or things like -

LU:

No.

IT:

He never asked you -

LU:

No.

IT:

-- what is real or what is not real?

LU:

About religion?

IT:

About religion or spirit?

LU:

No.

IT: Nothing like that?

LU: No.

IT: Okay.

SA: And wh- um, did you guys go to ch-do you go to church regularly?

IT: Do you go to mass daily?

LU: No, just Monday I would take him to catechism.

IT: Okay, just Mondays they would go to-she would take him to catechism.

SA: Okay and the-which church does he go through for that?

LU: Holy Cross.

SA: Holy Cross?

LU: Uh-huh.

SA: Okay. Um... and he attended at Holy Cross recently?

LU: Every Monday.

IT: He goes to classes there on Mondays?

LU: He went to classes on Mondays.

IT: Every Monday?

LU: Yes, almost every Monday.

IT: Yeah, so every Monday he would go to catechism.

SA: Okay and when did he start at Holy Cross?

IT: When did he start there?

LU: Oh – about two years ago.

IT: About two years ago.

SA: Okay, um, did he ever talk about religion with some-anybody else?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

Did he talk religion with other people?

LU:

No.

SA:

Or-or, you know, about God at all?

LU:

I don't know.

IT:

Has he asked other people about spirit, about God, things like that?

LU:

I don't know.

SA:

Okay.

IT:

She doesn't know.

SA:

So has José been involved in any str- um, stressful events in the last year?

IT:

Has he had events -

LU:

Tragic?

IT:

-- yes.

LU:

No.

SA:

Nothing has happened to him that sticks out with him that he, um-uh, that has just

stayed with him and bothers him still?

LU:

No, nothing. I don't know. No.

IT:

Things that bother, things that-that weren't normal?

LU:

No.

SA:

No? Okay. What about the move? How did he feel about moving?

LU:

Excited.

SA:

Yeah?

LU:

He's happy.

SA:

Why?

LU: Because he loves the new house.

SA: Yeah?

LU: Uh-huh. He loves the stairs, he loved everything.

SA: [Laughs] Okay, um, and then were you planning on, um, going ahead and

allowing him to change schools for his zone?

LU: Um-hum.

SA: You were?

LU: Uh, not this year but we talking with him about that.

SA: You had talked to him about changing schools?

LU: Um, he say: "Oh no, no!" I say: "Why?" And-he wanted to stay there this year.

IT: Okay, he wanted to finish this year at the same school.

SA: So he did want to finish?

LU: Yeah.

SA: Okay and when did you guys decide to move?

LU: Uh- a couple months, uh, like in, I can't remember.

SA: Okay.

LU: Yeah.

SA: And what-what prompted the move?

IT: What-what did you want to move?

LU: Because the contract was over where we lived and we were looking for something

a little newer.

IT: The-the lease was due, was over, is-at the old place so they wanted to find a

newer, better place.

SA: Okay, um, are you completely moved now?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

LU:

Yeah.

SA:

Yeah? So that yo-your, um, the apartment is all empty and your, um, garages is at

the other apartments are all empty, everything is gone?

LU:

No. there is still the garage-one of the garages still has some things, but they are

tools.

IT:

There's, uh-uh, shed that's still there with just tools in there, that's all that needs

to be removed.

SA:

A shed, at the old ap-apartment?

IT:

At the old apartment?

LU:

Uh-huh.

IT:

Ye-yes.

SA:

Okay, got it done quickly; um, what about, um, depression in the past?

IT:

Has he had – depressed?

LU:

I never knew that he was depressed.

IT:

No. she's never known him to be depressed.

SA:

Okay. [Pause] How did he deal with stress; things that he was upset about or

stressed out about or worried about?

IT:

If he was stressful about something, how-how did he get over that? -

LU:

[OV] How did he -

IT:

What-what did he do? What did he do to not-not to be stressed?

LU:

Well, it's that, I wouldn't really know what to say because it really never happened; like I said, if he saw someone worried he would hug them. That's the only way that I can say, a hug, but I couldn't-couldn't tell you when he was depressed or not because he was always laughing or happy or asking: "You okay,

you okay?" I don't know.

IT:

But never --?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_10312013130054001312

LU: I couldn't tell you what he would look like stressed, well no, the only thing was

he popped his knuckles a lot. But that was normal with him.

IT: Okay, she's never seen him depressed that she can recall, if-if someone else was

depressed or-or worried about something he would actually try to comfort them, that individual, uh, the one thing that he would do at times is he would pop his knuckles, but she always just thought that was normal in him, popping his

knuckles.

SA: Okay and how would he react when you had to correct him or he had done

something wrong?

IT: When -

LU: He said: "I know Mom, I know, I'm sorry, I'm sorry, I know, I know, it's my

fault". That's it.

SA: Okay. And would he, um, continually apologize for the same thing even though

you had said okay?

LU: Um-just sometimes.

SA: Yeah?

LU: Yeah, sometimes.

SA: Was he okay with making errors?

IT: Is it okay if he was being mistake?

LU: How?

IT: If-if he made a mistake and he accepted it; was he okay with that --?

LU: Yeah.

IT: -- that he made a mistake?

LU: Um-hum.

IT: Yes.

LU: Well, normally yes.

IT: As a normal basis, yes.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA: What do you mean normal basis?

IT: What do you mean normal?

Well if-if he-when he accepted an error and he said: "Okay, it's my fault" and LU:

that, it's okay. So for me it was normal that he would say: "It's okay" and done.

She would see it when he would accept-when he'd commit an error she would IT:

say: "Okay, you know, that's fine". That's normal, that's how she would see it,

that he's accepting his error, his responsibility.

Okay and, um, because that wasn't-that hadn't-what, again, that hadn't always SA:

been the case and we know that because of the prior incident. So, what changed,

to make that happen?

The incident that happened before, uh, what-what changed? Why did he change? IT:

LU: The inci-incident with his dad?

Which incident? With her-with his father? IT:

SA: Uh-huh.

His dad? LU:

SA: Uh-huh.

Nothing changed; he continued being the same boy. LU:

He's never changed; he's continued to be the same child. IT:

But that's much different than saying okay, re-accepting, that case specifically is SA:

much different than-than what is being described, so I'm just wondering what

changed from --?

IT: He hasn't changed at all?

LU: No --

IT: [OV] From the incident that happened with his dad?

No, on the contrary, he continued respecting his dad, respecting all of us the same. LU:

Nothing changed.

Nothing's changed, he continued respecting his father, respecting the two of them. IT:

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

SA: Okay, um, did José ever complain about or talk about being adopted?

IT: Did he-did he talk about, did he explain, did he ask about wanting to be adopted?

LU: That he wanted to be adopted?

IT: Yes.

LU: No.

SA: Okay, um, tell me about his sleeping habits?

IT: How did he sleep? Did he have special sleeping needs?

LU: Sleeping needs? No. Just on his side.

IT: Did he sleep well? Enough hours, the hours that, he didn't get up -?

LU: [OV] All the hours. From 8:30 to 6 or 5:45 in the morning that he got up to

shower,

IT: From, uh – what did he go to bed?

LU: 8:30.

IT: So 8:30 he'd go to bed and he'd wake up at 5:45 to get -

LU: [OV] Or 6:00.

IT: -- or 6:00 get up and take a shower.

SA: Okay, did he wake up at night to go to the bathroom at all ever or did he -

IT: Did he get up at midnight?

LU: No.

IT: No.

SA: Okay, did he ever have, um, bad dreams or anything like that?

LU: No, never -

IT: So he was –

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

Bad dreams, no.

SA:

Okay and did he have his own room?

IT:

Does he have his own rope?

LU:

Yes, yeah.

SA:

Always?

LU:

Uh-huh, always.

SA:

Okay, um, what about his eating habits?

IT:

What did he-what did he eat? What special -

LU:

[OV] He was very picky about the-his food. Just like I said, he wanted his burgers

plain, no mayonnaise, no tomato, no cream, or cheese.

IT:

He likes his hamburgers plain, no mayo, nothing.

LU:

Chicken nuggets, um, rice, beans -

SA:

Did-is he a good eater?

IT:

Did he eat well?

LU:

Um-hum.

SA:

Would it go in spurts?

IT:

Did he eat well sometimes and other times not -

LU:

No.

IT:

-- or daily he ate --?

LU:

If he liked the food, he ate well all the time.

IT:

If he liked the food he'd always eat. He'd always eat, all the time.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

SA: Okay, um, did he go through the thing for like there would be a period of time

whe-where he appeared he was eating everything he could get his hands on and then all of the sudden he wouldn't eat for a short period of time and just kind of pick at things and eat a small amount and then go through another period where

he would eat everything he could get his hands on?

IT: Were there times when he ate everything he could eat and then times when he ate

only a little, sometimes -

LU: No.

IT: -- more sensitive that he didn't want to eat very much?

LU: No.

IT: Then he would eat a lot, a lot -

LU: No.

IT: -- like enjoyed?

LU: No, he was always the same.

IT: He was always the same, he would always eat good.

SA: What about your girls?

IT: Your daughters?

LU: The same. They are-are more open to food. They will try things and he won't.

IT: The girls are more open to different foods and taste other foods, um; with him he

was more picky.

SA: Okay. [Pause] Um, personal hygiene, um, actually, did he wake himself up every

day or did you wake him up?

IT: He woke up by himself?

LU: He-he would wake me up sometimes.

IT: He would wake up and wake her up at times.

LU: He would come and say, open my eyes and say: "Are you sleeping, mom?"

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana\_Urtiz\_ 10312013130054001312

SA:

[Laughs]

LU:

I would say: "No, I'm playing" and he say: "Oh, I'm sorry, you okay?" and I'd

say yes. "Okay, I take a shower; can you give me my shirt or my pants or

something?" And that's it.

SA:

And you ironed them for him every day?

LU:

Yeah.

SA:

Okay. Um, did he have an alarm clock or did he just wake up?

LU:

I think he-he's wake up because I don't know, he didn't-didn't have an alarm, I

don't know if his watch had an alarm.

IT:

Uh, he didn't have a-a, like an alarm, she doesn't know if his watch had the

alarm, but he was the one that would wake up.

SA:

Okay. Yeah, isn't it awesome that he woke up like that?

LU:

Yeah.

SA:

Um-

LU:

[OV] He would lie down next to me and say: "Are you sleeping, mom?"

IT:

So she-he would lie down next to her say that "Are you sleeping, mom?"

[Door opens and closes]

SA:

Um, okay, um, now this next series of questions they are absolutely not, um,

accusatory in any shape or form, okay?

IT:

The questions she is going to ask is nothing that-that your son was accused of.

LU:

Hmm.

SA:

And nobody has said that this occurred or has occurred or anything like that, so I

don't want you to think that -

IT:

[OV] And ne-never anyone has said that he has done those things or that the was

accused of doing these things.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_ 10312013130054001312

SA: But I also don't want you to have any fear if-if the answers are, um, I just need

you to be honest in these and not worry about any-anything else, okay?

IT: Don't be afraid of the-of the questions but she wants you to, uh-uh, honest about

all the questions she is going to ask?

SA: Okay?

LU: Okay.

SA: Okay, um, was José ever physically or sexually abused? Now in physically, were

not I-I'm not talking about dad's case. Okay that's, we know about that whole incident so don't worry about that; but other than that has he ever been sexually

or physically abused?

IT: Was he-was he phy-phys – was phy –

LU: Has he been hurt physically?

IT: -- abused physic--? Yes --

LU: No.

IT: -- physic or sexual --

LU: No.

IT: -- abused your son?

LU: No.

SA: Okay. Um, did he have a girlfriend?

IT: Has he had a girlfriend?

LU: No.

SA: Did he ever show interest in girls?

IT: Was he interested in girls?

LU: Ju-just the time that I told you that he told me he thought she was pretty but not

that he was interested.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: Just that one time that he had told her that, uh, he believed, he-he thought that the

one girl was cute, pretty.

SA: Okay and was it a girl or was it an adult?

IT: Was it an adult or a girl?

LU: No, it was a girl.

IT: Like that girl.

LU: Girl.

SA: No, problem, okay [coughing]. Um, was he ever rejected by a girl that he may

have liked?

IT: Was he a-rejected by a girl before?

LU: I don't think so.

IT: No.

SA: Did he ever like any of them?

IT: Has he wanted any of the girls?

LU: No idea.

SA: Okay. Um, did he ever s-talk about somebody that he may have liked, um, in a-

um, in just the opposite way?

IT: Has he ever talked, uh, wanting a guy, a boy?

LU: No.

IT: The same as a girl?

LU: No.

IT: No.

SA: Do you understand what I mean by that?

IT: Like homosexu –

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson\_liliana\_Urtiz\_ 10312013130054001312

LU:

Homosexual, no.

SA:

Okay, because sometimes, you know boys will punch a girl in the arm because he likes her or say: "Oh, she's so ugly!" or whatever and actually he likes her.

LU:

No, no, no.

SA:

No? Okay, um, did he ever talk about sex with you?

IT:

Did he talk to you of sexual -

LU:

No.

IT:

-- anything about sex?

LU:

No.

IT:

Never?

LU:

No-not that I can remember.

SA:

[UI] and -

LU:

I can't remember.

SA:

Okay ---

IT:

Not that she can remember.

SA:

What about after the share classes that he had or, um, sex ed?

LU:

I did-I enrolled him in the classes that were provided in elementary of that. So

they could explain a little because I couldn't do it.

IT:

Okay, she did sign him up into the sex classes, uh; so that they can explain to him

better what they mean.

SA:

Okay.

LU:

Why are you asking these questions?

IT:

Why is she-why are you asking her these questions?

SA:

Um-

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

Was he abused?

IT:

No, that's why I say, that the questions that she will be asking you -

LU:

[OV] Are they routine or is-is -

IT:

They are questions that she wants to ask you but it's not questions that they have accused him of or saying that he has done this or that these things have happened to him. That is why I-why I explained it. If there is something you don't understand well, ask me and I can see if I explain it better.

LU:

Okay.

IT:

Uh, so she now-she's worried about these questions that you're asking her, even though we have explained to her --

SA:

Uh-huh.

IT:

-- that no one is accusing her-her son with any of this or that he's been allegedly, uh, been a victim to any of these questions. Uh, so I had to explain to her, so I also explained to her that she-if she absolutely didn't un-understand a question, to stop and then let me know so I can try to explain to her -

SA:

Uh-huh.

IT:

-- uh, in better terms so that she can understand why you're asking these.

SA:

Uh-huh. Um, and again bu-is-the gathering of information to try to figure out what happened and in the personality traits this is all included-inclusive of that.

IT:

The questions – why she is asking them is because she wants to look at his personal that he had; if he did something this way or another way. That is why she is asking – because she wants, because of the investigation she wants to look at why –

LU:

This happened.

IT:

- the things - why a child or a person thinks different things.

LU:

Um-hum.

IT:

The motive of things.

L1:

What did you say, please?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104 peterson liliana Urtiz\_ 10312013130054001312

IT:

I'm sorry?

L1:

What did you say, please?

SA:

[Laughs] Your exclamation -

L1:

On the record, just wh-what did you say to her?

IT:

Oh, I'm sorry. Um, that the reason being exactly what she had said, uh, the motive, the the personality traits, uh, the reason why these questions are being asked, uh, it's basically trying to figure out why, how-why people think the way they do

they do.

LI:

Okay. Thank you.

SA:

Um [pause] because it's sometimes a-a, um, personality profile is kind of what they are looking-what we are looking for, but, um, let's see, so after the share classes, um, he started in his fourth grade, correct?

IT:

Started in-when he was in fourth?

LU:

Uh-huh, fourth or fi-fifth? I can't remember.

IT:

Fourth or fifth, she cannot remember.

SA:

Yeah I'm pretty-I'm pretty sure it's the fourth grade.

LU:

Four or five, I-I think four but I'm not sure.

SA:

Fourth, yeah, um, did he come home to you and ask you questions?

IT:

Did he come home and ask anything about the classes?

LU:

No; of the classes that-that -

IT:

[OV] That he had about the sexual.

LU:

No.

SA:

No, okay. Um, would he have if he had questions about stuff like that or would he talk to dad?

IT:

[OV] Do you think he would ask if he had questions about stuff he didn't

understand?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana\_Urtiz\_ 10312013130054001312

LU:

I think so.

IT:

She thinks so.

SA:

Okay, uh-eh, did he ever talk to you about, um, his body changing and -

LU:

Yes. He would show me-me.

IT:

Yes -

LU:

[OV] And he was not embarrassed with me.

IT:

Yes, she would talk-he would talk to her and he would show her and she-he was

not embarrassed to talk and show her.

SA:

Okay and so you would just flat answer his questions?

IT:

And you would say about his questions?

LU:

He didn't ask me, he would show me. "Hey mom, I have a hair here, a hair came

out here". It's okay, that's your body and done.

IT:

He would never ask he would just state it out that: "Look mom, I would have a

hair here or a hair there". And then she would just reply to him: "Okay, that's

fine, it's okay".

SA:

Okay. Um [pause] what about pornography? Did he ever look at those or

download any of that?

IT:

Of what you know, did he-did he look at pornography?

LU:

I don't know.

IT:

Not that she knows of. Has he looked at it on the internet?

LU:

I don't think so but I don't know.

IT:

Not that she knows of but she doesn't know.

SA:

Okay, um, what about the sex acts within the video games that they have?

LU:

He just knew that-that he didn't have to look at that, so-I never explained what

that was or the other, no. I never explained anything to him.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: She never explained to him, but he also understood that he's not supposed to look

at that kind of stuff.

SA: But if it's a part of the game that he's playing; he never asked why he's having

sex with a hooker?

LU: No.

IT: As part of the game, did he ever ask why they took sexual or had sex with a

prostitu-?

LU: No.

SA: Okay, um, did José - and were done with the sex questions. [Laughs] Um, did

José ever display a range of emotions?

IT: Has he had several emotions that you have seen?

LU: Like which ones?

IT: Any.

LU: Like, uh, for Christmas, his presents?

IT: Like has he had happy, uh, sad, uh –

LU: Yes, uh, some time ago the father of a girlfriend died and he cried. He didn't

know the man but just by being at-at his mass he cried because he said the people were sad. And then for Christmas, his presents excited him, he loved December

25<sup>th</sup>.

IT: He loved Christmas, uh, he was always happy because of his presents, uh, for

Christmas. Uh, one of his female friends, his father had passed away and they went to the funeral and he noticed that everyone's sad and he, uh, he had cried at

the funeral.

SA: Because he noticed they were sad so he assumed he had to be?

LU: No, he didn't know him -

IT: [OV] He did not know –

LU: -- he felt that the people were sad.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

He did not know the deceased individual, uh, but he just felt that everyone around IT:

him was sad and he felt sad.

Okay. Um, how would he display, um, happiness? SA:

How did he show you happy? IT:

LU: He would laugh.

He would laugh. IT:

He would kiss me. LU:

He'd give her kisses. IT:

His happiness was like that, laughing. LU:

IT: He would always laugh.

SA: Okay. What about sadness?

IT: Sad?

Hmm, he'd cry, he would cry if-if it, but no, the thing is that he was never sad. LU:

IT: He was hardly ever sad.

When his grandfather was leaving and he saw me sad or crying because my dad LU:

was leaving for Mexico, that's when he would cry and he would tell me:

"Everything is going to be fine" and he would hug me.

He was hardly ever sad -IT:

[OV] At sad times. LU:

Times when he was sad, when he was sad is for one example that she gave was IT:

when her grandpa was leaving back to Mexico and she was sad during that time

because she would miss him.

Okay, what about anger? SA:

Mad? IT:

Well-no, more like he would leave, he didn't-didn't let you see him mad all the LU:

time. There were few times.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT:

Very minimal times -

LU:

I don't remember exactly one time to be exact.

IT:

Very minimal times that he would ever, hardly ever be mad or upset and he would walk away so that no one could see him that he was upset. And she cannot give an

example of when he was upset.

SA:

What about frustration?

IT:

Frustration?

LU:

He would just say: "Whoosh! I can't do it, I can't do it!", "Okay, take your time". I'd say: "Take your time, José". He'd say: "Okay, okay, I know, I know, but I can't do it!" and I'd say: "Take your time, okay and relax". He'd say: "Okay, mom, okay". And that's it.

SA:

Okay. Um, did he show these emotions at the appropriate time?

IT:

Did he show these emotions in the times proper?

LU:

Yes, yes, when it was time to be happy he was happy, when -

IT:

When it's time to be -

LU:

-- when we needed to be silent, he was.

IT:

Yes. So when its time he-shouldn't be talking he wouldn't talk, uh, when he was happy he would display happiness.

SA:

Okay, um, if everybody was laughing in-in a room and he would walk in, would he think that they were laughing at him?

LU:

No, he would ask why they were laughing.

IT:

No, he would just ask why they were laughing.

LU:

And he would laugh if he-if you told him he would laugh too.

IT:

And if they were to tell him and it was-he thought it was funny he would laugh

too.

SA:

Okay, um [pause], did he ever display, um, laughter when he should be sad or vice versa?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

Did he ever laugh when it was-when he should have-have been sad? IT:

LU: No.

IT: Or the other side? If he was -

No, well maybe he would think of a cartoon and would laugh but it wasn't when LU:

everyone had to be quiet. I would just say: "What happened?" "Oh, I just thought

of the cartoon", "Oh, okay".

IT: So at the times when he was sad -

LU: No.

IT: -- he didn't laugh about nothing?

LU: No.

No, he would never display that other than there were times that he would just IT:

laugh because he would remember a cartoon that he had previously seen before and he would just laugh. But it was nothing as the times that when it was a sad

moment, he would laugh. It was nothing like that.

Okay, because some people when they are under pressure -SA:

LU: Uh-hum.

-- they'll laugh and or they start laughing, there not supposed to be laughing and SA:

they just laugh harder because it's just not easy to stop, nothing like that?

LU: No.

No? Okay, um, what special needs if any does-did José have? SA:

IT: What needs special did he have? What did he need? Needs special?

I don't know - I don't understand the question really well but the only special LU:

need that we saw that he needed was speech, talking; you could say that was one

of his needs, nothing else.

The only one that she can, that she understands the question is, um, is there-his IT:

speech. He needed help with his speech.

[Door opens and closes]

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA:

Still? I mean up -

IT:

Until today?

LU:

Until today – well, until the day he passed.

IT:

Yes, well until - yeah.

SA:

So he still went to speech therapy?

IT:

He still went to terapa [sic]?

LU:

[UI] he was-since Kinder until sixth he was in speech the-therapy. But his teachers never complained, he was always a good student and I always received acknowledgements since first grade through sixth that he was a good student that made an effort at school.

IT:

Okay so from kindergarten to sixth grade he's continuously getting therapy.

SA:

Okay.

IT:

And she would always recommend him to continue in-trying to get, uh, help for speech.

SA:

Okay, um, and you had said that he saw Dr. Winditch [PH], is that correct?

LU:

Yeah.

SA:

And is that the only doctor he sees, other than Dr. M?

IT:

Is he the only doctor he's looked at, less Dr. M?

LU:

No, he had a doctor but I don't remember his name; he was working with Dr.

Winditch as well, but I don't remember him well.

IT:

There was another doctor that was working with Dr. Winditch but she doesn't -

LU:

When he was younger.

IT:

-- when he was younger but she does not recall his name.

LU:

And only one year, it's almost always been Winditch.

IT:

And that was just for one year but for the most of the times that he has been going

there it was Dr. Winditch.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA: And he's the one that referred you to the No Child Left Behind Program?

LU: Yeah.

SA: Okay. And why did he refer you there?

Because I asked based on his speech for-so that he would be better, you know, so LU:

that he could speak, get off of his chest what he might not be able to tell me.

Because she was asking to try to seek help for him. So she was continuously, uh, IT:

asking for other references of getting him help with speech.

SA: Getting him help for just his speech?

IT: Only for the-the *speech* or other things?

Yes, because, you know, like I said before you could see in him, um, parts of like LU:

autism, but when we took him, there was no autism, they would say, the school psy-psychologist tested him, in elementary, and said it wasn't autism. So we were in doubt if it was autism, in-in regarding the speech. Regarding his understanding we had no issues with him but we were always with him, we didn't see anything abnormal. I don't know what others saw but no one ever said they saw him

abnormal.

So, the-they would continue to try and get him help for his speech and try to help IT:

him with that but, uh, there was a psychologist at the school – at the school?

[Door opens and closes]

LU: Uh-huh.

At the school that would say that, uh, there was nothing wrong with him and the IT:

autism issues. Uh, so then they looked at it more as a, um, just a speech therapy just to kind of help him, help him with that and, uh, then of course, later on they

ended up finding out it was autism.

From? SA:

-- a little bit of autism. Which doctor - with which doctor find, did you find out it IT:

was autism?

The-the 18th of October. LU:

And that was the 18th -IT:

File Number: 356A-LV-3436080

Audio File: 13-9953\_104 peterson\_liliana\_Urtiz\_10312013130054001312

LU: But it wasn't a diagnosis, he said that he had a lot of things, uh, of symptoms that

it could be autism. So it wasn't -

IT: So it wasn't just a-diagnose of that, it was just something that was showing that

they-that he had, uh, signs of autism.

SA: Did they explain the autism spectrum to you?

IT: Did they explain especially what autism is?

LU: I wasn't there.

IT: She was not there.

LU: On the 18th and of the other I tried to look for it on the internet.

IT: She was not there for that but the other stuff she was trying to research on the

internet to try to figure -

SA: What other stuff?

IT: What other stuff?

LU: No - well, you sa-ask if they explained; the doctor didn't because I didn't go to

the appointment but I did try, regarding that he couldn't express himself and he

was already 12 years old -

IT: [OV] Oh, okay, so the speech.

LU: -- his speech wasn't fluent, that was why I did the research.

IT: So she was researching around the internet what the whole speech thing was,

trying to figure out what it was all about --

LU: Or what signs autism had, to see if I could help.

IT: -- or-or other signs of autism through the internet. So the behavior that he was

having she would take that and get on the internet and then-and then read up on

the speech stuff or the autism stuff to determine okay what exactly is it?

SA: And what that-when did you start doing that?

IT: When did you start looking –

LU: All the time I have researched autism –

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT:

She has -

LU:

[OV] – not because I thought he had it but –

IT:

[OV] She's always researched that, not that she had thought that that's what he had the-she just kind of wanted to see okay, what is it? What-why is the speech

thing there, the-the speech issues.

SA:

Okay, can you specify what the speech issue is if it wasn't just, uh, a lisp?

IT:

What especially did he have in talk-speech?

LU:

Because his-sometimes his phrases were not complete.

IT:

So -

LU:

But I wouldn't be able to say: "Oh he said this". No, it was just that they were not complete or sometimes it was hard for him, he had to think what he was going to say.

IT:

So at times he-his sentences or his word were not complete and there were times when he would have to think about what he had to say before he said it.

SA:

Okay. Can you give me an example?

IT:

Like what – an example?

LU:

I don't remember one, but the same at school that was why they had him in classes because they said he might want to express himself in many ways and couldn't do it. I felt that with me, we talked about everything but from what the teacher said he might need to express more of his things, in speaking. With me, I could understand him, maybe I guessed for him; I wouldn't be able to tell you a-a complete phrase but that is why I did the research to see what he had.

For-for her it wasn't difficult for her to understand what he was saying because

she was used to -

SA:

IT:

[OV] Right.

IT:

-- what he was saying, but at school it was difficult for, uh, the special needs courses that he was taking, uh, and that's kind of why they pushed the whole issue of him receiving, uh, because they couldn't understand at times what he wanted to say or trying to express himself.

SA:

Okay.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana\_Urtiz\_ 10312013130054001312

IT: For her-she it was easy for him to-to see him expressing himself, uh, because she

was accustomed to that.

SA: Right.

IT: Um, or she would guess on certain things because she was used to that.

SA: Okay, um, and which psychologist at school told you that it was just a speech

issue?

IT: Who was the psychologist?

LU: I don't have the name, I don't remember.

IT: She does not remember.

SA: This was in-at, um, Agnes Risley [SP] or was it at Sparks?

LU: Agnes Risley – no at Sparks Middle I don't have contact with the teachers.

IT: They were from Agnes?

LU: Uh-huh.

IT: It was at Agnes Risley and she does-she doesn't communicate with anyone over at

Sparks Middle.

SA: You were never at the school – at Sparks Middle School?

IT: You've never been to Sparks Middle School?

LU: Just the day that I took him to school.

IT: Just the—

LU: The-the first day of school, I did go in. And then I never went back.

IT: Just the first day of school she did go in but other than that she hasn't been there.

SA: Okay, what about Agnes Risley? How often were you there?

LU: No there-to that one I did go more.

IT: She was-she was always going there.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

SA: Okay, um, [pause] and so this medication was the first one you have ever tried?

LU: Uh-hum.

SA: Okay, what about multi-vitamins?

LU: No, eh, the vitamins just sometimes.

SA: Okay.

LU: But, I think he has like six months he don't drink any vitamins, you know.

SA: [Laughs] Okay, um, and, uh, immunizations?

LU: He hadn't had his immunizations for this-for the 12 year olds, he didn't have

those yet.

IT: He had not taken med-his, uh, vaccines.

SA: No? How did you get him into school?

IT: How did you get him in -?

LU: Oh no! He had all his immunizations to 11 years old, but in July he had to get

another exam and then once he had the exam - I think he didn't need any more

immunizations now.

IT: So he had taken them up until he was 11 and then he was due for another, uh,

test-testing but he didn't get to that point.

SA: Another testing for what?

IT: What –

LU: You know every year kids get a well-check.

SA: Ohh!

IT: Every year they have to do an annual -

SA: Okay.

IT: -- *exam*.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana Urtiz 10312013130054001312

SA: Okay, um, [pause] and what prompted-what prompted you or Dr. Winditch to go

ahead and make that move over to No Child?

IT: In what case did you and Dr., uh, Winditch, uh, talked or the decision that he

would go into No Child Left Behind?

LU: His fifth grade teacher, I think or sixth, told me that he might have a problem, that he needed, to make his life easier at *Sparks Middle* that-that to look for help, you

know? She told me about a neurosurgeon, something about the nerves but the doctor said he didn't need anything like that it would be better if we took him to the psychologist. We let some time pass due to financial issues all that and just

now we started taking him.

IT: Okay, so doctor mentioned that he, sixth grade, he may have some issues and

some problems but, um, instead of going through everything else they should just wait and take him to the psychologist and-and get treatment or see him for

whatever exam going through them first.

SA: What issues and problems?

IT: What-of what problems or --?

LU: No, for the same stuff, that he might have problems due to his-his speech.

IT: With the communication issues.

SA: Okay, um, and what do you-what did he mean by, um, instead of going through

everything else?

LU: What?

IT: In what case? She meant like instead of getting other help or seeing another

doctor she meant that the doctor recommended them to go see a psychologist first.

LU: It was also a doubt that we had-like all the time he didn't have anything, he didn't

have anything but his-his speech was not-was not of a 12 year old. So as soon as there was a chance to take him, was when we-my husband and I said: "Well we need to take him to the psychologist like they had recommended". And that's why

we took him this time.

IT: Okay, so they-they didn't think nothing is really wrong with him, um, so they

recommended them to go see the psychologist, so her husband recommended:

"Well, you know, it's not going to hurt anything, let's just take him".

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

SA: Okay. And did, um, the social issues he was having at school tie into that with Dr.

Winditch or was he aware of any of those?

IT: The social things that he had at school, uh, it is possible that the doctor looked at

those things?

LU: I don't know.

IT: Like -

LU: I wouldn't be able to say.

IT: Like that he didn't talk too many or didn't get together with many?

LU: I don't-don't know, I always told him, about his speech; but he would say it's normal because he talked to him. So he talked to adults and reacted to what they talked to him about; he was very interested and interacted more with adults. There

were few children, just the ones from school and his sister and cousin-his sisters

and cousin.

IT: He would-he would socialize more with-more with adults than he would with

children, was kind of how he would see it, [UI] when he would communicate he

would communicate with her just fine -

SA: Uh-huh.

IT: -- um, and other adults, uh, with children it was something a little different but

[pause] the way she explained it-it's with adults he would- his social sk-his

socializing with adults is much better.

LU: I felt that he-he talked better with older people.

IT: He would-he would socialize with adults better than he would with children.

SA: Okay, did he ever obser-or did he ever, um, portray bizarre behavior at all?

IT: Did he [pause] -

LU: Bad behavior?

IT: Yes, yes.

LU: No.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA: Never heard voices that never told him to do things?

LU: No, no, no. No, no, no.

IT: He never heard voi—

LU: Uh-uh. But when he was little, because he didn't have sisters or anything he did

talk to himself. But he was like 2, 3 years old; he didn't go to school yet.

IT: Okay, yeah a little bit, when he was 2-3 years old he would just talk to him-talk

with himself.

LU: But it was like, for example, with his cars.

IT: With his-while he's playing with himself, with toys or with cars.

LU: But not like he was talking to someone.

IT: But not as an imaginary friend or someone being there.

SA: Okay, so nobody commanding him to do things and or he would do something and

then you'd say: "Why did you do that?", "Because such and such told me to do

it".

LU: No.

SA: No? Okay. Um, [pause] so [sighs], tell me about some of the experiences he had

in elementary school?

IT: What experiences has he had at school, in elementary?

LU: Like what experiences?

IT: Experiences about anything.

LU: Well he enjoyed his-his trips, when he was taken on the field trips. He liked those

a lot.

IT: He liked-he liked field trips a lot.

SA: Okay, what would he say when he home with a field trip?

LU: He tried to talk. "Oh, mom I saw this at the planetarium or I saw this there",

wherever they took him -

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT: So her –

LU: All though maybe I didn't always pay attention, to tell you-tell you exactly what

he told me but he would-he would tell me about his field trip and if he had had a

good time or who he was sitting with.

IT: He would talk about his day at-on the field trip and he'd talk about for example

one is the-the planetarium, he would talk about that experience, um, who he sat

with on the bus, uh, but he would talk about the field trip.

SA: Okay. When he would talk about sitting next to somebody on the bus was it always

a positive discussion or was it sometimes not so positive?

LU: No he was happy with the people that he was seated with.

IT: Positive about everything?

LU: Uh-hum.

IT: With the people that –

LU: Yes.

IT: Positive.

LU: And-and he was waiting anxiously for the day of the *field trip*.

IT: He was always anticipating the-the field trip day, he was always excited for that

and the people that he would sit next to he would-he was, uh, was always a

positive manner.

SA: Okay, um –

IT: He was comfortable is what she described, sit and talk with whomever.

SA: Okay, what about middle school, so far?

LU: He never said anything bad of the school but he only mentioned one trip they

were going to make, uh, to Santa Cruz, California. I was the one that said: "No, it's too far" and he would say: "Don't worry, I'll be fine". And, well I think he

believed that, that he would be fine.

IT: Nothing-nothing was ever talked about that was bad, um, he did talk about a trip

that they were going to take to Santa Cruz, um, and she says: "No, it's too far to

go to" and he says: "No, it's-I'll be okay, I'll be fine".

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

SA:

Were you going to let him go?

IT.

Were you going to let him go?

LU:

I was thinking about it.

IT:

She was thinking about it.

SA:

Okay, um, and what was that for?

IT:

What was the trip for?

LU:

I don't know it was a school trip; I don't know what it was.

IT:

She doesn't know exactly what it was but it was a field trip at the school.

SA:

Okay, um, what about his academic abilities and performance; how well did he

do?

IT:

What was his academy, uh, like at school?

LU:

Well, he was always little lower than the rest of his classmates but he always made an effort to do well, to be better, to bring home di-diplomas, like I said, here

are the awards. He always brought home since Kinder to sixth grade.

# [Door slams]

IT:

He's always been, uh, a little, he's always, uh-um, not as great, um, grades as his friends, he was just slightly below them, uh, but he was always trying to thrive for-to-to be better and always thriving to, uh, get awards and try to make her proud.

SA:

How do you know his, um, grades were lower than his friends?

IT:

How do you know his - were less or lower than his friends?

LU:

I went to the school to-to check how he was and-and his reports of how he was; and obviously well, he didn't have the ability of the other children but he worked hard at-at getting a good grade.

IT:

He-she would always keep up on it, she would go to school and-and check up on his grades and what not, uh, some of them weren't as great as some of the other students but he was always pushing himself to try to be up in that same realm asas the other friends or other students.

SA: But again how did you know what the other children were getting grade wise?

IT: How do you know what the other students had?

LU: Because, it wasn't that I could see, it was that the teacher would say: "His level is

a little lower than the rest of his classmates".

IT: The teacher-the teacher would tell her his, uh, status is just slightly below the

other students.

LU: But it was not specifically –

SA: Oh! Okay.

IT: But not specifically the others kid's grades.

SA: And that was at Risley?

IT: At Grisley, Risley?

LU: Uh-huh.

SA: What about middle school?

IT: And at the *middle school?* 

LU: I never went to the school.

IT: She's never been down to the school.

SA: Okay, um, and you never used Infinite Campus?

LU: What?

IT: I'm sorry?

SA: Infinite Campus?

IT: Infinite Campus? I don't know. I'm sure what that is.

LU: I don't know what that is.

SA: It's you can, um, tr-you can go online and look up, um, your child, everything

from assignments that are given that day to, um, any behavioral issues that they

had or corrections that they had to make -

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

IT:

Oh, okay.

SA:

-- all of the attendance is on there, every-everything is on there.

IT:

What she is explaining to me is that it is a program that the school has where you

can get into the internet, through-through the school and you can look at

everything about the students, especially your child.

LU:

Never, I am not very familiar with computers -

IT:

Okay.

LU:

-- so I never did that.

IT:

She has never done that because she is not familiar with computers.

SA:

Okay, um, and they never showed you at school how to -

IT:

[OV] They didn't show you at the school?

SA:

-- at his school how to do that?

LU:

No, the truth they never sent anything a paper or I don't know; I really wouldn't

be able to say [UI].

IT:

She's not aware-she's not aware of the program or logging into that program, she's not sure if they even sent something or some kind of information of that

particular program.

LU:

Unless they gave it to him, I wouldn't be able to tell you because -

IT:

[OV] Unless they gave -

LU:

-- nothing was given to me.

IT:

-- unless they gave the information to her son but she's never received it or has

any awareness of that program.

SA:

Okay, um, should be able to do that with your girls as well.

IT:

You can do that with your daughters.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

SA:

Because it's in all the schools, um, when you go into the front doors of the school there is a-a computer, usually, so far to the right side of every single one of them and it has a big banner that says Infinite Campus and if you ask the, um, secretary she can give you your log in information and then they'll show you how to work that and you can follow — it's the-a high schooler's worst enemy because you can truly check on your kid every single day, whether they were a minute late is on-everything is on there.

IT:

So any school, to check on your daughters you can go there and the secretary can help you.

LU:

Uh-huh.

IT:

The computer is there next to the door –

LU:

[OV] On the right side.

IT:

Yes and she can help you get your-your name for the computer and you can check daily for your children. The things they do, their degrees, if they have behaved good or bad, all of it, it's there.

LU:

Okay.

SA:

And you can get on to there from any computer, anywhere-ever anywhere, so -

IT:

And at your house-at your house you can get your computer and look there from your house.

SA:

Um, now, José had had, um, a few lessons in, um, getting along with others, um, one specifically in the sixth grade right before the end of the year called "Bullying", um, and then another one this year as well. Um... how did-did José ever feel like he was bullied inside school?

LU:

What?

IT:

He-he took some classes at the school, some videos that have shown all the students about things of intimidation to kids --?

LU:

Well, I think in *Middle School*.

IT:

In Middle School. So, you knew about that?

LU:

Not that day; nobody sent a paper so that I knew he was taking that class but after we found out through other people, through other people, that they had shown that video.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz\_10312013130054001312

IT: What day do you mean?

LU: The day they went out on vacation.

IT: Okay, so before all that you didn't sign anything?

LU: I didn't see anything.

IT: She-she wasn't aware –

LU: [OV] Not that not that I remember, no.

IT: From what she can recall, she doesn't – she wasn't aware that they were going to show, or that he had seen this, uh, video courses or, uh, at school, um, but it was

afterwards, after - after vacations?

LU: Before vacation, I think it was the last day of school that they showed it.

IT: The last before they went on their break.

LU: I'm not sure but I think it was that last day -

IT: She thinks that's about when she was aware that they had seen, uh, this course or

video of bullying.

SA: What about the sixth grade though, because --?

IT: And the ones that are in six?

LU: I don't remember him mentioning anything about that.

IT: He has never sa –

LU: [OV] I don't remember, he might have done it but the truth is I don't remember.

IT: He doesn't - he-from what she can, she doesn't remember him talking about that

of anything of that sort.

SA: Okay. Um, because you had to sign a form saying that yes, your child could

attend.

LU: Uh-huh, I can't remember.

SA: Okay. Did he ever talk about being-being bullied either before or after, now that

you know that they were shown one the last day, um, did he ever talk about that?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson liliana Urtiz 10312013130054001312

LU:

No.

SA:

Ever talk about issues he was having with anybody?

LU:

What?

IT:

Has he had problems-has he talked about problems he had with other people?

LU:

No, just what everyone knows, what I told her before.

IT:

No, other than everything that she's told you.

SA:

Okay.

L1:

I don't know if we going-were communicating; I think she is still thinking about the-the film as opposed to incidents of bullying; I may be wrong.

SA:

Okav. Um -

L1:

I think it's-it's José -

SA:

[OV] All – the videos aside, did-did José ever feel he was being bullied or being picked on not even specifically bullied but being picked on by anybody?

IT:

Of the – less the videos – um, did José think or talk to you that he was intimidated at the school or they have, uh, wanting-wanting to fight with him?

LU:

Not that they would fight but he did tell me that a boy had bothered him -

IT:

Okay.

LU:

-- he was drinking his water, the boy poured, hit him in the mouth, poured on his clothes and sai-said he had pi-pied his pants.

IT:

Okay.

LU:

And I don't know how many days before that it happened, but yes, people have told me that they did bother him.

IT:

Uh, just the one incident that he had, they talked to her about was when-when one of the other students had knocked a beverage on his mouth as he was drinking it, spilled and went down towards his pants and it looked like he had urinated on himself.

SA:

Okay. Um, did he talk to you about that?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_10312013130054001312

IT:

Did he talk to you about that?

LU:

Yes.

IT:

Yes.

SA:

And when was that?

IT:

And when was that?

LU:

I don't remember how many days before but I asked him later how he was and he said everything is fine. He didn't mention that again, but he did complain that-that the boy bothered him.

IT:

She doesn't remember when it was; she thinks it was a few days before, um,

before vacations?

LU:

Yes.

IT:

Before the vacation, before they went on their break, um, she had asked him: "How-how are you, how are you doing, after that incident and he said: "I'm fine. Don't worry about me, I'm fine".

SA:

What brought that up with him? Why did he talk-what made him talk to you about it?

IT:

Why did-why did he talk to you with that? Why did he explain that to you?

LU:

Because it bothered him that the boy made fun of him.

IT:

Because he was bothered that he was being teased.

SA:

Um, and what prompted that though? Did he come to you freely or did you notice something was wrong with him?

IT:

He came to you, only him or did you know he had something that bothered him?

LU:

No, we always ask how you are, how did it go, what happened and he said that, so it wasn't that I specifically say: "Tell me, tell me". No.

IT:

She continuously always asks how things going for you and then he addressed it to her.

SA:

Okay.

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: But she never tried to get it out of him after she kind of realized what was going

on he just freely, uh, told her of things.

SA: Okay and how did he cope after the fact?

IT: That's when she was saying that, uh, he was fine, "Don't worry about it, I'm

fine".

SA: And he never brought it up again?

IT: Did he talk about that after you talked?

LU: No.

SA: Okay, um, what about being gay?

IT: Never – what do you mean specifically?

SA: That they teased him about that?

LU: He never told me that, he never told me that or to his dad; he told his

psychologist. His py-he tells -

IT: He told his psychologist that he was called gay.

SA: Okay so he just told the psychologist on that day and then brought it - okay. So he

never was, um, upset about it at home or anything like that?

LU: No.

IT: He was never bothered at home about that?

LU: No, he never said anything to me.

SA: So that was a surprise to you that kids were saying that.

LU: Yeah.

SA: Okay. What about being too weak to play sports or did anybody ever make fun of

him when he was trying to do things in P.E. or -?

IT: They didn't-didn't bother him because he didn't play sports or wasn't strong-a

strong person?

LU: I don't know, he never said anything about that.

SA: Okay, did he ever give you a name specifically of anybody that like-maybe the-the

peeing of the pants type situation or -?

IT: Did he give you the name of the guy-the boy that was bothering him [UI]?

LU: No, but I know that there are lot-a lot of people that know.

IT: Okay, but José never told you a name?

LU: He just told me that he was bigger than him.

IT: He didn-he's never mentioned a name other than the kid was older than him, uh,

but she knows that-from other people know the kids name.

SA: Which is?

IT: And what name is that?

LU: I don't know, the other kids now because many would know -

IT: But they have never told you what it is? Okay, s-so she doesn't know the name but

other kids know the name.

SA: Of who that was that did that?

IT: Yes.

SA: Okay. And that was the only instance that he was ever-specific about --?

IT: [OV] Is that the only incident that he has had?

LU: That I know of?

IT.: Yes.

LU: Um-yes.

IT: Yes.

SA: Okay, um, do you-did you ever know José to, um, act out, um, in a way that drew

aggression to him?

LU: How?

LU:

Aggre-aggressions?

IT:

Yes.

LU:

No. I never looked.

IT:

You have never looked that he had that?

LU:

Aggressions?

IT:

Yes.

LU:

No.

SA:

Okay, um, did he ever display hostility or anger towards a specific student or

group of students or teachers, principals, counselors, anything?

IT:

Has he had aggressive or mad with especially to other students, other teachers?

LU:

He never named teachers or any of that.

IT:

He never said anything about that or that he had frustration or angry to any

person?

LU:

The only thing I know is that he really liked to be in science-in science [UI]. I just

know that he liked that class.

IT:

No other than he was always excited and he liked to be in the science class, he

liked science, is what she said.

SA:

Okay, um, did he ever discuss being, um, suicidal?

IT:

Has he talked to you about, uh, suicide?

LU:

About what?

IT:

That he wants to kill himself alone?

LU:

Never.

IT:

No, nor of death, no.

IT: No, he's never talked about that or-or death.

SA: Okay, what about homicide?

IT: Kill another person?

LU: Never, no.

IT: No.

SA: Okay, um, do you-have you ever known him to have a disciplinary problem at-at

school?

IT: Have you known that he had problems at school; that they punished him?

LU: No, I haven't asked about that.

IT: No, she never asked her teachers.

SA: How do you think his-his, um, the other students see him?

IT: How do you think the other students look at him?

LU: Loving, respectful.

IT: Respectful, uh, good kid.

SA: Okay, what about teachers?

IT: The teachers?

LU: Same thing.

SA: Okay. Did he go to an after school program at all?

LU: Yeah, Tuesday and Thursday he has, um, math. Yeah he had help with math,

Tuesday and Thursday.

IT: So Tuesdays and Thursdays he had math classes.

SA: Like math tutoring?

IT: Math tutoring.

LU: Yeah.

SA: Okay, but that was-there was no like, um, boys and girls club after school

program?

LU: No, no, no, in the same school.

SA: Okay, um, and when did he start the math tutoring?

IT: When did he start?

LU: In I can't remember, I think it was September –

IT: September.

SA: Okay, beginning of school.

LU: I'm not sure. September or the beginning of October, I can't remember the date.

IT: October or September, she is not sure of the date.

SA: All right; what were his long term goals in life?

IT: What did he want to do to for his future?

LU: Policeman.

IT: Policeman.

LU: Policeman, ma-marine, that I didn't want --

IT: [OV] Military—

LU: -- I said no.

IT: He wanted to be a marine but she did not approve of him wanting to do that.

SA: [Laughs]

LU: And he really liked to see the *marines* with their uniform and all that.

IT: She-he loved to see the marines in their uniform.

LU: That's why he has a lot of, um, how do you say magazines? Because he would

say: "Look mom they-they help people".

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz\_ 10312013130054001312

IT: He would always get his magazines-magazines with the marines and what not and

state to her that: "Look mom they help a lot of people".

SA: Okay. Um, what about short term goals?

IT: The shorts, um –

LU: What?

IT: The short thoughts, things that he wants to do?

LU: Uh-um, well, travel. That was one thing that he like-wanted to do that didn't

happen but he wanted to travel to Mexico, wanted to see his family from Mexico;

because his family was very important to him.

IT: But he didn't have anything for himself that he wanted to do, like –

LU: No, for him it was always his family and him. It wasn't like: "I'm doing this", no.

Long term, he wanted to be a policeman, wanted to be a marine, wanted to be a firefighter, endless list; but him by himself like: "I'm going to study this", no.

IT: Okay; he didn't really have short term goals other than, uh, he just wanted to

travel and family was his main thing. He never set any goals as short term.

SA: Okay, okay.

IT: He was more focused with family.

SA: Um, did he ever have you buy any of the military clothing and stuff for him?

IT: Did he ask that you buy military clothes?

LU: He just had a vest.

IT: He had a vest.

LU: Uh-huh and a pillow.

IT: And a pillow.

LU: Similar to the fabric. Um, sometimes, hats but he threw those out, helmets.

SA: *Uh-hum*.

IT: He had a couple of helmets, hats, uh, couple of them he had thrown away –

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_liliana\_Urtiz 10312013130054001312

LU: W

When we moved -

IT:

[OV] When they moved -

LU:

-- he left those. He just brought his-his pillow and his-his vest.

IT:

So the hats he-he pretty much left when they m-moved and he kept his vest and his

pillow that had the camouflage.

SA:

Okay so it's just a camouflage vest not a like a [UI] vest type?

IT:

It wasn't like a soldier vest?

LU:

Yes, the fabric was-was similar but to him it was like military.

IT:

Okay, but it didn't have, uh-uh -

LU:

Weapons?

IT:

- more things on the vest?

LU:

No, no, no, no it was like to dress up.

IT:

It's just a vest-it's just a-a dress -

LU:

Camouflage.

IT:

-- camouflage vest.

SA:

Okay, um, and what did he use like a helmet and things for?

IT:

What did he use the caps, um the helmet?

LU:

He had like a-a war by himself -

IT:

He would -

LU:

-- he would throw himself on the floor; he would stand up, like, sometimes with

his sisters and cousins.

IT:

He would imagine that he was in a war, um but with himself and then sometimes he will interact with his siblings or his cousins, um, he would just roll around and

play as if he was playing army.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104 peterson\_liliana\_Urtiz\_10312013130054001312

SA: So he did pretend with his family members and pretend that he was other people

and –

LU: But they weren't his enemies, they were his friends.

IT: But they were all in the same team.

SA: Right. Okay so but-so he did wrestle on the floor and-and physically interact with

other kids?

IT: But-but he did get in with the other son-kids, uh –

LU: How?

IT: -- play with them like they were military?

LU: Oh yes! Yes, they were all together, they would get them because they were the

bad guys or – he played like that.

IT: He would just play, yeah; he would play, uh, war with the other siblings.

LU: Or the good guys –

SA: [OV] More or war?

IT: War, I'm sorry.

LU: War.

SA: Okay, okay, um [pause]. So he has interest in the fictional, um, war type things

and, uh, the-the games. What about real-in real life?

IT: He had ima-imagination of things that are fiction –

LU: Uh-huh.

IT: -- but how did he take things really?

LU: Well normal.

IT: Everything was normal.

LU: Normal.

IT: He would see it as a normal thing.

SA: Okay. If they were all on the same team why were they wrestling each other?

LU: What?

IT: If they were play-if they were on the same team, playing like military-war, um,

why would they touch?

LU: It was bringing- no, no - it was like going from one place to another: "Follow

me" or "follow me over here" and he would lead them. Sometimes they would

play cowboys and Indians, he would say.

IT: Okay.

LU: So in that case they were the good and the bad guys; so they would lock up two of

them and the others were-were the good guys supposedly.

IT: Locked them up how?

LU: No, not locked up but it-it would be like: "You can't leave this area". They were

here; from here you can't leave, okay?

IT: Oh, okay.

LU: And they were over here, like that.

IT: So it - but they didn't touch-touch each other? They would just follow?

LU: No, yeah he would take them by the hand and say: "Let's go".

IT: Okay, so it wasn't wrestling it was more like guiding or holding on to their hands as they were playing war, um, when they were playing war, he would just say, um,

"Follow me, let's go this way" and they'd follow him and you know, they'd pretend that they were at war. There was times that they would play Cowboys and Indians, um, he-he would actually saw: "Okay you guys are the Indians and were the Cowboys" and there would be a-a designated area that he would say: "Okay you guys are going to be locked up here and you guys can't get out of this" imaginary line or circle or square, whatever the area is and then they'd go out and play. Um, and as she mentioned guiding as in taking someone-somewhat, you

know, but taking their hand and says: "Okay, you know, you're going to come in here and you're not going to go anywhere, you stay here".

Yes, the science teacher, science.

Another boy? Someone [stutters] I think, hmm, I vaguely remember.

IT:

Okay she vaguely remembers that there was a note apparently he did not write it but there was a note given to him written by someone else and then they-he got caught with it —

No, someone told him what to-to write so they didn't see his handwriting. But I don't know who that was.

IT:

LU:

So someone had told him to write something on there so that they don't know that it's the other kids' handwriting.

LU:

But I don't know what the note say.

IT:

But she doesn't know what the note said.

SA:

Who told you about that?

IT:

Who told you?

LU:

My son.

SA:

Okay.

LU:

He told me that.

SA:

Okay.

LU:

But I - I told him - "Say sorry to your teacher". I don't know what the note said

but I told him to say sorry to your teacher and he said okay he would do it.

IT:

She doesn't know what was written on the note but she had told him-advised him

to-to apologize to the teacher.

[Mumbling] [Door opens and closes]

SA: Did he tell you he had apologized, that it was totally fine that he was not in

trouble at all?

LU: Uh-huh.

SA: Okay.

LU: He told me.

SA: Okay, yeah. Um, [pause] what about the piers did he think he was being treated

well by them?

IT: His classmates, do you think they treated him well?

LU: No.

IT: No, did he ever talk-talk to you about that?

LU: Only of the child that bothered him.

IT: She doesn't think so, uh, specifically the one child that, um, was bullying.

SA: And what does that mean? Uh-um, you say it's the one child that was bullying

him?

LU: Um-hum.

SA: Who-who was that and what was the bullying about?

IT: What child and what was the -

LU: I don't know his name -

IT: --intimidating?

LU: -- and it was about bothering him that he had pe-peed his pants and he was

worried about it.

IT: She doesn't know what the child's name is and it was about the incident that in

which-

SA: Okay.

IT: -- spilling in his pants.

SA: So it's-it's your belief that hullying is-can be a onetime incident by one child?

IT: So you think one-one incident that happened prefers that he is intimidator?

LU: No I think it has happened more but I -I don't know them.

IT: She believes that there was other incidents but she doesn't know what.

SA: Why do you think that?

IT: Why do you think that?

LU: Because-because for my son to go to this ex-extreme, I think there were more

things that haven't been said.

IT: To put his child in the extreme that what-had occurred she believes that there was

more incidents.

SA: What do you mean? I-I don't understand what --

IT: [OV] So what had occurred with the last incident -

SA: Oh.

IT: To go to that extreme -

LU: Jackie talked to her. You know Jackie -

IT: Jackie spoke with you?

LU: Okay?

SA: Um, but that's- and that is kind of why I asked if it was okay if I talked to Jackie

because I know that she knows a lot more of specifics but -

LU: If she don't want it, that's fine.

SA:

But she, um [stutters] she was okay with doing that but I can't get those specifics until her parents allow her to talk to me, um, and we've been trying to get that accomplished, um, because by no means is she in trouble, but there is that piece of the puzzle that's missing, um, and she-evidently she's the only one that has it or

that will-that has the ability to give that information.

LU:

No, I don't think she is the on-only one that has that piece.

IT:

She doesn't believe that -

LU:

I think there are other children -

IT:

[OV] She doesn't believe that Jackie is the only one that knows or has knowledge, she believes that they are other children that have other knowledge about what was going on.

SA:

And you're probably right, um, but until we get specific things, um, with names attached so that we can go to that specific child and talk to them about that as well, we can't even go down that route. So she-like I said, she just holds that big piece, um, of the puzzle so we-we that was an intra-kit part that we really wanted to get accomplished even prior to today but we can't just wait for her, we would like to, um, I would like to talk to her, um, but, um, I know her parents are apprehensive about it, so -

LU:

If she is ready she will talk and if not, everything depends on what her parents think, she is a little girl and can't speak for herself she would need her parents to approve.

IT:

If-if Jackie is willing to or she is ready to talk, um, sure she will, um, and of course if her parents allow it.

SA:

Um-hum, okay. Well I'm always open to do that, um, and it's-it's, you know it's in that room where you were in with the clouds and-and or even, not even at this building I have another room that I go elsewhere to interview children, um, and I'm dressed in normal clothes and don't have any of my garb on and it's nowhere near here and it's a secure facility and completely stress free, so, that is always available to her, um, little sweetie pie she is, so -

LU:

Um-hum.

SA:

Because of the suicide thing sometimes they won't-there's a lot of priests that won't do the-the whole thing. But evidently there is a-a few that will say a specific-go through a specific thing to be able to do that.

Because the catholic religion-because they don't accept people that have suisuicide, um, there are some priests that do and some that don't, so talk to your Father to see if he does—

I already talked to him -

SA: Um, yeah we could figure that out if-if that's-if they were okay with that.

IT: You can decide but, uh, if you want a policeman from here that doesn't have a

uniform and no police car, that look-can go get your daughters and bring them

here.

LU: But I don't know if the school would let them go with them? Can they?

Date: <u>3/4//4</u>

## **Details of Supplement:**

Det. DACH requested I conduct a phone interview with Jesus VASQUEZ Junior in regards to his friendship with Jose REYES. VASQUEZ's mother was previously contacted and agreed to the phone interview.

# Interview w/ Jesus VASQUEZ Junior:

On 03-03-14, I called VASQUEZ and spoke to him about Jose REYES. VASQUEZ said he went to elementary school with REYES and about two months of junior high school at Sparks Middle School.

VASQUEZ said he played soccer with REYES at recess and they would also talk about soccer games too. I asked VASQUEZ if they ever talked about video games. VASQUEZ said REYES talked about video games including violent ones, but never about the graphic details or shooting people. VASQUEZ said they would discuss game strategy and cheat codes. VASQUEZ said he never heard REYES talk about being bullied or wanting to hurt or shoot anyone.

VAQUEZ said he only hung out with REYES while at school and didn't know that much about him besides what they talked about. I asked VASQUEZ if there was any other information I should know about, and VASQUEZ said there was not.

The thing in the - in the garage? Haven't been touched?

L2:

[SC] Shed? What are you guys talking about?

SA1:

[SC] Yeah, yeah, but I thought those were a garage is what -

JR:

We don't even know if they touch it or not. Uh, they-we just -

12:

But have either of you touched it?

JR:

No.

SA1:

They have to be separate because it's not-because you did the consent to search the home but the others [stutters] we have to separate them out because it's not

attached to your house. Does that make sense?

12:

They are separate. When you signed that they want to "exculcar" [PH].

LU:

What garage are you talking about?

12:

The ones that still has the stuff.

LU:

It is the-the tools.

I2:

Tools, yeah.

LU:

The ones that are there at the old house. But he never had access to that garage.

[OV] Let's-let's just stop, here's what's going on, you guys-wait, hold on, wait-

stop, stop, stop -

SA2:

Yeah.

L1:

They don't understand because there like not real familiar with the fourth amendment, whatever, so let me start and explain it. You signed a consent form and the Sparks Police Department went and searched your house. They did not

search your garage, okay? So far you understand?

LU:

Uh-huh.

L1:

You understand everything?

JR:

The things we put in the –

L1:

[OV] Now she is asking for your permission to search your garage, that's what

they want to do, correct?

SA1:

Yes, because they are not attached.

L1:

Right.

JR:

The things that are there [UI].

SA1:

Does that make --?

L1:

Is that okay with you, if they open the garage?

L2:

Wait, wai-wait, now, are we talking about the garage where they live now?

SA2:

No.

L2:

We're talking about the shed from the apartment where they used to live.

SA1:

Correct.

L2:

Okay, that's got to be explained to them.

L1:

Right. So you had a shed — do you understand shed?

JR:

Shed?

L1:

How do you say shed in Spanish?

**I1:** 

A little room, a garage of the old house-old house -

SA1:

[OV] [Laughs] That's why I said garage because --

JR:

[SC] Oh, okay-okay.

SA1:

-- when we talked about it originally, um, no she called them-

L1:

[SC] They-at the old apartment -

L2:

Oh, oh, oh, oh.

SA1:

-- on the first --

L1:

[SC] - they want to look -

SA1:

-- she called it a garage so I've probably -

L1:

-- they want to look in that area.

JR:

Okay.

1.1:

Is that okay?

JR:

Yeah, basically we just get that from my other brother, because he pulled his, uh,

his Blazer in there.

L1:

Okay.

JR:

And I have some tools that I used to-that I used to work for construction.

L2:

But who-who, who's is it? Is it yours?

L1:

Or your brothers?

LU:

It's mine.

L2:

The shed, not the Blazer, the-the-the shed.

JR:

It's my brothers, that's where he puts, uh, some-some stuff that-that he belongs;

his truck and some other things.

SA1:

Was it rented with your residence?

Yeah.

SA1:

Through your residence?

JR:

Through my - yeah. Through my -

L1:

Through your lease.

SA1:

So it would not be your brothers it would be yours, even though his st-

JR:

[OV] My brother wants it, you know? My brother wants to have an extra space -

L1:

[OV] But you pay for it?

JR:

Yeah.

SA1:

So you have a right to it. The-the truck itself is your brothers; that would be a

totally separate issue. You can't give us permission for that, no.

I1:

You are in charge of that garage, right?

JR:

Yes.

LU:

Even though -

I1:

[OV] Even though your brother-in-law has the remote -

LU:

-- my brother-in-law has the remote.

**I1**:

-- but you -

JR:

[OV] I'm the responsible.

**I1**:

- of the garage, right?

JR:

About the lease.

11:

Right.

L1:

When does that end?

SA1:

[SC] But not -not the vehicle.

[Laughs]

JR:

This - tomorrow?

L1:

Today?

JR:

Yeah -

LU:

Today.

L1:

Right. So do you have items in there now?

JR:

There's still the -

L1:

Tools?

JR:

-- the Blazer and some tools.

L1:

The Blazer is your brothers and the tools are yours?

JR:

[OV] It's my brother's. So the construction tools --

L1:

Okay.

JR:

-- those are mine.

L1:

Okay.

SA2:

Are you okay with us searching that?

JR:

Yeah.

SA1:

And I apologize for the-the wording difference, um, but I-the garage is, um, how it

was described, so that's why I kept using that word. I apologize if it's -

L1:

No, that's right.

SA1:

-- my mix up there.

L1:

If there's a car in it, it's probably a garage is a better word in English.

L2:

Spend all day on the semantics of what is being searched.

SA1:

I know [sigh].

L2:

That's okay.

L2: Does this mean if you guys get over there the Blazer is in there you won't search

the Blayer-Blazer?

SA2: That-that's what that means –

SA1: Yeah, we don't have [stutters] because that's not his.

L2: Well, I know but I know plain site and I know all that stuff and I know when you

see a bag you show up somebody gets in trouble because they did this.

SA1: Yeah, that's not even what we're looking for.

L2: Yeah, I know [laughs], superstitious, paranoid, old ex-defense lawyer. [Pause]

Guess what brother? I just got you busted.

SA1: No [laughs].

SA2: Does the garage have like a number or anything on it?

JR: Yeah, but I don't remember the number.

SA2: Okay.

JR: My brother –

SA2: [OV] Does it need a key to get into it?

JR: Control.

SA2: A-

JR: A remote control.

SA2: A remote control; where is that at?

JR: I guess my brother has it, I need to ask him.

[Paper rustling]

L1:

Says today's date, says the garage [UI].

LU:

Why is it broken?

JR:

Huh?

LU:

Why is it broken?

**I1**:

She's wondering why it's broken.

SA2:

It must have broken when he fell on the ground.

L1:

Nobody knows.

SA2:

It was broken when I got it. Can I get, um, I put your name here José though, I need you to sign right there, this is just saying that I've given you these items. Not

- right, right above there - sorry.

JR:

You want me to sign?

SA2:

Yes, please.

SA1:

Explain what it is again.

SA2:

Um, this, um, any time we take in evidence and then return it to somebody, we have to document it. So what we do is we photographed it and then it listed it here

that it's a watch and a rosary and I'm giving it to you, okay?

JR:

Hmm.

[Paper rustling]

SA1:

So, um, we're going to let you read the letters, we're not going to read them out loud. We're going to have you read them yourselves. Um, and then ask any questions that you want to and then maybe shine some light on perhaps what he was talking about and in ex-a couple places. But we'll let you read them on —

right now, okay?

SA2:

Um, I'm pretty sure we both asked you about this notebook. Does that look

familiar to you?

LU:

No.

SA2:

That notebook? No?

LU:

No.

SA2:

Don't remember buying it at the store or nothing like that? Or -

LU:

I can't remember but maybe.

SA2:

Okay, um, there's two separate letters, okay? And so we'll just give them to you

guys separately and then you guys can switch, okay?

[Paper rustling] [Pause]

SA2:

José do you read English? Okay.

[Pause]

[Crying, sniffing, shuffling]

LU:

[UI]

JR:

Stupid, idiot.

LU:

[UI] in his pants [sniffs].

SA2:

What do you think he meant by the letters?

LU:

I don't know. But I think he has so many problems and that's . . .

SA1:

Do you know what -

JR:

[OV] Teachers?

SA1:

-- he may have meant by the-being a monster?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_Urtiz\_family\_ 10312013140841003180

JR:

I mean he's mentioned right here, teachers.

SA1:

No, in his to you and his mom.

JR:

Right here it says "teachers for ruining my life".

SA1:

Right but in -

JR:

And it's-it's also the adult people who-who probably doing something to him-

LU:

Yeah.

JR:

-- not just kids. Why we left our kids at school? Because we think they are safe there, we think they are going to be close people who can teach things in life, you know, not saying, you know mean things to kids. As a father you guys know howhow that feels? It's not just the kids, it's everybody there? [Sniffs]

SA2:

What about the letter to you guys? What do you think that means?

JR:

Probably he was worried about what were think, about what were-can be thinking, he was worried about, you know, not love-love him anymore, pro-

SA1:

Do you know what he was talking about specifically when he was talking about

being a monster?

LU:

Maybe because of the situation, he thought we would think that.

L2:

What?

LU:

Maybe because of the situation, he thought we would think that.

12:

Probably because of the situation.

LU:

But no -

11:

That's what he thinks, that his mom thinks -

SA1:

[OV] For doing what he did?

**I1**:

Uh-huh.

SA1:

Um, and do you know what he would go back and do over-what he wants to come, do over again? When he talks about, um, stopping and then getting to start over? Do you know what he is talking about?

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson Urtiz family 10312013140841003180

I1: He says he wants to come back and start over again, do you know what he means

by that?

LU: We never talked about religion with him.

I1: We never talked about religion with him. About going back—

LU: I don't even believe that - that it happens that way. I wouldn't be able to tell you

because I don't even follow my religion to that precisely. So, I don't know.

SA2: What did she say?

I1: That religion doesn't teach that, it's nothing they ever adhere to or talk about.

She doesn't know where he got that from.

I2: Religion.

SA1: Okay, um, and do you know what mistakes or mistake that he is talking about to

come back and make better or fix, something to that effect?

JR: No.

SA1: You don't know what he is talking about?

JR: No, for us he always do better, you know –

LU: I told you that.

JR: -- for us he always, uh, we were really proud of him. You know, I was calling him

Champ, you know what that means?

I2: Champion.

JR: Champion, all the time. "Hey, how everything goes at school, champion?" He

always say: "Everything's fine, everything's fine, everything's fine."

LU: [UI] teachers? It's the teachers.

SA1: I'm sorry?

LU: No, nothing.

SA2: Let me see that one more time. [Pause] This last line where he says: "I wish the

past would be good and better someday". What about that?

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_Urtiz\_family\_ 10312013140841003180

LU: I don't know - I don't know. I only understand that he loved us and that's it.

SA2: He's obviously a-a very good writer. Is there other kinds of these writings – not

necessarily this - but writings like this at home?

JR: Nothing, nothing like that.

SA2: I mean does he -

JR: [OV] He just-he just [UI] - remember when he made that picture of all the

family?

LU: Yeah.

JR: And that was what he says that, "This is what I want, this is what I want", all the

time.

SA2: He wants family?

LU: Yeah.

SA2: When was that?

JR: When? Uh-I don't know, I don't know exact time.

LU: [UI] but a long time ago.

SA2: Years or months?

LU: No, I think years, yeah.

SA1: [UI]--

LU: [OV] He always talked to about the family, still together and everything, he always talked about that. If he want to do something, it was for his family.

# [Whispering cannot be understood]

SA1: Um, you also need to be aware that the 2010-2011 case, um, the media, um, did a

background search on José and found that case -

L2: Who-who are, are you talking about Cheryl Ben [PH] or Martha? Do you know?

Which reporter?

SA1: No, it was, um –

File Number: 356A-LV-3436080

Audio File: 13-9953 104 peterson Urtiz family 10312013140841003180

SA2:

Hart [PH].

SA1:

Yeah, Joe Hart.

L2:

Joe-shoot.

SA1:

And, um, he agreed, because he went to the court and actually got the entire case so he has all of the details about that case, um, he agreed to hold on to it for a few days because we tried to say, you know, it's an open investigation, you put this out there, it's going to, you know everything that we could do-but he agreed to give us the five days, um —

·L2:

From?

SA1:

Yesterday.

L2:

Well -

SA1:

So that is going to be out there, um -

L2:

[Stutters] not right now, I don't-don't want to make any decisions about that but we are going to have to take that head on with Joe, um, he's going to do what he does that's what channel four does and that's the kind of publisher that Rogers is but, uh – [knocking]

SAI:

We wanted you to be aware about that -

L2:

[OV] Yeah, I really appreciate you telling me that, I really, really do but we'll, uh, do some damage control on that I think.

SA1:

In our candor [UI], um –

L2:

Yeah.

SA1:

-- really went to bat to keep, again not only, you know the name out and-and to keep that case from being released right now or, um, and in certain circumstances our hands are just tied.

L2:

Did, uh, did-did that result in a conviction? When-when José explained it to me it sounded like some-kind of a deferred plea. Do you know what -?

SA2:

[OV] It was a conviction but it was a misdemeanor.

SA1:

Misdemeanor.

File Number: 356A-LV-3436080

Audio File: 13-9953\_104\_peterson\_Urtiz\_family\_ 10312013140841003180

L2:

[UI] Okay so it was negotiated?

SA1:

Yeah.

L2:

Probation or just straight misdemeanor?

SA2:

Just straight misdemeanor.

SA1:

Straight.

L2:

But was it charged as a felony, do you know?

SA2:

Yeah, it was child abuse.

SA1:

Child abuse.

L2:

And then negotiated down?

SA2:

Uh-huh.

L2:

So the file will show the initial charge as a felony?

SA1:

Yes. [Chair creaking]

L2:

Complaint and then indictment or just complaint pled down?

I1:

Disposition. There should be a disposition in there.

**SA2:** 

Should be a disposition in there too. We'll see how they run it but - [laughs]

SA1:

Yeah, that's the problem and that's why-

SA2:

[OV] You never know how the story will read.

L2:

Oh, I know-I know how the story is going to read [laughs], um, but I'm telling you right now I'm thinking about before he goes with it, letting Joe go eyeball to eyeball, with us having a prepared statement, so that, so does dilute it a little bit and do some damage control.

unu uo some

SA2:

I guess. That's up to you guys.

SA1:

Like I told you on the phone, you know, it's -

L2;

Yeah.

Audio File: 13-9953\_104\_peterson\_Urtiz\_family\_ 10312013140841003180

SA1:

-- but I wanted you to have all of this --

L2:

[OV] All right.

SA1:

- beforehand, so you know, you could, they can't side step you and-and hit you

with something that you -

L2:

[OV] Yeah -

SA1:

-- didn't know was out there.

L2:

-- I really appreciate that, I really, really do.

SA2:

Um -

SA1:

[UI] to do.

L2:

Yeah.

SA2:

We're hoping you guys if you have any insight on what any of this stuff means

either letter, please just speak your mind, just throw it out there, um -

L2:

He-Joe doesn't know about this, does he?

SA2:

No.

L2:

Channel four?

SA2:

No. Yeah but eventually, you know when the case is completely done, then this

will be part of the case too.

L2:

Yeah.

SA2:

You know, but that will be months down the road.

L2:

So, this investigation including the school video, does that ultimately become

public?

SA1:

Yeah, just like Columbine.

L2:

All right. Do you have anything more? [Laughs]

SA1:

[UI] don't think so.

You have any ideas? Any words, any thoughts, anything help trigger a memory or – anything you remember him saying that you thought - oh, was nothing - but oh

now it's a big deal?

[Simultaneous conversation between SA1 and L2 cannot be understood]

[Pause]

LU:

No.

L2:

Are those our copies?

SA2:

Uh; there mine but -

L2:

I [stutters] think we keep them here, I think-I don't want those out.

SA2:

Yeah.

SA1:

I think that's a-they'll stay a part of the investigation for now.

L1:

And we'll get you that other phone number today or tomorrow?

SA2:

What?

L1:

We'll get you that other phone number for the guy who's truck-

[Simultaneous conversation between SA1 and L2 cannot be understood]

L1:

We pretty much done for here - for today?

SA1:

Uh-huh, I think so.

L1:

Okay.

SA1:

Unless you want to check with -

SA2:

[OV] I can check with him real quick just o make sure but - let me check real

quick.

[Door closes]

SA1:

[UI] if you guys have any questions whatsoever; please feel free to call us or your

attorneys and they can get a hold, whichever -

L2: Um, [UI] McAndrew [PH] at the RDJ is part of this [UI], evidently according to

today's paper but, um, McAndrew told me that she has taken statements from

students. Which, I mean, sounds kind off-color to be talking to 13 year olds but --

SA1: They were, um, interviewing children coming out of the scene before we—

L2: Oh God.

SA1: -- so, on-on camera so it doesn't surprise me. And you know we, um, act-once our

officers got there and every other law enforcement agency you could possibly come up with got there, um, the kids when they were locked down, so to speak, um, each one of them were, um, were given-got their names and their phone

numbers and we contacted, and interviewed and -

L2: Uh-huh.

SA1: - um, just about, um, anybody that had anything to say about anything. So, unless

they are getting other stories than what were getting then - and that was on the

original day-

L2: [OV] Did you, um, you probably didn't hear it but do you have any back up for

this [UI] incident?

XX: S-sorry say that again?

L2: Do you guys have any student back up for this incident about the -

SA1: [OV] We do not, not even the teacher yet.

L2: Okay.

12: Yeah, that's, uh, we're going to -

L2: [OV] Check into that?

SA1: Yeah.

I2: -- yeah, hopefully we'll get the name pretty soon.

L2: Okay.

12: José's friend [UI] daughter [UI].

L2: Yeah.

SA1:

[UI] as well.

L2:

Um, anyway, um -

SA1:

And that is the advocate.

L2:

Would you make sure that we get on that?

LI:

Okay.

SA1:

And she is waiting for their call, so . . . I got another email from her this morning,

"I haven't heard from them yet"- "I'm meeting with them, I promise I'll make

sure they [UI] -

L1:

[OV] Who's that?

SA1:

Um-

L2:

Joe [UI] -

L1:

Oh-oh.

L2:

-- from the advocate's office.

L1:

Oh.

SA1:

And it will be through the Children's Cabinet, so there won't be a conflict of

interest anywhere.

[Pause]

L2:

Okay.

SA1:

Okay.

L2:

Our work here is done, right?

SA1:

I hope so, here, hopefully Kevin will be back and you guys can leave.

[Pause]

L2:

Ugh - anybody but Hart, oh my God. Uh, I'll want a copy of that.

Okay.

You do?

L2:

Well we can make it.

SA1:

Oh, I'll just do it real quick while we're waiting.

L1:

Okay.

SA1:

See if I can break the copy machine again.

L1:

Do you know Joe Hart pretty well?

L2:

Oh yeah, oh yeah.

L1:

You know who he [UI] -

[Door closes]

L2:

[UI] brother-in-law, Leslie.

L1:

I don't think there married anymore.

L2:

Aren't they?

L1:

I don't think they are.

L2:

Hmm.

L1:

I know Leslie pretty well.

[Pause]

L2:

Yeah, all right.

[Movement of chairs and overlapping conversation]

SA1:

One copy, or --?

L1:

Yeah, yeah, that's good for us, thank you.

SA2:

Real quick though, um, we've done everything we can to make sure this note does not get out, uh, so we haven't even given a copy to the district attorney or nothing [sniffs] so I know you guys were talking about a press statement to the press—

L2:

[OV] That's not going -

SA2:

Do not mention anything about this otherwise they're going to be hounding

people trying to get out and we don't want it.

[Overlapping conversation between the participants]

L2:

No, not going to happen.

SA2:

Um, okay, uh, as for the garage you want to call me later on today and see if you

get the brothers clicker so we can go over there.

JR:

Yeah.

SA2:

And, uh, and then get the phone numbers?

JR:

Yeah.

L1:

And I got your card with your number on it.

[Crackling of paper]

L2:

Thank you.

SA2:

Thank you very much.

SA1:

Sorry this took so long.

### **Details of Supplement:**

On 10-21-13 at approximately 0716 hours, I heard dispatch send units to the Sparks Middle School for a report of shots fired. I responded from the station with lights and siren. I arrived in the front of Sparks Middle School with numerous other officers and detectives.

I entered the school through the front doors with other officers and we made our way through the gym to the back area of the school. It appeared the area was secure as there appeared to be a white male subject lying on his back on the basketball court. There was also was appeared to be a student lying on his side in the same area near the building with blood around his head area.

As officers secured the area, I entered the north hallway with other officers/detectives and we started to secure rooms and evacuate students. The students were evacuated to the front of the school where they were eventually escorted to Agnes Risely Elementary School just southwest of Sparks Middle School.

I walked to the area of the 1900 block of Sullivan Lane and met with a Reno Police Department Officer who was standing by with some students who had been in the area during the incident. I escorted the students to Agnes Risely and was tasked with conducting initial interviews of students who may have witnessed the incident. I interviewed the following nine (9) students:

Kyle NUCUM
Carlos MANCIA

Brandon CAMPO
Anibal GONZALEZ

The following is a summary of the interview. It is not meant to be verbatim and not meant to be a transcript. For specific details of the interview please see the interview transcript and/or DVD recordings of the interview.

Sara HERNANDEZ was dropped off at Sparks Middle School by her dad near Sullivan Lane. She walked towards the basketball court and was talking with her friends. Approximately 30 to 40 feet away from her, a tall kid with white shoes, orange back pack and a uniform on pulled out a silver colored handgun from his backpack. HERNANDEZ stated she heard a girl ask him what he was doing to which he replied he was going to shoot people. She told him the gun was not real and then he shot another student.

HERNANDEZ stated the subject then looked over at her group and started walking towards a teacher. As the teacher approached him HERNANDEZ heard the teacher tell him to stop at which time the subject shot the teacher who fell backwards onto the ground.

HERNANDEZ and her friends fled and tried to get into the school. They tried knocking on several doors to get into the school before they were allowed entry.

The last HERNANDEZ saw of the subject with the gun was that he was moving towards the south hall. She heard approximately 5 shots.

End of interview.

SA:

Okay. Okay, so, um, [sigh] basically at this point in time we do know that, um, that your son was involved in a shooting this morning and, um, and that he is

deceased. [Pause]

LU:

Where is he?

SA:

I'm sorry?

LU:

Where is he?

SA:

Right at this moment I'm not sure, um, because we have everybody else out there so a lot of the-the finer details we won't be able to give you until a little bit later,

um, because we don't even have them yet, um, but -

LU:

Who killed him?

SA:

Again we don't know all of the details involved, okay, um, so that's why we're going to, um, talk to both of you. We're going to give you a couple minutes and then we'd like to talk to both of you separately to try to piece this thing together to figure out what happened, okay? [Pause]

DT:

Would you like, um, some water or coffee? No?

LU:

No, thank you.

SA:

Would you like a few minutes or would you like to just go ahead and start and get it over with, or --?

LU:

Fine.

DT:

Is that okay? If we talk to you guys separately, individually?

LU:

Yeah.

DT:

Okay, all right.

SA:

Okay, um, then -

JR:

[OV] But I mean, uh, for her, do you have anybody who can speak Eng-I mean Spanish? Because, uh –

LU:

[OV] I don't speak English.

JR:

She doesn't speak very well English, so, do you have anybody who speaks Spanish

so she can translate?

SA:

Um, let me go try to find somebody for us, okay? And then we'll muddle through

that, okay? [Pause] We'll be right back.

[Door opens]

LU:

Give me the phone so I can call Rosie [PH].

[Door closes]

LU:

I need to talk to Rosie. Lachin died?

JR:

Yes.

LU:

Lachín died. They killed him. Why, God? I can't understand. [UI] things happen to me [sobbing]. Where are you my son?! It's my son! My son, my son, my son! I love you, my dear! I love you! Why, God? Why [UI] — I don't understand, all the time, I'm so stupid, so stupid. My son . . . don't cry Lacho [UI] fault, don't cry. I

need to call Rosie.

JR:

What for, love?

LU:

Yes, I need [UI] [crying].

JR:

For what? For what? Come, my love --

LU:

Ah-

JR:

Nothing can be done, I told you-I told you.

LU:

My boy, my boy died. I love you, Pelón – I love, Pelón – I love you, Pelón [sobbing] Dear God, why did you take him? [UI] my son, my son! Oh dear God – [UI] my boy, my boy. Don't cry Lacho, he didn't like to see you cry. He told me everything was going to be okay. Oh dear God, oh dear God – [UI]. Don't cry Lacho. Why did they kill Pelón? Why? I need to know where my son is, my

Lachin-Lachin. Why [UI]?

JR:

You need what?

LU:

[Crying] I need to see Rosie. Why, my son? [UI] this was going to happen, my

boy, he didn't do anything.

JR:

Why, my love? Why - why didn't you ever tell me?

LU:

No, no - I didn't know this was going to happen, I don't know -

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

JR:

Why, love?

LU:

When I called you -

JR:

Yeah?

LU:

-- I felt like something was going to happen [UI]. I called you [UI]; but then when I looked for the gun - I looked for it because Rosie told me someone had gone into the school with a gun. And I saw that Lachín took, oh my God-my boy, my boy - I turned and looked - my God, why? [Crying] I felt it was him, from that moment. When they [UI], how can they kill a child? My God - Lacho, what am I going to do? [UI] my boy, I am going to die, Lacho.

JR:

[UI]

LU:

[Crying] How am I going to live, Lacho? My son [UI], all the time, things happen to me. My boy, where is my Lachin? I love you, Pelón. He told me, "Mommy, I love you". Oh no! I need to talk to Rosie, Lacho.

JR:

What for?

LU:

I don't know.

JR:

What's the number?

LU:

I don't know. My boy, [UI]. [Crying]

JR:

Calm down now, control yourself.

LU:

I can't, where is my son? My Pelón, I don't know what to do, I'm so scared, oh

dear God.

JR:

[UI]

LU:

I can't.

[Phone dialing]

JR:

Rosie? Are the girls okay? [Pause] My Pelón is dead, Rosie.

RU:

No!

LU:

Yes! [Sobbing] Rosie, my Pelón, he's gone!

JR:

Calm down, calm down - we had to tell you but [UI].

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

LU:

He's gone.

RU:

Where are you?

R:

We are here at the Police, but Liliana wanted to tell you. [UI] Here let me put her

LU:

Rosie? Pelón is gone. I know, when you called me, I called Horacio and told him to go check it out. But when I got there - this morning I took a gun away from Lachin, a riffle, he told me it was a science project. And then I looked where the guns were and one wasn't there. And he took it and they killed him.

RU:

They killed him?

LU:

I don't know if they killed him or he killed himself. But he is dead, he isn't here

anymore. Pelón is not here.

RU:

But why?

LU:

I don't know - I don't know, Rosie. But I trust you with my girls; I don't know what's going to happen here or what we are going to do. But I need -

RU:

TUI

LU:

No, Rosie, we are okay. But I just wanted to tell you [crying] that Pelón is gone, Pelón is gone, Rosie. My Pelón is gone. Take care of my daughters.

RU:

[UI]

LU:

God knows why these things happen, but I don't want to accept it - I don't want

to accept it.

RU:

<u>[UI]</u>

LU:

Rosie, make sure the girls don't know, please.

RU:

TUI

LU:

I need to talk to Veronica but once this is all settled.

RU:

[UI]

LU:

No, I'm okay but - they took my life, Rosie [crying]. All my life has been with

my son.

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

RU:

LU:

Yes, they already told us, they already told us that he died. I know he loves me, he

told me, Rosie, he told me, my boy [sobbing].

RU:

[UI]

LU:

Take care of my daughters, Rosie, okay. I don't know what is going to happen

here, where they are going to take us or anything, just that.

RU:

[UI]

LU:

Yes, [UI] they took it. That is why he didn't answer, Rosie, when you called him.

[Crying] It was my boy.

RU:

[UI]

LU:

My boy. Where is Jackie?

RU:

She's here [UI].

LU:

I trust them to you, Rosie, I know you need to go to work but wait a little.

RU:

[UI]

LU:

Light a candle for my Lachín [crying]. My Lachín, Rosie.

RU:

[UI]

LU:

I know [crying]. We'll call you later, okay?

RU:

[UI]

LU:

Okay, bye.

[Sniffing and shuffling]

LU:

My Lachín, my baby. Only God knows. Why? [Sighs]

[Background noise - pause in conversation]

LU:

Don't cry [UI], he sees us. [UI] [Whispering]

JR:

[Crying] It was the five of us --

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

LU:

It will always be the five of us, Lachín is here, my love, he is here. Only God know why [UI]. We wanted him to be happy, I know [UI]; only He knows why, I can't ask him, I can just tell him I love him [UI] [crying]. Only God knows why

[UI] this morning.

[Crying – pause in conversation]

[Door opens]

DT:

Um, we're waiting for a translator right now and he should probably be here in

about 15-20 minutes. Is that okay?

LU: Yeah.

All right. Do you guys need anything? DT:

LU: No, no, no.

DT: Okay.

[Door closes]

[Crying]

[Background noise - pause in conversation]

[09:40:34]

LU: Why do they want to separate us?

JR: [UI] Well I think so [UI].

[UI] But I feel like this is God's will and maybe it's for the best. LU:

JR: That's very hard to accept.

I know, love, but [UI]. Happier [UI], I need to talk to [UI]. I knew [UI] night. LU:

Maybe with you, but why didn't anyone tell me anything? [UI] I think they knew, JR:

[UI] in his-in his face.

[UI] we need to talk to him. [UI] blame, [UI] problems, [UI] trying to fix it. I'm LU:

going to miss him; I don't know how I am going to go back to that house. He's

gone, he's gone and we can't ask anything [UI].

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

[Shuffling and mumbling]

LU:

[UI] you okay? [UI] you okay? My fault [crying].

[Phone vibrates]

LU:

If it is Rosie, answer. [Pause] Who is it?

JR:

I don't know.

LU:

Yes-yes-yes, answer.

JR:

Hello?

UM:

Where are you?

JR:

I'm at the Police Station.

UM:

But where are you? I went there and [UI].

JR:

No, we are already here.

LU:

They'll let us go soon.

UM:

Where?

JR:

Here at the Police Station.

LU:

Dessert Park [PH].

JR:

At the -

UM:

Which one are you at?

JR:

Here at the Sparks Police.

LU:

But they're not going to let him in -

UM:

Are you at the [UI] or the [UI]?

JR:

No, no, the one that is by [UI].

UM:

[UI], the one that up-up-up [UI]?

JR:

Yeah, over going to-to-

File Number: 356A-LV-3436080

LU:

[Whispers] Rosie's work.

JR:

-- on the way to the hospital where Rosie works.

UM:

Okay, okay, I'll be there.

[Phone call ends]

JR:

My boy [crying] -

LU:

He is here with us and I know [UI].

JR:

But [UI [crying] -

LU:

Tell me. Tell me.

JR:

[Crying]

LU:

You don't what?

JR:

I don't deserve him. How am I going to do this?

LU:

Well, we are going to fight. He wouldn't want to see us this way; we are going to fight [UI], you'll see [UI]. I don't know how I am going to stand this [UI] I feel like I'm going to [UI] and he will [UI].

JR:

[Crying] [UI] Why? My boy. [Crying] [UI]

LU:

[UI] God doesn't make mistakes and he knows how much time each person has. I was so afraid to go through this and I don't -

JR:

[OV] I told - do you remember that he said, that things were going to change [UI] but I never thought this is what was going to happen. But he also felt a lot of concern for everything that happened, everything he saw, that he could be a victim of that.

LU:

But we never thought-thought he would be the killer.

JR:

I'm telling you, the other day when-the other day when-when we went to the doctor. My son cried but a part of me was glad because he was getting out what

he felt.

LU:

[OV] It was like a group therapy but I don't know exactly -

IT:

[OV] What it was about.

LU:

No, I don't.

IT:

Okay so she's kind of just rambling back through the whole reason how they found out that he was autis-had autism, but that this Thursday they were going to start like a group meeting, she really doesn't understand if it was to treat the autism or to talk about the bullying.

SA:

Okay, um, was he on medications prior to this or did he have an-an IEP?

LU:

They-they gave him some pills but I can't remember the name. But he just started taking them; he was-he went to-to the psychologist on Friday the 18<sup>th</sup>, I don't know – on Friday.

IT:

Okay, so he-she's saying that he just started taking some medication she doesn't remember what the name of the medication is, uh, but that — when did you get the pills?

LU:

On Fri-he started taking them on Friday the 18th.

IT:

On October 18th he began taking the medication.

LU:

And supposedly they were to make him less tense because he was very tense.

IT:

Okay and that, um she knows that the medication was too kind of like relax him because he was re-like really tensed up.

SA:

Okay, um, and who is the counselor?

LU:

I don't remember the name, my husband must have it. All I remember is that it's over by the Roberta Lane.

IT:

Uh-huh, she doesn't remember, she thinks her husband knows the counselors name but she knows that it's on Roberta Lane.

SA:

Okay, um, I may have a form for you to sign, like a-a health release, so I can call the counselor and-and talk to them if that is okay with you, about some of the issues that he was having to try to figure that part out, if that's okay?

She says that she might have a form that she might ask you so sign and that allows her to talk to the counselor so that the counselor can talk to her about your

Oh-

IT:

Is that okay?

LU:

Yes, that's fine.

That's okay?

Okay, I'm going to go get that form real quick and-and we'll fill that out and then

I can pass that on and then we can continue, okay? I'll be right back.

This had been his first visit, is that okay?

IT:

Excuse me?

LU:

The only visit that he had was on Friday.

The 18th?

Uh-huh.

She's just telling me that Friday the 18th was the fi-first visit he had.

SA:

Okay.

SA:

IT:

Okay, I'm going to try and translate this as well as I can.

LU:

Okay.

IT:

Uh... It says, "Note to the individual of this authorization"...

SA:

I can make is smaller if you want to. Um, basically what it is it's giving up-giving us permission to get the physicians data, um, the history-his histo-medical history, any of his therapy notes and diagnostics from that and then any of the diagnostic data and, uh, medication information. And it's only for this case.

IT:

Now, she says that what the forms says is that you are giving permission to go obviously to talk to-to the counselor and you are giving us permission to get-get information about what is happening with him right now, uh, maybe the medication that he is taking, the treatment and the information that the counselor has received about your son obviously only pertaining to this case only.

LU:

Okay.

IT:

Is that okay?

LU:

Uh-huh.

SA:

Because you have a right under HIPA, um, it's called HIPA, um, that all of your medical records are private and this is allowing us to do that for investigative purposes; your authorizing us to do that.

IT:

She says that under, uh, obviously you are protected under this organization that is called HIPA that obviously allows that all your records-your medical records are, uh, how do you say?

LU:

Protected?

IT:

LU:

I don't know what day it is.

IT:

What's the date today?

SA:

21st, October 21st. [Pause] Okay, all right. So, did he have, um, the IEP or no?

LU:

What's IEP?

IT:

She's wondering what IEP is?

SA:

At school, did he, um, have special classes that he went to or, um, like um, any tutoring or did you go to the school to meet with counselors and teachers because he was having problems with school work?

IT:

Basically she is saying what that is, is when they put them in special programs, either classes or maybe you went to the school to talk to the counselor to see if he was going to be in special classes, obviously because of -

LU:

[OV] No, not yet because this was on Friday, they just went back to school today. Um, and –and I don't know the *counselor* of the school, but he was al-always in special classes and also-also on Tuesday and Thursday he went to the *after school program*.

IT:

Uh, she's saying that they really haven't put him in any special classes because obviously they just found out Friday about his autism, uh, but then the 18<sup>th</sup> is when they found and then obviously they were off this last week, um, fall break.

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

SA: Right, but that was last Friday.

IT: Okay, well I'm just-and then, but then she said that he did attend special classes

like after school programs.

SA: Is that to help in school or is that because of day care issues?

IT: Was that to help in school or was that because you had problems taking care of

him?

LU: No, it was problems with, uh, he was getting help with math and other subjects.

IT: So he was getting like uh, teacher aid, like in math and other subjects that he was

having issues with.

SA: Okay. How long had he been in therapy?

IT: How long had he been in therapy?

LU: Practically all of school he was since-since first-since kinder he was always

working on speech and all of that.

IT: Okay –

LU: [OV] Psychologists and all that.

IT: So she's saying from like kindergarten, he's been having like speech therapy and,

uh, other type of therapies.

SA: Specifically what kind of, besides speech?

IT: S-specifically, other than speech, what else?

LU: Well to help him with math, he was also seen by psychologists, because there was

always a suspicion that he might have autism; but he was never seen by a

specialist until now because before we weren't able to. But practically all the time they were checking him there at school from first-kinder until sixth and even now

where he is.

IT: So she's saying he's basically seen like, uh, psychologists ever since, uh,

kindergarten. It sounds like the school was either sending him or providing it, but it was never determined, so finally they were able to like afford a specialist, uh

and that's when they took him there.

LU: Uh-huh.

SA: What did-what made you take him there, uh, as a Kindergartner?

IT: What-what made you take him-him, what made you take him since kindergarten

there?

LU: Oh, I didn't take him anywhere else; it-it was offered at school.

IT: Okay.

LU: But it was because he had problems in speech.

IT: Uh-huh.

LU: He couldn't speak well.

IT: Okay.

LU: He couldn't communicate very well.

IT: She said they never took him that the school was doing it while he was at school,

they were providing it.

SA: Okay, all right. So when did he start having issues at, um, school this year?

IT: When did he start having problems at school this year?

LU: Ok-practically from the first week.

IT: Since the beg-since the first week of school.

SA: And do you know what happened, what started all of it?

LU: That when-the first thing he told me was that he took his money to buy things and

the kids asked him for money.

IT: Uh-huh.

LU: And because he didn't have friends he would give them the money but then he

started to say no because his parents got upset.

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

IT:

Uh-huh.

LU:

After that, uh, he was drinking something—these are the things I remember because he told me about them, and a boy hit him on the bottle and said that he had gone pee-pee in his pants and he was affected by that a lot because he told me, "Mom, I didn't pee in my pants".

IT:

So it initially started with him taking money to school to buy, you know, snacks or stuff so, he really didn't have friends but kids would ask him for money so he would give them the money and then he started telling the kids he couldn't give them the money because obviously his parents would be up-upset.

SA:

Uh-huh.

IT:

Uh, there was a particular incident where he was drinking something and a kid hit him while he was drinking and obviously spilled and then that kid started saying that he had peed in his pants, even though he hadn't. And that kind of stuck with him and kind of-he told mom that, you know that he didn't pee himself.

SA:

Okay, and-and who was it—was a specific kid that was doing that, was it a group of children?

LU:

No-no, I don't know because he didn't mention name; he didn't really remember the names of the kids but not-there was one specifically but he never told me his name, any of them.

IT:

But there was one specifically?

LU:

Uh-huh, there was one.

IT:

So she-she's saying he never like really remembered names or didn't recall the names, but there was a group, but then there was one particular individual but he never gave that name.

SA:

Okay, um, and this year is the first year that that group and that one specific person started these things?

IT:

Was this the first year that this group or this spe-specific person started doing these things?

LU:

To be honest, I wouldn't know because he never complained of the-of the kids that were bothering him; every once and awhile he had issues in elementary but he solved them or they helped him solve them.

IT:

Uh-huh.

LU:

But here—I wouldn't be able to say.

IT:

She said she'-she's really not-doesn't know about it because he never really complained about it, you know, in elementary there were some issues but then those issues were addressed and fixed, uh, so she really doesn't know if there was anything in the past, um, regarding the bullying or anything like that.

SA:

What kind of issues?

IT:

What kind of problems did he have in elementary?

LU:

No, well in elementary it was more because he didn't relate very much with the other children, he didn't play much because he didn't know how to communicate. He would say that-that he couldn't explain things sometimes so his friends would walk away.

IT:

So he-she, he-the issues that were like in elementary was that, uh, because he had problems obviously talking, so he never could talk to friends so he kind of was sounds like by himself most of the time.

SA:

Okay, um [pause] and you said he had like no friends, has he ever had any group of friends?

LU:

No-

IT:

Uh-

LU:

[OV] He, I understood that; he mentioned friends, but the truth is I can't remember names right now; but he did play with children but after awhile because of his problem with communicating he would play for a little and then separate himself because he would get angry with the kids.

IT:

So he used to have friends, that were-she doesn't recall the name of those friends. But as, you know, as things continued where he was having trouble communicating, uh, with the friends, he would like just disengage himself fromfrom friends and just hang out —

SA:

Okay.

IT"

- because he would get frustrated, because, you know—obviously of the speech problems.

SA:

So it never involved-did he ever, um, go to any like gangs to get –

LU:

[OV] Oh, no.

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

SA:

-- help?

LU:

No—the gangs, no he was never into that.

IT:

Did you say gangs?

SA:

Uh-huh.

IT:

Uh-

LU:

Like a gang?

IT:

Uh-huh.

LU:

No-no, he-he, the way he thought was not of a 12 year old boy.

IT:

Uh-huh.

LU:

He was always more, like more delayed in his thinking. He-he, if they said, "You like girls", he would say, "No, I don't like girls", he didn't-didn't, his way of thinking was not bad, that is why it so hard for us to believe what happened.

IT:

Uh, she's just saying, uh, obviously no gangs involved, uh, but that even though he was-even though he was 12 he didn't have like the mental capabilities of a 12 year old; he was like—he was younger, he had a younger mentality than a 12 year old.

SA:

Okay. Um, did he go to school for help at all, did he-did he turn to—did he talk to teachers to get help from the kids picking on him or --?

IT:

Did he ever go to-to talk to the school, with the-the teachers about the problem that the other kids were bothering him at school?

LU:

I told him to tell them, but the truth is I don't-don't know, I can't say.

IT:

She said she would advise him to talk to the teachers about what was going on but she doesn't know if he ever really did.

SA:

Did you ever go to the school and-and complain and tell them you want this to stop?

IT:

Did you go to the school to-to talk to the school [stutters] to ask that this stop?

LU:

No, no I never went.

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

IT:

No.

SA:

Did your husband?

IT:

You-your husband?

LU:

No. What happened was that before they went on break -

IT:

Uh-huh.

LU:

He said everything was fine; that the kids had not bothered him anymore but the Friday that he spoke to the psychologist it did happen.

•

IT:

Uh-huh.

LU:

So that week was vacation. The psychologist recommended that we talk to the

school so they would provide more speech classes -

IT:

Uh-huh.

LU:

-- so that he wouldn't have so much trouble speaking. But that was when we-

well the plans never were completed.

IT:

Uh-huh.

LU:

That was what we wanted to see; to go talk to them and tell them that he was having problems, so that they could put him individually or see what could be

done.

IT:

So what she's saying is, uh, before school got out, uh, he actually told them that he hadn't been having any-any problems at school with the kids; that they had been leaving him alone, um, then they took him to the counselor, come to find out what was going on and the counselor recommended that they go to the school and that they talk to somebody over there and ask them to either put him, you know, in special classes for-to get assistance with the speech and everything else so they were planning to do that obviously while break came in between that – but that was their plans, uh, to do something this week and go talk to the school.

SA:

So that conversation happened Friday the—last like three days ago?

IT:

That conversation was three days ago?

LU:

The 18<sup>th</sup>.

IT:

18h.

SA: Yeah, that would have been three days ago-four days ago.

LU: Yeah, because my husband took my son to the psychologist.

IT: That's when they saw the counselor so that's when this conversation was held

regarding [clears throat] going to school and talking about the classes.

SA: So when was the last issue he had with this group of boys?

IT: When was the-the last time that he had problems with those boys?

LU: Well, it would be---I don't know, a couple of weeks before going out on vacation,

of what he said or that I know of.

IT: That she knows of that he actually said something was probably like two to three

weeks prior to, uh, fall break.

SA: So about mid-way through, because it's only, um -

IT: October.

SA: Right, so it's two –

LU: [OV] Probably, September, the truth is I can't say exactly when, with a number or

a day specifically.

IT: She says she just can't tell you like a specific date or-or time.

SA: Okay. All right, um, does he have a Facebook account or Ask; does he ever go on

Ask on the computer, does he ever play on the computer at all?

LU: Yes, yes he played on the computer.

IT: Okay, he would play on the computer but didn't have any of the stuff that you

mentioned.

SA: What does he do on the computer?

LU: Most of the time it was video games or music.

IT: Uh, video games or music.

SA: Which video games?

IT: What kind --?

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

LU: The violence ones.

IT: They were violent?

LU: Yes, some of them were.

IT: She said some of the-the games were-was kind of violent –

LU: [OV] But I don't know remember names.

IT: -- but she doesn't remember like the names.

SA: Okay, are they online or is it like the video games you plug in?

LU: No, they were video games that—no; he couldn't download video games from the

internet. The ones that he had were the ones that you watched and played.

IT: They-they were videos that you had purchased?

LU: Yes, some of them yes.

IT: Okay, just video games that they had bought him because he couldn't download

any-any-any games.

SA: So what does he do on the computer?

IT: So what --?

LU: [OV] He got on to You Tube, gener-generally You Tube, some of them were

videos and some were videos of video games that he wanted but he didn't have

yet.

IT: Okay, so he went on like You Tube, uh, to watch, um, to pl—did he play some

games on You Tube or --?

LU: He-he looked at the ones that he wanted –

IT: Oh.

LU: — and then he knew which ones he wanted to buy.

IT: So he used to go on You Tube and look up the games that he wanted and then

those were the games that he would ask the parents to buy.

SA: Is that the only time he was on You Tube or only time he was on the computer?

File Number: 356A-LV-3436080

Audio File: 13-9953 103 peterson reyes parents\_10212013130756002284.wmv

IT: Was that the only time he was on the computer or used the computer?

LU: He used it more but really I wasn't paying attention to everything that he was

looking, when I looked he was watching videos or listening to some music.

IT: So she's saying he used it-he used the computer quite a bit but like, uh, she was

never really like paying attention to it but anytime that she was around, you know, obviously he was either on You Tube watching some of the videos that she told us

or you know, listening to music.

LU: [OV] On his cell he watched You Tube as well; on his cell.

IT: So also on his cell phone he used to watch You Tube.

SA: Okay, and who is your carrier-cell phone carrier?

IT: Who is-who is the company that you use for your cell?

LU: It's-it's the one that is on Wells [PH], the Goose Mobile [PH], it's called Virgin

or something like that.

IT: Virgin?

LU: Uh-huh.

IT: Virgin Mobile?

LU: Uh, yes, because it's over by—I paid at the Goose Mobile, it was just about a

month that he had that cell.

IT: So she-he's just had the phone for a month is what she's saying, uh, but the—it

sounds like there's a store in Wells or something called Goose Mobile but the

company was Virgin Mobile.

LU: That's the name of the telephone company.

SA: Does he text?

IT: Does he use—does he text?

LU: Only with his dad or with his cousin, um—

IT: [OV] Uh, with dad or a cousin.

SA: Do you check?

IT: Do you check?

LU: [OV] Yes, but it's not—it's only, like he just played with her he wasn't rude with

her.

IT: Just normal conversation, nothing rude or anything crazy.

SA: Oh! No-no, I didn't think of he—I was just kind of wondering what the

conversations were about?

IT: Like what kind-like what kind of conversations did they have in the text?

LU: Well with his dad it was to get picked up as soon as he got out of school, he didn't

like to stay, I don't know why but he didn't like to wait for us.

IT: So he would text dad because he hated waiting around school, he wanted to be -

SA: [Laughs] [UI]

IT: -- he wanted to be there by the time --

SA: [OV] Sure.

IT: -- he got out. He didn't lingering around.

SA: Okay. [Pause] How old is his cousin?

LU: Like him [crying] 12 years old.

SA: He goes to the same school?

LU: It's, uh-uh, a girl.

SA: Oh.

LU: Yeah, she goes there, the same school.

SA: Are they very close?

LU: Um -

IT: Are they—do they get together a lot?

LU: No, my son was not close to anybody.

IT:

But with his cousin?

LU:

No, no, even with her, they talked a little but she-she was more mature for their

age and he wasn't, so -

IT:

He would talk with her but she was like—she's saying she was more mature than

him so there was a little bit of conversation but nothing that close.

SA:

Oh, would she kind of ignore him?

IT:

Did she ignore him?

SA:

At school?

IT:

At school?

LU:

No, more like him to her.

IT:

He would ignore her.

LU:

It was more him because she watched over him.

IT:

Uh, she's saying that the cousin would take care of him but he would ignore

cousin.

SA:

Why was that?

IT:

She was saying the cousin would try to protect him.

SA:

Oh, was it embarrassing to have a girl protecting him?

LU:

[OV] No, she always protected him that other kids wouldn't say stuff to him.

IT:

So she's saying she would always protect him from other kids saying things to

him.

SA:

Okay, and what's her name?

IT:

What's her name?

LU:

Jacqueline, Jacqueline Ambriz.

SA:

Jacqueline?

LU:

Yeah. Jacqueline Ambriz.

LU:

A-m-b-r-i-z.

SA:

Okay. [Pause] Is-her mom and dad on, um, on Jose's contact list-emergency

contact list?

LU:

Yeah.

SA:

That's the auntie and uncle --?

LU:

Yeah, so, his dad-his dad, I mean she's daddy-his-her dad is on his contacts and

my sister, that's her mom.

IT:

Yeah, so, yeah, those are his uncle and aunt, emergency contacts list.

SA:

Well, there is a female too, the aunt and -

LU:

Yeah.

SA:

Okay, all right, um . . . other than—does he an email address?

IT:

Does he have email?

LU:

No.

IT:

No.

SA:

Okay. So if something was going on at school that he wasn't talking to you about,

would Jackie know about that?

IT:

If something was happening at school that he didn't tell you, uh, would Jackie

possibly know what is happening at the school with him?

LU:

N-n, probably but I don't think so because they weren't that close.

IT:

Okay, she says maybe but maybe not because they weren't really that close.

SA:

Okay, is she fairly popular? So she would know what rumor mill is?

IT:

She asks if Jacqueline is popular and would know-might know what is happening

at the school with the other kids?

LU:

She probably knows but no, she isn't popular.

SA: Um, did-did José have access to weapons?

IT: Did José have access to weapons?

LU: Well, no-no, but-but at the house there were two guns –

IT: She's sa—

LU: [OV] -- but they were, um, put away.

IT: He didn't have access but there are two weapons at the house but they were, uh -

did you say they were hidden?

LU: Uh-huh, they were not accessible to him.

IT: They were hidden and they-he didn't have access to them.

LU: He didn't even know where they were.

IT: Uh, and he didn't know where they were at.

SA: Where are they?

IT: W-where are they, the guns?

LU: One of those weapons is not there.

IT: One of those weapons is not where?

LU: At the house.

IT: She's saying that one of those weapons is not home.

LU: When-when I realized what was happening at the school, I don't know why I

looked there and that weapon was no longer there.

IT: Now?

LU: Uh-huh.

IT: When she found out what was going on today at school, she went to check and,

uh, one particular weapon wasn't there.

SA: Which one was that?

IT: Which weapon was that?

LU: I don't know about weapons -

IT: [OV] She -

LU: -- I don't know-I don't know what it's called.

IT: She doesn't know about weapons.

SA: Can you describe it to me; color, size, what it looks like?

IT: Can you-can you describe the gun to us?

LU: I think-maybe like that one.

IT: Black?

LU: Uh-huh.

IT: Did it have other colors or just --?

LU: Well, I can barely remember, I don't know about weapons; that was a gift that

they gave my husband and we had them there, but it has been like two years that

the weapon was at the house --

IT: [OV] But was it black?

LU: I think so.

File Number: 356A-LV-3436080

IT: She believes it was black, it was a gift to her husband, uh, he got it about two

years ago, it's never been an issue, it's always been there.

SA: Are they always loaded or no?

IT: Are the weapons always loaded or no-not?

LU: No-not that I can remember. I barely ever-I didn't even look at them, but as far as

I can remember they were not loaded.

IT: That she recalls they weren't loaded but she doesn't know about weapons either.

SA: Is there ammunition in the home?

IT: Were there bullets in the-the house?

LU: No-but, I don't know if the magazine had any or not, but at the house, we didn't

have any, no.

IT: That she knows of there's no bullets but, it sounds like what she's—the magazines

were there but she doesn't know about if they were loaded or not.

SA: Has your husband ever taken you and your children out and shown you how to

use them?

IT: Did your husband ever take you or your children out to shoot?

LU: No, I don't know-I don't know how to shoot guns and that I remember, I don't

remember.

IT: She says she doesn't know how to fire weapons and that she recalls -

LU: [OV] No, my children did know that—they knew that about the guns; they had

seen them but I don't remember him ever teaching them; just that they were not to

play with.

IT: Uh-huh.

LU: That they didn't need to touch them.

IT: So the kids did know that there was fire-firearms inside the house but that she

knows of the husband never took them shooting but they were advised that

obviously the weapons weren't for play.

was having problems?

IT: Is there, maybe a friend a best friend that maybe he might have talked to about

what was happening, about the problems that he was having?

LU: No, the time that he was with the psychologist he surprised us because José never

told us anything.

IT: Uh, she's saying that when-they were actually kind of shocked when the

psychologist told him about the problems that he heard about or that it was

happening.

SA: Do you know what the psychologist first name is?

IT: Do you the first name of the psycho-of the counselor?

LU: No, the truth -

IT: [OV] The first name maybe.

LU: -- it's something like Garren [PH], something like Gerald [PH], but the truth is I

don't know [stutters] I wouldn't even know how to-to spell, spell it. I don't know

if my husband has the card because he had the card from the appointment.

IT: Uh, she's saying –

LU: [OV] [UI]

IT: --she couldn't even like try and spell the name or really doesn't know but possibly

the husband has a business card because he's the one that took -

LU: [OV] What I do know is that the receipt that they gave us from that day, I have it

in my truck, where the cup holders are -

IT: Uh-huh.

LU: -- I put it there and it's still there.

SA:

Okay, so -

IT:

Can you sit over here, please? Thank you.

SA:

Tell me what happened, um, Friday after the counselor's meeting? What kind of

conversations did you and your husband have with your son?

LU:

Um, he just told me that-that he would be fine and that—I was hoping it wasn't autism, so I did cry and he told me not to cry that he would be fine and that the doctor was going to cure him.

IT:

Your husband told you that the counselor had told him he had autism -

LU:

Uh-huh.

IT:

-- and that's when you started to cry, but your husband told you not to cry that everything was going to be fine and that the doctor would cure him --

LU:

No-no, my son-my son.

IT:

Oh.

LU:

He-he told me, my husband and I talked.

IT:

Uh-huh.

LU:

We were in-in my kitchen [stutters] I was crying and when I was crying he told me, "Oh, don't cry mom", he said, "Everything is going to be fine, the doctor is going to cure me". But he really didn't know what the illness was.

IT:

Okay, so she's saying obviously they found out he's been diagnosed with, uh, autism so her and her husband are talking about it and then her son comes up to her while she's in the kitchen because she's kind of crying and, uh-uh, her son tells her, "Don't worry about it, it's going to be okay, the doctor is going to cure me".

SA:

So you and your husband don't have any conversation with him regarding it all weekend long?

IT:

Your—what-what are we talking about the subject?

SA:

Yeah.

File Number: 356A-LV-3436080

Audio File: 13-9953 103 peterson reyes parents\_10212013130756002284.wmv

IT: Okay. You and your husband didn't talk to José about ever-everything that

happened on Friday with the counselor?

LU: No, my husband was talking to me but it wasn't really the three of us.

IT: Uh-huh.

LU: He passed by and that but he didn't-didn't sit down with us or anything -

IT: But you and your husband did talk?

LU: Yes, yes we talked about it.

IT: So she's saying that they really didn't talk to him but her and her husband did

have a conversation about what was going on.

SA: And what did that entail?

IT: What-what was that conversation about that-that you had with your husband?

LU: Of-of what the psychologist had said, that it was autism –

IT: Uh-huh.

LU: That-that he couldn't give a for sure diagnosis that it was autism but that it was

like autism and-and how we could help him, of-of what had happened with the

bullying that he was going through; that he hadn't told us all of that.

IT: Okay.

LU: And with him he did open up a little more.

IT: What did José tell the counselor about what was happening with the bullying?

LU: He talked—I think my husband was there but he also talked to him alone,

separately, thing that my husband didn't hear.

IT: Okay, so there conversation regarding the therapist meeting is, you know, uh,

obviously it wasn't a 100 for sure diagnostic that the-that José had autism but

the-the counselor pretty much told them it probably is.

SA: Okay.

File Number: 356A-LV-3436080

Audio File: 13-9953 103 peterson reyes parents 10212013130756002284.wmv

IT:

Um, how they were going to, you know, treat him and, uh, somewhere in there her husband was involved in part of the conversation but at one point he, uh, the therapist the-only spoke to José and when that conversation got separated that's when the bullying, something about the bullying came out, but she's not sure

what-

SA:

Okay.

IT:

-- was said about the bullying.

SA:

All right. Okay, so and talking about the-the gun, the nine millimeter, like-kind of

like mine.

LU:

Uh-huh.

SA:

Um, how many of these things, the magazine, how many of these belongs with it?

LU:

I don't know.

IT:

You don't know?

LU:

No.

IT:

You-you understand the question?

LU:

Yes, how many magazines did it have? The truth -

IT:

[OV] Uh-huh.

LU:

-- I don't know, I wouldn't be able to tell you.

IT:

She says she doesn't know how many magazines.

LU:

I don't know.

SA:

Okay, um, where did you drop him off this morning?

LU:

At the entrance of the school.

IT:

Entrance to the school.

SA:

The entrance to school? Okay and then, um-um [pause] evidently you found

something in his backpack that was concerning this morning.

LU:

Yes.

File Number: 356A-LV-3436080

Audio File: 13-9953 103 peterson reves parents 10212013130756002284.wmv

SA: Tell me about that.

LU: He-he has a rifle of-one of those with little balls—I don't know what they are

called -

IT: Uh-huh.

LU: So --

IT: [OV] Pellets?

LU: Of pellets, yes. So he was getting out with it and I told him; he's not violent, well-

he's not a violent boy with me, and I told him-I called him Pelón -

IT: Uh-huh.

LU: So I told him, "Where are you taking that?" and he said, "It's for a science

project", I told him, "No", "My teacher told me", he said and I said, "no, tell your

teacher to send me a note and-and I will bring it to you, but not like this".

IT: When did this happen?

LU: This morning, today.

IT: Uh-huh.

LU: And he gave it to me.

IT: Uh-huh.

LU: And then he said good-bye to me and that's all.

IT: Okay, so-this morning, he comes downstairs, he has a pellet rifle in his backpack,

*uh* – did you find it or was it sticking –?

LU: [OV] No-no it was in the backpack but I told him to leave it -

IT: [OV] It wasn't hidden?

LU: No-no-no.

IT: Okay, so he had, uh-uh, a pellet riffle in his backpack, it wasn't concealed or

anything so she was able to see it, uh, asked him, "Where are you going with that?, uh, son tells her that it's a science project and that the teacher had asked for him to bring it to school. So she said, "No, if your teacher wants you to bring

it then he needs to send me a, uh, paper telling me that your allowed to and I'll bring it". So he ended up giving her the riffle and she didn't let him take it.

SA:

And you didn't go through his backpack?

IT:

And you-after --?

LU:

[OV] No, no because I-I was in the truck and there were other cars behind so he

just, I always bless him, he got out and that was it.

IT:

But when-when you found the-the pellet riffle --?

LU:

[OV] No, he had -

IT:

[OV] Where you at the house or at-at --?

LU:

[OV] No, there-there at the-the school.

IT:

Okay.

LU:

He left it in the truck and went in but I didn't know that he-what he wanted to do and because he was so calm, I didn't suspect anything.

IT:

Okay. Uh, so we have to cover this we'll backtrack a little bit, but I'm telling you, what she is saying is that they get to school then she sees the riffle in the backpack and at that time is when she asks him, you know, started questioning him about the riffle and then asked him to leave it and to have the teacher obviously send the note or whatever if he needed it; and that's-he left the, uh, pellet gun inside the truck at that time.

LU:

It didn't have pellets or anything; he used it as a toy.

IT:

Uh-huh. She's just saying that it didn't have any-any pellets, that he just used it like for a game.

SA:

Okay, and this morning how did you find out about all of this? And what made you look for the gun itself?

IT:

So, obviously, how did you find out about everything that was happening? Andand what made you go and look to see if the guns were there?

LU:

Look, the riffle in the morning?

IT:

Uh-huh.

File Number: 356A-LV-3436080

Audio File: 13-9953 103 peterson reves parents 10212013130756002284.wmv

LU: I saw it right outside the school, [stutters] when he got in, he got in with his

backpack easily like usual, then-then when we are getting to the school is when I

saw it, I-I was already pulling in to drop off.

IT: Uh-huh.

LU: And I told him, "No, you can't take that in, you can't take that" but he says

calmly, "It's for a science project". I said, "No, son, you can't bring that to

school, you need to tell the teacher to send me a note".

IT: Uh-huh.

LU: And he said that was fine and left it.

IT: Uh-huh.

LU: So then he got out, everything was fine and I came back to my house. I called my

husband and told him what had happened and he said, "I-when I come back I will

talk to him", I said, "I want you to explain or find out what he wanted it for".

IT: Uh-huh.

LU: He told me that was fine. At the same time I got a call from my sister at my house

because I don't have a cell, but I was talking to my husband-I finished talking to my husband and called her back and she said, "You know I just tried to take my-my daughter to school, Jacqueline, but I wasn't able to drop her off", she said "There are a lot of police because there is an armed man, where is Lachin?",

that's what they call my son.

IT: Uh-huh.

LU: And I told her, "I already dropped him off at school", she said, "No, let's go to the

school, the boy is there and I have tried to call him and he doesn't answer".

IT: Uh-huh.

LU: So I told her, "Okay, let me call his dad because he is closer to school so he can

go".

IT: Uh-huh.

LU: And she said, "Okay, call him and see what's-what's going on". So I called my

husband and he said that-that he couldn't, that he couldn't find my son, that-that

he had gone looking for him and couldn't find him.

IT:

At the school?

LU:

At the school.

IT:

Uh-huh.

LU:

So, then, I don't know, the place where-where the guns at the house, I turned around because—I was in the kitchen. When I turned, the only thing that I saw was that on top there were some cereal boxes and they were moved.

IT:

Uh-huh.

LU:

And for some reason I decided to-to look there and I asked—I called my husband and asked, "Did you take one of the weapons from here?", he said, "No, what happened?", I told him, "One of the weapons is gone". He asked, "But who knew about them?" but no one does, just me, because I put them there.

IT:

So [clears throat] going back a little bit to him being dropped off today. She didn't see the riffle after-until they get to school, he gets in the vehicle, he puts his backpack to the side as he is about to exit the vehicle she notices the riffle.

SA:

Where was he sitting?

IT:

Where was he sitting when you saw the riffle?

LU:

In the co-in the passenger seat, in front -

IT:

Passenger.

SA:

Okay.

IT:

So that's when they had this whole conversation about you can take the weapon, you know, you're going to need a note to be able to take the riffle, so he leaves the riffle, obviously, she says when he tells her about the riffle and the science thing that he's very calm, nothing-nothing crazy; and, you know, doesn't argue or anything just gives her the riffle and leaves. Um, she then goes back home and at this point, uh, she gets a call from her sister, because her sister was on her way to drop off Jacqueline to school and her sister tells her, "You know, I can't-can't, where's-where's your son?", and he goes is-he goes by—what is-what is your son's nickname?

LU:

Lachin.

LU: Lachín.

IT: So, José's nickname is like Lachín. And she says, "I already dropped him off", uh, and her sister says, "Well we need to find him because w-there's a lot of police officers here and there saying something about an armed, um, an armed guy, you know with-with, uh, at the school". So then she tries to get in contact with her husband prior to this, I'm sorry, uh, when she found the riffle and all this, she called her husband and said, "Hey, this is what happened this morning, you know, you need to-we need to talk to him" and the husband said, "Yeah, I'll talk to him when I get to school-home today and let him know that it's, you know, that's it's not right for him to take the riffle or anything to school". Um, that was a little backtrack a little bit because I just recalled it. Um, probably, so she calls her husband and says, "Hey, you know, there's something going on at the school, you know, we need to go-go look for-for José", husband shows up, he says, "I can't find him". I don't know if he is not able to enter the school or he's looking around, can't find him-can't find, uh, José. So then she's in the kitchen when they are having this conversation, she says she kind of looks back, where like the refrigerator is and then see that the cereal boxes have been moved, uh, when she saw that it kind of just, she had like curiosity, so she looked in there and sees the gun not there, tells her husband, "Hey, did you take, uh, one of the guns?" and he says, "No" and then, uh, she says, "Well there is one missing".

LU: And-and after that m-my husband he said-uh, he went in-tried to go into the school and he explained that-that he thought it was my son because of that, because that weapon was missing.

IT: That-that he thought what?

LU: He thought that what was happening at the school, my son was involved somehow, but that he thought he was involved because the-the gun was not there. I don't know if he told them about the weapon there or not but he did say he thought my son was involved.

IT: He told a police man or he told a teacher or you don't know?

LU: He didn't-didn't tell me; I think there are only three people that were brought here; they let him go through because of that.

IT: Okay, okay, so he's saying – were you on the phone with him when he had that conversation or your husband told you?

LU: No, no, he told me now when we were with the lady, he-he told me.

IT: So, she's saying that her husband told someone on scene that there was a weapon missing from his house and that he believed his son was involved in some way –

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

LU: [OV] I don't-don't know if he mentioned the weapon or-or not but that he thought

his son was involved.

IT: Oh-okay. She's-she's not su-she's not sure if he said anything about the weapon

but believed that maybe he was involved somehow because obviously there's a weapon missing at his house, uh, who he told this to, she's not sure, uh, but while she was there on scene those are the people that brought her-brought them over

here. But he was allowed to go, I don't know, into the school or to talk to

somebody, based on the information he had just provided.

SA: Were you there then?

IT: Were you there when they allowed him to go in or had you already gotten

through?

LU: No, not me, I was trying, I was trying to get my daughters ready to go over

because my house is a little farther away.

IT: Uh-huh.

LU: And-but I got to the school and the police man said I couldn't go in, that all the

kids were at the Sparks High School, and I went-I went over there but, um, there they said that there were some people injured and there were no children there. So

when I was -

IT: No children what?

LU: There were no children at-at that school –

IT: Uh-huh.

LU: -- that we needed to wait for them.

IT: Uh-huh.

LU: So then a lady told me that there were three children hurt and a teacher.

IT: Uh-huh.

LU: So then I – well I asked her for her phone and called my husband and asked him,

"Where are you?" he said, "I'm here at the school where-where our boy goes. I think it was him, I'm not sure but I think it was him, I think it was him because I

can't find him".

Audio File: 13-9953\_103 peterson\_reyes\_parents\_10212013130756002284.wmv

IT:

Okay, so she's saying she gets her daughters ready, uh, on her way to Sparks Middle School she is being told that all the kids were being taken to Sparks High School, so she gets there and — when you got to Sparks High School there were no kids-there were no kids there?

LU:

No.

IT;

Well-the time she gets to Sparks High School there's no kids there yet, uh, somehow she meets a lady and that lady tells her that there's possibly three kids injured and also a teacher, uh, she says she got the phone number from the lady that gave her this information so then she calls her husband and says, "Hey, this is what-basically the information I got" and then the husband says, "Well, I can't find him and so I think he might be involved or he might be one of the students involved or injured".

SA:

Okay [pause] and his-his demeanor changed from being upset and depressed to being okay and everything is fine after break was over?

IT:

She asks if his behavior changed-because there was a time when he was depressed and or-when he was having the problems at school.

LU:

No, he wasn't ever depressed.

IT:

Uh-huh.

LU:

The only thing was that he was, um, how can I say? Like, he was, sometimes he was a perfectionist in arranging things and when things weren't done a certain way he would get exasperated. The one that told us that he probably, that he had a lot-a lot of tension was the psychologist, we really never noticed it.

IT:

Uh, she just said that he was never really depressed, uh, they never saw that in him, uh, that the one that told them that he was kind of tensed up was the psychiatrist but that they never saw him like depressed.

SA:

And the nine millimeter [clears throat], was in a case?

IT:

The -

LU:

[OV] Yes, it should have been, it was in a case, it was always in a case; but it didn't have, what do you call-it was just a black box that closed with a little button.

IT:

She-so she's saying it was in a case and they were locked, uh [UI] -

LU:

[UI]

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

SA: Um, was the entire thing missing or just the-the contents of the box?

IT: Was-was the entire box not missing or was it just the stuff inside that was missing

from the box?

LU: No, the box is gone.

IT: The box is gone?

LU: The box is gone.

IT: She said the box is not there.

SA: Oh so the whole thing-he took the --?

IT: [OV] He took the whole box?

LU: Yes.

IT: Okay.

SA: Okay, um [pause] okay.

IT: Do you want to go back and ask if she searched the backpack?

SA: Yeah, did you ever have a chance to look in his backpack, did you ever-because

he had the riffle with him, did you look in his backpack at any point in time?

IT: Because, obviously you saw that he had riffle, at any moment did you check his

backpack?

LU: No.

IT: No? You didn't check it?

SA: Do you ever do that anyway? Do you ever go through his backpack?

IT: Have you ever in the past checked his backpack or anything?

LU: Yes, but—not really, just when, uh, he was going to do homework that-that he

took out-but no, never.

IT: Yeah, she says she never searched it, obviously whenever there were about to do

homework and stuff the backpack was there and he would take out his stuff, but

no, no searching.

File Number: 356A-LV-3436080

Audio File: 13-9953 103 peterson reyes parents 10212013130756002284.wmv

SA: Okay, um [pause] and when-when you told him that he couldn't take the-the riffle

with him, did you – was there anything that told you, you should continue that conversation and-and ask him if there is something else going on? Is there any other reason you were taking that, um, I'm concerned – anything like that,

because --?

IT: Um, after you told him he couldn't take the riffle, did you have a conversation

with him maybe asking if there was something else was happening, why he ne-

needed the riffle or something like that?

LU: No, I didn't have time because he got out and just goodbye, I didn't have time to

do it.

IT: She said she didn't have time to have a conversation with him because he-after he

got out of the vehicle and then left.

LU: But it wasn't unusual because he always did it like that, he would get out quickly

because he would say he was going to be late and he didn't like to be late.

IT: Uh-huh, she said but is was not-it wasn't unusual that he exited the vehicle so fast

and left because he always said that he didn't want to be late, so he-it was normal

for him to exit the vehicle very fast and leave.

SA: How much time did he—what time did you drop him off?

IT: What time did you drop him off?

LU: Um-like at, would be at about 7:10.

IT: *Around 7:10.* 

SA: And school starts at what time?

IT: School starts at what time?

LU: He always had to be there at 7:15.

IT: He had to be there by 7:15.

SA: Okay, um, is the riffle still in your car?

LU: No.

IT: [OV] Is the riffle still in your car? Where is it?

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

LU: At-at my house. I took it upstairs and put it in his room on one of his bed.

IT: So she took the riffle back to his room once she got home.

SA: Okay, does it have the orange tip on it still?

IT: Does it have-the orange tip?

LU: No.

IT: It doesn't have the orange tip?

LU: Uh-uh.

IT: It's never had it?

LU: Not that I know of.

IT: It-it never had an orange tip that she knows of.

SA: Oh, so it's a regular BB gun not a pellet type --?

IT: Right.

SA: What is that air soft?

IT: Uh-huh.

SA: Okay, um [pause], all right, I think that's going to be all of my questions, um, we are going to go out and try to get an update on, uh, what they think may have

happened, um, and hopefully they-I have more answers for you.

IT: Uh, she says that for now these are the questions she has for you, we are just

going to step out real quick to see if they have any information about what

happened and so-to come back and let you know.

LU: Okay.

IT: Is that okay?

LU: That's fine.

SA: But there was nothing different that you can think of in his demeanor or his

behavior this morning, out of the ordinary?

File Number: 356A-LV-3436080

Audio File: 13-9953\_103\_peterson\_reyes\_parents\_10212013130756002284.wmv

IT: But there was nothing completely different about his behavior this morning

compared to other days?

LU: Uh-uh, he got up every morning at 6:00 to take a shower and he did the same

thing today, uh, he always said, "Mom, I love you" this morning, "Good

morning" and the only thing was that he asked me to comb his hair and he didn't let me comb his hair anymore because he was too old for that. He just asked me to

comb his hair.

IT: So she's saying, uh, normal schedule, wake up at 6:00 in the morning, uh, do his

little routine, tell her, "Good morning-good morning", tell her that she-he loved her, uh, she said the only thing different this morning was that, um, he asked her to comb his hair, which he-he didn't allow before because, uh, he thought he was too big, too old already for it; but this morning he asked her to comb his hair.

[Pause]

SA: Okay. All right I think that's it, I'll be right back, see what I can find out, okay?

[Door closes]

[Pause – no conversation]

[12:22:33]

[Door opens]

IT: So, I just talked to your husband -

LU: Uh-huh.

IT: And he wanted me to tell you not to answer any more questions that we have; I

talked to, I told the detective that—I'm-I'm not sure, just that your husband asked that I tell you not to answer any questions. I just told the detective that you will

not answer any more questions.

LU: Okav.

IT: So [UI], they are finishing-they are talking right now, we'll finish and that's all.

LU: Okay, thank you.

[Door closes]

[Crying]

I'm good.

IT:

Sit down.

DT:

[UI]

SA:

Okay.

[Door closes]

SA:

Okay, um, I didn't come back in and ask you anymore questions, um, because your husband talked to your attorney and they-he has advised not to answer any more questions, so, um, and that's—don't feel bad about that, that is totally within your rights and that is okay.

JR:

Well we were-were doing that because, you know, it's a lot of emotions right now.

SA:

Absolutely.

JR:

And then-normally I'm not like that, I mean, right now, were talking about my

kid's life and were talking about other kids -

SA:

Right.

JR:

And like I said, I wouldn't want to get confused, wouldn't want to confuse you

guys, we just want to get things-get things done.

SA:

Sure.

JR:

The right way.

SA:

Right.

JR:

And that's the only thing-that's the only thing.

SA:

And that is totally understandable, okay, um, and so right now we-I, we just basically wanted to let you know, kind of fill in a little bit of the pieces that we can for you, okay? Um, because we do believe that your-your son was involved in the

shooting this morning and that there was-there is a teacher that was killed and, um, the-there was two other students that were shot, um, and they've both been

admitted but, um, and that, um, your son took his life.

JR:

My son shot at himself?

SA:

Yes, sir.

[Pause]

LU:

Who else died?

JR:

Eh? That Pelón shot himself and a teacher died and there are other children

injured.

SA:

And we are very, very sorry for your loss and if there is a minister, pastor, a priest anybody that you need that we can get a hold of you-for you, we will do

that.

JR:

No, right now we just, you know, stay together-

SA:

Uh-huh.

JR:

[Crying]

SA:

We're going to give you a few minutes, um, and then I'll come back in and check on you, see if there is any other questions and then if not then, um, I think we're going to, um, either make sure you get home or if somebody can drive and then we'll make sure you get home safely but we're going to give you a little bit, okay?

[Crying]

SA:

Liliana, is there-did you need, officer, no? Okay. This door is not locked if you

need anything at all, just open it.

[Door closes]

JR:

[UI] my boy killed himself [crying].

LU:

That damn gun [crying]. They asked me about it.

JR:

What did they say?

LU:

I told them everything.

JR:

What?

LU: That I saw that it was missing, about the riffle this morning [crying], my boy—

why Pelón? [Sniffs] [UI] was going to kill himself. Ah, damn gun! What were

you doing? [Sniffs]

JR: My love, do you think if that was—Pelón was-Pelón was, like I said, he was -

LU: [Sniffs]

JR: -- well like depressed?

LU: But I didn't know –

JR: [OV] [UI] [Pause] I told them we had the weapons, but it's been awhile now,

right?

LU: Yeah, I told them what happened this morning like I told you, the same.

JR: About the riffle?

LU: Yes. They asked me if I checked his backpack and I said, "No, but it was not

weird for him to get out and go". [UI] couldn't see it.

JR: Did they tell you that they requested permission to check the house? They're

going to check the house and the truck, don't know what they could find [UI].

[Sniffs]

LU: When did they go check the house?

JR: Well, yeah—

LU: [OV] They just asked for my permission to talk to the psychologist.

JR: Eh.

LU: They wanted to know what Pelón had talked to him about and I told them, "I

don't know, my husband doesn't know either". Who told you to talk to a lawyer?

JR: Luis called him and Mike called me back and said that if I didn't - if I didn't feel,

that if I didn't feel okay about the questions that we didn't answer any more.

LU: They're not going to let us go, right?

JR: Huh?

LU: Nothing.

I don't know.

LU:

Where are we going to go?

JR:

Huh? [Phone vibrates] [UI] Hello?

AP:

Mr. Horacio?

JR:

Yes.

AP:

Uh, this is Ana Patricia [UI]. Your sister Mari works with my nephew in [UI] Aguascalientes and I am a news reporter at Telemundo 52 here in Los Angeles. I talked to your parents a little while ago about the tragedy that occurred today and I wanted to know if I could interview you [UI], trying to get a Visa to come, but I also wanted to interview you so that you could tell me what happened.

JR:

Look, miss, right now we are at a Police Station and right now I can't tell you anything else, uh, my wife and I, we are devastated about what happened and I don't think now is the time.

AP:

Do you think I can call you back later?

JR:

No, look-hold on, I have an important call coming in.

AP:

Okay.

JR:

Hello?

MS:

Hey José, its Mike. I just got to the Sparks Police Department but I took a wrong turn so can you meet me at the front door in like two minutes?

JR:

At the front door? Yeah-so -

MS:

[OV] Meet me at the front door of the Sparks Police Department in two minutes, thanks, bye.

JR:

Okay.

AP:

Hello?

JR:

Uh, yeah, look, I need to hang up because I have to take care of something here, uh, call me later.

AP:

[UI] I'll call you later, Horacio.

Thank you. [UI]

[Phone call ends]

JR:

IUI

[Knocking on door]

JR:

My-my lawyer just called me and he asked if I could meet him at the door –

IT:

So, I just came to explain the last part, [UI] questions, um, they say that with the English and Spanish there is a little bit of confusion and I just want to make sure that you guys understood what she said at-at the end. And also to let you know obviously that you have given consent for us to go to your house and the car, just that - so they can confirm that there is nothing else suspicious. Uh, so what the detectives said was if you can give us some time before you go back, uh, to the house and maybe if you could find a relative that can come and pick you up, we have to obviously check the-the car.

JR:

The-the -

IT:

Uh-huh. And if nobody can-can come and get you we can get a patrol car to take you wherever you need to go.

JR:

TUI

LU:

Luis? [UI]

JR:

Yeah, no, that is fine.

IT:

Again, uh, this is a difficult situation, uh, there is nothing-there is nothing easy about this incident specifically. Uh, the only thing we can tell you is, again, that we, uh, are sorry and everything that has happened is obviously not something that we see every day. Uh, but if you want-want I can bring the lawyer up here or we can go down; whatever you prefer -

JR:

[OV] I was going to ask you, but if you can go out and, his name is Mike

Sullivan.

IT:

Okay, if you want we can go down, we have finished with the questions but I wanted to let you know about the house and the car. And like I said if you would like me to take you or we can get a police car to take you or maybe there is a

family member that can-can pick you up and you can go to their house while we

finish what we are doing.

JR:

No, well, uh, I think -

LU:

With Rosie.

JR:

Yes, my love, but the truck and all that [UI].

IT:

We don't-don't [stutters] mess your house or truck up, we just do the job -

JR:

[OV] No, it's not that, it's that-I don't want -

IT:

Do you want to go with-with your sister, maybe or --?

LU:

Yes.

JR:

That is where we have our two daughters.

IT:

Okay, [UI], uh, I don't know if they can come get you, obviously when the house is ready so that you can go back or the car, we will call you and let you know that we finished with the house and finished with the car and maybe we can bring a family member that can drive the car because I don't think that either of you are

in any condition to be driving.

LU:

Do you want to call Oscar?

IT:

But like I said we are here to-to help you with whatever we can.

JR:

Call Oscar and tell him that -

LU:

I'm going to call my brother-in-law.

IT:

Okay.

LU:

Do I need to give his number so that he can come in?

IT:

[Stutters] tell him to come to the parking lot in-in front.

Do you want to go downstairs?

It was a-a news station.

How do they know your number?

JR:

They know, my mom, they know.

LU:

JR:

The news [UI] the case, they try to talk to us to find out what happened. [UI] all the news stations do the same thing. I think that this person that called, there is someone that works with Mari in Aguascalientes that is a related to this person.

And -

LU:

Another person died.

JR:

Huh?

LU:

Another person died, a teacher. [UI]

## **DETAILS:**

On 10/21/13 I was working an Officer Involved Shooting involving Officer Sullivan. No one was actually hit and the investigation was coming to a close for the day. At approximately 0700 hours on this date I heard the report of shots fired at the Sparks Middle School. I arrived at the Sparks Police Department's Detective Division shortly thereafter.

I met with Lieutenant Triplett at the Sparks Police Department's Detective Division. Lieutenant Triplett was working on another case as well. We both left the station together to go to Sparks Middle School. As we were in route, we could tell by the radio traffic that the scene was stabilized. Upon arrival we met with Sergeants Tracy and Leary. While they briefed Lieutenant Triplett, I called the on call Deputy District Attorney Roy Stralla. I advised him of the situation then accompanied Lieutenant Triplett to the crime scene.

white top. Malafu heard two shots. The first shot he heard he described as a warning shot fired by Reyes and the second shot was the shot fired at Mr. Landsbury.

Malafu advised the police came into the school and began to evacuate the school. Malafu recalled a teacher in the principle's office looking up Jose Reyes' file. The same teacher showed a picture to Malafu whom Malafu identified as the shooter, Jose Reyes.

Malafu advised he knew Reyes from sitting next to him in 5th grade at the Sun Valley Elementary School. Reyes introduced Malafu to the 5th grade class after Malafu switched schools. When they graduated to 6th grade they were in different classes. According to Malafu, Reyes was quiet.

Malafu advised Reyes got mad very easily. When they were in 5th grade together, Malafu recalled other students teasing Reyes and making fun of him. They said things like, "you're too stupid to be here". Malafu was not aware of any problems with teachers or other students at the middle school. Malafu recently saw Reyes talking to other students at the school that included three males but couldn't recall when that took place.

Malafu described Reyes as follows:

Clothing: Wearing khaki pants, a long sleeve green polo shirt with Sparks written on it (school uniform), white sneakers, and carrying a orange and grey backpack.

Race: Hispanic

Hair: black hair

Height: Tall

# SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Homicide, Attempted Homicide Case: 13-9953

Date/Time of Supplement: 03/07/14 @ 1230hrs // Detective: Bellamy #008

Approving Supervisor Date: 3/12/14

#### **Details of Supplement:**

On 02/05/14 I was asked to assist with additional investigation in reference to this case. I was informed that there were several witnesses that had not been interviewed on the day of the incident. Upon receipt of this information, Detectives John VASQUEZ, Jace THELIN and I went to Sparks Middle School and met with multiple students.

When we arrived on scene we met with school Principal Stacy TING-SENINI. TING-SENINI was given a list of the students that needed to be interviewed, and she had each of them brought to the office for interviews.

The interviews were audio recorded and CD-R'S of the interviews were booked into the Sparks Police evidence section. The following information is not meant to be interpreted as verbatim. For exact information refer to the CD-R recording of the interview.

### Spencer HOLTSHOUSER Interview:

HOLTSHOUSER was interviewed on 02/05/13 at approximately 0851hrs. HOLTSHOUSER attends Sparks Middle School, and he is currently in the 7<sup>th</sup> grade. He walked to school from his residence on the day of the incident. When he arrived on school property, he went to the north side of the school and stood outside.

When HOLTSHOUSER reached the north side of the school, he heard a loud sound that he described as a "pop". Immediately after he heard that sound, he saw several students running toward him. As the students ran past him he observed a student with a gun in his hand. That same student fired several shots, but HOLTSHOUSER did not see the bullets strike anything. HOLTSHOUSER did not recognize the student, but he noticed that he was wearing a Sparks Middle School uniform.

After seeing the student fire the weapon, HOLTSHOUSER ran in the opposite direction away from the shooter.

Homicide, Attempted Homicide

## **Ana CORRAL Interview:**

CORRAL was interviewed on 02/05/14 at approximately 0915hrs. CORRAL attends Sparks Middle School, and she is currently in the 8<sup>th</sup> grade. She rode the school bus to school on the day of the incident and exited the bus in front of the school. Once she was off the bus she walked to the outdoor basketball courts.

When CORRAL reached the basketball courts she sat on a bench and shortly thereafter heard a loud sound. When she looked toward the sound, CORRAL observed a student with a gun in his hand. That same student pointed the gun at a teacher and shot him. When the teacher fell to the ground, CORRAL ran away from the scene and eventually went in a nearby classroom. CORRAL did not know the shooter prior to the incident.

#### Michael FERRO Interview:

FERRO was interviewed on 02/05/14 at approximately 0942hrs. FERRO attends Sparks Middle School, and he is currently in the 8<sup>th</sup> grade. FERRO was driven to school by his father on the day of the incident, and exited the vehicle in front of the school. Once he exited the vehicle he walked to the basketball courts. Shortly after he arrived, he heard a loud "pop", and saw several other students running away from the sound.

When he looked toward the sound, FERRO observed a student with a gun in his hand. That same student pointed the gun at a teacher and shot him. When the teacher fell to the ground, FERRO began running in the opposite direction until he reached the south hall of the school.

Just minutes after his arrival outside of south hall, FERRO saw the same armed student pointing the gun at other students. The subject did not fire any rounds, and left in an unknown direction seconds later.

No additional details.

# SPARKS POLICE DEPARTMENT Supplemental or Continuation Report

Type of Report: Murder/Attempted Murder

Case: 13-9953

Date/Time of Supplement: 4-2-14 @ 1400 hrs.

Detective: GALLOP #047

Approving Supervisor:

Date: <u>4/2/14</u>

# Evidence

KG-12 Excel documents: Chrome History, IE-10 History and Parsed Search Queries

# **Details of Supplement**

On 2-5-14, I viewed the contents of evidence items KG-9 and KG-10: reports, extraction reports, photos and data that Reno PD Detective Tyler CLARKE had obtained in a forensic manner pursuant to a search warrant discussed in prior supplements. The purpose of viewing the data was to identify any information relevant to this case.

The following is a summary of relevant data contained in the suspect's Kyocera cell phone and a Toshiba laptop used by the suspect. Both items were seized during this investigation. This list is *not* all-inclusive of the data contained in the aforementioned reports, nor is this a complete list of the data contained in each electronic device.

# Kyocera cell phone

The cell phone extraction report completed by Det. CLARKE indicates 2,006 images were contained on the Kyocera cell phone. I found that nearly all of the images appear to be screen shots of videos found on the internet. There is no date/time associated to the images. The general theme is: violent/nonviolent RPG (roll playing games), actual school shootings, violence, children's entertainment, videogames, movies and self-portraits of the suspect. Some of the images are:

GTA/GTA-V screen shots (game)

Dark Knight (movie)

Fight scene from the movie 300

Annoying Orange (comedy series w/Orange as the character)

Dylan Kleebold and Eric Harris (Columbine school shooting April 20, 1999)

# Toshiba Satellite laptop

The "potential evidence" discovered by Det. CLARKE on the laptop hard drive was the result of searching keywords/phrases: shoot, shot, shooting, gun, guns, bullet, bullets, school, schools, bully, bullying, bullies, revenge, murder, kill, killer, hate, police, shootout, violence, cop, cops, plan, school shooting, violent game, etc. This list is not all-inclusive of what was searched. The results of the search are identified as "Recovered Artifacts" and Det. CLARKE placed those results into a "portable case file" for later viewing with IEF.

I viewed the Recovered Artifacts in the Portable Case File using IEF (Internet Evidence Finder) Report Viewer v6.1.0.0380. This data is contained on discs marked as evidence items KG-9 and KG-10. The following is a summary of the total items contained in the report of recovered artifacts from the Toshiba laptop hard drive:

# Toshiba laptop Filtered Artifact search

I narrowed my search of the aforementioned Recovered Artifacts to the last two weeks of activity/content for 10-7-13 through 10-21-13. I saved and exported the results of my narrowed search of the Recovered Artifacts within the date range from IEF (Internet Evidence Finder) to a Microsoft Excel document. This process lists all the activity from the narrowed keyword/phrase search performed by Det. CLARKE.

I printed and attached the 5 page Parsed Search Queries along with the 72 page Internet Explorer 10 (IE10) Content. The Parsed Search Queries report indicates the actual search terms searched, the URL and the date/time the term(s) were searched. The IE10 Content report indicates the URL and date/time visited. The printed lists are for demonstrative purposes to show the actual activity.

# **Bookmarks**

The total list of bookmarks is 2,056. The bookmark function of IEF allows the user to mark relevant items making it easy to locate, view and print those relevant items/artifacts. Bookmarked items:

Bookmarked Artifacts	<u>Items</u>

Internet Explorer 10 History	244

Using IEF, I exported the Bookmarked Artifacts to Microsoft Excel documents, which were placed on CD marked as evidence item KG-11. I printed the Parsed Search Queries, Chrome History Index and Internet Explorer 10 History. The lists show all the "Search Terms", web URL and the dates/times the webpages were accessed. See attached lists.

# Conclusion

Web browser content and search terms that were identified and bookmarked from the hard drive (HD) of the Toshiba laptop are similar in nature to the context of the images found in the suspect's Kyocera cellphone. This conclusion is based upon identifying the video content related to a majority of images from the Kyocera cellphone, and comparing that content with the actual search terms and results found on the HD of the Toshiba laptop. The general common theme of data from the suspect's cellphone, and the Toshiba laptop the suspect used is:

Violent and nonviolent videogame footage, walkthroughs and trailers School shooting videos/footage Violent RPG (role playing games) RPG-playing the role of a school shooter

Nothing further.

### **EXAMINATION REPORT**

### **SYNOPSIS**

On 10/23/13, I received computer media from Detective Ken Gallop (SPD) for exam in connection with a murder case. The computer media had been obtained through a search warrant obtained by Detective Ken Gallop. During the course of the exam, I located internet browser history and indicia of ownership. The report detailing this information was created and placed on a report disc.

All evidence in this case along with a copy of this report was returned to Detective Ken Gallop for final disposition.

### **EVIDENCE SUBMITTED**

On 10/23/13, the following evidence was submitted for examination:

- A Toshiba Satellite laptop computer bearing serial number 9C218239R. The computer contained one (1) hard drive identified as the following: Toshiba MK6475GSX, bearing serial number 62P6YHM with a capacity of 640 GB.
- An XBOX 360 gaming console bearing serial number 105198493905. The gaming console contained one (1) hard drive identified as the following: Seagate ST9120315AS, bearing serial number 5VBo7N8E with a capacity of 120 GB.

### REQUEST

On 10/23/13, Detective Gallop requested that the computer media be examined based on a search warrant. It was requested that the computer media that was submitted be examined for any images, documents, emails, and internet browser history dealing with school shootings.

### **FORENSIC IMAGING PROCESS**

All forensic imaging and analysis was done on government owned equipment with licensed software purchased by the same.

### Item 001:

On 10/23/13, I obtained a forensic image of the TOSHIBA MK6475GSX hard drive, serial number 62P6YHM using AccessData's FTK Imager. This program was designed for use in computer forensic examinations. The image was saved on a USSS owned computer hard drive previously prepared for this purpose (forensically sterile).

Prior to any imaging, the hard drive was connected to a Digital Intelligence UltraBlock device, which is a physical write protection device that prevents writes by the Operating System (OS) on the forensic computer to the evidence drive, ensuring continuity and the integrity of the original evidence. This process is designed to not alter or modify the original hard drive contents. The

software creates an evidence file (disk image) in which the suspect drive is copied bit by bit, sector by sector, in a forensic environment.

I created the following image for the Toshiba lap top computer: "Toshiba 640 GB HD.E01", during the acquisition on 10/23/13. The drive image spanned over one hundred twenty (286) files: Toshiba 640 GB HD.E01-EHD. The drive was hashed using MD5, creating a signature of the drive information. The acquisition hash of the hard drive, b20782a8b6b1e2df0d1bf6ab3cadde6f was verified as the same as the verification hash, b20782a8b6b1e2df0d1bf6ab3cadde6f.

This acquisition hash and verification hash is a comparison of the information read from the Toshiba hard drive and the information on the image created from the Toshiba hard drive.

### Item 002:

On 11/03/13, I obtained a forensic image of the Seagate ST9120315AS hard drive, serial number 5VB07N8E using AccessData's FTK Imager. This program was designed for use in computer forensic examinations. The image was saved on a USSS owned computer hard drive previously prepared for this purpose (forensically sterile).

Prior to any imaging, the hard drive was connected to a Digital Intelligence UltraBlock device, which is a physical write protection device that prevents writes by the Operating System (OS) on the forensic computer to the evidence drive, ensuring continuity and the integrity of the original evidence. This process is designed to not alter or modify the original hard drive contents. The software creates an evidence file (disk image) in which the suspect drive is copied bit by bit, sector by sector, in a forensic environment.

I created the following image for the Xbox gaming console: "Seagate 120 GB HD.E01", during the acquisition on 11/03/13. The drive image spanned over ninety-six (13) files: Seagate 120 GB HD.E01-E13. The drive was hashed using MD5, creating a signature of the drive information. The acquisition hash of the hard drive, fcd4c549bb299630a07767d7dfe32cd7 was verified as the same as the verification hash, fcd4c549bb299630a07767d7dfe32cd7.

This acquisition hash and verification hash is a comparison of the information read from the Seagate hard drive and the information on the image created from the Seagate hard drive.

Note: The MD5 hash value is in essence a "digital fingerprint" of a computer file. Because of the number of different possible hash values, it is improbable that any two non-identical files would have the same MD5 hash value. Thus, a known file can be reliably identified through its hash value.

After the completion of the imaging process the image files were archived.

This process allows the forensic examination to proceed without altering any of the original files from the original computer media seized. From the forensic images taken of the original hard drive, I conducted an examination of the contents of the drive.

# Examination of the media revealed the following:

# Potential evidence files:

During the course of the examination of the Toshiba laptop, I located internet browser history regarding the following topics; bullying, school shootings, super columbine massacre (computer first person shooter game), multiple video game "Youtube" video searches, all of which pertained to first person shooter game walkthroughs such as Grand Theft Auto, and other violent first person shooter games. These videos were created by individuals (not the suspect) that were actively playing each of the games. I also located internet browser searches pertaining to Eric Harris and Dylan Klebold.

Google Chrome Web History showed on 05/31/2013 there were three searches completed at the following times:

05/31/2013 06:34:04 PM

05/31/2013 06:36:31 PM

http://www.brainpop.com/search/search/.weml?keyword=Bullying

The internet browser history showed on 07/06/2013 two Chrome Favlcons were created. "Favlcon" is short for Favorite Icon also known as a shortcut icon to a page URL (Uniform resource locator) also known as a web address. This Favicon was a desktop shortcut to the following two URL:

http://www.brainpop.com/search/search/.weml?keyword=Bullying

http://www.brainpop.com/health/personalhealth/bullying/

Internet Explorer 10 history showed the following activity:

08/01/2013 12:51:18 PM

http://www.bing.com/search?q=bullying+video&form=TOSBTX&pc=MATBJS&mkt=enus&pq=bullving+video&sc=8-9&sp=-1&qs=n&sk=

The internet browser history showed on 10/13/13 there were two searches using the search terms school+shooting. Both using the Bing search engine.

The reports containing these results were created and placed onto a report disc which was turned over to Detective Gallop for final disposition.

No items of evidentiary value were located on the Xbox gaming console.

# **Documentation Photographs:**

Prior to analysis, photographs of the computers and media were taken. These photographs are included on the report disc in a folder named "Documentation Photographs".

### END OF EXAM.

The image files, analysis files and all reports were archived and are being maintained at the USSS Northern Nevada Computer Forensic Laboratory. The original evidence was released to the Case Agent with a copy of this report.
